(Appendix-I)

16. To consider a decision of the Departmental Committee of the Deptt. of Geography and Applied Geography.

The Council considered the resolution of the Departmental Committee, the letter of the Vice-Chancellor and replies of the teachers. Resolved that :-

i) The Executive Council refuses to recognise the Departmental Committee resolution.

ii) It condemns the attitude of the Departmental Committee and seeks an explanation why the teacher of the Department ignored the proposal to see the Vice-Chancellor and know for themselves the actuality of the situation and why they adopted such a humiliating and derogatory resolution against the Vice-Chancellor and Executive Council. It appears they have preferred to know things without knowing them. Further, the Executive Council strongly condemns circulation of the Departmental Committee resolution amongst Executive Council members.

iii) Answer of one question was outlined in the paper VIIA itself. It appears that the Moderation Board didn't perform its duty with all sincerity and responsibility. The Board and its Chairman has to explain the situation and pending that they be debarred from participating in the process of other examinations.

iv) In order to look into Sl.No.1-6 of Vice-Chancellor's letter in its roots, an enquiry committee be appointed. The Controller of Examinations, Calcutta University be requested to do the job within a month.

Confirmed for immediate action.

17. To consider a letter from the Technical Director, Jindal Aliminium Ltd. regarding endowment of "JINDAL JUBILEE GOLD MEDAL".

Resolved that the proposal be accepted with thanks and a Gold Medal be awarded to one MCA student securing highest marks in the final Examination out of the annual interest of the endowment corpus.

UNIVERSITY OF NORTH BENGAL APPENDIX

Minutes of the 59th meeting of the Finance Committee held on 21.12.1995 at 12.30 P.M. in the Chamber of the Vice-Chancellor at Rajarammohunpur.

Members present:

1. Prof. K.N.Chatterjee, Vice-Chancellor, N.B.U. (in the Chair).
2. Prof. B. Bhattacherjee, Dean of the Faculty Council for P.G. Studies in Science, NBU.
3. Dr. T.K.Chatterjee, Registrar, NBU
4. Sri Manik Raha, Member, Executive Council, NBU
5. Sri P.C. Basu, Finance Officer, NBU.

1. To report that the minutes of the 57th and 58th meeting of the Finance Committee dated 15.5.95 and 23.11.95 respectively have been forwarded to the Executive Council for consideration.

Noted.

2. To consider a report dated 9.11.95 from the Officer-in-charge, Watch & Ward on duties and leave of University guards (with reference to a demand of NBUEA discussed in the Finance Committee meeting dated 15.5.95 (item No. Suppl.7 of Finance Committee) and to consider also a letter dated 22.11.95 from the NBUEA.

Information on practice of similar other campus Universities in West Bengal be collected by the concerned Head of the Department. Presently those who want to enjoy C.C.L. be allowed by the Head of the Department keeping in view the needs of the University.

3. To consider partial delegation of cheque signing power to the other officers of the Finance Branch with reference to a Finance Officer's note bearing No. 3015/F-95 dated 1.12.95 before the Vice-Chancellor.

Partial delegation of concurrent cheque signing power to next officer upto an amount of Rs. 10,000/- in respect of any single cheque was accepted in principle. Modification of financial rules and modalities in consultation with the Bank be carried out.

4. To consider annual accounts of the University for the year 1986-87.

Considered, adopted and recommended to the Executive Council.

6. Sri Saktidas Mukherjee
7. Shri Tapas Kanti Basu
8. Shri Dilip Kumar Banerjee
9. Shri Nikhil Ranjan Guha
10. Shri Manik Raha

At the outset, the Vice-Chancellor welcomed the members to the first meeting under his Chairmanship and sought their co-operation in the smooth running of the affairs of the University. However, he felt sorry to find that some P.G. teachers have been dissociating themselves from the elected bodies of the University. He sincerely wanted them to forget the past and resume their proper role in the University administrative system. He called upon the Teachers' Council to take necessary steps for ending this undesirable stalemate.

The Executive Council shared the Vice-Chancellor's sentiment and endorsed his call.

Members of the Executive Council also welcomed Prof. R.G. Mukherjee, Vice-Chancellor and expressed good wishes to him.

1. To confirm the minutes of the 102nd meeting of the Executive Council held on 29.12.95.

The minutes of the 102nd meeting of the Executive Council held on 29.12.95 were confirmed subject to the following corrections :

i) The name of Shri Nikhil Ranjan Guha be included in the list of members present.

ii) Item No.10

The following words be inserted at the end of the para : "Resolved that the results be published immediately."

iii) Item No.21

The following be recorded after para I - "Dr. Digbijoy De Sarkar observed that the defalcation charges and material evidences presented in support thereof against

Sri Nanak Bhattacharyya, Principal were not mentioned in the report; charges against the teachers of the college were unsubstantiated, remarks about the Registrar were unsubstantiated and objectionable."

Matters arising out of the minutes

I. Item No.16

In view of the personal difficulties of the Controller of Examinations, Calcutta University to act as the Enquiry Officer, the Vice-Chancellor proposed that Dr. R.K. Saha, Controller of Examinations, B.E. College (Deemed University) be appointed as the Enquiry Officer. This was endorsed by the Council.

II. Item No.21

It was mentioned that the Enquiry report has been referred to the Advisory Committee of the University B.T. & Evening College, Cooch Behar for its consideration because the Enquiry Committee was constituted by the said Advisory Committee. The recommendation of the Advisory Committee would be referred to the Executive Council in due course.

III. The Vice-Chancellor reported that fresh interview of the candidates who appeared at the interview on the preceeding occasion for the post of Reader in Bengali (SC) has been arranged. This was endorsed by the Council.

9. Sri I.K. Basu, Siliguri College of Commerce
10. Sri S.D. Mukherjee, A.C. College
11. Dr. S. Mukherjee, Malda College

The Controller of Examinations attended the meeting on invitation.

At the outset, the members greeted the Vice-Chancellor on his assumption of the office and expressed their expectation that his leadership and guidance would enable them to fulfil their commitments. The Vice-Chancellor in reply thanked them and hoped that he would always get their full cooperation in his efforts towards all round development of the University.

Item No. 1. To report that the minutes of the 60th meeting of the Council dated 2. 10. 1995 which were confirmed in the same meeting were approved by the Executive Council on 29. 12. 1995.

Decision : The minutes were reported.

Matters arising

It was reported that at Siliguri College, the norms fixed and the mechanism evolved by the University with regard to admission to honours classes were not maintained.

The Council after a thorough discussion of all the aspects of the problem resolved as under :

Contd. 2/-

(i) Colleges would be asked to send complete data regarding admission so as to ensure whether the norms prescribed by the University were maintained or violated.

(ii) An exercise would be undertaken to fix-up intake capacity of colleges for honours courses and also to monitor how far they are being maintained.

Item No. 2. To consider recommendations submitted by various Boards of Under-Graduate Studies in connection with the Under - Graduate Examinations, 1996.

Decision : The Council resolved that the recommendations be approved.

While considering the recommendations regarding panel of names of examiners the Controller of Examinations reported that some of the examiners did not cooperate up to expectation for which the total results of Under-Graduate examinations could not be finalised as yet.

He also pointed out that the present position of the Ordinance prohibitting the P.G. teachers from being examiners to honours scripts was causing problem.

The Council resolved that the Executive Council be requested to take necessary steps to amend Ordinance - 2 relating to Conduct of Examiners so as to include the P.G. teachers also as examiners of honours scripts.

At this stage the members requested the Chairman to kindly arrange a single item meeting of the Council to consider various problems relating to examinations.

The Chairman readily agreed and it was decided that a meeting as suggested would be convened on 6th February, 1996.

(Confirmed for immediate action)

Decision : The Council considered the report and resolved to recommend extension of affiliation to the college till 1996-97 academic session and expected that the college authorities would take necessary steps to comply with the suggestions made in the report.

The Council resolved further to recommend introduction of Economics as one of the Elective

Contd. 4/-

subjects from the academic session 1996-97 as requested by the college authorities and recommended by the Inspection team.

(Confirmed for immediate action)

Item No. 6. To consider minutes of the meeting of the Board of Under-Graduate Studies in Political Science held on 17. 1. 1996.

Note : The Vice-Chancellor reported to the Council that content of a circular issued from the office of the Secretary, Under-Graduate Council giving effect to recommendations made by the Board of Under-Graduate Studies in Political Science regarding some changes in the syllabus created controversy. The matter was also highlighted in the newspapers. Then, as per order of the Vice-Chancellor the said circular was held in abeyance and the Board of Under-Graduate Studies was asked to reconsider the matter. Accordingly, the Board of Under-Graduate Studies met on 17. 1. 1996 and resolved to recommend that Item No. 6 entitled " Indian National Army and the Naval Uprising" in group B, Paper III of B.A. Pass syllabus in Political Science be reincorporated.

Decision : The Council endorsed with thanks the action of the Vice-Chancellor and resolved that the recommendations made by the Board of Under-Graduate Studies in Political Science be approved.

(Confirmed for immediate action)

Miscellaneous items

Misc. 1. The Controller of Examinations placed results of the following examinations :

(i) B. Com. Pass
(ii) B. Sc. Pass
(iii) B. Com. Part II Honours

Decision : The Council resolved that the results placed be published.

It was also reported that the results of B. Sc. and B. Com. Part/Honours and Five year LL.B. Parts II, III and IV examinations '95 were already published after obtaining order from the Vice-Chancellor.

The Council endorsed the action.

Contd ... 5/

At this stage the Vice-Chancellor reported about the dismal performance of the students of Darjeeling Government College in B. Com. Pass examinations. The Dean, Arts, Commerce & Law suggested that the anxiety of the members be communicated to such colleges. The Council accepted the suggestion.

The Controller of Examinations reported the position of results of B.A. Pass and Honours examinations.

The Council expressed dismay and dissatisfaction at the performance of some of the examiners and resolved that performance report mentioning their names be sent to the Governing Bodies of the respective colleges with the request to take appropriate action and copy of such letters be sent to the Secretary, Teachers' Councils and the D.P.I.

(Confirmed for immediate action)

Misc. 2. Recommendations of the Board of Under-Graduate Studies in English dated 12. 12. 1995 relating to some changes in the existing syllabus was placed.

Decision : The Council resolved that the recommendations be approved and be effective from the 1995-96 academic session beginning with the students who took admission to 1st year classes in 1995.

(Confirmed for immediate action)

Misc. 3. A prayer from a student was placed.

Note : It was stated in the said prayer that his Higher Secondary result remained incomplete initially. And complete result was released in the 2nd week of December and a certificate to that effect was also issued from the Higher Secondary Council. Now, the student prayed for granting permission to take admission to 1st year classes.

Decision : Although the last date for such admission was 11. 11. 1995, the Council resolved that restrictions be waived for such cases and the Vice-Chancellor be authorised to grant permission.

(Confirmed for immediate action)

Contd. 6/-

Misc. 4. A note from the Secretary, Under-Graduate Council to the Vice-Chancellor requesting him to kindly constitute the Board of Studies in Sericulture was placed. The subject was introduced at Raiganj College and at Kalimpong College as Vocational course and Elective subject respectively and in order to take Part I examinations of the Vocational course in the current year, constitution of the Board of Studies was necessary.

In this context recommendations made by the Advisory Committee of the Raiganj College dated 13. 12. 1995 was also placed.

At this stage a syllabus for Sericulture as an Elective subject as endorsed by the Head of the Department of Zoology, North Bengal University and forwarded by the Registrar, was also placed.

Ref. No. 468 /Insp-95 Dated : 29. 12. 95.

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report of the newly started Government College at Namch, (Sikkim).

In response to a letter dated 19. 8. 95 from the Minister of Education, Government of Sikkim, regarding starting of a Government College at Namchi, the Executive Council of the University, pending inspection, decided to grant temporary affiliation to the college for the academic session 1995-96. Subsequently an Inspection team comprising Shri Tapas Basu, Member, Council for Undergraduate Studies and Inspector of Colleges visited Namchi on 13th December, 1995 to examine the infrastructure of the college and also to consider further extension of affiliation. The observations and recommendations of the Inspection team are placed below for favour of perusal of the Vice-Chancellor.

1. The College is housed, for the present, in a three storied building in heart of Namchi town. The building, it is learnt, has been acquired from the Department of Housing by the Education Department of Government of Sikkim. The specifications of the building are given below.

(a) Ground floor : (i) Principal's chamber.
(ii) Room of the P.A. to the Principal.
(iii) Office room
(iv) A lecture room (28' x 27')
(v) Attached toilets with Principal's room and office.

(b) First Floor : (i) Lecture room (28' x 27')
(ii) Lecture room (24' x 18')

Laboratory. The total plinth area of the building is 9395 square feet. The College in course of time will shift to a site of its own.

2. Mr. R.P. Poudyal, a senior Nepali teacher of Government College, Gangtok is currently looking after the affairs of the college. The Government has sanctioned the post of Principal and six posts of lecturers. Pending appointment of full time teachers through Sikkim Public Service Commission some senior higher Secondary teachers are teaching the various elective subjects. The Department of Education, however, should ensure that candidates with following qualifications need only be considered for selection through Public Service Commission.

(i) The candidate should have atleast 55% marks at Postgraduate level.

(ii) The candidate should have passed National eligibility Test (NET) or UGC accredited State Level test.

However, candidates who have been awarded M. Phil degree upto 31st December, 1992 or who have been awarded or have submitted their Ph. D thesis upto 31st December, 1993 have been exempted from passing NET or State Level test.

The Inspection tem was assured by the Additional Secretary, Education Department, that though the sanction of the teaching posts are initially for a period of one year, the posts will be made permanent during the fiscal year 1996-97.

3. The College is teaching the following elective subjects besides English and Nepali as additional compulsory language in B.A. (Pass) course.

1. English
2. Nepali
3. Sociology
4. Geography
5. Political Science
6. Education.

Further, the college desires to introduce Economics also from the academic session 1996-97.

