

A C K N O W L E D G E M E N T

The author at the very first opportunity offers his heart felt gratitude and sincerest thanks to Prof. Hari Narayan Khastgir, University of North Bengal, for his unstinted help, guidance and criticism for more than a year till his sudden demise.

The author carried out the research work for the remaining two and half years tenure under Dr. Bhim Prasad Pradhan, Lecturer in Chemistry, University of North Bengal, to whom he is ever grateful for his sincerest guidance, constructive interpretations, suggestions and close attention.

The author is indebted to Dr. J.N.Shoolery, Varian Associates, Palo Alto, California, U.S.A., to Bose Institute, Calcutta for the ^1H NMR and ^{13}C NMR spectra; to Dr. A. Duffield, Biomedical Mass Spectrometry Unit; University of New South Wales, Kensington, Australia; ^{for the mass spectra} to Dr. A. Bernherdt, West Germany, for the microanalyses; to Dr. S.K.Sen Gupta, Research and Development Section, East India Pharmaceuticals Ltd, Calcutta, for the Optical rotations; to Sri S.L.Datta, Electro Instrumentation Officer and to Dr. S.Saha, Scientific Officer, University of North Bengal, for the IR and UV Spectra recorded in the thesis.

(III)

The author acknowledges with gratitude the suggestions rendered by Dr. T.K.Roy, Senior Research Assistant, University of North Bengal and remains ever grateful to Prof. P. Sen Gupta, Head of the Department of Chemistry, University of Kalyani, for his valuable suggestions as well as for a gift of authentic sample of methyl crategolate.

The author acknowledges his indebtedness to Prof. A. K.Ghosh, Head of the Department of Chemistry, University of North Bengal, to Dr. S.C.Roy, to Dr. S.K.Majumdar, Readers in Chemistry, to Dr. T.K.Das Gupta and to Dr. S.N.Bose, Lecturers in Chemistry, University of North Bengal, for their valuable advice and suggestions.

The author acknowledges thanks to Dr. A.Goswami, Dr.M. M.Mukherjee, Sri A.Nath, Sri Dilip Chakraborty, Md. A.Hassan, Sm. S.Datta, Sri T.K.Sarkar, Sri Srikumar Mukherjee, Sri Alok Majumder, Sri Ajit Chakraborty, Sri Ranjit Sarkar for their cooperation and is grateful to University Grants Commission, New Delhi, for offering a teacher fellowship for three and half years as well as to the authorities of the University of North Bengal for providing laboratory and library facilities and to the Governing Body of Ananda Chandra College (Govt. Sponsored), Jalpaiguri, for granting academic leave, grateful to Sri R.K.Chattoraj, Acting Principal and to his colleagues Sri D.K.Chatterjee and Sri R.K.Nath of A.C.College, Jalpaiguri for their constant inspirations.

(IV)

The constant inspiration from Mrs. Gopa Roy is highly appreciated.

The author thanks to Sri Manoj Chakraborty, his friend, for his constant inspiration and encouragement.

The author acknowledges thanks to his wife Srimati Seba De for her sincerest inspiration, encouragement and patience.

Finally, the author pays deep regards to his father Sri Sashindra Chandra De, Retired Headmaster (National awardee), his father-in-law late Sri Hara Chandra Chowdhury and to his mother late Subarna Prabha De.
