

## *Acknowledgement*

*The research work associated with my thesis was carried out by me at the Department of chemistry, University of North Bengal, Darjeeling-734013, India.*

*I am very much glad to express my most sincere gratitude to my respected teacher and supervisor, Dr. Mahendra Nath Roy, Reader, Department of Chemistry, University of North Bengal, Darjeeling. Throughout my research period I received from him constant guidance, valuable suggestions, inspiration and constructive criticism. Without his loving care and priceless supervision it could not have been possible to prepare the thesis in its present form.*

*I also express my deep sense of gratitude to late Prof. D. K. Hazra and Prof. S. K. Saha, Department of chemistry, University of North Bengal for their invaluable assistance and continued inspiration during the course of my research work.*

*I express my gratitude to my father, Mr. Santa Bahadur Gurung and mother, Smt. Amrita Gurung for their constant inspiration and support relating to my research*

*I am grateful to the University authority for providing laboratory facilities. The assistance of scientific Instrumentation Centre and Computer Centre, University of North Bengal and others is acknowledged with thanks.*

*In connection with this thesis, I like to extend my acknowledgement to Dr. Ankan Choudhury, Mr. Basant Kr. Rai (HM, Ramakrishna Parishad Boys' H.S.School), Miss. Anuradha Sinha, , Smt. Mousumi Das, Mr. Vikas Kr. Daku, and Mr. Biswajit Sinha for their valuable help and support during the course of my research work.*

*Finally, I am thankful to the Departmental Special Assistance Scheme under the University Grants Commission New Delhi (No. 540/6/DRS/ 2002, SAP-1) for financial and instrumental facilities.*
