FOREWORD

I am glad to know that the Annual Report of the University of North Bengal is going to come out for the year 2017–2018. The report gives us an opportunity for assessing where we are and understanding what we hope to achieve and the dreams that still remain unfulfilled. The report is a mark of our sense of perfectibility. We are accountable only to ourselves.

Best Regards,
Place: Raja Rammohunpur
Date: 8th April, 2021

Dr. Subires Bhattacharyya
Vice-Chancellor

FROM THE DESK OF THE DEVELOPMENT OFFICER

We, all from the Administrative branch of the University of North Bengal feel happy to welcome the annual reports 2017-2018, which is the showcase of the activities performed by the different Departments, Branches, and Centres of the University.

The publication of the Annual Report is not just a statutory requirement but it is a step to acquaint the stakeholders of the University about the University programmes and activities.

Since its inception in 1962, the University of North Bengal is a key Centre of Higher education in the northern region of the state of West Bengal with the mission to encourage and provide an environment for teaching, learning and research in various branches of curriculum related to higher education and to promote advancement and dissemination of knowledge to meet the growing needs of the society. The University has a pool of trained people as Alumni to cater to all sort of needs of the North Bengal region and beyond from teachers/trainer to teach in Schools, Colleges, or institutions as well as skilled manpower for Business Houses, Corporates and Industries.

In this long journey with time, our University has diversified itself to new areas and established the department/Centre like Tea Science in the year 1995, Department of Management in the year 2003, High Energy and Cosmic Research Ray Centre in 1991, Centre for Women's studies in the year 2000, Centre for studies in Local languages and Cultures in the year 2001, Centre for Floriculture & Agri-Business Management (COFAM) in the year 2005 and also offering special postgraduate courses like strategic and Area studies at Centre of Himalayan Studies from 2005 onwards which is established in the year 1978. Apart from that our University has a heritage Museum named Akshay Kumar Maitreya Heritage Museum with the majority of the collection belonging to the period between the 8th century and 12th Century. There is a lot of scopes that these departments / Centre will develop a lot to provide new innovative courses.

Depending upon the demand from society, our University has taken initiative in session 2017-2018 to open departments like Geology, Food Technology, Education, Sanskrit, and Pharmaceutical Technology which will offer PG courses, MPhil and Ph.D. in the related areas in the coming future.

A report like these allows us to access core strength and give us the vision to plan our future course of action. Further, it also helps us to identify our weaknesses.

I wish thanks to all the staff of the Office of the Development Officer like Sri Kalyan Ch. Singha, Debashree Pal (now transferred) to the Department of Pharmaceutical Technology), Prahlad Sarkar, Babulal Oraon, and Amit Dey (transferred to Registrar's Branch) who worked as a complete team to collect the information.

I like to thank all the staff of the university press and the Press Superintendent for extending their full cooperation in publishing this report.

Dr. Tamal Sarkar
Development Officer (In charge)

DEPARTMENT OF BIOTECHNOLOGY

1. **Name of the Department:** BIOTECHNOLOGY

2. **Date of Establishment:** 2001

3. **Introduction of the department:** The Department of Biotechnology (Supported by DBT, GoI), promotes and facilitates faculty, research scholars and student research in Microbiology, Biochemistry, Molecular Biology, Cell Biology and Molecular Genetics to achieve goals of Biotechnology. The department provides technical support for research and a nucleus for interdisciplinary research and training initiatives, and prepares students and research scholars to work in modern research facilities at University of North Bengal. The Department of Biotechnology is committed to the values of: Pursuit of excellence, Academic and intellectual freedom, Creativity and innovation, Diversity, cooperation and communication and Accountability. The department has been capable to establish Biotechnology and Genomics-Proteomics-Metabolomics- Resistome research initiatives to provide students with outstanding research projects in supported programs. The department currently provides strong ties between researches in different DBT sponsored departments of the country. It has strengthened ties with the National Research Institutes, R&D Centres and other public Institutions and increased cooperation in consortium programs and Interdisciplinary research.

DEPARTMENT OF BOTANY

1. **Name of the Department:** Department of Botany
2. **Date of establishment:** 1984
3. **Introduction of the Department:** The Department of Botany of North Bengal University was initiated in the summer of 1984. Since then the Department flourished tremendously with tireless efforts of faculties, staff and students. The Department has marked its golden presence by its remarkable achievements in shaping the scientific and academic pursuit of Sub-Himalayan West Bengal, Sikkim and neighbouring countries like Nepal, Bhutan and Bangladesh. Though, being a small University situated in a remote location with limited resources and infrastructure, our University as well as the Department is second to none when it comes to producing quality students, researchers and scientists.

DEPARTMENT OF CHEMISTRY

1. **Name of the Department** : Chemistry

2. **Date of Establishment** : 1963

Introduction of the Department : The Department of Chemistry has M. Sc. and Ph. D. Programmes. The academic programmes are so designed as to enable the students to acquire a good understanding of classical Chemistry as well as its latest developments. A good number of students qualify the NET examinations every year. The Department was selected by the UGC for Special Assistance Programme under Departmental Research Support category. The department has also received assistance from the Department of Science and Technology under its FIST programme under which major instruments, viz, one 300 MHz & one 400 MHz FTNMR machines have been installed.

Sub: Chemical Research Society of India (CRSI) Bronze Medal

Dear Prof Roy,

I am delighted to inform you that you have been chosen to receive the CRSI Bronze Medal- 2017 in recognition of your contributions to research in chemistry. The medal will be presented to you either in the 20th CRSI National Symposium in Chemistry (NSC-20) to be held at Gauhati University, Guwahati during February 3-5, 2017 or in the 21st CRSI National Symposium in Chemistry (NSC-21), which will be held at Hyderabad, in the month of July 2017, as per mutual convenience. You will also be delivering your Bronze Medal lecture in the above meeting. We will send more information about these meetings soon.

