

## ACKNOWLEDGEMENT

The author expresses his gratitude to his supervisor Prof. S. Karanjai for his patient guidance, inspiration, encouragement, supervision and good understanding during the research programme.

He wishes to thank the Department of Telecommunications, Government of India for allowing him to do the research work. He also thanks the authority of the University of North Bengal for permitting him to use its library.

Finally, the author would like to express his deepest respect and a special debt of gratitude towards his beloved parents for their sacrifices, patience and understanding. The author wishes to express his warm thanks to his family members, friends and colleagues whose heartiest inspiration and help was a strong impetus towards the completion of this work.
