

CERTIFICATE

This is to certify that Ms. Jayanwita Sarkar has carried out her research work under our joint supervision at Plant Biochemistry Laboratory, Department of Botany, University of North Bengal. Her thesis entitled “**Temperature stress in wheat plants, its alleviation by selected plant growth promoting rhizobacteria and comparative evaluation of their role in tolerance to biotic stress**” is based on her original work and is being submitted for the award of PhD degree in Botany in accordance with the rules and regulations of the University of North Bengal. No part of this thesis has formed the basis for the award of any degree or fellowship previously.
