<b>CHAPTER 1: INTRODUCTION</b>	<b>1-39</b>
1.1. Background	2-9
1.2. Safeguards of environmental protection in India	9-11
1.3. Scope of the study	11-12
1.4 Review of literature on existing study	12-31
1.4.1. Literature on environmental and sustainable development	12-17
1.4.2. Literature on social and environmental movement	17-23
1.4.3. Literature on the role of civil society organizations in environmental movements	23-29
1.4.4. Literature on environmental movements in North Bengal	29-31
1.5. The statement of the problem	31-32
1.6.3. Research question	31-32
1.6. Research gap; Research objectives and Research questions	32-34
1.6.1. Research gap	32-33
1.6.2. Research objectives	33-33
1.6.3. Research question	33-34
1.7. Significance of the study	34-34
1.8. Hypothesis	34-34
1.9. Research Methodology	35-37
1.9.1. The fundamentals	35-35
1.9.2. Sources of data	35-37
1.9.3. Data collection and analysis	37-37
1.10. Chapterization of thesis	37-39
<b>CHAPTER 2: URBANIZATION AND ENVIRONMENTAL RIGHTS: CONTESTATIONS AND RESOLUTIONS</b>	<b>40-117</b>
2.1 Introduction	41-42
2.2. Urbanization: A brief understanding	42-45
2.3. Salient causes of urbanization	45-48
2.4. Theories of urbanization	48-53
2.4.1. The theory of self-generated urbanization	48-49
2.4.2. Modernization theory	49-50
2.4.3. Dependency/ world system theory on urbanization	50-51
2.4.4. Theory of urban bias	51-53

2.5. Urbanization in the world: An analysis	53-57
2.6. Trend of urbanization in India	57-62
2.7. Overview on urbanization in West Bengal	62-65
2.8. Overview on urbanization in North Bengal	65-72
2.9. Environmental protection: major initiatives	73-76
2.10. Worldwide initiatives aimed at preserving and enhancing the environment	77-82
2.10.1. Stockholm conference	77-77
2.10.2. United Nations Environmental Program (UNEP)	78-78
2.10.3. The Brundlant Commission	78-78
2.10.4. Nairobi declaration	78-79
2.10.5. Rio declaration	79-79
2.10.6. Kyoto Conference	79-80
2.10.7. Millennium conference	80-80
2.10.8. Johannesburg summit	80-80
2.10.9. Stockholm convention on persistent organic pollutants (POPs)	80-81
2.10.10. United Nations Climate Change Conference at Bali 2007	81-81
2.10.11. UN conference on Sustainable development in 2012	81-82
2.10.12. UN climate change conference	82-82
2.11. Environmental protection with special reference to India	82-84
2.12. Initiatives on environmental protection in India	84-88
2.12.1. Indian Forest Act, 1927	84-84
2.12.2. The Wild Protection Act, 1972	84-85
2.12.3. The Water (Preservation and Control of Pollution) Act, 1974	85-85
2.12.4. The Forest Conservation Act, 1980	86-86
2.12.5. The Environment Protection Act, 1986	86-86
2.12.6. Public Liability Insurance Act, 1991	86-86
2.12.7. The Biological Diversity Act, 2002	86-87
2.12.8. Hazardous Waste Management Regulations, 2016	87-87
2.12.9. National Green Tribunal (NGT)	87-88
2.13. Contestation	88-94
2.14. Resolutions	94-114
2.14.1. Principles of the Deep Ecology Movement as resolution	97-101
2.14.2. The need for sustainable development	101-105
2.14.3. The concept of environmental stewardship	105-109
2.14.4. Urban environmental stewardship	109-111
2.14.5. The urge for resilient and smart cities	111-113
2.14.6. The need for environmental governance	113-114
2.15. Conclusion	114-117

