CHAPTER - I

1-16

Indicators of Development - A Review of Literature

- 1.1 Introduction
- 1.2 Problems in connection with GNP as an Indicator of Development and some other Alternatives
- 1.3 Poverty, Inequality and Sen's Index of Poverty
- 1.4 Purchasing Power Parity Approach
- 1.5 Social Indicators of Development
- 1.6 The Basic Need Approach
- 1.7 Physical Quality of Life Index
- 1.8 Objectives and Plan of the Present Study.

CHAPTER - II

17-34

The Origin and Development of UNDP's Human Development Index

- 2.1 Genesis of Human Development Index (HDI)
- 2.2 The Concept of Well being - the base of HDI : Some Philosophical issues
- 2.3 Conceptual and theoretical background of HDI
- 2.4 Methodology used for the Construction of HDI
- 2.5 A critical review of the HDI provided by the UNDP
- 2.6 Further Improvement, Modification and Disaggregation of the HDI.
 - 2.6.1 A gender - disparity - adjusted by HDI
 - 2.6.2 Income - distribution - adjusted HDI
 - 2.6.3 Change in HDI over time.
 - 2.6.4 Disaggregation of the HDI
- 2.7 Further improvement of Indicators since HDR 1995
- 2.8 The path we follow

CHAPTER - III

35-43

Research Questions, Methodology and Data Sources of The Present Study

- 3.1 Introduction
- 3.2 Methodology used for the computation of HDI in the present study.
- 3.3 Objectives and Research Questions of the Study.
- 3.4 Methodology for HDI Construction over time
- 3.5 Further Modification of Development Indicator and its Methodology.
- 3.6 Introduction of New Indicators.
- 3.7 Data Sources of the Present Study

CHAPTER - IV

44-68

Different Indicators of Development : The Structure of The States of India and the Districts of West Bengal

- 4.1 Introduction
- 4.2 Health Related Indicators:
 - 4.2.1 Life Expectancy at birth (LE)
 - 4.2.2 Birth rate and Death rate in the States of India
 - 4.2.3 Infant Mortality Rate (IMR) and its distribution in the States of India
- 4.3 Literacy and other Education Related Indicators
 - 4.3.1 Literacy Rates
 - 4.3.2 Students Enrolment Ratio
- 4.4 Income and Related Indicators
- 4.5 Some Earlier Studies On The Construction of HDI For the States of India
- 4.6 Education, Health and Income Related Indicators in the Districts of West Bengal
- 4.7 Conclusion

CHAPTER - V

69-102

Results and Trends of Disaggregated HDI For the States of India and Districts of West Bengal

- 5.1 Introduction
- 5.2 HDI of the States of India for 1991 and International Comparisons
- 5.3 Modified Human Development Index of the States of India with Forest resources as one of the extra Indicators
- 5.4 Modified Human Development Index with Political Participation as a fourth Indicator
- 5.5 A comparison of the States of India on the basis of HDI and two MHDIs.
- 5.6 Change in HDI value of the States of India over time
- 5.7 Achievement Index (AI) and Improvement Index (II) for the States of India
 - 5.7.1 Achievement Indices of Income
 - 5.7.2 Achievement Indices of LE for the States of India
 - 5.7.3 Achievement Indices of Literacy rate
 - 5.7.4 Achievement Indices of IMR for the States of India
 - 5.7.5 Improvement Indices (II) of different indicators for the States of India
- 5.8 Rank Correlation Coefficient Analysis
- 5.9 HDI of the Districts of West Bengal
- 5.10 Conclusion

CHAPTER - VI

103-108

Growth and Social Indicators : Some Concluding observations

Bibliography

109-116
