To Whom It May Concern

I am pleased to certify that Sm Swapna Ghorai is known to me for the last twelve years. She worked under me for her Ph. D. Thesis on "The Problems and Prospects associated with Tea Gardens and Tea Industries in Nagrakata and Banarhat Police Stations of Jalpaiguri district in West Bengal". She prepared this Thesis based on intensive field work and data from secondary sources. This is an original work and so far my knowledge goes no one was worked in this topic in the past in this University. I recommend the Thesis for submission for her Ph. D. Degree to this University.

Sm. Ghorai is sincere and methodical in her work. She bears a good moral character.

I wish her success in future life.