<b>CHAPTER 3: CITY BASED COLLECTIVE ACTIONS FOR ENVIRONMENTAL JUSTICE : A REVIEW</b>	<b>118-199</b>
3.1. Introduction	120-127
3.2. Principles of environmental justice	127-129
3.3. Major facets of environmental justice	129-134
3.3.1. Environmental burdens and fair distribution	129-130
3.3.2. Equal access and environmental benefits	130-131
3.3.3. Environmental participation and decision making	131-132
3.3.4. Environmental data and information to the people	132-133
3.3.5. Environmental education, awareness and consciousness	133-134
3.4. The concept of justice from environmental perspective	134-137
3.5. Major forms of environmental justice	137-142
3.5.1. Distributive justice	137-138
3.5.2. Procedural justice	138-139
3.5.3. Intergenerational justice	139-140
3.5.4. Corrective justice	140-140
3.5.5. Recognition justice	140-141
3.5.6. Economic justice	141-142
3.6. Environmental justice: Origin and Evolution	142-150
3.6.1. The Anti toxic movement	143-145
3.6.2. Academic works' influence on environmental justice	145-147
3.6.3. Native American Struggle	147-148
3.6.4. The Labour movement	148-149
3.6.5. Traditional and modern Environmental Movements	149-150
3.7. A Comprehensive Understanding of Civil Society Organizations	150-154
3.8. Registrations and nature of funding CSOs in India	154-159
3.8.1. Societies Registration Act 1860	155-156
3.8.2. The Indian Trust Act 1882	156-157
3.8.3. Section 8 of the Indian Companies Act, 2013	157-157
3.8.4. Overview of the National Policy on Voluntary Sector 2007	157-158
3.8.5. The Foreign Contribution Regulation Act (FCRA) 2010	158-158
3.8.6. Indian Companies Act 2013	158-159
3.9. A number of prominent organizations are working to protect the environment on an international level	159-164
3.9.1. The Sierra Club	159-160
3.9.2. The World Wildlife Fund (WWF)	160-161
3.9.3. The Natural Resources Defence Council (NRDC)	161-162
3.9.4. Friends of the Earth (FoE)	162-162
3.9.5. The World Resources Institute (WRI)	162-163

3.9.6. The International Union for Conservation of Nature (IUCN)	163-164
3.9.7. The Nature Conservancy (TNC)	164-164
3.9.8. The Wildlife Conservation Society (WCS)	164-164
3.10. Prominent civil society organizations in India working for urban environmental protection)	164-168
3.10.1. The Centre for Science and Environment (CSE)	165-166
3.10.2. Greenpeace India	166-166
3.10.3. Vanashakti	167-167
3.10.4. India's Bombay Environmental Action Group (BEAG)	167-167
3.10.5. The Energy and Resources Institute (TERI)	167-167
3.10.6. ATREE (Ashoka Trust for Research in Ecology and the Environment)	168-168
3.10.7. Environmentalist Foundation of India (EFI)	168-168
3.10.8. Waste Warriors	168-168
3.11. Civil society based urban environmental justice movements in the world	169-181
3.11.1. Pre 2000 era	169-177
3.11.2. Post 2000 era	177-181
3.12. Reviewing and briefly exploring some noteworthy environmental movements in India	181-187
3.13. Civil society organizations led urban environmental movements in India in recent time	187-193
3.14. Conclusion	193-198
<b>CHAPTER 4: FIELD DATA ANALYSIS</b>	<b>199-294</b>
4.1. Introduction	201-204
4.2. Methodology used in carrying out the field survey:	204-205
4.3. Prominent civil society organizations that have been interacted by the researcher during the field survey	205-217
4.3.1. Federation of Societies for Environment Protection (FOSEP)	206-206
4.3.2. Anugalaya	206-207
4.3.3. Let's Go Foundation	207-208
4.3.4. Mirik Biodiversity Committee	208-208
4.3.5. Save the Hill Foundation	208-209
4.3.6. Bhalukhop Gram Kalyan Samiti	209-209
4.3.7. Himalayan Nature & Adventure Foundation (HNAF)	209-210
4.3.8. Mahanada Bachao Committee	210-211
4.3.9. Sabuj Mancha	211-212
4.3.10. Jalpaiguri Science and Nature Club	212-212
4.3.11. Jalpaiguri Nature Trekkers Club	212-213
4.3.12. Jalpaiguri Welfare Organization	213-213
4.3.13. SPOAR (Society for Protecting Ophiofauna & Animal Rights)	213-214