Kindly accept my congratulations.

I appreciate receiving your response at the earliest. Look forward to hearing from you.

With best wishes

(Sourav Pal)

DEPARTMENT OF COMPUTER SCIENCE & APPLICATION

1. **Name of The Department** : Computer Science and Application

2. **Date of Establishment** : 1988

3. **Introduction of the Department:**

The Department started imparting instructions with the most modern curricula and syllabus to the students of Post Graduate Diploma in Computer Application Course in the year 1983 initially. Afterwards starts MCA Course in the year 1998. The Department is the oldest Department among all other Universities, which started imparting MCA Course in West Bengal. Presently the department is successfully running MCA & M.Sc. Computer Science Courses.

The Department of Computer Science & Application has been one of the pioneering academic institutions for higher education, research, and innovation in key areas of computer science and application. The mission and vision of the department is to enabling excellences in the world of computer science and application through imparting higher education and research. Students of this department showed their potentiality in their respective services and placed in various reputed industries.

The Department maintains an excellent teaching/learning and research environment with dedicated, qualified and dynamic faculties and well equipped laboratories. Apart from the teaching, faculties are very much active developing, guiding and conducting research oriented projects, articles related to Computer Science & Information Technology, books. The faculties also participated in various International and national Seminars, workshops, Symposiums and conferences of repute. Presently the Department is having Three Professors, five Assistant Professors and Seven Non-Teaching staffs constitute the faculty and non-teaching strength of the department.

DEPARTMENT OF GEOGRAPHY AND APPLIED GEOGRAPHY

1. Name of the Department: Geography and Applied Geography

2. Date of Establishment: 1962

3. Introduction of the Department: The Department of Geography and Applied Geography, North Bengal University was established in the year 1962 along with the establishment of the University. The Department offers teaching in the post graduate level (both at NBU Campus & Jalpaiguri Campus) and also offer M.Phil. and Ph. D programme. The new syllabus has been framed to incorporate the different fields of Geography from Geomorphology to Urban issues, Pedology, Population dynamics and Regional Planning and Development. Digital Cartography and Geographical Information System has been incorporated in the syllabus to equip the students to further their research interest. A substantial number of the faculties are participating in several consultative research works. The Department is continuing its programme of recording weather information daily since 2002. This programme was done in order to provide the society need based service. The new syllabus under CBCS System was introduced since the 2018-19. Special attention has given to the different emerging and application oriented aspects in the new syllabus under the semester system including Geographical Information System, Remote Sensing and Disaster Management. The Department at present offers Post Graduate student's special courses in Applied Pedology, Cartography, Fluvial Geomorphology, Population Geography, and Urban Geography.

The department is sponsored by UGC SAP-DRS II and has completed UGC SAP-DRS I successfully. At present, the Department is at the final year of the completion of Phase II. This department is enriched further with the Centre for Geo-Spatial Sciences which is attached to this Department of Geography and Applied Geography, North Bengal University. At present the department has 12 faculty members with expertise in the field of geo-informatics.

The department caters to a huge peripheral hinterland from where large number of students and research scholars come to gain knowledge and research experience from the expertise of esteemed faculty members. The students from varied geographical regions comprising of the foothill as well as hilly terrain of Darjeeling-Sikkim Himalaya in the north, alluvium hill shade of Brahmaputra valley of Assam in the east, undulating topographic variation formed by Gangetic depositional alluvium of Bihar and Jharkhand tract in the west and flat type topographical situation ranging from Gangetic delta to Jangalmahal of southern part of West Bengal come to this department.

DEPARTMENT OF MATHEMATICS

1. **Name of the Department:** Mathematics

2. **Date of Establishment:** 1962

3. **Introduction of the Department:**

The Department of Mathematics came into existence in 1962, with the major objective of developing a centre for excellence in the region of North Bengal in **Mathematical Sciences and Applications** and to provide facilities for training, study, research in these areas. Pioneering research contributions have come from the faculty members in the field of Real Analysis, Complex Analysis, Topology, Relativity & Astrophysics, Graph Theory, Dynamical Systems and Geometry. The Department has the distinction of having on its staff Fulbright Fellow, Erasmus International Fellow, TWAS-UNESCO Visiting Professor JSPS Scholar, Ramanujan Fellow etc. The Department conducts Master's degree programme in Mathematics and Ph. D. programmes. The Department has a record of almost 100% employments at various levels, starting from High Schools, colleges and Universities to Research Laboratories like DRDO, CSIR Labs and others.

- Main areas of research at present are **Real and Complex Analysis, Topology, Differential Geometry, Differential equations, Dynamical Systems, General Relativity.**
- The Department has been receiving annual Library Grant from NBHM since 1991. The Departmental library has about 6500 books and subscribes a large number of International and Indian Peer Reviewed journals including Mathematical Reviews.
- The Department is co-ordinating the Mathematical Olympiads and related training programmes for high school students, Madhava Mathematics Competition for undergraduate students in affiliated colleges and other colleges in the vicinity and Refresher Courses in Mathematics organized by ASC-NBU.

 - Dr. Lakkhi Kanta Dey, NIT, Durgapur, delivered a special lecture entitled “Kannan type contractive mapping in non-compact metric spaces” on 18.12.2017 in the Department.”
 - The students of the Department organized Blood Donation Camp on **6th April, 2017 (contribution- 213 units)** in the Department.

DEPARTMENT OF MICROBIOLOGY

1. **Name of the Department:** MICROBIOLOGY

2. **Date of Establishment:** 2005

3. **Introduction of the department:** Microbes and their activities play an important role in human welfare. Microbes can cause disease, but a properly functioning microbiome is essential for health. Microbes spoil food, but drive many forms of food production. Microbes mediate organismic decay, but catalyze numerous geochemical processes essential for life on Earth. Our world is changing ever more rapidly due to population growth, global warming, and emergence of new infectious diseases. Thus, it is important to train exceptional young people in the scientific tools needed to meet these changes. **The Department of Microbiology, NBU was established in 2005** with an aim to train the next generation of leaders in Microbiology.

