	Declaration of the Research Scholar	I
	Certificate by Supervisor	II
	Abstract	III
	Preface	V
	Acknowledgement	VII
	List of Tables	VIII
	List of Figures	XIX
	List of Maps	XX
	Abbreviations	XXI
	Contents	XXVII
Chapter-I:	Introduction	01
	1.1 Statement of the Problem	01
	1.2 Conceptual Framework	04
	1.3 The Scope of Study	06
	1.4 Review of Literature	09
	1.5 Research Questions	22
	1.6 Research Hypotheses	23
	1.7 Research Objectives	24
	1.8 Research Design	25
	1.8.1 Universe of the Study	27
	1.8.2 Sampling Frame	27
	1.8.3 Sampling Procedure	27
	1.8.4 Sample Size	31
	1.8.5 Time period for primary data collection	31
	1.8.6 Data Processing with Statistical Tools and Techniques	31
	1.8.7 Limitations of Study	35
	1.9 Chapterisation	42
	1.10 Conclusion	44
	References	45
Chapter-II	Institutional Credit Flow to Farm Sector: A National Perspective	52
	2.1 Introduction	52
	2.2 Patterns of Institutional Credit Flow to Agricultural Sector at National Level	52
	2.2.1 Agricultural Credit Flow in Percentage of GDP	53
	2.2.2 Regional Disparity in Credit Flow to Agricultural Sector	55
	2.2.3 Trends in Inter-state Share of Agricultural credit and Crop GVO	56
	2.2.4 Inter-State Disparity in Allied Agricultural Credit	59

	and Allied Agricultural GVO	
	2.2.5 Institutional Credit Flow to Small and Marginal Farmers at National Level	60
2.3	Rural Sector Finance: Institutional Architecture	61
	2.3.1 Priority Sector Lending Rules and Loans Disbursement by Scheduled Commercial Banks	62
	2.3.2 Distribution Patterns of Agricultural Credit from Scheduled Commercial Banks	64
	2.3.3 Progress of Kisan Credit Card Scheme	65
	2.3.4 Coverage of Service Branch Networks in Rural Areas	68
2.4	Farm Credit Disbursement by RRBs: Structure and Financial Mechanism	69
	2.4.1 Profitability and Viability aspects of RRBs	70
	2.4.2 Purpose-wise advances extended by RRBs	72
	2.4.3 Gross loan (o/s) and Volume of NPA of RRBs	73
2.5	Rural Cooperative Credit Structure and Nature of Assistance to Farm Sector	75
	2.5.1 Performance of StCBs under Short-Term credit Structure	76
	2.5.2 Performance of DCCBs under Short-Term credit Structure	78
	2.5.3 Trends in Credit Supply from Cooperative Societies	80
	2.5.4 Cooperative Loans to Farm Sector: A National Level Comparative Pattern	83
2.6	Institutional Credit Support Mechanisms: NABARD Initiatives	89
	2.6.1 Trends in Credit support dispensed by NABARD	89
	2.6.2 Agency-wise share of short-term refinance support	90
	2.6.3 Long-term Refinance Assistance by NABARD	92
	2.6.4 Refinance Support to SFCs, NBFCs and MFIs	95
	2.6.5 Institutional Assistance for Infrastructure Development	95
2.7	Conclusion	99
	References	100
Chapter-III	Structure of Topography, Agricultural Land-Use Pattern and Economic Development Aspects in West Bengal	103
	3.1 Introduction	103
	3.2 Physiographic Divisions	104
	3.3 Forest Cover and Vegetation	105

3.4	Agro-Climatic and Physiographic Features	107
3.5	The Demographic Structure of the West Bengal	110
3.5.1	Inter-Temporal Growth of Population	110
3.5.2	Trends in Sex-Ratio and Population Density	112
3.5.3	Distribution of Population in Rural and Urban Areas	115
3.5.4	Distribution aspects of SC and ST Population	116
3.6	Status of Agricultural Sector in West Bengal	117
3.6.1	Profile of Crop Production	117
3.6.2	Land Holding Pattern	122
3.6.3	Input Use Patterns in Agricultural Sector	123
3.6.4	Status of Farmers' Indebtedness	128
3.7	Institutional Banking Assistance for Farm and Non-farm Sector	131
3.7.1	Profile of Basic Banking Facilities	131
3.7.2	Agency and Sectoral Flow of Agricultural Credit	135
3.7.3	Agency-wise Status of Micro-credit Assistance at Rural Sector	137
3.7.4	District-wise Patterns of Projected Institutional Credit to Agriculture Sector	141
3.8	Aspects of Rural Infrastructure Development	143
3.8.1	Status of Irrigation Network	143
3.8.2	Condition of Road Networks	146
3.8.3	State of Electricity Access in Rural Area	151
3.8.4	Healthcare Access in Rural Areas	154
3.8.5	Telecommunication Infrastructure	156
3.8.6	Cold Storage Infrastructure	159
3.9	Conclusion	162
	References	164
Chapter-IV	The Geographic, Administrative and Socio-Economic Profile of the Jalpaiguri District	167
4.1	Introduction	167
4.2	Brief History of Jalpaiguri District	168
4.3	Administrative Structure of Jalpaiguri District	169
4.4	Demographic Profile of Jalpaiguri District	170
4.4.1	The Population Demographics: CD Block-wise Pattern	171
4.4.2	Gender Composition of Population	173
4.4.3	Caste specific Distribution of Population	175
4.4.4	Profile of Rural Illiterate and Literate persons	176
4.4.5	Occupational distribution of population	180
4.5	Physiographic and Climatic Conditions	181
4.5.1	Topography and Terrain Structure	182
4.5.2	Structure of Soil Texture	184
4.5.3	Profile of Minerals Resource	185
4.5.4	River Streams and Drainage System	186