4. The Government has also sanctioned the posts of the following non-teaching staff for the college.

1. Librarian
2. UDC - 1
3. LDC - 1
4. Peon - 2

A post of Accountant is perhaps desirable. The Government may consider sanctioning the post of an Accountant in near future.

Contd. ..3/-

5. The Government of Sikkim has allocated Rs. 15=00 Lakhs for the college for the year 1995-96. The amount is considered quite adequate to meet the salary of teachers and other developmental expenses initially.

6. The college has got a fairly good number of students in the very first year. The enrolment figures for the current year (1995-96) is given below.

Class	Boys	Girls	Total	SC		ST	
				M	F	M	F
B.A. 1st year	86	63	149	16	12	2	1

The SC/ST students constitute 20% of the total enrolment. The following are the feeder schools for the college.

17. Weather maps published by Government of India.
18. Drawing pen, ink, stencil writing set, tracing papers, drawing chart paper, graph paper etc.
19. Ranging poles, pegs, wooden scales, tape etc.

FIELD SURVEY :

Geography being a field science is taught through filed study meeting. Every year the Department should organize a week long field study programme to give the students an opportunity to observe and study slowly the physical and human geography.

9. The working hours of the college is from 10 am to 4 p.m.

To sum up, the Inspection team recommends extension of affiliation to the college till 1996-97 academic session and expects the college authorities to appoint duly qualified teachers, as per UGC guidelines indicated at para 2, latest by March, 1996. Further, besides the six elective subjects which the college is currently teaching the University may consider the request of the college authorities for introduction of Economics from the academic session 1996-97 favourably.

Subject : Inspection report of Loyola College of Education. Namchi, Sikkim for further extension of affiliation

An Inspection team comprising Shri Gopal Sarkar, Member, U. G. Council and Principal, Siliguri B. Ed. College, Dr. Dilip Chatterjee, Secretary, U.G. Council and Inspector of Colleges visited Loyola College of Education, Namchi on 21st November, 1995 to consider further extension of affiliation to the college. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

College Campus :

The college started functioning from the year 1994. The building has been given finishing touches and in midst of the hills it is a very elegant and magnificient structure. The building is very well kept and the campus is meticulously clean. An ideal atmosphere prevails on the campus for studies. Two four storied hostels have also come up on the campus since last inspection. 13 ladies are staying in one hostel and the members of the college management are occupying the other hostel. One more hostel for Gents is under construction and it will be ready by end of 1996.

The road leading to the college has not been asphalted yet. The college authorities told the Inspection team that it will be macadamized after construction of the hostel for Gents.

Teachers :

The college has appointed one full time teacher who is teaching History method and Development of Modern Indian Education. Her name and qualifications are given below :

Ms. Mamata Sharma - M. A. (History), B.Ed., Ph.D.

Besides, the following persons from the Society of Darjeeling Jesuits are assisting in the teaching process. Their names and qualifications are given below.

Contd.....P/2.

Name & Qualifications	Subjects Teaching.
1. Father T. Chacko, M.A. (History) M.A. (English), B. Ed.	a) English Method.
2. Father Joseph Boniface, B.Sc. M.Ed. (Chicago)	a) Educational Psychology, b) School Organisation.
3. Father E. Gurung, B.A.(Hons.), B. Ed. M.Ed. (Canada)	a) Principles of Education, b) School Organisation.

The college authorities have so far not got qualified teachers to teach physical and Life Sciences as method subjects. Physics is taught by one Mr. Eric Yonzen who holds a first class Master's degree in Physics but does not have a B. Ed./M.Ed.degree. As such it is difficult for such a person to teach Physical Sciences as method subject. Life science is currently taught as method subject by a teacher from Government Higher Secondary School, Namchi. The teaching of method subjects and even to an extent instruction in compulsory papers need strengthening and this would be possible only when full time qualified teachers will be appointed. The college authorities should advertise frequently in National dailies to get qualified candidates as early as possible. The efforts made by the college authorities in raising the fine infrastructure will be considered worthwhile only if duly qualified competent teachers are made available to the students at an early date.

Practice Teaching :

The Practice teaching has been completed in the month of September 1995. It is done early because schools close for winter vacation in December and the secondary and higher secondary examinations are held immediately after the schools re-open.

It is learnt that 16 students have completed their practice teaching at Kurseong at St. Alphonsus School and at St. Helen's. The rest of the students have done their practice teaching in the following schools in and around Namchi.

1. Government Higher Secondary School, Namchi.
2. Namchi Girls' High School.
3. Namchi Public School.
4. Junior High School, Namchi
5. Government Junior High School, Phalidara (2 Kms From Namchi)
6. Government High School, Maniram (10 kms from Namchi).

It was not possible for the college teachers to supervise the practice teaching at Kurseong as well as in schools in the near vicinity of Namchi town. The college authorities told the Inspection team that the schools at Namchi are reluctant to spare adequate number of days for practice teaching. The college is, therefore, left with no alternative but to send the students away from Namchi town for practice teaching. The students who went to Kurseong were those who either

Contd.....P/3.

hailed from Kurseong or had their relatives there. The college, however, will have to plan their practice teaching more methodically in consultation with local schools. Involving too many schools at far away places affects the monitoring of teaching process and also introduces an element of slackness. Practice teaching can be made more effective if done locally in presence of college teachers.

Laboratories :

The college has acquired instruments, glass wares, some beautiful charts on human anatomy, biological specimen etc. but facilities to conduct experiments particularly in Life science and Chemistry are still to be developed. The rooms earmarked for laboratories need tables, sinks, water and gas supply to perform some basic experiments. The college authorities will do well to provide these facilities.

Library :

The college has provided a very decent and specious room for the library. A good deal of books have been purchased but some of them are guides which are not expected to be kept in the college library. Some books on Physical and Life sciences and a few NCERT publications are considered necessary.

The college does not have a qualified librarian at present. The books have, therefore, not been stacked with due accession and call numbers. The standard norms of library keeping has not been introduced yet.

			Gents		Ladies		
Gents	Ladies	Total.	1st	IInd	1st	IInd	Total

Only 16 candidates have passed of which only one lady candidate has secured first class. The percentage of successful candidates is only 31. The result is considered poor compared to all other B.Ed.colleges. It is learnt that 32 candidates have failed only in History method subject. The college has urged the University to review the papers.

Fund position :

The Government of Sikkim has so far contributed a sum of Rs. 20.00 lakhs to maintain a corpus fund of Rs.70.00 lakhs. The Society of Darjeeling Jesuits will contribute Rs. 40.00 lakhs to this fund in a phased manner. The commitment of the Sikkim Government to the corpus fund is Rs. 30.00 lakhs. The Government, it is learnt, will provide the balance amount of Rs.10.00 lakhs within a year from now.

Contd.....P/4.

Recommendations :

Considering the various aspects the Inspection team recommends extension of affiliation to the college till 1996 - 97 academic session and expects the compliance of the following :

1. The college should make an all out effort to appoint two teachers to teach Life Science and Physical Science as method subjects.
2. The laboratories should be provided with gas and water supply.
3. Some books on life sciences, Physical Science and few NCERT publications are needed in the library.
4. The college authorities should make efforts to hold the practice teaching preferably in the month of October every year. As far as possible the practice teaching should be arranged in local schools in presence of college teachers.
5. The students should be encouraged to prepare teaching aids, models and charts.

Candidates expelled/reported against were given reasonable opportunity to spell out their cases in defence including personal hearing and submission of written statements and the Malpractice Enquiry Committee took into account the guidelines for dealing with malpractice cases. After an indepth scrutiny of all the papers and statements the committee recommended as under.

1) The undernoted candidates were reported against by the examiner and from the College. The candidates however, confessed their guilt and assured the Committee that they would not adopt any unfairmeans in future and expressed repentance for their act. Hence the Committee recommended that their examination for the year 1995 may be cancelled under rules (1C) of the revised guide lines.

Sri Jyotirmay Roy, Deputy Librarian attended the library committee meeting on special invitation.

M i n u t e s :

Item I — To confirm the minutes of the 13th meeting of the Library Committee held on 24/3/94 at 3 p.m. at the office of the Vice-Chancellor.

Resolution

The minutes of the 13th meeting of the Library Committee held on 24/3/94 were confirmed.

a) While confirming the above minutes the members felt that the actual configuration of the PC which had been purchased should be reported in the next meeting.

b) The members opined that the Library Committee meeting should be held more frequently.

c) The members pointed out that the resolution (Misc. II) should be reviewed in the interest of the users community.

Item II — To prepare the revised budget estimate for 1994-95 and the budget proposal for 1995-96.

Resolution

The members felt that they would require some information with regard to the actual expenditure for 1993-94 and also the actual expenditure already incurred upto this date. Resolved that the item be deferred and a meeting of the Library Committee be held as soon as possible to discuss this agenda.

Item III — To prepare rules to be added to the existing library rule No.2 with regard to (1) L.L.M. Students and (2) Students of Coaching Centre.

....P-2

An emergency meeting of the Library Committee was held on 7.9.1994 at 3 p.m. at the office of the Vice-Chancellor, Administrative Building, North Bengal University.

Members present :-

1. The Vice-Chancellor in the Chair
2. Prof. T.K. Roychowdhury, Dean of the Faculty Council for P.G. Studies in Arts, Commerce & Law
3. Prof. B. Bhattacharyya, Dean of the Faculty Council for PG Studies in Science
4. Dr. R.S. Mukhopadhyay, Deptt. of Sociology & Social Anthropology
5. Dr. Manas Chakraborty, Department of Political Science
6. Dr. Pinaki Bannerjee, Department of Chemistry
7. Prof. S.P. Pal, Department of Mathematics
8. Sri Piyal Sarker, Department of Computer Science & Applications
9. Dr. Urmila Chakraborty, Department of English
10. Dr. P.K. Mandal, Department of Physics
11. Sri Krishnaraj Ghatani, Department of Nepali
12. Dr. Gautam Biswas, Department of Philosophy
13. Dr. Joydeb Paul, Department of Zoology
14. Dr. M.K. Roy, Department of Commerce
15. Mrs. Mandira Bhattacharyya, Department of History
16. Sri Debasis Pal, General Secretary, P.G. Students' Asson.
17. Dr. T.K. Chatterjee, Registrar, North Bengal University

Sri Jyotirmay Roy, Dy. Librarian was also present in the meeting on special invitation.

Item To prepare the revised budget estimate for 1994-95 and the budget proposal for 1995-96.

Resolution

Resolved that the following revised estimate for 1994-95 and the budget estimate for 1995-96 be recommended for consideration of the appropriate authority:-

Other expenses :	Revised Estimate 1994 - 95	Budget Estimate 1995 - 96
(1) Binding	Rs. 75,000.00	Rs. 1,00,000.00
(2) Contingency	Rs. 45,000.00	Rs. 55,000.00
(3) Computer Unit	Rs. 10,000.00	Rs. 12,000.00
(4) Reprographic Unit	Rs. 35,000.00	Rs. 45,000.00
(5) Journals and Periodicals	Rs.20,000,00.00	Rs.78,000,00.00
(6) Stock Taking	Rs. nil	Rs. 15,000.00

While discussing the above agenda the members opined that the budget proposals etc for the Department of Library and Information Science should occupy a separate page in the budget book. If these proposals were shown along with the budget proposals etc. for University Library it might lead to confusion.

....P-2

The members further felt that there was scope for improvement in the services offered by the Reprographic Unit and resolved to constitute a committee with the following members. The committee would suggest as to how such improvement could be achieved.

1) Prof. T.K. Roychowdhury, Dean of the Faculty Council for P.G. Studies in Arts, Commerce & Law
2) Prof. B. Bhattacharyya, Dean of the Faculty Council for P.G. Studies in Science
3) Prof. S.P. Pal, Deptt. of Mathematics

The above minutes were confirmed with immediate effect.

10. Dr. S. Mukherjee, Malda College
11. Sri G. Sarkar, Principal, Siliguri B. Ed. College
12. Sri N. Bhattacharyya, Principal, University B.T. & Evening College

The Registrar, Inspector of Colleges and the Controller of Examinations attended the meeting on invitation.

Item No. 1. To consider problems relating to holding of various Under - Graduate Examinations and publication of results.

At the outset the Vice-Chancellor set the tune of the meeting by way of explaining the significance and importance of the problems taken for consideration.

Four papers from Dr. B. Pradhan, Dr. C. Chakravorty, Sri N. Paul and the Controller of Examinations were placed in the meeting. But ultimately as proposed by the Chairman, the Council decided to divide the problems into following four different areas and examine them accordingly.

(A) Pre-Examination arrangement

It was pointed out by the Registrar that inspite of issuing several circulars the Registration fees are not sent timely by the colleges.

The Controller of Examinations alleged that Colleges often send examination forms without properly arranging them.

Contd. 2/-

The Council, in this area resolved as under :

(i) A meeting of the Principals and the Secretaries of Teachers' Councils of the affiliated colleges will be arranged and there it will be told categorically that the present practice of sending forms to the Controller of Examinations according to their sweet will must be discontinued forthwith.

(ii) Henceforth the Colleges will be informed about the dates for filling in the forms and commencement of the examinations within November.

(iii) Henceforth the meetings of the Boards of Studies for Preparation of Panel of names of Paper-setters, moderators, examiners etc. will be convened in such a way as to get the recommendations ready within November.

(iv) Complete and correct list of teachers along with their seniority and other information will be proveded by the Controller of Examinations.

(v) Paper-setters failing to submit papers shall not be considered for appointment as paper-setters the following years.

(vi) Double set of questions will be prepared.

(vii) The mode of despatch of question papers should be changed. It is to be explored whether the same could be sent to custodians with the assistance of Postal department.

(B) Holding of Examinations

With regard to this aspect the Council resolved as under :

(i) In order to avoid overcrowding of the examination centres the pressure of external candidates should be minimised. Number and jurisdiction of externals are to be restricted. Total number of external candidates should not be more than 10% of the regular candidates of the concerned college.

