
PREFACE

The thesis contains the results of the work done during the last six years in the Expert Systems Laboratory, Department of Computer Science & Applications, North Bengal University. The major part of the results has already been published. I wish to record my gratitude to my Supervisor, Dr. R. K. Samanta, Reader and Head, Department of Computer Science & Applications, North Bengal University for his constant guidance and inspiration. I should record my heartiest thanks to Dr. (Mrs) Mridula Chatterjee, MD(PAED), Shibmandir Medical More for her assistance towards knowledge acquisition in connection with the present work. I am thankful to the authorities of the Department of Computer Science & Applications and Computer Centre, North Bengal University for extending the necessary facilities to me. I am thankful to the authorities of the North Bengal Medical College & Hospital, Sushrata Nagar and Mitra Nursing Home, Hakimpura, Siliguri for extending the necessary facilities to me. I am also thankful to Prof. D. Dutta Majumder, Professor Emeritus of ISI, & Emeritus Scientist of CSIR, Indian Statistical Institute, Calcutta and Er. B. Majumder, Executive Engineer, AGRI-MECH, Jalpaiguri Division, Jalpaiguri for their various kinds of help. I am also thankful to Pampa Mondal, Raj Kumar Kapoor, Debasish Das, Bhabatosh Saha and Goutam Malakar for various help. I am indebted to Dr. S. C. Pal, Computer Centre and Dr. M. G. Goswami, Expert Systems Laboratory, Department of Computer Science and Applications, and other members of the Department of Computer Science & Applications and Computer Centre, North Bengal University for their numerous help. Lastly, I must thank my wife Reba who always encouraged me to spend odd hours with my research work.
