This is to certify that the research work embodied in the thesis "Studies on Agony and Developmental Physiology of Commercially Cultivated *Stygnia Toiding* *Blanck* sp. in Darjeeling Hills, West Bengal" has been carried out by Sri Prashant Kumar Saha, M.Sc. (Ag.) under our joint guidance.

He has fulfilled the requirements relating to the nature and period of research. It is also certified that the thesis incorporates the results of original investigation made by Sri Saha in the Research Laboratory of the Directorate of Cinchona & Other Medicinal Plants West Bengal and in the Plant Physiology (Pharmacology) Laboratory, Centre for Life Science, University of North Bengal under our guidance and supervision and the thesis now submitted for the fulfillment for his Ph.D. degree in Science (Botany) of the University of North Bengal has not been submitted previously for any degree whatever.