(ii) With a view to improving the quality of examinations, this aspect may be placed before the meeting of the Principals and Teachers Council Secretaries.

Contd. ... 3/-

(iii) The system of sending visiting teams should be made effective.

(iv) The practice of selecting members of the Visiting Team from the nearby locality should be avoided.

(v) The vehicle of the Visiting team should be left at a reasonable distance from the Centre of examinations.

(vi) Necessary steps may be taken with the highest level of Administration to ensure law and order at the examination centres and for providing security to the visiting teams. If necessary, Visiting teams may be provided with police escort up to a certain distance on their way back from centres visited.

(vii) If the steps taken by the Coordinator proved insufficient then as per request Central Visiting team may be arranged.

(viii) Examinership being compulsory the defaulters are to be identified and their names to be forwarded to the Governing bodies of their colleges and the D.P.I. for necessary action.

(ix) Scripts should be despatched from the Examination Centres promptly either by rail or by post. As soon as an examination is over scripts should be ready for despatch the next day. To facilitate speedy movement of the examination scripts, this matter may be taken-up with the transport authorities.

(x) There should be no remuneration for invigilation work.

(C) <u>Evaluation</u>

(i) Examiners' meeting should be arranged and scripts should be distributed thereat. Communication will be made pointing out the utility of holding such meetings and that attendance to the meeting is compulsory.

(ii) As soon as the last date for submission of scripts and marks is over, the Controller of Examinations will write to the respective Chairmen

Contd. 4/-

to ascertain the names of defaulters, if any. Immediately on receipt of information from the Chairmen, the Controller of Examinations will write to the defaulting examiners to the effect that he will send someone after seven days to collect examined & unexamined scripts.

(iii) For expeditious completion of reassessment of Honours papers, it was decided that the work may be done centrally at the University.

(D) Processing

(i) Markslips should be prepared with care. Errors must be avoided.

(ii) Tabulation work will be computerised if possible from the current year. Although, initially computerisation will be confined to Tabulation work gradually efforts will be taken also to cover the areas of registration, enrolment etc.

(iii) Efforts will be made to publish the results as per academic calender, if necessary, with the exchange of experience with other institutions.

(Confirmed for immediate action)

Miscellaneous items

Misc. 1. The Controller of Examinations placed the results of following examinations :

(i) B.A. Part I Honours
(ii) Part II Honours in
(a) Mathematics
(b) Zoology (c) Geography
(d) Philosophy (e) Economics
(f) Nepali (g) Sanskrit

Decision : The Council approved the results and resolved that the same be published.

At this stage the Council requested the Controller of Examinations that Tabulators be asked to take sincere efforts to send the markslips simultaneously with the results.

Contd. 5/-

The Controller of Examinations also reported that the results of Part II Honours in Physics and Chemistry were published after obtaining approval of the Vice - Chancellor.

The Council endorsed the action taken by the Vice-Chancellor and also authorised him to approve publication of the results of B.A. Pass as and when the same are ready.

(Confirmed for immediate action)

Misc. 2. With regard to Part II Honours Examinations, 1996 and filling in the forms for the said examinations the Council fixed the following dates :

Commencement of examinations - 9th September, 1996

Filling the forms -

(i) From students to Colleges - 10th July, 1996

(ii) From Colleges to the University - 15th July, 1996

There being no other business the meeting terminated with a vote of thanks to the Chair.

Item No. 11. To report NCTE communication regarding recognition of teachers' training institutions.

Note : The Regional Director, National Council of Teacher Education in a letter indicated that all institutions offering a course in teacher education should apply within 17th February for recognition by the NCTE which was established by an Act of the Parliament and the content of the letter suggested that the recognition was mandatory.

Decision : The Council considered the letter and resolved that NCTE be requested to extend the last date of submission of application for recognition till 30th June, 1996in view of delay in receiving the notification. As per the said letter the institutions must ensure their recognition before sending their candidates to sit for the next examination. The Council, in this regard observed that since the examination was round the corner the NCTE be requested not to insist upon this part of the regulations so far as the current batch of students was concerned.

(Confirmed forimmediate action)

Item No. 12. To consider a letter received from Teacher-In-Charge, Mathebhanga College.

It was stated in the letter that for holding of Madhyamik Examination from 1st March to 15th March the Centre Committee selected the college as one of the venues. The Vice-Chancellor reported that when a request from the S.D.O., Mathabhanga came to that effect then there was no time to take alternative action.

The Council observed that this should not be the normal practice. The S.D.O. be requested to spare the colleges in future. The Secretary, WBBSE be also requested to consider the matter.

Item No. 13. To consider a letter received from the Principal Tufanganj Mahavidyalaya.

In the said letter the Principal stated that first batch of B. Sc. difficulty but conduction of Practical Examinations was not possible and as such he requested the Principal, A.B.N. Seal College and senior teachers of the concerned departments of the said college who had verbally agreed to conduct the Practical examinations of his students at A.B.N.Seal College centre. The Principal prayed to the University for granting such permission.

Decision : The Council considered the matter and resolved that the Principal, Tufanganj Mahavidyalaya be asked to obtain written consent from the Principal, A.B.N. Seal College and send the same to the University.

(Confirmed for immediate action)

Miscellaneous items

Misc. 1. During the preparation of results for the B.A. Part II Examinations, 1995 the Tabulators intimated the Controller of Examinations that they had received some marks against four candidates of Alipurduar College although they were not enrolled for the examination. Verification of office records revealed that fees and forms for admission to the examinations were not received from the College. The matter was taken up with Principal who has now submitted forms and fees for those four students and regretted that he could not submit the same in due time due to oversight.

Decision : The Council expressed distress and concern and resolved that the Principal be asked to see the Vice-Chancellor with relevant papers. The results of the students under reference be kept withheld and the Vice-Chancellor be authorised to take such action as he may deem necessary.

(Confirmed for immediate action)

Misc. 2. The Board of Under-Graduate Studies in Law in its meeting held on 23. 2. 1996 recommended some changes in the existing 3 year and 5 year LL.B. syllabi and wanted that the same be effective from the academic session, 1995-96.

Decision : The Council resolved that the recommendations of the Board be approved and the same be given effect to from the 1995-96 academic session.

(Confirmed for immediate action)

Misc. 3. Representations from students of Part I, Economics honours of A.C. College, Part I, English honours of Raiganj College and Part II, Economics honours of Malda College were placed. The students were not satisfied with their results and as such prayed for mass review of the results.

Decision : The Council resolved that the students may apply for individual reassessment as per rule.

(Confirmed for immediate action)

Misc. 4. The Lecturer-In-Charge, Thakur Panchanan Mahila Mahavidyalaya, Cooch-Behar, in a letter informed that the candidates of her college had so long been accommodated for their examination at the University B.T. & Evening College but the Principal, B.T. and Evening College expressed his inability to acommodate them this year.

Decision : The Council resolved that the College authorities be asked to take steps so as to hold the examination at their own college.

(Confirmed for immediate action)

Misc. 5. The Council considered the representation of the guardians of some students of Malda Women's college stating that their wards have been informed by the college authorities after pursuing the course for two years that their admission to the honours courses were not as per rules of the University and therefore they were not eligible to fill in examination forms for Part I honours examination.

The Council after deliberations expressed its inability to allow the students to appear for the Part I honours examinations since they did not possess minimum qualifications required for admission in honours courses.

The Council further resolved that the Principal be asked to explain within 15. 4. 1996 why candidates who did not fulfil the minimum conditions for admission in honours course were admitted to honours courses of Political Science and History.

It was also decided to apprise the Governing Body of the College and the Director of Public Instruction, Government of West Bengal about the matter.

Misc. 6. A letter received from one Sri Mahabub Alam stating about some irregularity with regard to admission to Geography honours course at Cooch-Behar college. On enquiry, the reply of the Principal only corroborated the allegation.

Decision : The Council expressed its unhappiness and resolved that the observation of the Governing Body be sought regarding the steps, if any, taken by them in this regard.

Misc. 7. The Physics honours students of A.B.N. Seal College in a representation duly forwarded by the Officer-In-Charge of the college drew attention to some anomaly with regard to setting of question paper in Paper II of Part I honours Practical examination in 1994 and 1995.

Decision : The Council considered the matter and resolved that the attention of the Paper-setters be drawn to rectify the matter.

(Confirmed for immediate action)

Misc. 8. A prayer from a student was placed who appeared for the 3rd time in his Part II honours examination in Botany from A.B.N. Seal College as a casual student in 1995. Since in the meantime, revised syllabus was introduced, the student was unable to take the examination in the absence of a question paper as per the old syllbus and as such prayed for another chance.

Decision : Considering everything the Council resolved that a chance be granted to the student as a very special case to appear at the examination in 1996.

(Confirmed for immediate action)

Misc. 9. Some members drew attention of the Council to the fact that with regard to fixing of last date for application for admission to B. Ed. Courses there was no uniformity among the colleges.

Decision : The Council resolved that the colleges be asked to go by the Academic Calender already adopted in this regard.

(Confirmed for immediate action)

Contd. ..9/-

Misc. 10. The Council resolved that necessary steps be taken to expedite the report of the Malpractice enquiry Committee and requested the Vice-Chancellor to approve the same on behalf of the Executive Council so as to enable the students who were exonerated by the Committee to fill in the forms and appear in the examinations without losing a year.

(Confirmed for immediate action)

There being no other business the meeting ended with a vote of thanks to the Chair.

Ref. No. 60/1/Insp-96 Dated 12 March, 1996

NOTE TO THE VICE-CHANCELLOR.

Subject : Inspection report regarding continuation of teaching of Physiology and Geography as elective subject at A. C. College, Jalpaiguri.

In response to a letter Ed-477/95 dated 28.7.95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the Executive Council of the University in its meeting held on 2. 8. 95 resolved to permit the college to teach Physiology and Geography as elective subjects provisionally from the session 1995-96 subject to inspection. The decision of the Council was communicated to the college vide letter 2448/R-95(5) dated 14. 8. 95 from the office of the Registrar. Subsequently an Inspection team comprising Dr. M. Jana, Reader, Geography Department, NBU, Dr. Debesh Deb, Reader, Zoology department and Inspector of Colleges visited A.C. College on 27. 2. 96 to examine the infrastructure and facilities available in the college regarding teaching of Physiology and Geography as elective subject. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

PHYSIOLOGY :

Enrolment :

Only six students have taken admission to study Physiology as one of the elective subjects. It seems that introduction of the subject has not generated much enthusiasm among the students. It is also possible that students are not keen to study the subject at present in view of lack of full time teachers and laboratory facilities. The students studying Physiology have been asked to offer Botany and Zoology as the other two elective subjects.

WORKLOAD :

Considering an initial strength of 20 students in each year the following will be the workload fro B. Sc. (Pass) course in Physiology.

Class	Theory periods	Practicals
1. B.Sc. (pass) 1st year	6	6
2. B.Sc. (pass) 2nd year	6	6
	12	12

A batch comprising 20 students should be given two turns of three periods each every week to do practicals.

Contd. ... 2/-

Though the initial workload may not exceed 24 periods/week, the Inspection team is of the opinion that two teachers will be needed for teaching the course. The Government should sanction one post of lecturer immediately and the second post may be sanctioned during the academic session 1996-97. Two posts of lecturers are considered essential to cover three theory papers of divergent nature and also for demonstrating biophysical and biochemical techniques in practicals. As present two teachers from a local Pharmacy institute are teaching the subject on part time basis.

LABORATORY :

The college is yet to make arrangements for conducting practicals in the subject. A class room (room No. 34) adjacent to biology laboratory on the first floor is considered quite suitable for setting up the Physiology laboratory. The College, it is felt, will keep its plumbing expenditure to minimum while drawing water line upto this room. It is also learnt that the Chemistry honours laboratory, on the ground floor, will be shifted to a newly constructed block. In that case the biochemical experiments of Physiology could be performed in the existing chemistry honours laboratory. Two separate laboratories for performing biochemical and biophysical practicals are considered desirable. In fact kymographs are expected to be installed in a separate laboratory. The college should take steps to set up its Physiology laboratory as early as possible. Arrangements should be made to start the biochemical practicals in the Chemistry laboratory immediately. Besides, all efforts should be made to have independent laboratories for Physiology before the commencement of 1996-97 academic session.

LABORATORY ATTENDANT :

The college will need atleast one laboratory attendant to make basic preparations for conducting the practicals and also to keep instruments in order. The Government should, therefore, sanction one post of laboratory attendant for management of the laboratories.

BOOKS :

The library does not have any text books on Physiology at the moment. It is learnt that orders have been placed to buy some books. The Government may sanction atleast Rs. 15,000/- to buy text and reference books on the subject.

Contd. 3/-

INSTRUMENTS :

The college will need the following equipments for conducting practicals in Physiology for a batch of twenty students.

Instruments	Quantity
1. Microtome	1
2. Paraffin oven	1
3. Hot plate for slide drying	1
4. Stethoscope	3
5. Sphygmomanometer	3
6. Chemical balance	1
7. Barringer's balance	1
8. Surgical equipment and first aid box	1 set.
9. Complete set of kymograph apparatus	10 sets
10. Dale's bath apparatus	1
11. Students compound Microscope	10
12. Centrifuge	1
13. Westergren tube with stand for ESR	1
14. Haemocytometer with WBC pipettes and fluids	10
15. Haemoglobinometer full set	10
16. Refrigerator	1
17. Wintrolee's tube	4

A sum of Rs. 1.6 lakhs will be required to purchase these equipments.

FURNITURE :

The college will need working tables, wooden racks, stools and atleast five steel almirahs to keep the instruments. A sum of atleast Rs. 45,000/- will be required to purchase these items.

