

ACKNOWLEDGEMENTS

I wish to express my profound gratitude to my respected teachers Dr. Alope Bhattacharjee, Reader in Botany, Vidyasagar University, Midnapore, West Bengal, Dr. Jukta Adhikari, Reader in Botany, Chandanagar Government College, West Bengal and Dr. P.K. Basu, Professor of Botany, University of North Bengal, West Bengal whose unfailing assistance, supervision and guidance over ten years of research have been invaluable. I am indebted to Dr. B. Dasgupta, Ex-Principal, Darjeeling Government College and Mr. K.K. Tamang, Post-graduate Department of Botany, Darjeeling Govt. College, for their constant encouragement and selfless guidance. I am specially thankful to my colleagues, Mr. D.R. Chhetri, Mrs. A.S. Rai, Mr. Ajoy Thapa and Mr. Suresh Chhetri, without whose co-operation it would be very difficult to carry out the work in different radii.

My sincere thanks are due to Mr. B.B. Baraily, Mr. Chewang Bhutia, Mr. Phurba Lepcha, Mr. Prem Kumar Tamang, Mr. Dik Bir Sewa, Mr. Sonam Sherpa, Mrs. Anita Chhetri, Mr. Dhurba Thapa, Mr. Rakesh Varma, Mr. Kishore (Kazi) Tamang, Rajen Pradhan, Thapa Daju. Kishore Thapa, Basant Rai, Dewan Basnet and the farmers of Mirik and Parmaguri areas.

My special and unaccountable thanks to Mr. L.B. Karki and family who helped a lot to develop and prepare the experimental field. I am very much indebted to the grand old lady Mrs. Kalawati Chhetri who informed me a lot about the cultivation methods of the plant.

I like to acknowledge my thanks to the Hill Development Affairs, West Bengal for the financial assistance; to the Principal Agricultural Officer, Darjeeling and to the Department of Physics, St. Joseph's College, Darjeeling. I would also like to extend my thanks to Mr. L.H. Aung and Mr. N. Ceccarelli and their associates for providing me with the valuable literature; to Mr. Pankaj Chhetri for his various help in different aspects. But, most of all, I am really grateful to my beloved wife, Mekhala, lovable son, Suvha and the sweet small daughter, Kamana, for their constant love, affection and close attachment during the research period.

Last but not the least my sincere thanks go to Mr. Sukanta Kanji of M/S DYNACOMP, 36A Satish Mukherjee Road, Calcutta - 26 for compiling the thesis with much care and patience.