DEPARTMENT OF PHYSICS

1. Name of the Department: Physics Department

2. Date of establishment: 1962

Introduction of the Department: Physics is one of those departments with which North Bengal University started its journey in the year 1962. At present there are nine faculty members and ten non-teaching employees in the department. The department has active research groups in the field of (a) Liquid Crystal, (b) Relativity, Cosmology, and Astrophysics, (c) High-energy Heavy-ion Interaction and Cosmic-ray Physics, and (d) Solid-state devices. Several research projects sponsored by the DST, DAE, UGC, and Tea Research Board are running in the department. In the year 2003 the department received a financial support under the FIST programme from the DST, Govt. of India. The department offers both M.Sc. and Ph.D. courses. A semester system is followed in the M.Sc. level, with three different areas of specialization namely, Condensed Matter Physics, Electronics and Nuclear and Particle Physics, out of which a student can choose one. The annual intake capacity in M.Sc. is 40 students. In the Ph.D. programme of the department right now 25 research students are enrolled under the supervision of different faculty members. Almost all faculty members are involved in intra and inter-university national and international collaborations of scientific research. The department houses one IUCAA Resource Centre, a Data Centre for Observational Astronomy, six teaching laboratories, several research laboratories and one departmental library. From time to time the department organizes Seminars, Symposia, Conferences, Schools, Refresher Courses, and Outreach Programs.

13. Any other information (Awards Received)

1. Prof. P. K. Mandal along with Ph.D. students Kartick Ch. Dey visited Deutsches Electronen Synchrotron (DESY), Hamburg, Germany in October, 2017 for 10 days for conducting synchrotron based experiments. International travel and living expenses in Germany were fully covered by DST under India@DESY International Collaboration program.
2. Prof. B. C. Paul visited University of Zululand and University of Kwa-Zulu Natal, Durban, South Africa (Sept. 24- Oct. 24,2017)

DEPARTMENT OF TEA SCIENCE

1. **Name of Department** : Department of Tea Science
2. **Date of Establishment** : 1995
3. **Introduction of the department** : Department of Tea Science, University of North Bengal is a unique department of its own kind. The department was initiated in the year 1995 to meet the long felt demand of well trained youngsters in Tea industry to serve in the Managerial cadre. The PGDTM (Post Graduate Diploma in Tea Management) course initiated during 1995-96 is still running. We are proud to state that our students are well established in almost all multinational tea companies having their plantations in India. Some of our bright students are also absorbed in tea plantations outside India. In every corner of Indian tea industry one can find an alumni of our department. Our M. Sc. Course introduced during 2012-13 educate students for building their career in higher education and tea industry. The successful students not only serve as managers in Tea gardens but at the same time are placed in research institutes, Tea Board of India etc, while some are pursuing research to obtain Ph. D. This is possible because the department has build up a strong University-Industry partnership. Our students are groomed by experts of tea industry to make them fit for tea garden environment. The department also has well equipped laboratories as well to train our students to handle the activities of tea industries.

Apart from regular teaching activities Department of Tea Science has a Tea Board of India approved **Soil Testing Laboratory**. This laboratory is dedicated for testing soils from tea gardens of West Bengal, Bihar, Assam and Sikkim on payment basis. Soil laboratory thus earn a good amount of revenue for the University. In this laboratory we conduct quantitative tests for macro and micronutrients.

DEPARTMENT OF BENGALI

1 Name of the Department: Bengali

2 Date of establishment: 1962

3 Introduction of the Department: সাল ১৯৬২। রাজ্য পেল আরও একটি নতুন বিশ্ববিদ্যালয় – উত্তরবঙ্গ বিশ্ববিদ্যালয়। বিশ্ববিদ্যালয় প্রতিষ্ঠার মাত্র তিন বছরের মধ্যেই ৮ ফেব্রুয়ারি, ১৯৬৫ বাংলা বিভাগ তার পথ চলা শুরু করে। মূল উদ্দেশ্য বিদ্যায়তনিক ক্ষেত্রে বাংলা ভাষা ও সাহিত্য চর্চা। বাংলা ভাষা-সাহিত্যের বিপুল ভান্ডার শিক্ষার্থীদের সামনে তুলে ধরা। এই বিভাগ মান্য ভাষা শিক্ষার পাশাপাশি বিভিন্ন আঞ্চলিক ভাষা ও সাহিত্যের পাঠকে গুরুত্ব দিয়ে থাকে। ভাষা ও সাহিত্যকেন্দ্রিক গবেষণাকে সর্বদা অনুপ্রেরণা দেয়।

বিগত ৫৫ বছর ধরে বাংলা বিভাগ অত্যন্ত দায়িত্ব সহকারে তার যাবতীয় কর্তব্য পালন করে চলেছে। মাত্র দু'জন শিক্ষক এবং তেরো জন শিক্ষার্থী নিয়ে এই বিভাগের পঠন-পাঠন শুরু হয়েছিল। সময়ের সঙ্গে সঙ্গে যেমন বেড়েছে তার শিক্ষার্থীর সংখ্যা, তেমনই রাজ্যের নানা প্রান্ত থেকে পাঠদান করতে এসেছেন অধ্যাপকবৃন্দ। প্রস্ফুটিত হয়েছে গবেষণার নানা অভিমুখ। নিয়মিত জাতীয় ও আন্তর্জাতিক স্তরের আলোচনাচক্র আয়োজন করা হয়েছে। শিল্প-সাহিত্যের গুণীজনেরা নানা সময়ে সংযুক্ত হয়েছেন বিভাগের সঙ্গে।