Glassware and chemicals :

The physiology laboratory will need glassware worth Rs. 5,000/- and chemicals worth Rs. 10,000/- to perform the biochemical experiments. Besides, an annual contingency of Rs. 10,000/- is considered essential to meet the recurring expenses. The Government will have to give initially a grant of Rs. 2.5 lakhs to equip the library and laboratory with books, equipment, furniture, glassware, chemicals etc.

Contd. .. 4/-

GEOGRAPHY :

ENROLMENT :

Only nine students (5 boys and 4 girls) have taken admission to study Geography as one of the elective subjects.

WORKLOAD :

Considering an initial strength of 20 students in each year the following will be the workload for Pass Course.

	Class	Theory Periods	Practicals.
1.	B.A./B.Sc. (Pass) 1st Year	6	6
2.	B.A./B.Sc. (Pass) 2nd Year	6	6
		12	12

The weekly workload will be around 24 periods. A batch comprising twenty students should be given two turns of three periods each, every week, to do practicals.

TEACHERS :

Two teachers are a must to teach any elective subject and Geography cannot be an exception. The Inspection team feels that one post of lecturer should be sanctioned immediately and the second post may be sanctioned during the academic session 1996-97. At present a part-time teacher is engaging the students only twice in a week to teach just the theory papers. This affects the continuity in teaching.

LABORATORY :

The college is yet to make arrangements for conducting the practicals. The authorities propose to house the Geography laboratory in a newly constructed hall measuring 30' x 20'. The hall was constructed from a grant of Rs. 2.00 lakhs given by the local member of Parliament from his development fund. The hall is considered suitable for Geography laboratory. The space in front of the hall could be suitably enclosed to convert it into a store room.

LABORATORY ATTENDANT :

Geography being a laboratory based subject will require the assistance of one laboratory attendant to conduct the practical classes and to keep the instruments in order.

Contd. ... 5/-

BOOKS :

The college will be expected to buy text books of Geography. These are quite expensive. A sum of atleast Rs. 20,000/- will be required for purchasing the books. The college, it is learnt, has already placed orders to buy a few text books.

EQUIPMENT :

The college is yet to acquire equipments, maps and other materials for conducting the practicals. The college will need the following equipment to conduct practicals for a batch of 20 students of Pass Course.

	ITEM		QUANTITY
1.	Globe with graticules	.....	1
2.	T squares	.....	5
3.	Scales	.....	12

7. Allidade	.....	2
8. Trough compass	.....	2

A sum of Rs. 80,000/- or so will be required to furnish the laboratory and for purchasing the equipments suggested above.

FIELD SURVEY :

Geography being a field science is taught through field study meeting. Every year the college is expected to organize a week long field study programme to give the students an opportunity to observe and study closely the physical and human geography. The Government should, therefore, consider granting suitable amount towards field work expenses and excursion every year.

RECOMMENDATIONS :

Before making any recommendation regarding continuation of teaching of Physiology and Geography as elective subjects at pass course level the Inspection team would like to bring to the notice of the University the following points.

(i) A. C. College, Jalpaiguri was granted extension of affiliation to teach honours course in Botany in 1989-90. The Government gave clearance to teach the course in September, 1990 totally disregarding the recommendations regarding sanction of teaching and non-teaching posts and grants for purchasing equipments. In fact till date no teaching or non-teaching posts have been sanctioned and the college is unbelievably short of equipments. There are only two sanctioned posts of full time teachers and surprisingly not even a single post of laboratory attendant has been sanctioned to the department. One can well imagine how the college is teaching the subject from higher secondary to honours level with just two teachers and without any supporting staff in the laboratory. The college needs instruments like Microtome, Autoclave, Oven, Camera Lucida, Refrigerator etc. for its Botany laboratory. In absence of these instruments, edequate number of

Contd. ... 7/-

teachers and laboratory staff the practical classes of Botany honours are in a total disarray. Enquiries, however, revealed that the college has appointed a third teacher on a consolidated salary of Rs. 2200/- per month to share the workload of the department and a person who is working in the college since 1. 12. 77 and is yet to be absorbed against a sanctioned post has been asked to manage the laboratories. Such adhoc arrangements are not effective for long periods. It erodes the credibility of the institution and severely affects the academic interest and expectations of the students. Similarly the University has granted permission to the college to teach computer science as one of the elective subjects from 1994-95 academic session but the Government is yet to take a decision whether it will accept the financial liabilities of maintaining the course once the UGC assistance ceases. The inspections become meaningless if the Government does not consider even the basic requirements of teaching and non - teaching staff and does not even grant a nominal amount for purchase of books and equipments while granting permission to teach new subjects. In view of this the Inspection team is of the opinion that it will be only prudent to allow the college to teach Physiology and Geography initially till 1997-98 academic session. The question of further extension of affiliation could be reviewed after examining the infrastructure raised by the college and assistance provided by the Government. In the meanwhile the college should get in touch with the Government, as well as try and mobilise its own resources, for compliance of the following :

1. The Government should consider sanctioning one post of lecturer each in Physiology and Geography immediately. The second posts of lecturers in each of these subjects may be sanctioned during the academic session 1996-97.
2. The Government should also consider sanctioning one post of laboratory attendant each for Physiology and Geography.
3. Initial investment in Physiology is likely to be quite high. The Government may think of providing financial assistance to the tune of Rs. 2.5 lakhs to the college to buy equipment, furniture and books.

Contd. 8/-

4. As regards Geography a sum of Rs. 1.00 lakh is necessary to buy equipment, furniture and books. The Government may consider sanctioning this amount for equipping the Geography laboratory.

5. The College does not have at present teachers, attendants, equipments and books both in Physiology as well as in Geography. The college should expedite the process of setting up of Physiology and Geography laboratories. The students cannot be kept waiting indefinitely for doing practicals.

6. The college, for the present, should not admit more than 20 students each in Physiology and Geography.

Ref. No. 27/31/Insp-96 Dated : 5. 2. 96

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report regarding continuation of honours courses in English and Political Science at P.D. Women's College, Jalpaiguri.

In response to a letter Ed-477/95 dated 28. 7. 95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the Executive Council of the University in its meeting held on 2. 8. 95 resolved to permit the college to teach honours courses in English and Political Science provisionally from the session 1995-96 subject to inspection. The decision of the Council was communicated to the college vide letter 2446/R-95(3) dated 17. 8. 95 from the office of the Registrar. Subsequently an Inspection team comprising Shri Saktidas Mukherjee, Member Undergraduate Council, Dr. Manas Chakraborty, Head, Department of Political Science, North Bengal University and Inspector of Colleges visited P.D. Women's College on 19. 12. 95 to examine the infrastructure and facilities available in the college regarding teaching of honours courses in English and Political Science. Dr. S.K. Roymoulik, Head, Department of English, NBU, could not accompany the team due to pre-occupation but the recommendations regarding teaching of honours course in English has been made in consultation with him. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

HONOURS COURSE IN ENGLISH :

(a) The College has admitted 25 students in 1st year honours this year.

(b) WORKLOAD AND TEACHERS :

Class	Theory periods per week.
XIth, section A and B	12
XIth, first language English	6
XIIth, sections A and B	12
XIIth, first language English	6
B. A. (Pass) course.	
1st year elective English	6
2nd year elective English	6
1st year additional compulsory language	3
2nd year additional compulsory language	3

Contd. ..2/-

B.A. (Honours):	
B.A. 1st year honours	12(18)*
B.A. 2nd year honours	12(18)*
Part II honours	20(30)*
	120 periods/week

* Honours classes converted into pass periods.

The weekly workload of a full fledged honours course corresponds to the need of five full time teachers whereas the college has only two full time teachers at present. The third post is lying vacant. The College Service Commission (CSC) is yet to recommend a suitable candidate for the post. Had the third post been filled, the college would have managed its existing weekly workload of 72 periods with three teachers. The help of part time teachers are being taken at present to meet the workload. In the ensuing year(96-97, the college will require a fourth hand to cope with the workload and once the part II classes commence from 1997-98 a fifth hand will become inevitable. In view of this the Inspection team recommends sanctioning of two more posts of lecturers. The fourth post may be sanctioned during the academic session 1996-97 and the fifth post may be provided during 1997-98. The College, in all, will need five posts of lecturers to manage the workload of higher secondary, degree and honours classes.

c) BOOKS :

The College has shifted its library in the newly constructed rooms on top of the Geography block. Besides reading room there is enough accommodation for stacking the books. The English literature section of the library is pretty well equipped. In addition to the existing stock of books some other books on the texts prescribed for papers IV, VI and VIII need to be purchased. Besides, the following books may also be procured to meet the requirement of honours classes.

Title	Author
1. A critical history of English literature.	David Daiches.
2. A preface to paradise lost	G. S. Lewis
3. The Reader's Companion to world literature.	Horrstein, Percy and Brown
4. Christopher Marlowe : A critical study.	J.B. Steane
5. The Concise Gambridge history of English Literature.	George sampson.
6. Shakespeare's sonnets	A. L. Rowse
7. A key to modern poetry	Lawrence Durrell
8. Monarch of wit	Leishman

Contd. ... 3/-

9. E. M. Forster : A critical linguistic approach	Surabhi Banerjee Allied publishers

A few more books on the works of T. S. Eliot and reference books on Greek Drama (Translation) and American Literature may also be purchased to further enrich the library. The Government may consider providing a book grant of Rs. 20,000/- to the college to buy more books on English literature.

HONOURS COURSE IN/: POLITICAL SCIENCE.

(a) The College has admitted 25 students in 1st year honours course during the academic session 1995-96. Political science is quite a popular subject. About 900 students are studying Political Science at B.A. (pass) level and students are divided in three sections each in both 1st and 2nd year pass course for teaching the subject. This has been done to avoid over crowding in classes and also to meet the statutory provisions of the University.

(b) WORKLOAD AND TEACHERS :

Class	Theory periods per week.
XIth, sections A and B	12
XIIth, sections A and B	12
B.A. (pass) course	
1st year B.A. (three sections)	18
2nd year B.A. (three sections)	18
B.A. (Honours)	
B.A. 1st year honours	12(18)*
B.A. 2nd year honours	12(18)*
Part II (Honours)	20(30)*
	126 periods/week.

* Honours classes converted into pass periods.

The existing workload of the college is 78 periods per week but a full fledged honours department, with existing students strength, will have a weekly workload of not less than 126 periods. The college is managing the existing workload with the help of two full time and four part time teachers.

The college has two sanctioned posts of lecturers and will need three more teachers to cope with the workload. The Inspection team is of the opinion that one post of lecturer (3rd post) should be sanctioned immediately and the 4th and 5th posts should be provided in 1996-97 and 1997-98 respectively.

BOOKS.

The college has a fair collection of books in Political Science but considering the number of students offering Political Science it is proposed that more copies of text books may be purchased both for honours and pass courses. The college library should enrich its political science section by purchasing some recent publications. Books are not adequate for papers Vth, VIth and VIIIth. Care should be taken to buy more text books covering the syllabi of these papers.

GRANTS :

The College has received the following grants during the last three years.

1992-93 :

The College has received sanction order of Rs. 3.00 lakhs from UGC to purchase books and equipments (Books Rs. 1.5 lakhs + Equipment Rs. 1.5 lakhs). The first instalment of Rs. 1.05 lakhs was received in February, 1993.

1993-94.

The college received a matching share of Rs. 25,000/- from the State Government for the development of its playground. The UGC had already provided Rs. 75,000/- for the purpose during 7th Plan.

1994-95.

The College has received a library building grant of Rs. 40,000/- from UGC. Besides, the college was given a sum of Rs. 2.00 lakhs from the development fund of local member of Parliament for construction of three class rooms and a sum of Rs. 1.25 lakhs was received from Dooars Branch of Indian Tea Association (DBITA) for extension of Geography Laboratory.

The objective behind bringing out the details of grants in this report is to highlight the administrative drive and resourcefulness of the college in mobilising funds. The college, the Inspection team believes, will be able to provide necessary infrastructure for running the honours courses in English and Political Science.

RECOMMENDATIONS :

The Inspection team recommends continuation of honours courses in English and Political Science in the college from 1995-96 academic session and expects the fulfillment of the following requirements.

1. The College will need five full time teachers to teach English upto honours level. The College has three sanctioned posts of lecturers in English. Two more will be required, one during 1996-97 and the other on commencement of Part II classes in 1997-98. The

Contd. 5/-

Government should, therefore, consider sanctioning two posts of lecturers in English during the period specified above.

2. In Political Science there are only two posts of full time teachers. The workload indicates the need of five full time teachers. The third post is needed from the current year (1995-96) whereas the 4th and 5th posts the Government may provide during the academic sessions 1996-97 and 1997-98 respectively.

3. The Government may also consider sanctioning Rs. 20,000/- each for English and Political Science Departments for purchase of books of honours standard.

4. Finally, it will facilitate the teaching of honours courses if the Government sanctions, in time, the posts of teachers as recommended in the report.

Ref. No. _____/Insp-96 Dated 5. 2. 96

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report regarding continuation of honours course in Political Science at Sukanta Mahavidyalaya, Dhupguri.

In response to a letter Ed-477/95 dated 28. 7. 95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the Executive Council of the University in its meeting held on 2. 8. 95 resolved to permit the college to teach honours course in Political Science provisionally from the session 1995-96 subject to inspection. The decision of the Council was communicated to the college vide letter 2456/R-95 dated 17. 8. 95 from the office of the Registrar. Subsequently an Inspection team comprising Shri Saktidas Mukherjee, Member, Undergraduate Council, Dr. Manas Chakraborty, Head, Department of Political Science, North Bengal University and Inspector of Colleges visited Sukanta Mahavidyalaya on 19. 12. 95 to examine the infrastructure and facilities available in the college regarding teaching of honours course in Political Science. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

1. Enrolment :

The following is the enrolment figure in first year honours in Political Science during the current academic session (1995-96).

