

ACKNOWLEDGMENT

The life on Earth can be traced back to a history of interaction between living beings and their environments. In my work I have tried to venture in revealing the exciting world of plants (Crop-field weeds), many of which remain so close to our physical world but often without mental link with our psyche, many others remain shying away in oblivion of wilderness. My work has been possible due to the heartiest and sincerest help of many persons.

I am thankful and greatly indebted to Dr. A. P. Das, Reader, Dept. of Botany, University of North Bengal, for his valuable guidance, continuous encouragement and many others help which have not only made this work possible but also enriched my knowledge in different wings related to the work.

My heartiest and sincerest thanks are due to Dr. D. C. Deb, Head, Dept. of Zoology, N.B.U., for his early encouragement and inspiration from my student life to the end of this work.

My sincerest thanks are due to my respected teacher Dr. P. K. Sarker, Former Head and Dr. (Mrs.) U. Chakraborty, Reader, Dept. of Botany, N.B.U. for their continuous esquiry, encouragement and help during computation of the work. I am also thankful to my respected teacher Dr. B. N. Chakraborty, Head, Dept. of Botany, N.B.U. for his continuous inspiration. Thanks are also due to my respected teachers Prof. K. B. Dutta and Prof. P. K. Basu from Dept. of Botany, N.B.U. for their inspiration and various kinds of help.

My thanks are due to Dr. N. Paria, Reader, Dept. of Botany, Calcutta University for permitting me to use his personal Library and assisting me to deal with the seedling morphology of weeds. Thanks are also due to Dr. D. N. Guha Bakshi (Former Documentation Officer, BSI) for supply of many important references for my use.

I am also thankful to the Director, Botanical survey of India, for permitting me to use the Central National Herbarium and the Reference Library and to the Scientist of Botanical Survey of India for their kind help and co-operation during my work at Calcutta.

My sincere thanks are due to Mr. S. K. Banerjee, Head Master, Jote Arapur P. N. High School, for his continuous help and encouragement, without which the work would not be possible. I am also thankful to Mr. G. Murmu, Mr. T. K. Ghosh, Mr. S. K. Paul and all other colleagues of my School for their kind co-operation during my work. Special thanks are also due to Mr. S. K. Chowdhury, Teacher, Who is always a well wisher of me. My heartiest thanks are due to Sri S. Mandal and Sri D. Mandal, two of my students for their continuous help during my field work.

I am also thankful to Dr. P. K. Gayen, Former Seed Testing Officer, Mr. K. Singha and Mr. A. Bhattacharyya, Scientific Asstt. Seed Testing Laboratory, Malda, for providing me some facilities in their Laboratory.

I also extend my heartiest thanks to Dr. U. Saha, Lecturer, Malda College; Mr. S. Das, S. O. 'SB'-NIC; Mr. A. Mukherjee, D.I.O., NIC, Malda; Mr. B. N. Chowdhury, all of my friends for their various help and best wishes which have made this work possible.

Special thanks are due to two of my friends, Mr. P. Majumder who helped me to prepare the District Map and Mr. M. Das, Teacher, who helped me in various ways to complete my work.

I am also thankful to my research colleagues in the Laboratory - Mr. P. Rai, Mr. A. K. Samanta, Mr. A. F. M. Manzur Kadir for their extended helping hand during this work. I am also thankful to the students of Taxonomy, Dept. of Botany, N.B.U., Sri S. S. Mandal, Smt. S. Roy, Smt. S. Majumder and Smt. S. R. Mandal for various kinds of help during my work. I am specially thankful to Mr. N. Singha, Part time Employee of the Taxonomy Laboratory N.B.U. for his kind co-operation in the preparation of Herbarium Specimen.

I would like especially to thank my relative Mr. D. Acharyya and Mrs. S. Acharyya for their cordial hospitality and care during my work without which the work would not possible. But my sincerest thanks are due to Mrs. R. Das for her continuous encouragement and affectionate care which always inspired me to complete my work.

I would also express my gratitude to my parents Mr. A. Acharyya and Mrs. K. Acharyya and my appreciation to my brothers Mr. A. Acharyya and Mr. S. Acharyya for their extended co-operation.

Lastly my appreciation is to my wife Sudipta, who helped me in all respects from the beginning to the end of my present work, though I failed to do my domestic duties. I am sorry to my little daughter 'Titli' as I spent very little time with her.