সাল ২০১৩। বাংলা বিভাগের আর একটি নতুন শাখা খোলা হয় জলপাইগুড়িতে (উত্তরবঙ্গ বিশ্ববিদ্যালয়ের দ্বিতীয় ক্যাম্পাস)। দূরদূরান্ত থেকে আসা ছাত্রদের পড়াশোনার সুবিধার্থে এই নতুন শাখা। মাত্র সাত বছরে একাধিক আন্তর্জাতিক আলোচনাচক্র ও বিশেষ বক্তৃতামালার আয়োজন করা হয়েছে সাফল্যের সঙ্গে।

বর্তমানে প্রযুক্তির ব্যবহার এবং আন্তর্জাতিক মাধ্যমকে যথাযথভাবে প্রয়োগ করে গবেষণা ও পাঠদান প্রক্রিয়াকে প্রসারিত করে চলেছে। পাশাপাশি শিক্ষার্থীদের ভবিষ্যতকে সুনিশ্চিত করতে সদা তৎপর থেকেছে এই বিভাগ।

DEPARTMENT OF ECONOMICS

1. **Name of the Department** : Economics

2. **Date of Establishment** : 01.06.1962

3. **Introduction of the Department** : The Department of Economics was established on 2 November 1962. Faculty and staff strength at the Department currently comprises 12 sanctioned teaching posts (2P/4 Associate Professors/6 Assistant Professors) and a complement of 2 non-teaching staff comprising a Senior Assistant and a Record Supplier. The current intake capacity of teaching courses at the Department is 150 (75+75) for the Postgraduate Economics Course and 10 for the M.Phil course in Economics. In keeping with curricular reform and development, the Department has instituted continuing evaluation of its students through Group-Discussions and a comprehensive Viva-voce examination (both years), and a Term Paper (final year), in addition to written examinations held at the conclusion of each postgraduate semester. Since the 8th Plan period, the Department has also imparted a field-orientation to its regular Postgraduate course through its Student Survey Programme (SSP), which offer rural sensitization to students of Economics, besides providing rigorous exposure to the entire investigative procedure involved in sample-surveys, ranging from sample drawal and execution of the SSP questionnaire, through tabulation and computation to the economic analysis of data and report presentation. Remedial teaching and student counselling using tutorial and preceptorial methods to help weaker students to frame answers to assignments and develop writing skills are featured in the regular course work.

With the induction of the Department into the UGC-SAP programme since 2004, the SSP has been reorganized around the SAP thrust areas. During the 1st phase of SAP the Department has created units/modules in the twin thrust areas of Regional Economics Studies and Gender Economics Studies which form components for a teaching syllabus as optional papers in the M.A./ M.Phil syllabi.

The M.Phil programme in Economics comprises compulsory course-work in selected focus-areas of theoretical, methodological and empirical areas in Economics, including three optional papers, and is followed by dissertation work to be submitted in partial fulfillment of the course requirements. The Department has an active research programme under which many students have successfully worked for a Ph.D. in Economics, with a number of doctoral dissertations currently underway. As per new UGC regulations, 2009, entrance examination, compulsory course work, etc. have been duly introduced to ensure rigour in research. The Department has an impressive performance record in the NET and SLET Examinations, where several students of the Department have qualified till date for lectureship/JRF.

DEPARTMENT OF HISTORY

1. **Name of the Department** : **HISTORY**
2. **Date of Establishment** : 1965
3. **Introduction of the Department** : The Department of History was established in the year 1964 (23-02-1965), just two years after the foundation of this University. The history of this department is indeed decked with the contribution of many academicians, teachers, research scholars, students, non-teaching members, and others. In 1965, with the initiative of Professor Pranab Kumar Bhattacharya, the then Head of the Department, a University level museum, primarily intended for collecting, preserving, and exhibiting objects of Indian art and antiquity, was founded and named after Akshaya Kumar Maitreya, the famous historian of the colonial period. It is one of the very few History departments of our state which in its syllabus has well-delineated specializations pertaining to the ancient, medieval, modern and contemporary periods. For more than five decades, this department has produced able students, researchers, teachers, and a number of academicians who have received acclamation from every nook and corner of the country. Now the department offers Post Graduate, M.Phil. and Ph.D. courses, besides, giving NET/SET coaching, remedial classes. The department also conducts Study Tour every year for the fourth semester Post Graduate students. It also received various seminar and research grants from UGC, ICSSR, etc. time to time. Significantly, it publishes a peer-reviewed and UGC approved journal, known as Karatoya.

DEPARTMENT OF LAW

1. **Name of the Department** : Law
2. **Date of Establishment** : 1974
3. **Introduction of the Department** :

The journey began in 1974. The Department of Law is now located in the South Campus of the North Bengal University and has an independent building of its own with a sprawling and exclusive campus. Originally, in 1974, the Institution was established as University Law College and was housed in the building of Arts. In the year 2000 it was upgraded to the status of a Department of North Bengal University with a separate, distinct and prestigious location.

The North Bengal University is one of the six Universities in the State of West Bengal imparting legal education and covers the entire region of the state and the Eastern and North Eastern region of India. This Institution has also the reputation of attracting students from the neighbouring countries like Bangladesh, Bhutan and Nepal. Presently the Department is imparting 5 year integrated B.A. LL. B. (Hons.) Course (under the CBCS mode). The intake capacity of the Department is 96 students. The admission is made strictly on the basis of merit and marks obtained in the Higher Secondary or any other equivalent and recognized examination. The age bar for admission has also been imposed. It has the pride of imparting Post-graduate course in Law (LL. M.) since 1993 with an intake of 20 students (at present there are 25 seats). The Department has a rich Ph. D programme. It was started in 1999 and since then more than 48 Ph. D degrees have been awarded. Presently there are about 25 scholars engaged in doctoral research under various faculty members under the UGC Regulation, 2016.