Class	Boys	Girls	Total
1. 1st year honours	18	7	25

2. Workload and Teachers :

Class	Theory periods per week.
B.A. (pass)	
1st year	6
2nd year	6
Part I (Honours)	
1st year honours	12(18)*
2nd year honours	12(18)*
Part II (Honours)	20(30)*
	78 periods per week

* Honours classes converted into pass periods.

Contd. ... 2/-

The weekly workload of a full fledged honours course corresponds to the need of more than three full time teachers. There is a residual workload of six periods. However, considering the diversity of the subject and the need to teach five papers in Part II (Honours) which includes History of Western Political thought, International relations, Public administration, Political Sociology and elements of social research it is proposed that the Government should consider sanctioning two more posts of lecturers. One post may be provided in 1996-97 and the other on commencement of Part II Classes in 1997-98. The college while sending requisition for the posts of teachers to CSC should ensure that the area of specialization of the new lecturers are different than those of the existing teachers. Four teachers are considered essential for comprehensive and meaningful teaching of various branches of the subject at honours level and the Inspection team earnestly hopes that the Government will consider the recommendation favourably.

BOOKS :

The College library has a fairly good collection of books in Political Science. There are 259 titles in the subject of which 84 are in Bengali and 175 are in English. Considering the number of copies of each title the total number of books in Political Science are 555. However, more text books are needed to cover the syllabi of Part II honours. Books are particularly needed in relation to the topics of paper IIIrd, Vth and VIIIth. Some books on Research Methodology need to be purchased. The Inspection team suggests that the Government may consider sanctioning a book grant of Rs. 20,000 to the college for purchasing books of honours standard.

GRANTS :

The college has received UGC grants for construction of three class rooms. One room will be utilised for housing a computer for which the order has already been placed.

The College has received a sum of Rs. 2.00 Lakhs from the development fund of local member of Parliament for construction of science laboratories.

The college has received a grant of Rs. 52.500/- towards subscription of Journals and purchase of books from UGC during the 8th plan period. The amount has been fully utilised.

The College is making a steady progress in raising its infrastructure and the Inspection team is of the opinion that the college will be able to run the honours course smoothly provided additional posts of teachers are sanctioned by the Government.

Contd. ... 3/-

RECOMMENDATIONS :

The Inspection team recommends continuation of honours course in Political Science in the college and expects the fulfillment of the following requirements.

1. The Government should consider sanctioning of two more posts of lecturers in Political Science. One in the year 1996-97 and the other during the subsequent year.

2. The Government may also consider giving a grant of Rs. 20,000/- for purchasing honours level books in Political Science.

8(b) To report that Dr. S.K.Sen, Ex-Professor, Department of Philosophy, North Bengal University has kindly donated some books (list enclosed).

Resolution - Noted -

While noting and appreciating the above donations it was pointed out by Dr. R.S.Mukhopadhyay that Shri Mahadeb P.Basu had donated the following books to the Vice-Chancellor on March 27, 1993 but the same had not been mentioned in the proceedings.

Name of the books :-

1. An anthropological study of bodily height of Indian population, 1990 (1 copy)
2. All India Anthropometric survey north zone. Vol.2, Bihar, 1988 (1 copy)
3. All India Anthropometric survey, North zone Vol.7 (1 copy)

Vice-Chancellor advised the Librarian to trace the books and to send a letter of acknowledgement to Sri Basu with a copy to Head of /the Department, /Sociology and Social Anthropology, and to report in the next meeting of the Library Committee.

Misc. items

(a) The members felt that there should be sufficient stack and bay guides with a view to helping the members to locate the books with greater convenience.

(b) The members complained that both electric lights & fans were inadequate. Resolved that improvement programmes in respect of these be taken up to the possible extent.

(c) Resolved that a report be placed in the meeting of the Library Committee with regard to the actions already taken in respect of installing E-MAIL.

(d) The members noted that the budget provision for 'contingency' in the revised estimate for 1995-96 had been exhausted. It was resolved that diversion to the extent of a sum of Rs. 10,000/- only should be made from the budget head 'Binding' R.E. for 1995-96. This resolution is confirmed for immediate action.

As there was no other item to discuss the meeting terminated with a vote of thanks to and from the chair.

12. Professor G. Pal, " " " "
13. Dr. A.D. Thakur, " " " "

Dr. S.P. Banerjee, Vice-Principal, North Bengal Medical College and the Deputy Controller of Examinations attended the meeting on invitation.

Item No. 1. To report the minutes of the meeting of the Council dated 8.2.1996.

Decision : The minutes were reported.

Item No. 2. To consider recommendations of the meeting of the Board of Under-Graduate Studies in Medicine & Dentistry dated 20.2.1996. (Annexed)

(i) The Council resolved that the Panel under agenda I as recommended by the Board of Studies be approved.

(ii) The question of benefit of fractional marks as recommended by the Board of Studies under agenda 2 was discussed. The Council resolved as under :

Since there are three semester examinations hold prior to each Professional examination, at the end of third semester examination, marks obtained in all the three semester examinations will be added and percentage of marks obtained out of total internal assessment marks allotted will be calculated. While thus calculating the percentage of sumtotal of

Contd. 2/-

fractional marks obtained will also be calculated and at the end while showing the final result any marks after " . " (decimal) will be treated as " one ".

(iii) While noting the Miscellaneous item Dr. Utpal Sengupta pointed out that his name was excluded from the list of internal examiners in Medicine which was recommended by the Board of Studies and approved by the Under-Graduate Council on 8. 2. 1996.

After hearing the matter from the Principal and the Head, Department of Medicine the Council suggested that while preparing panel of names of examiners in future the question of giving assignment to Dr. Sengupta should be given due consideration without violating the M.C.I. guidelines.

(Confirmed for immediate action)

Item No. 3. To consider recommendations of the meeting of the Board of Under-Graduate Studies in Medicine & Dentistry dated 22. 3. 1996. (Annexed)

(i) In view of the General Elections the Board of Under-Graduate Studies in Medicine & Dentistry reviewed the dates of commencement of 1st Prof. M.B.B.S., 2nd Prof. Supply & Final M.B.B.S. examinations.

Decision : The Council resolved that the revised dates as recommended by the Board of Studies be approved.

(ii) With regard to revising the rates of examination remuneration etc. the Council resolved that the recommendations be referred to the Executive Council for consideration.

(iii) Recommendations regarding distribution of marks in each subject of all Professional examinations as per M.C.I. rules (deffered on 20. 2. 1996, agenda - 3) were placed. The Council resolved that the same be approved.

(Confirmed for immediate action)

Contd. .. 3/-

Miscellaneous items

Misc. 1. In a letter the Principal, North Bengal Medical College wanted opinion of the Controller of Examinations whether a special examination could be arranged for one Sri Sabitabrata Basu, a student of 1st Prof. M.B.B.S. Class who did not appear at his second term (Semester) of 1st Prof. M.B.B.S. examination in Anatomy held on 19. 9. 1995 on account of illness.

Decision : The Council expressed regret since regulations did not permit holding of such examinations.

(Confirmed for immediate action)

Misc. 2. The General Secretary, North Bengal Dental College Students' Union in a letter addressed to the Vice-Chancellor drew attention to the fact that three students failed to secure pass marks in Final Prof. B.D.S. examination in the current session. He pointed out that students of M.B.B.S. course get a grace of 5 marks as per M.C.I. rules if they fail only in one subject and prayed that the same facility be extended to B.D.S. students.

Decision : The Council resolved that attention of the D.C.I. be drawn to this fact and at the same time the Council expressed its inability to do anything unless and until such provisions are made by the D.C.I.

(Confirmed for immediate action)

Misc. 3 A prayer from ten students who failed in the 2nd Prof. M.B.B.S. Examination, 1995 was placed. They requested that their cases be considered sympathetically on humanitarian ground by reviewing or any other suitable means.

(i) On scrutiny it has been found that all of them had failed in more than one subjects. But as per M.C.I. rules "grace marks upto a maximum of 5 may be awarded at the discretion of the University for a student who has failed only in one subject but has passed in all other subjects."

(ii) It was also noted that under the existing Ordinances there is no provision for review of results of Professional examinations.

(iii) The students in the said prayer referred to some considerations made on humaniterian ground in relation to Physiology examination last year.

Contd. ..

It was pointed out that the Board of Studies on 17. 7. 1995 decided to refer to the Vice-Chancellor the prayer of students who had failed in 1st Professional M.B.B.S. Physiology examination for consideration on humaniterian ground.

The recommendations of the Board of Studies were simply approved by the Under-Graduate Council on 23. 8. 1995.

Whether the cases were placed before the Vice-Chancellor, who placed the same before him and what action the Vice - Chancellor had taken were never reported to the Under-Graduate Council.

However the Principal was requested to submit relevant supporting papers in respect of (iii) above.

Misc. 84 On the basis of a note from the Registrar the Council decided to nominate Dr. Jyoti Bikash Saha, Associate Professor, Department of Community Medicine as member to the Publication Committee for a period of two years under Rules 5(c) relating to constitution of Publication Committee.

(Confirmed for immediate action)

Misc. 85 Sri Subhendu Dhara, a student of Final year M.B.B.S. appeared in Re-supplementary examination for failing in Pathology and Microbiology. He did not fail in Microbiology but his combined aggregate in Pathology and Microbiology was less than the pass mark.

From 1995, rules were changed. Now the students have to pass the subjects separately.

This year, in re-supplementary examination he has failed in Pathology though his total marks in Pathology and Microbiology were more than the pass mark.

The Council resolved that if it was found that the student took his other examinations under the old regulations then his re-supplementary examinations should also be guided by the old Regulations and his results should be decided and published accordingly.

(Confirmed for immediate action)

There being no other business, the meeting ended with a vote of thanks to the Chair.

University of North Bengal Annexure-

Ordinances Relating to Doctor of Philosophy in Medicine

1.(1) These Ordinances may be called the Ordinances relating to Doctor of Philosophy in Medicine (Ph.D.).

(2) They shall come into force at once.

2. Unless the context otherwise requires, the 'words' and 'expressions' in these Ordinances shall have the same meaning as they have in the North Bengal University Act, 1981 (West Ben. Act XXV of 1981).

3.(a) A candidate holding a M.D./M.R.C.P., M.S./F.R.C.S., D.N.B. or equivalent degree awarded by an Institution recognised by the University of North Bengal may apply to the Registrar for the degree of Ph.D. in the subject concerned in basic and clinical medical sciences.

(b) A candidate holding a M.B.B.S. degree in any subject in basic medical sciences may apply to the Registrar for the degree of Ph.D. All such applications shall be considered by the Board of Research Studies in Medicine subject to recommendation of the Faculty Council for Postgraduate Studies in Medicine.

4. The applicant shall state in his application for registration his qualification and indicate the subject which he proposes to investigate in Form "A" (Ph.D.) indicating the relevant matter to be included in the synopsis to be submitted by the candidate. The application must be supported by a certificate in Form "B" (Ph.D.) from a teacher recognised by the University for the purpose, under whose guidance he intends to carry out the work. The Executive Council may exempt a candidate working independently from production of the certificate. The supervisor should not have less than ten years teaching and/or research experience after obtaining the Postgraduate degree in an Institution/Department recognised and approved by the University for Doctoral level of research.

5. Every application shall be placed before the Board of Research Studies in Medicine consisting of the Vice-Chancellor, Principal, North Bengal Medical College, Dean of the Faculty Council for Postgraduate Studies in Medicine, Head of the concerned Department, Supervisor, if any, and one expert in the subject concerned to be approved by the Executive Council out of a panel of names to be submitted by the Supervisor, if any, through the Head of the Department or by the Head of the concerned Department in case of independent research.

The Executive Council may approve the registration for Ph.D. degree after considering the recommendation of the Board.

6. On his application being granted by the Executive Council, the applicant shall be required to work for at least two years (four years after completing house surgeon training for candidates holding a M.B.B.S. degree) in an Institution/Department which has been approved by the University as fit for Doctoral level of research.

7. (a) The candidate for the Ph.D. Degree shall submit 4 (four) typed or printed copies of his thesis embodying the results of research and affording evidence of originality shown by him by the discovery of new facts or by critical survey of facts or relations between facts discovered by others.

(b) The candidate must produce along with the thesis a certificate from the supervisor under whom he has worked, stating that he has fulfilled the requirements of the regulations relating to the nature and the prescribed period of research work.

(c) The Executive Council may, after considering the recommendations of the Board of Research Studies, permit a candidate for the Ph.D. degree to submit his thesis. The candidate shall for this purpose, submit an application to the Registrar which shall not be entertained unless two doctorates in any Faculty or two members of the Faculty Council for Postgraduate Studies concerned of the University have testified to the satisfaction of the Executive Council that in habits and character the candidate is fit and proper person for the Ph.D. degree.

8. The candidate for Ph.D. degree shall submit his thesis within a term of five years from the date of his registration. If no thesis is submitted within the said term fresh registration will be necessary. A candidate may be given the chance of fresh registration only for another five years after paying the usual fees.

9. The Executive Council may, on the recommendation of the Board of Research Studies, permit a candidate who is a teacher of the University and/or of any college affiliated to the University and who has done substantial research work previously, to submit his thesis before the expiry of two years after registration, subject to a minimum of six months. Such applications shall not be entertained unless two persons with Doctorate Degree in any subject of a Faculty or two members of the Faculty Council for Postgraduate Studies concerned of the University have testified to the satisfaction of the Executive Council that in habits and character the candidate is a fit and proper person for Ph.D. Degree.

10. In the cases of late registration, the supervisor may represent to the Vice-Chancellor to permit a candidate to submit his thesis clearly certifying that the candidate has worked for at least two years under his supervision/and the thesis is ready for submission. The Vice-Chancellor may issue necessary orders in such cases.

11. The candidate may also submit in support of his thesis the contents of any work he may have previously published but shall not submit as his thesis any work for which a degree has been conferred on him by this or any other University. He will not be precluded from incorporation of any such work in a thesis covering a wider field, provided he indicates in a written statement the work so incorporated.

