

A C K N O W L E D G E M E N T S

I am very much grateful to Dr. P. K. Basu, Head, Department of Botany, Centre for Life Sciences, University of North Bengal for very diligently supervising the research work, taking active part in detailed discussion and guiding for further authentic works, besides his encouragement and enthusiasm. My gratitude will also go to Prof. (Dr.) T. Sharma, Ex-Director, Centre for Life Sciences, presently Head, Department of Zoology, Banares Hindu University (U.P.) India for his enthusiasm.

My sincere gratitude is expressed to Dr. D.G. Carlson, USDA, Peoria, Illinois, USA for kindly supplying the rotenoid compounds; the Director, Botanical survey of India, Sibpur for identification of the plant; Dr. S. P. Popli, Medicinal Chemistry Division, Lucknow, for kindly reading the spectra of rotenoid compounds and valuable comments on chemical analysis; Head, Department of Chemistry, University of North Bengal for permitting to use the cold centrifuge.

I am really indebted to Shri K. B. Ghimirey, Mirik, and Shri D. K. Pradhan, Darjeeling for their constant co-operation during collection of research materials.

I express my sincere gratitude to the University Grants Commission, New Delhi, for financial assistance to carry out the research work; and the Director, Centre for Life Sciences, University of North Bengal for providing me with Laboratory facilities.

Last but not least, I am indebted to my dear parents and my wife, Durga for their constant vigil and patience with due encouragement expressed at every step of the work.

Dated. 19.12.82.
