

## ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to Professor Ranjit Paul, Dept. of Physics, University of North Bengal for his constant help and active supervision throughout the period of my research work. I am also very much grateful to Dr. (Mrs.) Sukla Paul, Dept. of Physics, North Bengal University for her valuable suggestions and discussions.

I extend my gratefulness to Dr. (Mrs.) Debjani Ghosh, Indian Association for the Cultivation of Science (IACS), Calcutta for her encouraging help and suggestions for designing an apparatus to measure the magnetic susceptibility. I am also thankful to Prof. M.Schadt of M/s. Hoffmann-La-Roche, Basel, Switzerland and Late Prof. M.Wada of Tohoku University, Sendai for donating different liquid crystal samples.

I want to thank to Dr. (Mrs.) B.Bhattacharjee, Dr. B.Jha, Dr. P.Mandal, Mr. B.Majumder and Mrs. K.Bhattacharjee for their cordial cooperation during my experimental works. Mr. Sajal Kr. Sarkar, Senior technical assistant, Dept. of Physics, North Bengal University is gratefully acknowledged for his untiring help in designing and repairing the instruments I used. My sincerest thanks are also due to Mr. B.K.Nag, Mr. G. C.Basak, Mr. K.L.Das, USIC, N.B.U. for various workshop facilities made available to me.

I wish to convey my sincere thanks to the University Grants Commission, New Delhi for providing me with a research

fellowship.

Finally I express my gratefulness to my wife,  
parents, brothers, sister and friends whose constant inspirations  
helped me to complete this work.