12. Every candidate shall forward with his thesis a fee of Rs. 500/- or any amount as may be determined by the Executive Council from time to time. No candidate who fails to pass or present himself for examination shall be entitled to claim a refund of his fee.

13. (a) After considering the recommendation of the Board of Research Studies the Executive Council shall refer the thesis to a Board of three examiners including the supervisor, if any, under whom the candidate has worked.

A panel of six names will be submitted by the Supervisor in the respective subjects from which the Board of Research Studies may select the Board of Examiners. The Board of Research Studies may also select names from outside the panel.

(b) An examiner shall state in his report -

i) whether the degree should be awarded to the candidate;

ii) whether the thesis is fit for publication by the candidate in its original form or in modified form;

iii) whether the thesis is of such outstanding merit that the University would be justified in publishing it at its own cost;

iv) whether the thesis should be rejected, specifying the reasons thereof;

v) whether the candidate should be allowed to resubmit the thesis after revision, specifying the reasons :

Provided that in the case of clause (v), the thesis may be re-submitted not earlier than six months from the date of the decision of the Executive Council on payment of Rs. 500/- or any amount as may be determined by the Executive Council from time to time.

14. After the thesis has been approved unanimously by the Board of Examiners, the candidate shall be asked to appear at an oral examination in respect of the subject of his thesis to be held normally by two examiners of his thesis including his supervisor, if any.

    The examiners may also ask questions beyond the subject of the thesis in order to satisfy themselves that the candidate has adequate knowledge of the particular branch of Medicine on which he has submitted his thesis.

15. (a)(i) In a case where the majority of the examiners recommend award of degree, whereas a minority suggests some revision or rejects the thesis specifying reasons thereof, the reports of all the examiners along with the clarification submitted by the candidate (report being made available to the candidate without disclosing the identify of the examiners) shall be sent to all the examiners for fresh opinion.

    If the examiners still differ in their opinion, the matter shall be referred to the Board of Research Studies. The thesis may be sent to a fourth examiner if the Board of Research Studies so decides. Evaluation by the fourth examiner shall be final.

    (ii) If a thesis is rejected or a revision is suggested without assigning any reason, the examiners concerned will be requested to state the reasons for rejection or of revision. If the reasons for rejection are not available, preferably within three months, in spite of reminder, the matter will be referred to the Board of Research Studies for reference to the fourth examiner.

    (iii) In a case where the majority of the examiners recommend revision of the thesis, the candidate shall be required to re-submit the thesis after revision on the line suggested by the examiners.

16. If the examiners are satisfied with the oral examination, they shall submit a report to the Executive Council approving the work of the candidate.

    If the candidate fail to satisfy the examiners at the examination, the Executive Council may on the recommendation of the examiners, permit him to appear again at the oral examination after one month but within a period not exceeding six months following the date of his failure on payment of an additional fee Rs. 100/- or such other amount as may be determined by the Executive Council.

17. If the Executive Council, after considering the report of examiners is satisfied that the candidate is worthy of the degree of Ph.D., it shall cause his name to be published with the title of the subject of his thesis.

18. A Diploma under the seal of the University and signed by the Vice-Chancellor will be given to each successful candidate at the next Convocation held for conferring degree.

19. The last date for submission of application for registration of name and subject and also for submission of fees and thesis each year will be, subject to any modification by the Executive Council from time to time, the 31st May, the 31st August, the 30th November, and the 28th February.

20. The Ph.D. registration fee will be Rs. 200/- or such other amount as may be determined by the Executive Council from time to time.

21. The accepted thesis in its original form will be the property of the University but the copy right will be the property of the author. The Executive Council may exercise its rights to walve the same and such negotiation will be either with the researcher or with anybody else with his consent. The terms and conditions of such walves will be settled separately in each case.

Minutes of the meeting of the Academic and Planning Board held on 26.4.96 in the office of the Vice-Chancellor.

Members present :

1. Prof. R.G. Mukherjee, Vice-Chancellor (in the Chair)
2. B. Bhattacharyya
3. P.N. Basak
4. S.L. Dutta
5. S.P. Pal (Invitee)
6. T.K. Chatterjee

Minutes of the last meeting held on 9.1.95 were noted. The construction projects mentioned in para-1 of the minutes and which have been completed were reported.

The following recommendations were made :

1. As per UGC approval of the Plan & Estimates for the Womens' Hostel (8th plan), Rs. 10.00 lakh be allocated instead of Rs. 12.00 lakh. The balance of Rs. 2.00 lakh be treated as a reserve fund and be allocated to other construction projects depending on need.

2. The following construction projects be taken up on a priority basis :

a) Nepali Department building - total amount including State Govt. share Rs. 12.60 lakh (UGC share 9.50 lakh being 75%). The earlier decision to allocate Rs. 6.60 lakh for construction of the Law College building be rescinded.

b) Computer Science building - total amount including State Govt. share Rs. 4.00 lakh (UGC share 3.00 lakh).

c) Womens' Hostel (8th Plan) - balance work out of Rs. 7.50 lakh.

3. Law College building will be taken up in the 9th plan and sufficient fund will be allocated for this purpose so that the building becomes useful to the N.B.U. Law College.

4. Estimates be prepared for construction of the Mens' Hostel (8th plan) with a total allocation of Rs. 18.00 lakh (UGC share Rs. 13.50 lakh). After vetting by the PWD andUGC approval, the work be taken up.

5. The UGC be requested to release the balance amount for construction of the Womens' Hostel in the 8th plan.

6. It was reported that an additional amount Rs. 1.00 lakh would be required to complete the construction of Visiting Faculty Complex (7th plan) being escaled cost. This amount may be released from the maintenance grant of the University. The Vice-Chancellor was requested to approve the additional requirement pending approval of the Executive Council. It should also be explored whether this amount can be secured from the UGC.

7. The building committee be requested to consider repair of the building roof of the Centre for Himalayan Studies and the balance work of the Gymnasium.

8. It was reported that the total fund required for construction of the boundary wall will exceed Rs. 16,69,945.00 the amount sanctioned by the State Govt. A proposal is to be prepared for securing the additional fund from the State Government.

9. The UGC be requested for release of the second instalment of of grants for Books and for equipments (8th plan).

10. It was reported that the Plan and Estimate for construction of the A.K.M. Musium building have been sent to the UGC. Rs. 1.25 lakh is expected soon from the State Govt. as its share.

11. Construction of the Auditorium has been taken up with Rs. 17.00 lakh, the total sanction being Rs. 36.16 lakh of which UGC share is limited to Rs. 5.19 lakh.

12. It was noted that funds due from the State Govt. being its matching share for several construction projects in the 7th plan have not been released. A number of queries were received and these were replied to. A consolidated position regarding the flow of funds from the State Govt. including the difficulties, if any, should be prepared.

13. Proposals for construction of Seminar Hall on the 2nd floor of the Physics Department and on the 1st floor of the Mathematics Department were considered. The University Engineer was requested to prepare the estimates for the said construction for further consideration.

14. The partly constructed building opposite Gate No.2 (Law college building) be allotted for the Tea Management Course for the time being so that the building is not left unused.

The meeting ended with a vote of thanks to the Chair.

RULES RELATING TO CONSTITUTION OF COMMITTEES FOR MANAGING THE MESS AND ORGANISING RECREATIONAL ACTIVITIES IN THE BOYS' HOSTELS OF THE UNIVERSITY

1. There will be a Mess Committee and a Recreation Committee in each hall of residence for the boys.

2. Mess Committee : Composition and Functions :

(a) The management of the mess through a mess committee will be the concern of the boarders themselves subject to the general supervision and guidance of the Superintendent.

(b) The composition of the Mess Committee of a hostel will be as follows :

i) Hostel Superintendent - Ex-Officio President.

ii) Members to be elected in the following manner :

One member to be elected from each floor of each block of the hostel building.

(c) The Secretary of the Mess Committee will be elected by the members from amongst themselves.

(d) A new Mess Committee will be formed every session. A student will cease to be a member of the Mess Committee once he ceases to be a boarder.

3. The Mess Committee will appoint three mess managers every month. The managers will be selected from amongst the boarders by inviting applications and, if necessary, the members of the Mess Committee willalso function as managers. The job of the mess managers will not be ordinarily entrusted to any individual for more than a month in succession.

4. Every boarder will have to pay mess advance, to be fixed by the mess committee, by the 15th day of each month. The Secretary of the Mess Committee will present the receipt and expenditure statement relating to previous month by 5th of every month before the Mess Committee for approval. On the basis of this account the mess bill of the previous month will be notified to the boarders and the boarders will clear the dues, if any, with the mess advance of subsequent month. The monthly record of accounts will be kept under the custody of the Superintendent.

5. The boarders will have to pay a fine of Re. 1/- per day if mess dues are not paid within the 15th day of every month. The Superintendent may, however, waive such fines, partly or in full, of any boarder, for valid reasons.

contd.....2/-

6. The Mess Committee will be responsible for the quality of food served to the boarders and will assist the mess managers in proper running of the mess.

7. In case of any mismanagement by the Mess Committee, the Superintendent may dissolve the existing Mess Committee and call for fresh election. The Superintendent will make interim arrangements to run the mess in case of dissolution of the Mess Committee or if elections for the Mess Committee are not held for some reason.

8. RECREATION COMMITTEE : COMPOSITION AND FUNCTIONS :

(a) The composition of the Recreation Committee will be similar to that of the Mess Committee. The committee will consist of hostel Superintendent, who will be the ex-officio President and elected members, not more than one from each floor of each block. The Secretary of the Recreation Committee will be elected by the members from amongst themselves.

(b) A new Recreation Committee will be formed every session. A student will cease to function as member of the Recreation Committee once he ceases to be a boarder.

(c) The Recreation Committee of each hall of residence will organise/undertake the following activities :

Only those boarders will be eligible to vote who would clear the mess dues till the last day of the previous month. The boarders will cast their vote in favour of as many candidates as there will be number of posts of members on the committee.

10. The Superintendents of the hostels will first notify to the boarders to clear their mess dues for the previous month within a specified date. The Superintendents will then publish the provisional list of eligible voters on the notice board. Boarders will be given two days time to submit claims and objections, if any, in the voters' list. After considering the claims and objections the Superintendents will publish the final list of voters. The Superintendents will issue the election notification atleast 15 days before the date of election duly mentioning the following details.

-)

Contd....3/

i) Last date of submission of nomination form
ii) Date of scrutiny,
iii) Date of withdrawl,
iv) Date of election.

11. A boarder will be allowed to submit nomination for only one committee. A boarder will be permitted to propose or second not more than two nomination papers, one for each committee. All nomination papers should bear the names and signatures of the candidate, proposer and seconder whereas withdrawl of nomination will be under the signature of the candidate.

12. The Superintendents of the hostels will convene a meeting of the elected members of the Mess and Recreation Committees within three days from the date of election of the members to elect the Secretaries of the respective committees.

13. The canvassing for election will be stopped forty eight hours before the election.

14. That in case of a tie, the toss of coin will decide the result of that election.

15. In case of any dispute, the decision of the Superintendent will be final and binding on all boarders.

However, no force was applied.

Misc.7 A report of the Officer-in-Charge, Watch & Ward, regarding the demand of the students for vehicles for treatment at the NBMC and the difficulties for allotment of such vehicles on some occasions and also the misbehaviour of the students in the event of inability to allot the vehicles was considered. It was resolved that endorsement from any of the following persons would be necessary for allotment of free trips by students to the NBMC :

i) The Medical Officer
ii) Any Supdts. of Boys & Girls Hostel

Unless the said endorsements were furnished in the requisition, no vehicle will be allowed to the students/boarders.

Misc.8 Some problems of the Management of the Health Centre resulting in several complaints were discussed. The Vice-Chancellor was requested to constitute a sub-committee to examine the present state of affairs in the University Health Centre and suggest measures for improvement.

Misc.9 Sri T.K. Bose raised the need for encashment of leave salary for teachers of affiliated colleges. The Vice-Chancellor informed that the State Govt. was formulating uniform leave rules for teachers of all affiliated colleges in the State.

Regarding Item No.23

On 11.7.96 the meeting is shocked to learn that the ex-students concerned have refused to obey even the Executive Council's decision. Finding that their defiance has crossed all limits, the meeting strongly condemns this attitude of the ex-students concerned and recommends that appropriate disciplinary measures be taken in the matter, including the following :

i) The office room of the NBUSA be sealed in presence of police.

ii) A circular notifying that the ex-office bearers or ex-students were not eligible in any way to participate in the election affairs of the NBUSA be issued to the P.G. students of the University.

iii) A legal opinion regarding liabilities of the ex-office bearers in the event of their refusal to handover charge be obtained.

The Council also condemned the misbehaviour of one of the ex-office bearers with the Vice-Chancellor in his office.

12. Sri N.C. Paul, Principal, Sukanta Mahavidyalaya
13. Sri S.D. Mukherjee, A.C. College
14. Sri N. Bhattacharyya, Principal, University B.T. & Evening College

The Deputy Controller of Examinations attended the meeting on invitation.

At the outset the Council condoled the demise of the former Vice-Chancellor Professor K.N. Chatterjee. The members observed one minute's silence to show respect to his memory.

The Council expressed joy on Dr. Srikumar Mukerjee's (one of members) winning at the last Assembly election and becoming a member of the Council of Ministers and resolved that the greetings and felicitations of the House be conveyed to the member. The Vice-Chancellor introduced Sri Utpal Bhattacharyya who has joined the post of Deputy Controller of Examinations.

Item No. 1. To report minutes of the 63rd meeting of the Council dated 25. 3. 1996.

Decision : The minutes were reported and confirmed with the following additions and alteration :

(i) The decision under item no. 3 be replaced with the following :

(a) With regard to (i) & (ii) the Council considered the reports and recommended that the courses be allowed to continue subject to fulfilment of conditions laid down in the inspection reports.