The year 2010 has been a landmark in the history of the Department of law as the publication of law journal entitled, 'Indian Journal of Law and Justice' (ISSN: 0976-3570) began in March, 2010. Twenty issues of the journal have been published since. In addition to the journal, edited books in the form of Conference and Seminar proceedings on '**Public Health Law**', '**Privatization of Higher Education in India: Legal Challenges**', '**Environment, Governance and Development**', '**Human Rights and Duties**', '**Rule Of Law: An Anthology**', '**Trafficking in Persons: Prevention, Control and Rehabilitation**' and '**Environmental Justice through Sustainable Water Resource Management: Issues, Challenges and Solutions**'.

DEPARTMENT OF LIFELONG LEARNING & EXTENSION

1. Name of the Department: Department of Lifelong Learning & Extension

2. Date of Establishment: 3rd August, 1987

3. Introduction of the Department: The Centre for Adult Continuing & Extension, University of North Bengal commenced functioning from August, 1987 with financial assistance received from the University Grants Commission. The Centre was upgraded into an academic department in April 2005 under the UGC Tenth Plan Guidelines and the name was eventually modified as Department of Adult Continuing Education, Extension & Field Outreach (DACEEFO). As per the Eleventh Plan Guidelines of UGC and the decision of the North Bengal University Executive Council, the Department has become a full-fledged Department with full academic status under the University of North Bengal.

The nomenclature has been changed as the Department of Lifelong Learning & Extension (DLLE) in October, 2009. From its inception, the thrust of the Department has been the expansion of the third dimension of higher education in Northern part of West Bengal by meeting regional need of Adult Education, Continuing Education, Population Education, Health Education, Environmental Education and Rural Development Education as well as by taking up several successive educational extension and outreach activities that extend far beyond the traditional academic programmes delivered through the University system.

The general objective of DLLE is to contribute through the lifelong learning to the development of the community as an advanced knowledge society with sustainable economic development and to facilitate in bringing the changes in the lives of the common people by providing professional, vocational, skill based courses, workshops, trainings, seminars, sensitization cum awareness programme.

Thrust areas: Teaching, Training, Research and Extension Activities

TEACHING: COURSES OFFERED IN THE DEPARTMENT

Along the line of the major goals of the department stipulated by the UGC, the department started imparting formal education besides the basic thrust of reaching the community in the form of Post Graduate Diploma in Rural Development and Extension Education in the year 2006. Then, from 2011, the department, catering to the needs of the society, started regular M.A programme in Rural Development. The Department publishes its journal: Journal of Lifelong Learning and Development (ISSN: 2231 4121).

DEPARTMENT OF NEPALI

1. **Name of the Department** :NEPALI

2. **Date of Establishment** :1977

3. **Introduction of the Department** :

Nepali department was established as a full-fledged department in 1977, under North Bengal University. And it set to work on Post –Graduate Programme in 1978, 16 January at the top floor of the Arts, Commerce and Law faculty building, comprising two class rooms, one HoD room, one small office room and other one room to be accommodated teachers as a staff room. So, it is proud to say the such department to be established in the whole regions of he country, with a view to fulfill the aspiration of the cherished people of District Darjeeling, Dooars, Jalpaiguri and its adjoining neighbour state Sikkim, and North Eastern states. Basically it copes with the subject of Nepali Language and literature. After completion of twenty-four (1977-2001) years this Department shifted to its new building in 2001.

Apart from this there is an Academy attached to the Department, funded by state government. Academy was established in order to develop and initiate the research work on Nepali Language and literature, Culture, Folk lore of the people in Nepali speaking areas of North Bengal, Sikkim, Bhutan, North Eastern states and nearest Himalayan region. Prior attached to the Department in 1978, it was established in Darjeeling Hill, located at Ladenla Road in 1970-72. It publishes a journal that calls Nepali Academy Journal. The Department has Tri-Lingual Dictionary Project (Nepali, Hindi-Bengali) funded by the university. The First volume of the Dictionary is already published and remaining other volume II & III is at the concluding stage of editing for printing. Moreover, the department made up a reference library since 2001, and is being on. Computer with Internet facility introduce in the department for the development careers of the students for M.A. M.Phil and Ph.D. In post-Graduate programme the teaching method are being in practice on lecturer, Seminars, Tutorials, Group Discussion and reviews and dissertation (term paper). Teachers of the Department are energetically involved in taking account assignments, correcting and give suggestion to the students, counseling them personally and academically as needed by the students.

This department has carried out under DIT funded major project for development of Nepali language on digital medium since 2008-2011. Besides this another project on Shallow Parser Tools for Indian Languages (SPT-IL) Project is awaited

In summing up, it is proud to state that Nepali department covers its 35 (thirty five years) (1977-2012) of post graduate programme including M.Phil and Ph.D. Courses. During this period the department has sincerely and honestly contributed its service to the University and would go forward with same devotion and dedication.

DEPARTMENT OF SOCIOLOGY

Name of the Department: Department of Sociology

Year of Establishment: 1976

Introduction: of the Department:

The present Department of Sociology was established as a combined Department of Sociology and Social Anthropology by the University of North Bengal in 1976. Professor Niren Ch. Choudhury, eminent anthropologist, was the first Professor and Head of the Department who provided the leadership in the formative years of the Department. Professor R.K. Bhadra and Dr. Namita Choudhury were associated with him since inception of this department and helped in the process of its development. The bifurcation between sociology and anthropology took place in 2001 and thus the Department of Sociology and Social Anthropology was renamed Department of Sociology and a separate Department of Anthropology was established under the Science Faculty. From its beginning the Department of Sociology has been training students for three courses: M.A., M. Phil. and Ph.D.

