

Acknowledgement

I have much pleasure in expressing my deepest sense of gratitude to my supervisor Dr. Aniruddha Saha, Reader and Head, Department of Botany, University of North Bengal for his inspiration, encouragement and guidance. I sincerely acknowledge the inspiration and cooperation extended by my co-supervisor Dr. Krishnendu Acharya, Reader in Botany, University of Calcutta, for his constant encouragement and stimulating practical guidance which kept me inspired throughout the course of this work. I feel very much fortunate to have had him as my guide without his untiring help it would not possible for me to complete this work. I extend my heartiest gratitude to Dr. (Mrs.) Rupa Acharya, Scientist, University of Calcutta for her assistance and advice at all the time. I am grateful to Dr. (Mrs.) Dipanwita Saha, Lecturer, Department of Biotechnology, University of North Bengal, for her kind co-operation. I am also indebted to Prof. K.K. Tamang, Dr. K.K. De, Dr. B.C. Sharma, Dr. D.R. Chettri, Dr. P.C. Lama, Mr. R.P. Bhattacharyya, Mr. N.C. Karmakar, Mr. D.N. Palit of Post Graduate Department of Botany, Darjeeling Govt. College, Prof. A.P. Das, Prof. P.K. Basu, Prof. B.N. Chakraborty, Dr. (Mrs.) U. Chakraborty, Prof. P.K. Sarkar, Dr. A. Sen, Mr. P. Mandol and Mr. S.C. Roy of Department of Botany, University of North Bengal, Prof. N.D. Paria (Head), Prof. N. Samajpati, Dr. A.K. Manna, Department of Botany, University of Calcutta for their valuable encouragement throughout the course of my work.

Special thanks go to Dr. (Mrs.) A. Pande, ARI, Puna, for identifying some of my organisms, Dr. S. Ghosh, Department of Geology, University of Calcutta for SEM facilities, Ms. D. Rai, Prakash Nursery, Ging, Mr. Rai, Kurseong, for providing samples and also permitting me to do various field survey as well as providing valuable information. I am also thankful to Mr. Nishit Roy for his photographic works to compose the thesis.

I also express wholeheartedly to my colleagues Ms. Manjula Rai, Mr. C.K. Maiti, Mr. A. Banerjee, Mr. K. Bhattacharyya, Mr. J. Sarkar, Ms. S. Ghosh, Ms. M. Bhattacharyya, Mr. G. Biswas, Dr. S. Dasgupta, Mr. P. Mandal, Md. M. Isha, Ms. S. Dutta for their help in various ways.

Finally, I am very much grateful to my parent, my beloved elder brother, bouthan and sweet Rani for their untiring inspiration and mental supports, which were the foundations upon I could make this thesis work successful.
