

Acknowledgement

I greatly acknowledge my indebtedness to my beloved parents, teachers, colleagues and wellwishers whose constant encouragement has given me impetus to complete the work. I am specially grateful to my supervisor Professor Raghunath Ghosh, Dept of Philosophy, North Bengal University for his constant inspiration and time to time much needed valuable guidances without which this thesis would not have come into existence. I would like to express my sincere thanks to Prof. Kantilal Das and Prof. Jyotish Chandra Basak of North Bengal University for their valuable suggestions.

I express thanks to Dr. Manas Kr. Adhikary, Principal of my college for rendering his all types of co-operation and constant inspiration and encouragement for completion of my thesis.

Special thanks to librarian of my college who time to time nurture my work in supplying various important books and journals for upgrading my thesis. I express my thanks with gratitude to library section of North Bengal University from where I have collected many important books and up to date journals for incorporating them in the thesis.

I really indebted to my son and daughter who constantly inspired me for completion of thesis and they greatly helped in the compilation, checking during the course of typing job.
