

ACKNOWLEDGEMENTS

It is my great pleasure to acknowledge the help and cooperation extended by persons in preparation of the present work. Firstly, I wish to express my deepest sense of gratitude and whole-hearted indebtedness to my respected teacher-supervisor, Dr. A.P.Das, M.Sc. DIIT, Ph.D., FLAT, Reader, Department of Botany, North Bengal University for his constant sympathetic guidance, inspiration, encouragement for the execution of this work.

Thanks and respects to Prof. N. Pal for verification of anatomical works and Dr. N.C. Mazumdar for Latin translation. Thanks also to Prof. S. Chanda, Bose Institute, Calcutta, for providing facilities for taking pollen photomicrograph from his laboratory microscope.

I am also indebted to all other teachers of department of Botany and Zoology, North Bengal University for their constant encouragement and suggestions for the improvement of the work.

Thanks are due to Dr. P.K. Hajra Ex-Director, B.S.I, Sibpur, Dr. U.C. Bhattacharyya, Ex-Jt. Director, B.S.I., and Dr. T.K. Pal, Dr (Mrs.) S. Mahapatra, Dr. (Mrs.) D. Mitra, Scientist, B.S.I., Sibpur, for their invaluable and earnest help given me and other facilities for identification of doubtful and unknown plant specimen and use of library for research related works. I am also thankful to Mr. K. Maity, Scientific Assistant Staff, B.S.I. Sibpur, Howrah, for his help at the time of identification of botanical specimen.

I am also grateful to respected teachers Dr. K.K. Biswas, Deptt. of Botany, Midnapur College, Dr. P. K. Bhattacharyya, Deptt. of Botany. Burdwan University, Dr. S.C. Santra, Deptt. of Ecological Studies, Kalyani University and Prof. P.K. Mukherjee, Deptt. of Botany, Calcutta University for their kind hearted encouragement and heartfelt love which I have received. Thanks are due to Mr. D. Lama, Sr. Lecturer in Botany and Dr. Santi Chhetri, Sr. Lecturer in Economics, of St. Joseph's College, Darjeeling for wasting their valuable time by helping me during my journey in different parts of Darjeeling Hills.

I extend my thanks to my friends and Scholars' Mr. M. Das, Mr. A.F.M. Manzur Kadir, Mr. G. Mahanta, Mr. A. Acharyya, Mr. P. Talukdar, Mr. S. Datta, Mr. P.C. Rai, Mr. A. G. Miah and Mrs. S. Mandal (M. Sc. Ex-students), Dr. J.K. Pal, Research Associate, Microbiology Lab, N.B.U., Mrs. M. Sen and Mr. A. Adhikary, Research Scholars' Bose Institute, Calcutta and Mr. A. Ghosh, Sr. teacher in Biology, Sikkim

Govt. School, Soreng, Dr. A. Ghosh and Dr. P. Kayat of North Bengal Medical College for their help and encouragement in all respects. I can not but mention the names of Mr. N. Singha and Mr. P. G. Nag, Field cum Lab. Assistant, Deptt. of Botany, N.B.U. for processing of herbarium sheets and their constant help in some respect.

I am also thankful to Mr. B. Karmakar, Mr. T.K. Gupta of North Bengal University Library, for helping me by giving information, reprints and other research related matter for the completion of my works.

Acknowledge with thanks to D.F.O. of Darjeeling Division and Range officer and Beat officer of Latpanchor and Lava Division for providing guest house facilities and helps during survey of different parts of Darjeeling district. Thanks also to Mr. D. Gurung, Wild Life Staff, Lava Forest Division for given the ethnobotanical information and local name(s) of angiospermic climbers collected from Darjeeling Hills.

Thanks also to Incharge of Meteorological Deptt. Bagdogra Air Force Station, Bagdogra and Meteorological Deptt. (Agromet Unit), Gangtok, Sikkim for supplying meteorological data.

Thanks also to Mr. K. Roy for drawing a map and to Mr. B. Biswas for partial computation of the works.

Thanks and respects also to my mother Mrs. Laxmi Samanta, father Mr. Nityananda Samanta and younger brother Apurba, sister Ruma and Baudi, Rubi Das, without the favour of whom this work may not come to conclusion.

Finally, thanks to the University Grants Commission for giving the Fellowship and other financial assistance for carrying out this work smoothly.