2. PROFILE OF THE CENTRE

2.1. Objectives:-

Briefly, the purpose behind the establishment of the Centre for Women's Studies at the University of North Bengal was two-fold, namely

- a. To articulate the situations of women in general and their developmental needs through academic research, teaching programmes with an ultimate policy focus;
- b. To fulfill critical gender needs and to build self-awareness and self-confidence among women in the region, through grass root empowerment activities that would encourage their articulate participation in the institutions of governance.

2.2 Fulfillment:-

Since its establishment in 2000, programmes undertaken at CWS have sought to reach out to women of all sections from the North Bengal districts and Sikkim, in order to fulfill these objectives. The core activities undertaken by CWS in framing a regional research programme in Women's Studies are an integral part of the CWS Action Plan. CWS also provides critical community support services, and networks with Government institutions, women's organizations and NGOs in order to generate Community Action for the fulfillment of regional women's needs.

Keeping the basic objectives in view, the Centre for Women's Studies has endeavored to coordinate multidisciplinary activities that can synergies the expertise into a definite core for Women's Studies pertaining to the North Bengal region. The Centre has also undertaken programmes to extend research and training skills of individual scholars and departments, within and without the University system. Projects and programmes undertaken by the Centre have sought to formulate developmental policies for the betterment and empowerment of the women of this region. To realize and attain the above, the Centre has established an interface of technical, academic and administrative skills throughout the region. Various departments at the University have already established programmes in Women's Studies with a significant research component in addition to their teaching content. The Centre has endeavored to consolidate and strengthen these studies and capabilities under its umbrella.

However, since 2009 during XIth Plan, the Centre has started **Refresher Course on Women's Studies** for University and College teachers, in collaboration with UGC Human Resource Development Centre of the University.

Till date the Centre has successfully completed ten (10) Refresher Courses. University / College teachers from all over the country has been participated in the course.

Further, to generate academic interest amongst the young generation towards Women's Studies and make them aware to gender issues the Centre has started short term **Certificate Courses** on various women's issues along with

its regular activities like Research works, Publications, Seminar, Workshop, Sensitization and Awareness programmes on gender issues at various level including the grass root women. The project work initiated at the Centre aids the formulation of gender sensitive development policies and programme for the upliftment and empowerment of women in the region.

3.0 DETAILS OF THE ACTIVITIES:-

3.1 Teaching Courses

Keeping in mind the criteria laid down by UGC as per XIIth Plan guideline where UGC encourage the teaching courses to build strong academic base institutionally for Women's Studies, the Centre has started **Refresher Courses on Women's Studies** and **Short term Certificate Courses on Women's Issues, Research Methodology for Gender Studies, Geo informatics & Computer application** during XIIth Plan Period.

A. Refresher Course

The Centre for Women's Studies, University of North Bengal, in collaboration with the UGC Academic Staff College, organized a Refresher Course from 08.02.2018-28.02.2018. The theme of the Course was **Women in Literature and Society**. Teachers from various University departments and Colleges from every corner of the country were attended the course. Due to the growing responses towards the field of Women's Studies, like previous years this year also it receives good responses from all over the country.

CENTRE OF FLORICULTURE & AGRI-BUSINESS MANAGEMENT

COFAM was established in the year 2006 to provide institutional support for the holistic development of floriculture sector in North Bengal. The main thrust of this centre are demonstrations of identified technologies pertaining to the region, production and supply of quality planting material, training, and capacity building. The institute has been playing vital role in effective dissemination of technology i.e. technology demonstration, imparting training to the growers

The centre in co-ordination with state agriculture departments, W.B.C.A.D.C, and District horticulture department of west Bengal government has been taking up various programs to upscale the production and productivity of floriculture and horticulture in the region besides bringing awareness on the organic farming. In this year 2017-18, COFAM had focused mainly on:-

- 1) Quality planting material
- 2) Demonstration of improved technologies
- 3) Training of framers on improved technologies

जैविक खेती का बताया गुर

जागरण संवाददाता, सिलीगुड़ी : उत्तर बंगाल विश्वविद्यालय, सेंटर ऑफ फ्लोरिकल्चर एंड एग्री-बिजनेस मैनेजमेंट (कोफाम), बाँयो टेक्नोलॉजी की ओर से बुधवार को वैज्ञानिक विधि से जैविक खेती करने को लेकर एक दिवसीय प्रशिक्षण कार्यक्रम आयोजित की गई। उक्त प्रशिक्षण कार्यक्रम में नक्सलबाड़ी व फांसीदेव प्रखंड के 20 से ज्यादा किसानों हाई-टेक विधि से सब्जी के उत्पादन करने के संबंध जानकारी दी गई।

खासकर गर्मी के मौसम में उपज होने वाले सब्जियों के की खेती के बारे में किसानों को बताया गया। एनबीयू बाँयोटेक्नोलॉजी विभाग की अध्यक्ष प्रोफेसर शिल्पी घोष के निर्देशन में आयोजित प्रशिक्षण कार्यक्रम किसानों को बताया गया कि को बताया कि बिना किसी ठोस योजना व तकनीक का उपयोग किये बगैर किसी भी तरह के फल, फुल व सब्जी का उत्पादन करना आसान नहीं है। इससे सिर्फ समय व पैसे का नुकसान होता है।

कोफाम के तकनीक अधिकारी ने अमरेंद्र पांडेय ने बताया कि अगर वैज्ञानिक पद्धति से फल, फुल व सब्जी का उत्पादन होता है, तो इससे फसल की बर्बादी नहीं होती है। जिससे उद्यमियों को नुकसान नहीं उठाना पड़ता है। वहीं उनके

Basic Facilities for Women, UGC Merged Scheme has been commenced on the 14th January, 2009. Under this scheme 2 (two) common rooms, one for the Girl Students and another for Lady Teachers of this University, in the Second Floor of the Humanities Building have been provided for refreshment and recreation.

