TO WHOM IT MAY CONCERN

It is my pleasure to certify that Mr. Monoranjan Chowdhury, M.Sc. has carried out a piece of research work under my supervision. His thesis, entitled "**Plant Diversity and Vegetation Structure in the Wetlands of Malda District of West Bengal, India**", is a bona fide work and is based on his original research work. The thesis is being submitted for the award of **Doctor of Philosophy (Science)** degree in Botany in accordance with the rules and regulations of the University of North Bengal.

[A. P. DAS]