	4.5.5	Groundwater Resource	187
	4.5.6	Climatic Conditions and Rainfall Patterns	188
	4.6	Land-use patterns in various uses	191
	4.6.1	Types of Forest Coverage	191
	4.6.2	Profile of Agriculture Sector and Non-Farm Activities	193
	4.6.2.1	Production Patterns of Major Crops	194
	4.6.2.2	Production Patterns of Horticulture Crops	197
	4.6.2.3	Provision of Irrigation Facilities	198
	4.6.2.4	Other Input Support Services for Agriculture	199
	4.6.2.5	Involvement of farm credit agencies	200
	4.6.2.6	Inter-temporal profile of Multi-Agency Credit flow to Agriculture and Allied-Agricultural Sector	202
	4.6.2.7	Network of Non-Farm Production Activities	213
	4.7	Conclusion	217
		References	218
Chapter-V		A Micro-Level Analysis of Demand Behaviour of Sampled Farmer Households for Credit in Study Area	222
	5.1	Introduction	222
	5.2	The Nature of Demand for Credit by farmers	223
	5.3	Objectives of Field Survey relating to Farmer Households	223
	5.4	Field Survey Methodology applied in the Research Study	224
	5.5	Specification of Theoretical Framework	225
	5.6	Nature of Regressor Variables and Hypotheses used in Research Study	229
	5.7	Demographic and Socio-Economic Profile of Sample Villages: A Descriptive Interpretation of Field Survey Data	233
	5.8	Field Data Analysis of Farmer HHs Demand Behaviour for credit	256
	5.9	Field Data Analysis of Farmer HHs Attitude to Credit Repayment	264
	5.10	Critical interpretation of primary data	269
	5.11	Conclusion	273
		References	275
Chapter-VI		A Micro-Level Analysis of Features, Performance and Prospects of Agricultural Finance at Study Areas	279
	6.1	Introduction	279

	6.2	Rural Economic Structure of Sampled C.D Blocks of Study District	280
	6.3	Evolution of Financial Institutions in the Jalpaiguri District	281
	6.4	Problems Encountered in Credit Delivery to Agricultural Sector by District Financial Institutions	283
	6.5	Objectives of Micro-Level Study	285
	6.6	Research Methodology	285
	6.6.1	Theoretical Framework	287
	6.7	Performance of sample service branches of Commercial Banks	294
	6.7.1	Inter-temporal patterns of Credit-Deposit ratio and performance of debt instrument	296
	6.7.2	The status of credit supply to the priority sector from sample PSB-SCB branches	299
	6.8	A brief history on origin and activities of RRB-UBKGB	308
	6.8.1	Performance of sampled UBKGB-RRB offices regarding credit supply to the priority sector	311
	6.9	A brief history on origin and activities of JCCB Ltd. pertaining to financial services	314
	6.9.1	Performance of sampled JCCB Ltd. offices regarding credit supply to the priority sector	317
	6.10	Structure of binary regression models and comparison between inferential statistics outcomes	321
	6.11	Conclusion	329
		References	331
Chapter-VII		Nature of Informal Credit Market and Relationship with other Input Markets at Rural Sector of Jalpaiguri District	334
	7.1	Introduction	334
	7.2	Role of Informal Finance-A Theoretical Perspective	335
	7.3	Informal Credit Sources at Study Areas - Characteristic Features	336
	7.4	Spread of Informal Finance-Causal Patterns and Attitude of Sampled Farmers	340
	7.5	Interlinked Input Markets Transactions-Theoretical Observations and Field Data Analysis	347
	7.6	Conclusion	362
		References	363
Chapter-VIII		Major Findings, Suggestions and Future Scope of Study	366
	8.1	Introduction	366

8.2	A brief summary of previous seven chapters	366
8.3	Findings with regard to trends and patterns of institutional credit flows to farm sector at national level	369
8.4	Findings with regard to patterns of institutional credit flow and aspects of rural development in West Bengal	372
8.5	Major findings with regard to physiography, climate, demographics, infrastructure patterns and institutional credit assistance to agriculture sector in Jalpaiguri district	376
8.6	Critical findings obtained from primary data pertaining to demographic, socio-economic and rural infrastructure patterns as well as the nature of demand and supply of credit in study area	380
8.7	Suggestive Measures for Improvement	386
8.8	Future Scope of Study	389
	Bibliography	390