The facilities which is provided in the Common rooms are as follows :

1. Two (2) nos. of bed for the sick person
2. First-Aid Box with necessary medicines & items
3. Two Carom Boards
4. Two Chess sets
5. Two sets Chinese- Checker
6. Two sets Tennis Racket with Net
7. Two Colored Televisions with table
8. Three Computers with tables
9. Two Refrigerators
10. One Aqua-guard for drinking Water
11. Two Mirrors
12. 40 nos. Steel Armed Chairs
13. 10 nos. Steel framed Tables

Every working day girl students of various departments use the room for refreshment and recreation. They play the Carom, Chess, Chinese –Checker, Tennis etc.

One Lady Attendant (purely temporary) takes care the girl students and sick girls also and takes care everything with above mentioned items.

Usually during the whole year the girl students of the Bengali Department avail more the facilities of the room because of the room is very close to the department of Bengali. But during the Annual Examination of P. G. Courses maximum girl students of other departments avail full facilities from here. The girl students of other departments also use this room.

The Centre for Women Studies, NBU, the department of Bengali sometimes use this room as a venue for the Seminar, Certificate Courses etc. Thus the girl students attend the said programmes much more.

The University Authority uses this room as a venue for Competitive Examinations like BSF, JEE etc.

CENTRE FOR DIFFERENTLY ABLED PERSONS

Year of Establishment 2005

1. **Name of the Department:** CENTRE FOR DIFFERENTLY ABLED PERSONS

2. **Date of Establishment:** Year of Establishment 2005

3. **Introduction of the department:** In the vast region of North Bengal, it is the only Centre for Differently Abled Persons (CDAP) of the University of North Bengal for the differently abled students/employees. The Centre focuses on the redressing issues of discrimination and exclusion of differently abled persons primarily students and employees of the University of North Bengal. The Centre by its activities promotes inclusion among diversities without any discrimination. In short, it is an effective platform for their career advancement as well as successfully harmonizing among themselves. This Centre is a prime example of harmony and brotherhood based on the principle of mutual respect.

The activities are monitored through personal contact programs to redress various problems and suggest ways of improvement. Our motto is to support them by providing required facilities such as computer, Braille, mental support, hearing machine, awareness programmes, seminars, workshops, etc.

The goal of the Centre is capacity building among the differently abled students attending the Centre, make them skill oriented so that they acquire abilities to read, write, hearing and so on. In short, they can express their views with dignity. However, the Centre has been suffering from inadequate staffs, funds and space and affecting its normal function seriously.

(Faculty of Science)

Sl. No	Name of the Candidate	Name of the Supervisor(s)	Subject	Topic	Degree Obtained (as per New /Old ordinances)	Date when Admitted
01	Debasish Sengupta	Prof. Basudeb Basu	Chemistry	PREPARATION, CHARACTERIZATION OF BIMETALLIC NANOPARTICLES SOAKED ON POLY- IONIC RESINS AND THEIR CATALYTIC APPLICATIONS	Ph.D. (Science)	15/7/2016
02	Sujoy Paul	Prof. A.K. Panda	Chemistry	PHYSICO-CHEMICAL STUDIES ON MICROEMULSIONS WITH SPECIAL EMPHASIS TO IONIC LIQUID	Ph.D. (Science)	15/7/2016
03	Mahua Upadhyay	Prof. P. Ghosh	Chemistry	POLYMERIC ADDITIVES FOR LUBRICATING OIL	Ph.D. (Science)	15/7/2016
04	Sima Mandal	Dr. D. Saha & Dr. A. Saha	Biotechnology	STUDIES ON COPPER TOXICITY ON CULTIVATED VARIETIES OF TEA OF NORTH EAST INDIA	Ph.D. (Science)	15/7/2016
05	Mousumi Rakshit	Prof. P.K. Sarkar	Botany	Survivability and Growth of Foodborne Bacterial Pathogens As Influenced by Processing Technologies During the Production and Storage of Some Legume-based Traditional Foods of India	Ph.D. (Science)	15/7/2016
06	Sabina Pradhan	Dr. P.C. Lama & Dr. S.C. Roy	Botany	Studies on Physiology and Biochemistry of Swertia chirayita (Roxb.) Karsten in Darjeeling Hills: Influence of Plant growth substances on growth, metabolism and yield	Ph.D. (Science)	15/7/2016
07	Partha Sarathi Sikdar	Prof. M.N. Roy	Chemistry	PHYSICO-CHEMICAL EXPLORATION OF SOLUTION BEHAVIOUR OF SOME INDUSTRIALLY IMPORTANT COMPOUNDS IN LIQUID ENVIRONMENTS	Ph.D. (Science)	15/7/2016

