

ACKNOWLEDGEMENTS

I am sincerely grateful to my respected teacher and supervisor Dr. A. P. Das, Professor, Department of Botany, University of North Bengal, whose inspiration was the best motivation to do my work and without his guidance it was impossible for me to finish this dissertation work.

I would like to place in record my sincere gratitude to my respected co-supervisor Dr. T.K. Paul, Scientist B, Botanical Survey of India, Howrah for his constant encouragement and unfailing supervision and co-operation.

I would like to express my gratitude and thankfulness to the heads, Department of Botany, University of North Bengal during my study period for extending necessary facilities to conduct my research work. I am also grateful to all the teachers in the Department of Botany, namely Prof. B.N. Chakraborty, Prof. P.K. Sarkar, Prof. U. Chakraborty, Dr. A. Saha, Dr. A. Sen, Dr. S.C. Roy, Dr. P. Mandal and Dr. M. Chowdhury for their encouragement and help. I am also extending my thankfulness to all the office staffs and other staff members for their co-operation and to provide me a homely atmosphere in the place of work.

I express my thankfulness to the Chief Conservator of Forests, North Bengal, Divisional Forest Officer, Parks & Gardens, Cooch Behar Division, and many other Forest department personnel who extended their full co-operation during my studies in Rasik Beel complex area. My special thanks goes to all staff of Central Tobacco Research Institute, Cooch Behar for providing me climatic data of Cooch Behar area and all Scientists and staff of Central National Herbarium, Botanical Survey of India, Howrah for helping me to identify the specimens.

I can't forget Mr. Bipul Barman, Mr. Dinu Barman and their families for their moral support and security during my field study in the Rasik Beel and its adjoining areas. Bipul was my guide cum field-assistant in the Beel complex. Ethnobotanical knowledge of Dinu is really admirable; he is also a kobiraj or folk medicine practitioner. Other residents of Rasik Beel and Bochamari villages Mr. Sanjeev Barman, Mr. Binoy Rava and Pranesh Da who provided me all sorts of help during my field visits.

I am greatly indebted to Dr. Chandra Ghosh (Chandra di) for her relentless co-operation, motivation and inspiration to fulfill the Research Work on Rasik Beel Flora, without her help it would not be possible. I would like to extend my thanks to Mr. Animesh Sarkar, Mr. Sonam R Lepcha, Dr. Ajita Sarkar, Mr. Goutam Saha, Mr. Suman Nirola, Mr. Dibakar Choudhury, Mr. Anurag Choudhury, Mrs. Baishakhi Sarkar, Mr. Saurav Moktan, Mr. Narapati Sharma, Miss Bidya Devi Sharma, Mr. Amalesh Bijali, Mr. Kishor Biswas, Mr. Anand Lama, Mr. Biman Krishna Saha and Payel Paul for creating and maintaining a highly professional attitude towards the research activities and at the same time maintaining a homely environment in the laboratory.

I offer thanks to all staffs of Garden of Medicinal Plants, namely Md. Wazed Ali, Md. Eqramul Ali, Mr. Papai Samaddar, Mr. Amit Bhowmik, Mr. Biplob Sarkar, Mr. Sanjib Banik, Mr. Manu Mondal and Mrs. Bijoya Biswas for their support. I also thank to Late Nabin Singha, Mr. Prem Chhetri, Mr. Binod

Singha and Mrs. Sangita Oraon, Lab-Attendant of Taxonomy and Environmental Biology Laboratory, Department of Botany.

I would like to extend my thanks to all other Research Scholars of Department of Botany, University of North Bengal for their continuous cooperation and moral support.

I wish to record my appreciation to my friends Dr. Amitava Mandal, Dr. Susmita Paul, Dr. Binay Kr. Patel, Mr. Amit Jana, Mr. Bankim Mandal and all my Hostel Colleagues for their moral support. I would like to express my appreciation to Dr. Debasis Das and Dr. Prithwiraj Jha, who provide me many documents and publications on the fauna of Rasik Beel area.

I am also grateful to Mr. Mukunda Roy (Robot), Mr. Sushil Roy, Mr. Prafulla Ch. Singha and Mr. Kartick Das, Dining Staff of my Research Scholar Hostel for their constant co-operation.

I am thankful to Mrs. Ruby Das, wife of Prof. A.P. Das for her motherly love and affection and I would like to express indebtedness to my dearest brother Sri Sanwit Das for his good wishes.

I am grateful to different Superintendents for the Research Scholar Hostel, Prof. R. Sahu, Dr. Rathin Banerjee and Mr. Varun Kr. Roy and all staff of Estate Office and Watch and Ward of the University of North Bengal. I would like to extend my gratitude to other numerous people who has contributed to finish this work but I failed to enumerate their names.

My special thanks to my elder brother Mr. Tarun Kr. Misra, formerly the soil-chemist in the Department of Tea Science, N.B.U. and presently the Range Officer in Volka Range, BTR and his wife Mrs. Manjushree Roy for their positive mental support.

I express my thankfulness to Dr. Papiya Bhattacharyya, Assistant Director of Agriculture, Siliguri-Naxalbari Block and all staff of her Office under Agriculture, ATMA and IWMP for their inspiration and support to complete the work.

Words are not enough for expressing my heartiest gratitude towards my loving parents, Late Subhasini Biswas and Sri Chittaranjan Biswas for their dream and moral support and encouragement throughout my studies.

My adoring thanks to my elder Sanjoy and sisters Sulata and Sipra Biswas, my brother-in-law Bidhan Sarkar, my little Mom Nupur Sarkar (Sonai) who extended love and care to build up my confidence during the entire period of my research.

I also grateful to University Grand Commission, New Delhi for financial assistance to carry out the research work, without which this work would not have been possible.

[RAJIB BISWAS]

Place: University of North Bengal
