

A C K N O W L E D G E M E N T

I wish to express my respect and gratitude to my supervisor Dr. M. L. Ghosh, Professor of Mathematics, North Bengal University, for his constant encouragement and valuable guidance throughout the process of this research work.

I am also thankful to Dr. P. K. Chaudhuri, Reader in Mathematics, North Bengal University for his illuminating discussion on numerical works.

I convey my thanks to Mr. T. Mandal and Mr. A. Ray for their cordial cooperation in preparing manuscript.

For continuous encouragement and help to carry out the work I extend thanks to my friends Mr. M. Bose, Mr. S. Sanyal, Mr. S. De Sarkar and Mr. A. Saha.

I would like to express my sincere gratitude to the Head and other teachers and staff of the Department of Mathematics, North Bengal University for extending all facilities required to complete this work.

I am grateful to my parents, sisters and brother for their unwavering patience and constant encouragement.

Further, I express my thanks to all my colleagues in the department as well as in the Scholars' Hostel, North Bengal University.

Finally, I express my gratitude to the authority of the University of North Bengal for awarding Research Fellowship during the tenure of this work.
