Ref. No.....

Dated 26.9.1994 199...

To whom it may concern

This is to certify that Sm. Sanghamitra Dasgupta ( Mohanta ) has successfully completed her research project entitled : ' The concept of Māyā with special reference to modern Indian Philosophy '. The subject-matter of the thesis did not form a basis of the award of any previous degree to her, or, to the best of my knowledge, to anybody else. As I am satisfied with this research work which has not been submitted by her for any research degree in any other University, it may be submitted for evaluation for the award of the Ph.D. (Arts ) degree of the University of North Bengal.
