

A C K N O W L E D G E M E N T

The candidate takes the opportunity to express his deep sense of gratitude to Professor S. K. Chakravarti, Department of Chemistry, University of North Bengal for his continuous interest and guidance in carrying out the research. Author also expresses his deep gratitude and indebtedness to Dr. S. L. Dutta, Development Officer, University of North Bengal for his valuable suggestions and constructive discussions during the progress of the work.

The candidate is also sincerely thankful to his parents and wife for their continuous encouragement and to his friends and colleagues especially to Dr. P. Roy, Dr. S. K. Saha and Mr. A. K. Nanda for their affectionate help.

Thanks are also due to the authorities of the University of North Bengal for fellowship support and to the Head of the Department of Chemistry, University of North Bengal for providing laboratory and library facilities.
