

ACKNOWLEDGEMENT

I gratefully acknowledge my indebtedness to Prof. S.N.Sen, Head of the Department of Physics, University of North Bengal, Darjeeling, India, for his active interest, guidance and constructive criticisms during the progress of the work. Thanks are due to the Council of Scientific and Industrial Research, Government of India, for financing the whole project. Thanks are also due to the University of North Bengal for providing me with all library and laboratory facilities. Lastly I express my sincere thanks to the Technical staff of the Physics Department, University of North Bengal for helping me to design and construct different equipments used for the present investigation.
