Department of Philosophy

Certified that the subject matter of this thesis is the record of work done by Miss Sabita Das, that the contents of this thesis did not form a basis of the award of any previous degree to her, or, to the best of my knowledge, to anybody else, and that the thesis had not been submitted by her for any research degree in any other University.

In habit and character, Miss Sabita Das is a fit and proper person for the degree of Doctor of Philosophy.
