

ACKNOWLEDGEMENT

I express my profound gratitude to Prof.A.K. Chakravarty for his generous encouragement, informed guidance and material support throughout my research tenure under his supervision. His patient direction and numerous consultations even during his busy schedule, helped me, by and large, to complete my work in time. I also thank Prof. M.S. Kanungo, Benaras Hindu University, Varanasi, Dr. S.N. Ghosh, National Institute of Virology, Pune, Dr. G.Mazumdar and Dr. A. Das of Indian Institute of Chemical Biology, Calcutta; Prof. N. Chaudhuri, Dr. A. Mazumdar of Physics and Chemistry Departments, North Bengal University, Darjeeling for providing various facilities related to research work; and to all the teachers of Centre for Life Sciences, North Bengal University for their kind cooperation and permission to avail all the facilities in the department to carry out my work. My special thanks are due to Dr.A.K. Chakraborty and Dr. T.K. Chaudhuri, both from AIIMS, New Delhi and to Dr. U.K.Moitra, Siliguri College, Siliguri for their invaluable suggestion and brotherly attitude; to Mr. S.K. Sarkar, my lab mate for rendering various type of help throughout the research period; to Mr. S.Chaudhuri for typing the thesis within a short time and to Mr. M. Gantait, R. Poddar, L.Ghatwar, A.Kumar and H.Bose, scholars of various field for their kind cooperation at the last phase of manuscript preparation.

Finally, I express my deep appreciation to my parents for their wishful blessings, encouragement and affection at all odds and evens.

Immunol. Cell Biol. Lab.,
N.B.U, Darjeeling
July, 1986.