08	Ardhendu Mandal	Prof. S.C. Pal	Computer Science & Application	BRIDGE: A Component Based Software Development Life Cycle Process Model to Cater with the Present Software Crisis	Ph.D. (Science)	15/7/2016
09	Jayanta Dutta	Prof. S.C. Pal	Computer Science & Application	Computational aspects of some mathematical and numerical problems	Ph.D. (Science)	15/7/2016
10	Tamal Goswami	Prof. A. Misra	Chemistry	Theoretical investigation on aromaticity, magnetic exchange coupling and magnetic anisotropy in metal based systems	Ph.D. (Science)	15/7/2016
11	Sumanta Gupta	Dr. Sajal Das	Chemistry	Synthesis of palladium- <i>N</i> -heterocyclic carbene complexes and their application in organic transformations	Ph.D. (Science)	15/7/2016
12	Raju Subba	Prof. P. Ghosh	Chemistry	Studies on the reactions of C-hetero bond formation	Ph.D. (Science)	15/7/2016
13	Biswajit Das	Dr. A.K. Bothra, (Supervisor) & Prof. P. Ghosh (Co-supervisor)	Chemistry	QSAR Analysis, Docking & Molecular Dynamics Simulation of several antimicrobial compounds and receptors	Ph.D. (Science) (Old)	15/7/2016
14	Mrinmay Jha	Prof. S.K. Saha	Chemistry	PHYSICO - CHEMICAL STUDIES ON SOFT MATTER : BEHAVIOUR OF SURFACTANT AGGREGATES AND BIODEGRADABLE POLYMER SYSTEMS	Ph.D. (Science) (Old)	15/7/2016
15	Subrata Chakraborty	Prof. S.K. Saha	Chemistry	Physico - Chemical Studies on Micellar Properties of Selected Amphiphiles	Ph.D. (Science) (Old)	15/7/2016
16	Soumik Bardhan	Prof. S.K. Saha(Supervisor) & Prof. B.K. Paul (Co-supervisor)	Chemistry	Physicochemical Studies on Some Self- Organized Assemblies of Single and Mixed Surfactant Systems	Ph.D. (Science)	15/7/2016
17	Ambica Kejriwal	Dr. P. Bandyopadhyay (Supervisor) & Dr. A.N. Biswas (Co-supervisor)	Chemistry	BIOINSPIRED FUNCTIONAL MODELS OF NON - HEME OXYGENASES	Ph.D. (Science)	15/7/2016
18	Priyankar Dey	Prof. T.K. Chaudhuri	Zoology	Immunopharmacological investigations of the herb <i>Nerium indicum</i> Miller (Apocynaceae)	Ph.D. (Science)	15/7/2016
19	Jayanta Das	Prof. P. Ghosh	Chemistry	TRANSFORMATIVE REACTIONS ON CARBOCYCLIC COMPOUNDS	Ph.D. (Science)	5/8/2016 & 6/8/2016
20	Pritam De	Prof. M.N. Roy	Chemistry	STUDIES ON	Ph.D.	5/8/2016

				INTERACTIONS OF SOME BIOMOLECULES AND SIMPLE MOLECULES BY PHYSICO-CHEMICAL PROCESSES IN LIQUID MEDIA	(Science)	& 6/8/2016
21	Suman Nirola	Prof. A.P. Das	Botany	STUDIES ON THE MONOCOTYLEDONOUS FLORA OF DARJEELING DISTRICT, WEST BENGAL, INDIA	Ph.D. (Science)	27/09/2016
22	Rajib Biswas	Prof. A.P. Das & Prof. T.K. Paul (Co-supervisor)	Botany	SURVEY OF FLORISTIC DIVERSITY AND VEGETATION STRUCTURE OF RASIK BEEL IN THE COOCH BEHAR DISTRICT OF WEST BENGAL	Ph.D. (Science)	27/09/2016
23	Anurag Chowdhury	Prof. A.P. Das	Botany	Studies on the diversity and ethnic uses of wetland vascular plants in Terai and Duars of West Bengal, India	Ph.D. (Science)	27/09/2016
24	Tamal Basu Roy	Dr. Ranjan Roy	Geography & Applied Geography	ROLE OF RURAL PERIODIC MARKET CENTRES IN REGIONAL ECONOMIC DEVELOPMENT – A CASE STUDY OF UTTAR DINAJPUR DISTRICT, WEST BENGAL	Ph.D. (Science)	27/09/2016
25	Anamika Pramanik	Prof. M.K. Das & Dr. Banani Das (Co-supervisor)	Physics	INVESTIGATIONS ON THE PHYSICAL PROPERTIES OF SOME LIQUID CRYSTALLINE COMPOUNDS AND MULTI-COMPONENT MIXTURES	Ph.D. (Science)	27/09/2016
26	Rakesh Kumar Mandal	Prof. N.R. Manna	Computer Science & Application	Development of Neural Network Techniques to Recognize Handwritten Characters	Ph.D. (Science)	19/11/2016
27	Samir Kundu	Prof. B. Basu	Chemistry	Solid-Phase Synthesis of Libraries of Heterocyclic Molecules and further Functionalization by Cross-Coupling Reactions	Ph.D. (Science)	19/11/2016
28	Prawin Kumar Sharma	Prof. P. Ghosh & Dr. B. Chakraborty (Co-supervisor)	Chemistry	Greener approach to the synthesis of some novel class of isoxazolidine and isoxazoline derivatives using N-methyl and N-phenyl- α -chloro nitrones	Ph.D. (Science)	24/01/2017

29	Samir Sen	Prof. P.S. Roy	Chemistry	Studies on Coordination compounds of Cobalt and tungsten, having biochemical relevance to pterin - containing metalloenzymes	Ph.D. (Science)	24/01/2017

Report on Jalpaiguri Campus, University of North Bengal

Academic Session 2017-2018

The University of North Bengal has commenced the classes on the newly established Jalpaiguri campus in the premises of Jalpaiguri Government Engineering College on and from 16th August, 2013. The Inaugural ceremony of Jalpaiguri Campus, University of North Bengal was held on 16th August, 2013 at Sarojendra Deb RaikotKalakendra.

Initially four departments (Bengali, English, Sanskrit and Geography & Applied Geography) started functioning from the academic session 2013-14. While the departments of Bengali, English, and Geography & Applied Geography are already existed in the NBU campus (Raja Rammohunpur), the department of Sanskrit is a new addition to Jalpaiguri campus. Two cars are regularly plying to and fro between campuses for taking the classes by the faculties.

All departments of Jalpaiguri campus have started their classes to the new building of University of North Bengal in the Engineering College from August, 2017. There is an office started functioning– mainly for ensuring that the students do not have to move to and fro between campuses for administrative supports from the inaugural date.