Contd. 2/-

(b) Regarding (iii) the Council recommended that the college be allowed to teach Physiology and Geography initially till 1997-98 academic session. The decision of further extension of affiliation would be reviewed after examining the infrastructure raised by the college and assistance provided by the Government.

(ii) The word asked used in the second line of the decision under item Misc. 1 be replaced with "requested".

Matters arising

(i) In terms of item "Matters arising (i) dated 25. 3. 96 it was reported that information received from colleges regarding admission to honours courses were examined by a scrutiny committee set up by the Vice-Chancellor and observation of the said Committee was placed. It was also reported that the D.P.I. and the Governing Body were informed about the colleges who did not comply with the request.

(ii) The Working Committee, B.L.I.S. as constituted by the Council under item no. 7, in its meeting dated 20. 6. 1996 recommended the following changes in its composition :

(a) that a teacher member be included in the w Working Committee;

(b) that the Head of the Department B.L.I.S. be the Convener instead of Librarian.

The Council resolved that the second recommendation be approved and that decision on the first recommendation be deferred.

(iii) With regard to syllabus in Elective Sericulture vide item no. 9, it was reported that a Workshop was arranged, syllabus was finalised and action was taken as advised by the Vice-Chancellor.

(iv) With regard to syllabus in Elective Anthropology vide item no 10, it was reported that the Chairman Board of Studies met the Vice-Chancellor, did the needful and then action was taken as per advice of the Vice-Chancellor.

(v) Regarding four Part II Honours candidates of Alipurduar College vide item Misc. 1 the Council was informed that the Principal met the Vice-Chancellor and from his statement it was clear that the students under reference were not eligible to take the examination since their names were not included

Contd. ... 3/-

in the D.R. and that Admit Cards were not issued to them. It was also learnt that they did not take admission in time and that they did not attend the classes.

Considering everything the Council resolved that their examinations be declared as cancelled.

(vi) Regarding irregular admission to honours courses at Malda Women's college vide item no. Misc. 5 it was reported that a reply from the Principal was received. In the opinion of the Vice-Chancellor the Principal's reply was not satisfactory considering the seriousness of the lapses and as per his order the President, Governing Body of the College was requested to take-up the matter in a meeting of the Governing Body and let the University know what measures were taken to prevent recurrence of such lapses in future.

Item No. 2.

(i) To consider inspection report on continuation of B.A. Pass course at Kalipada Ghosh Terai Mahavidyalaya, Baddogra.

Decision : The Council considered the report and resolved to recommend that the college be allowed to continue B.A. Pass course initially till 1997-98 academic session. The question regarding further extension of affiliation would be reviewed after examining the infrastructure raised by the college and assistance provided by the Government.

(ii) To consider inspection report on continuation of B. Sc. Pass course at Islampur College.

Decision : The Council considered the report and resolved to recommend that the college be allowed to continue B. Sc. Pass course initially till 1997-98 academic session. The issue of further extension of affiliation would be reviewed after examining the infrastructure raised by the college and assistance provided by the Government.

(iii) To consider an inspection report on extension of affiliation to Raiganj B. Ed. College.

At this stage the Council resolved further that henceforth while recommending any type of extension of affiliation subject to certain conditions, the College would be asked to send a compliance report within six months.

(Confirmed for immediate action)

Item No. 3. To consider problems relating to Jalpaiguri Law College.

The College has been functioning since 1981 but till now the college does not have Principal and full time teachers. The non-teaching staff are also not regularised. The University on the basis of inspection report had conveyed to the Government and the college authorities that if full time teaching and non-teaching staff are not appointed the college will not be allowed to admit students in Preliminary Law from 1995-96 academic session. Again after considering various aspects the

Contd. ..5/-

University once again decided to allow admission in Preliminary Law during 1995-96 but at the same time made it clear that it will not be possible to extend affiliation indefinitely if full time teaching and non-teaching staff are not appointed.

In the meanwhile, the Bar Council of India in a circular dated 7. 3. 1996 has conveyed to the Universities and Law colleges that if the existing colleges do not appoint Principal and at least four full time teachers by July, 1996 they may face the prospects of being disapproved by the Council.

Drawing the attention of the Government to the Circular issued by the B.C.I., it has been requested once again to expedite the sanction of the posts of teaching and non-teaching staff. The College authorities were also requested to postpone admission to Preliminary Law till the matter is settled.

The Vice-Chancellor also reported to the Council the initiative he had taken in this regard.

It was pointed out that the students of the college also submitted a representation to the Vice-Chancellor and they alleged that the college authorities had stopped admission even to Intermediate and Final Law.

Decision : The Council after a thorough discussion resolved as under :

(i) In view of problems faced at the transitional period the Bar Council of India be requested to defer implementation of the Circular for a year;

(ii) the college authorities be told that the Council found no reason to stop admission to Intermediate and Final Law;

The appointment of teachers be taken-up with the Government.

Admission to Preliminary Law be considered after receiving the response of the B.C.I.

Contd. 6/-

The Governing Body of the College be requested to take steps to overcome the impasse.

(iii) The members of the Governing Body be requested to meet the Vice-Chancellor to find out ways to solve the crisis.

At this stage a letter received from the Principal, Sikkim Government Law College was placed. The Principal requested for holding the LL.B. Preliminary, Inter and Final examinations before Puja vacation.

The Council after considering all the aspects resolved that attempts be made to hold the above examinations during second half of November.

(Confirmed for immediate action)

Item No. 4. To report a letter received from Joint Director, Department of Education, Government of Sikkim.

The Vice-Chancellor in a letter dated 13.12.1995 addressed to the Minister of Education, Government of Sikkim communicated the desire of the University that following the guideline of the Bar Council of India necessary steps be taken for the introduction of five year LL.B. instead of present three year course.

The Joint Director informed that they had complied with the advice and introduced five-year LL.B. Course from 1996-97 academic session.

Decision : The Council noted the matter with thanks.

(Confirmed for immediate action)

Item No. 5. To consider minutes of the 6th meeting of the Academic Advisory Committee of B.L.I.S. held on 31. 5. 1996 along with the panel of names of Paper-setters, Moderators, Examiners etc. for the B.L.I.S. examination, 1996.

Decision : The Council resolved that the minutes and the Panel be approved.

(Confirmed for immediate action)

Contd. 7/-

Item No.6. To consider a letter from the Deputy Secretary (Academic) West Bengal Council for Higher Secondary Education regarding eligibility of Higher Secondary (Vocational) passed students to seek admission to the Honours Course in Accountancy.

Decision : The Council examined the matter thoroughly and resolved that the students who have done the "Trade and commerce" course in the Vocational Stream at the Higher Secondary level be permitted to offer Accountancy as the Honours subject in any college affiliated to North Bengal University.

The Council resolved further that this decision of the Council be communicated to the West Bengal Council of Higher Secondary Education and the Executive Council be requested to take necessary steps to change the relevant Ordinance (32f) to incorporate this decision.

(Confirmed for immediate action)

Item No. 7. To consider a prayer from one Sm. Romy Sarkar. Sm. Sarker as stated in the letter appeared in the B. Sc. Part I examination with honours in Zoology from Raiganj College in 1995 but could not come out successfully. She prayed for review, the result of which was published so late that meanwhile she had decided to appear in the pass course in 1996 and accordingly she filled in examination form and admit card was also issued but then she changed her mind and did not appear in the examination in 1996. Now she prayed that a chance be granted to her to appear in the B. Sc. honours examination in the coming year.

Decision : The Council resolved that she be allowed to appear in the B. Sc. Part I honours examination next year.

(Confirmed for immediate action)

Contd.....8/-

Item No. 8. To consider a letter from the Teacher-in-Charge, Gour Mahavidyalaya.

The University in 1994-95 had conveyed to the College not to admit more than 25 students in honours course. Now the Teacher-in-Charge wanted to know, how many students they could accommodate in the Special Honours course.

Decision: The Council resolved that the College be advised that the total number of students under no circumstances should exceed 25 as stipulated by the University. For any reason if seat/seats feal vacant then such vacancy could be filled up with Special Honours students.

(Confirmed for immediate action)

Item No. 9. To consider a letter from the Principal, Loyola College of Education, Sikkim regarding results of 1994-95 batch of their students.

The Vice-Chancellor explained the developments. The Council took strong exception to the tone and content of the letter and demanded that the letter be withdrawn with regret.

(Confirmed for immediate action)

Item No. 10. To consider a letter from the Principal, Loyola College of Education intending to raise the number of seats.

Decision : The Council resolved that the matter be considered letter on.

Item No. ii. To consider a letter received from the Teacher-in-Charge, Samsi College in reply to action vide meeting of the Under-Graduate Council dated 18. 1. 1996.(item Misc. 6.)

Decision: The Council resolved that the letter of the Teacher-in-Charge be strongly condemned and the Governing Body of the college be requested to take appropriate step.

(Confirmed for immediate action)

Contd.....9/-

Miscellaneous Items.

Misc. 1. Placed a circular received from the U.G.C. recommending abolition of 2 year B.A./B.Sc./B.Com. pass course and appearing in the University examinations as private candidates with immediate effect.

Decision : The Vice-Chancellor explained the matter and the members wanted that the matter be deferred till next meeting so as to enable them to come prepared and take part in the deliberations effectively.

The Chairman agreed.

Misc. 2. The Council considered the question of dates of admission to Under-graduate Pass & Honours Courses in the 1996-97 academic session and resolved to recommend as under:

Decision : Last date of admission will be one month from the date of publication of H.S.Results and then another 3 weeks with a late fee.

Last date for commencement of classes would be one month after the publication of Higher Secondary results.

(Confirmed for immediate action)

Misc. 3. The Deputy Controller of Examinations submitted a note and pointed out that in the absence of specific rules/regulations in this regard there is no uniformity relating to composition of Boards of Examiners for conducting the practical examinations in laboratory based subjects.

Decision : The Council resolved that the matter be referred to Boards of Studies in lab based subjects for doing the needful.

(Confirmed for immediate action)

contd.....10/-

Misc. 4. To ensure credibility of the system and confidentiality of the examination process the Deputy Controller of Examinations suggested that the following guidelines be issued to the members of the Moderation Boards :

" The members of the Boards of Moderators are requested kindly to take all possible care in so far as clarity of question, distribution of marks against each question, proper maintenance of the seriality of questions are concerned along with other relevant details while preparing question papers. Kind attention of the members is drawn to the fact that sealed envelops containing question paper in prescribed proforma will not be opened at the Controller's office as this is not desirable. Sealed envelops will be sent directly to the confidential press after making necessary entries at this end. Manuscripts will be preserved carefully at this end when press jobs are done. Looking ahead for your sincere cooperation".

Decision : The Council endorsed the suggestion.

(Confirmed for immediate action)

Ref. No. 76/51 /Insp-96 Dated : 23 March 1996.

NOTE TO THE VICE-CHANCELLOR.

Subject : Inspection report regarding continuation of B.A. (Pass) course at Kalipada Ghosh Terai Mahavidyalaya, Bagdogra.

In response to a letter Ed-477/95 dated 28. 7. 95 from the Office of the Director of Public Instruction, Government of West Bengal, on the above subject, the Executive Council of the University in its meeting held on 2. 8. 95 resolved to permit the college to introduce B. A. (Pass) course provisionally with Sociology, History and Political Science as elective subjects from the academic session 1995-96. The decision of the council was communicated to the college vide letter 2423/R-95(5) dated 14. 8. 95 from the Office of the Registrar. In a succeeding letter 1492-C/NGC dated 1. 9. 95 the office of the DPI further requested the University to extend affiliation to the college in Elective Bengali, Nepali and Economics as well. The office of the Registrar again conveyed the decision of the University granting affiliation to the college in these subjects vide letter 2708/R-95(4) dated 8. 9. 95. Subsequently an Inspection team comprising Professor J. Debnath, Dean, Faculty of Arts and Commerce, Shri Arabinda Basu, Member, U.G. Council and Inspector of Colleges visited Kalipada Ghosh Terai Mahavidyalaya on 9th March, 1996 to examine the infrastructure and facilities available in the college regarding teaching of B.A. (pass) course. The observations and recommendations are given below for favour of perusal of the Vice-Chancellor.

BACKGROUND INFORMATION AND ENROLMENT.

The University granted affiliation to the college during the year 1987-88 and permitted the college to teach B. Com (pass) course but the college started functioning only from 21.11.88 after getting clearance from the Government. Since then six batches have appeared in B. Com. (Pass) course examination but the strength of the college remained a cause of concern all these years as the enrolment figure fluctuated between 100 to 150. However introduction of B.A. (Pass) course from the current academic session (1995-96) has given a boost to the enrolment and the tally has reached a somewhat respectable figure of 380. The details of the enrolment figures are given below.

Contd. 2/-

Class	Boys	Girls	Total	SC		ST	
				M	F	M	F
1. B.A. 1st year	131	89	220	27	17	13	2
2. B. Com. 1st year	97	7	104	15	-	11	-
3. B. Com. 2nd year	48	10	58	8	-	12	2
			382	50	17	36	4

The strength of 1st year alone now far exceeds the total strength of B. Com. (Pass) course. The SC/ST students constitute 28% of the total strenghth.

ACCOMMODATION AND CONSTRUCTION :

The College has four big class rooms (30' x 20') and therefore there is no problem in accommodating the classes of the two faculties at present but there could be some problem in holding the compulsory language classes simultaneously once the B.A. 2nd year classes commence from 1996-97 academic session. This, however, can be resolved by starting the college 45 minutes earlier or by holding the language classes in the late afternoon when most of the elective classes get over. The problem, however, will be resolved once the office, Principal's room and Teachers' common room shift to the new block which is currently under construction. The present building has been duly plastered, the corridors have been concreted and the half done rooms of the Principal and office have also been completed. The building now has a neat and tidy outlook.