4.3.14. Dooaras Nature and Snake Lovers Organization	214-214
4.3.15. NAS group	214-215
4.3.16. Himalayan Nature Development Society	215-216
4.3.17. Cooch Behar Mountaineers Club	216-216
4.3.18. Nandadevi Foundation	216-216
4.3.19. Manabik Mukh	216-217
4.3.20. Alipurduar Natures Club	217-217
4.4. A brief overview of some prominent civil society based urban environmental movements, campaigns in North Bengal	217-242
4.4.1. Darjeeling	218-221
4.4.1.1. Anti-plastic campaign	218-221
4.4.2. Mirik	222-224
4.4.2.1. Save Mirik Biodiversity Movement	222-224
4.4.3. Kalimpong	225-227
4.4.3.1. Anti-dumping movement	225-227
4.4.4. Siliguri	228-237
4.4.4.1. Anti-dumping movement	228-231
4.4.4.2. Anti-plastic movement	231-234
4.4.4.3. Mahananda bachao movement	234-237
4.4.5. Jalpaiguri	238-241
4.4.5.1. Anti-dumping movement	238-240
4.4.5.2. Karala Bachao movement	240-241
4.4.6. Dhupguri	241-242
4.4.6.1. Anti-dumping movement	242-242
4.5. Analysis of field data from the opinions of respondents with the help of charts, tables and graphical explanations.	242-247
4.6. Data interpretation of the responses from the respondents	247-260
4.7. Major Findings from the field data	260-264
4.8. Case Study: Cooch Behar	265-278
4.8.1. Major Findings	277-278
4.9. Case Studies: Alipurduar	279-291
4.9.1. Major Findings	290-291
4.10. Statistical Analysis	292-293
4.11. Conclusion	293-294
<b>CHAPTER 5: MAJOR FINDINGS, SUGGESTIONS AND CONCLUSIONS</b>	<b>295-337</b>
5.1. Summary	296-298
5.2. Area of Study	299-299
5.3. Data Collection	299-300
5.4. Data Analysis	300-300

5.5. Concepts/Terms	300-305
5.5.1. Sustainable urbanization	300-301
5.5.2. Resilient City	301-301
5.5.3. Deep ecology	301-302
5.5.4. Environmental justice	302-302
5.5.5. Green peace protest movement	302-302
5.5.6. Leadership	302-303
5.5.7. Communication	303-304
5.5.8. People participation	304-304
5.5.9. Environmental governance	304-305
5.6. Research Question:	305-307
5.7. Success and Failures of Civil societies in the protection of environment in India	307-315
5.7.1. Success	307-311
5.7.2. Failures	311-315
5.8. Success and failures of urban environmental movements in North Bengal	315-319
5.9. Assessment and major findings of the role of CSOs in the protection of urban environment in North Bengal	319-327
5.10. Policy recommendation and suggestions	327-332
5.11. Limitations	332-333
5.12. Conclusion	333-337
<b>VI. BIBLIOGRAPGHY</b>	<b>338-364</b>
<b>VII. APPENDIXES</b>	<b>365-374</b>
<b>Appendix A:</b> List of Civil Society Organizations (CSOs) that were engaged in interactions for research study	365-365
<b>Appendix B:</b> List of respondents of CSOs who have been communicated for the research study	366-366
<b>Appendix C:</b> List of Ministers/Administrators who have been communicated for the research study	367-367
<b>Appendix D:</b> Photographs and Interviews	368-374