The College has received Rs. 2.00 lakhs from District Planning Commission in February, 1995 for further construction of its buildings. A new block, as stated above, is under construction. The foundation of this block can withstand the load of a three storied building. The Inspection team was pleased to learn that the Terai Branch of Indian Tea Association (TBITA) has financed the contruction of the Principal's room (30' x 15') in the new block. The office room and the common room for teachers are also under construction in the new block. These rooms will be completed from the grant of Rs. 1.00 lakh recently given by Mr. R.B. Rai, Rajya Sabha member, from his development fund. The construction of the compound wall is also in progress and the approach road is being constructed by Siliguri - Naxalbari Panchayat Samiti. Separate toilet arrangements have been made for ladies and gents.

The developmental activities are in full swing and it is expected that the college will soon have enough infrastructure to run B.A. (pass) and even honours courses smoothly.

Contd. ... 3/-

REQUIREMENT OF TEACHERS :

The College is teaching B.A. (pass) course with facilities to offer the following elective subjects.

1. Political Science
2. History
3. Sociology
4. Economics
5. Nepali
6. Bengali

At present the college is taking the help of four part time teachers to teach the subjects mentioned at serial numbers 1 to 4. The elective language are being taught by two full time teachers of the college. The Inspection team is of the opinion that the Government should sanction atleast four posts of lecturers immediately to teach Political Science, History, Sociology and Economics. Though there is one post of lecturer in Economics in Commerce faculty it may not be possible for the concerned teacher to devote enough time to teach three papers of Economics of B.A. (Pass) course after teaching Business Economics and Economic Problems of India to B. Com. (Pass) students. Moreover, teachers of commerce faculty as per G.O. 672-Edn(CS) dated 14. 5. 86 are required to teach only B. Com. (Pass) and Hons. students. Hence a separate post of lecturer in Economics for the Humanities stream is considered essential.

NON TEACHING STAFF :

The College has been sanctioned 14 posts of non-teaching staff vide letter No. 1451-Edn(CS) dated 9. 11. 88 of Education Department. There is no necessity of any additional office staff in view of the introduction of B.A. (Pass) course but the post of Assistant librarian and one library peon is considered essential for managing the library. The recommendations of these posts is in conformity with G.O. 831-Edn(CS) dated 31.10.95 of Education Department.

LIBRARY AND BOOKS :

The College does not have a separate room for library. The six steel almirahs along with books are kept in the Principal's room. This arrangement, however, cannot continue for long. It will be better if a separate room with reading facilities is provided for library. The subject wise figures of books purchased by the college for B.A. (Pass) course is given below.

Contd. 4/-

Subject		Number of books
1. Political Science	:	162
2. Sociology	:	42
3. History	:	135
4. Bengali	:	230
5. Economics	:	150
6. Nepali	:	Nil
7. English	:	13
		732

Besides, there are around 869 books relating to B. Com. (Pass) course. The number of books purchased by the college totals to 1601. There are no books in Nepali. The College should buy sufficient number of books to cover the syllabus of elective Nepali and should also consider enriching the English literature section. The college should also think of buying a set of Encyclopaedia in due course.

The UGC has sanctioned Rs. 1.5 lakhs to the college for purchase of books and has released the first instalment of Rs. 52,500/- to the college. The College has utilised this amount and is expecting the release of the balance amount. Further the UGC has conveyed to the college the sanction of Rs. 2.5 lakhs for construction of library building but the amount is t still awaited. Besides UGC grant, the State Government has also released a sum of Rs. 15,000/- during the year 1995-96 for purchase of books. The students also pay Rs. 10/- per annum towards library fee. The College now needs the sanction of the post of an Assistant librarian.

RESULTS, B. COM (PASS), 1995 :

Appeared.			Passed.							
			1st		2nd		Pass		Total.	
Boys	Girls	Total	M	F	M	F	M	F	M	F
25	2	27	1	-	3	1	10	1	16	

It is seen that about 60% of the candidates were successful and one of the candidates even secured a first division. Considering the fact that most of the students taking admission in this college are of average grade, the result can be termed as fairly satisfactory. If the same effort is put in coaching B.A. (Pass) students, one can expect good result in B.A. (Pass) course too.

Contd. 5/-

REMEDIAL COACHING :

The College has received Rs. 75,000/- from UGC for remedial coaching for SC/ST students. They constitute 28% of the total strength. The college has formed three batches of 30 students each to give intensive coaching to B.A. 1st, B. Com. 1st and 2nd year students. In principle the remedial coaching for first generation learners as well as for the weaker section of the society is a good proposition. The students in small numbers can get their difficulties solved and can also get an opportunity for greater interaction with teachers but unfortunately there are no takers. The attendance in these tutorial classes is very poor.. The students, it is learnt, prefer to go for private coaching. It was not possible to ascertain whether other colleges are also experiencing similar response.

EQUIPMENT :

The UGC, it is learnt, has sanctioned Rs. 1.00 lakh to the college for purchasing equipments but has so far released only Rs. 35,000/-. The college has utilised this amount for buying a duplicating machine.

RESERVE FUND :

The college has invested only Rs. 13,000/- in Kishan Vikas Patra (KVP) in April, 1991. This is a very small amount. The college should reinvest atleast Rs. 30,000/- on maturity of this deposit scheme. The target should be Rs. 1.5 lakhs.

STATE GOVERNMENT GRANT :

The college is getting Rs. 15,000/- for library and an equivalent amount for furniture every year from the State Government since the financial year 1993-94.

RECOMMENDATIONS :

Considering the spade of construction : quantum of UGC and State Government grants, facilities for remedial coaching, a developing library and dedication of the existing teachers, the Inspection team has no reservation in recommending continuation of B.A. (pass) course in the college. The college, however, should get in touch with the Government and also mobilise its own resources to fulfill the following conditions.

Contd. 6/-

1. The college will need four posts of lecturers one each in Political Science, History, Sociology and Economics. The Government should sanction these posts before the commencement of 1996-97 academic session.

2. The Government should also consider sanctioning the post of Assistant librarian and one library peon for better management of the library.

3. The college should provide a spacious room as soon as possible to house the library.

4. The college needs more text books in various elective subjects which are being taught in B.A. (Pass) course. This is essential because the number of students in B.A. (Pass) course is quite high. The Government may consider giving a book grant of Rs. 20,000/-.

5. The college should utilise the revenue earned from library fee for purchase of books.

6. The college should ensure that the student strength in elective subjects do not exceed 150 in a section.

7. Steps should be taken to shift the office and the Principal's chamber to the new block to facilitate holding of additional compulsory language classes smoothly.

8. The college should reinvest atleast Rs. 30,000/- in any long term deposit scheme on maturity of the Kisan Vikas Patra it had purchased in April, 1991.

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report regarding continuation of B. Sc. (Pass) course at Islampur College in North Dinajpur District.

In response to a letter Ed-519/1(1) dated 8. 8. 95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the University has permitted Islampur College to teach B. Sc. (Pass) course provisionally with Physics, Chemistry and Mathematics as elective subjects from the academic session 1995-96. The decision of the University was communicated to the college vide letter 2456/R-95(5) dated 17. 8. 95 from the office of the Registrar. Subsequently an Inspection team comprsing Professor Biswanath Bhattacharjee, Dean, Faculty of Science and Inspector of Colleges visited Islampur College on 9th May, 1996 to examine the infrastructure and other facilities developed by the college to each B. Sc. (Pass) course. Dr. Abhijit Roy, Head, Department of Chemistry, could not accompany the team due to preoccupation. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice - Chancellor.

Enrolment in B. Sc. (Pass) Course :

The college could admit only seven boys in B. Sc. (Pass) course during the year 1995-96. The strength is considered to be very low. The college authorities attributed low strength to lack of information, regarding introduction of B. Sc. (pass) course, amongst the students and also to delay in starting of the course and absence of full time teachers.

Science block :

The college has constructed a Science block comprising five small rooms. The measurement of each room is given below.

1. Dark room for Physics	-	16' x 18'
2. Store room	-	8' x 18'
3. Physics laboratory	-	24' x 18'
4. Chemistry Laboratory	-	24' x 18'
5. Store room	-	8' x 18'

The building, though constructed four years back, is not in good shape and is without any maintenance. The entrance is without a collapsable gate and one side of the corridor of the building is open. Moreover, the staircase is also not covered and as a result there is water logging beside the stairs and in corridor during rains. The college

Contd. .. 2/-

will have to immediately do some repairs and cover the staircase and one side of the building. The college is expecting a grant of Rs. 1.5 lakh from Zilla Parishad for renovating the building.

The rooms should have been bigger because the present rooms can accommodate just one batch of ten students, at a time, to do practicals. The workload of Physics and Chemistry Departments will increase unnecessarily if more than ten students are admitted. It was a wrong planning to have such small rooms for laboratories. The college authorities may consider shifting the laboratories to bigger rooms in future.

A class room on the first floor of the college building is half done for want of funds from zilla parishad. This, when completed, could be used as class room for science students.

Workload :

The weekly workload of Physics and Chemistry in B. Sc. (pass) course for twenty students should not normally exceed 48 periods but in the present case, because of small batches of ten students for practical classes, the workload will increase if the college admits more than ten students. The workload of Mathematics Department would be around 18 periods per week. The subjectwise weekly workload is given below.

Subject.	B. Sc. 1st year		B. Sc. 2nd year	
	Theory	Practical*	Theory	Practical*
1. Physics	6	6	6	6
2. Chemistry	6	6	6	6
3. Mathematics	9	-	9	-

* A batch, of not more than twenty students, is required to do practicals in two turns of three periods each every week.

Teachers :

The College at present is utilising the services of three part time teachers to teach B. Sc. (pass) course. However, to start with, the college will require one teacher each in Physics, Chemistry and Mathematics but subsequently, considering the diversity of topics that are required to be taught, the Government will have to consider giving a second hand in each of the three subjects. It is generally observed that the Government sanctions only one post of lecturer in each subject initially but the second hand is not given during the subsequent years. This affects the quality of teaching and classes suffer whenever the teacher proceeds on leave.

Contd. ... 3/-

Laboratory staff :

A science course cannot be taught without the support of laboratory staff. In quite a few cases the Government has sanctioned the posts of teachers but did not give clearnace for the laboratory staff. The practical classes cannot be held without the support of laboratory attendants. The Inspection team, therefore, recommends sanctioning of two posts of laboratory attendants, one each for Physics and Chemistry.

Books :

The College has purchased a good number of books in Physics, Chemistry and Mathematics from UGC grants. The books are in English as well as in Bengali. More titles are, however, required. There is a dearth of recent publications. The library, unfortunately, is not well kept. The books are gathering dust and ceiling and corners are full of cobwebs. The College authorities should take steps to keep the library neat and tidy. The number of books available in each of the Science subjects in the library are given below.

1. Physics	-	170
2. Chemistry	-	110
3. Mathematics	-	131

The library has over six thousand books and it is looked after by Librarian, library clerk and a library peon. The local member of Parliament has provided funds for the development of the college library. A new library block is coming up on the first floor which comprises a room for the librarian, a big hall for stacking the books and a fairly spacious reading room for students. The library is likely to be shifted to this new block before Puja vacation. A separate staircase for the library should be thought of.

The college has received Rs. 70,000/- from UGC for purchase of books and journals during the 8th plan of which Rs. 13,500/- are still unutilised. This amount is likely to be utilised for buying books of B.A./B. Com. (pass) courses. The Government may consider sanctioning a book grant of Rs. 25,000/- to the college for purchasing books for B. Sc. (Pass) course.

EQUIPMENT :

The College has purchased equipment for Physics laboratory only but most of the articles acquired are meant for honours course and those which are useful for pass course have not been purchased in sufficient quantity. As many as three ovens, PH meter, Over head projector, incubator, Ripple tank, Bi-prism assembly etc. have been purchased but these are hardly of any use for pass course students. It is one more instance of poor planning. The college has bought only one piece of travelling microscope, screw gauze, spherometer, vernier callipers, meter bridge,

Contd. ... 4/-

potentiometer and post office box. More pieces of these instruments are required. The barometer was lying unused. The least the college can do is to get it fixed either in the laboratory or temporarily even in the college office. The equipment are kept in open in one of the rooms. The instruments are gathering dust. The precision of these instruments will be lost and they will be rendered useless if not cleaned immediately and shifted to wooden/steel almirahs. Nothing has been purchased for the chemistry laboratory. The college has received equipment grant of Rs. 35,000/- from UGC but this would perhaps go in buying a gas plant and a generator of 5 kwts. There is only one kipp's apparatus. Atleast two of them are desirable in the laboratory. Glassware and chemicals are needed and atleast two chemical balances of superior quality are required. The Government may consider giving an equipment grant of Rs. 1.5 Lakh to the college for equipping the laboratories.

FURNITURE :

The inspection team did not see any furniture in the laboratories. The Teacher-in-Charge told the team that orders for furniture have already been placed and the delivery would be given within two to three months. The college should ensure that furniture are of standard specifications and if necessary the authorities of the college may consult the Heads of the departments of the University for guidance. Quality furniture and proper gas and water line should be installed in the laboratories by July, 1996. Exhaust fans are necessary in the chemistry laboratory. Fire extinguishers are also desirable. A water tank is essential over the science block to ensure smooth supply of water to the laboratories. The Government may consider giving a furniture grant of Rs. 50,000/- to the college.

PRACTICAL CLASSES :

So far no practical classes have been held for B. Sc. (pass) course students. The college should request the nearby State Farm Colony Higher Secondary school to allow its students to do practicals till its own laboratories are ready. Incidentally, the college is not charging any laboratory fee from the students. A suitable amount should be charged per annum towards laboratory fee.

GRANTS :

The College, during the 8th plan period, has received the first instalment of UGC grants for books and equipment amounting to Rs. 70,000/- and Rs. 35,000/- respectively. The college is yet to utilise these grants fully. It is also learnt that the UGC had given Rs. 75,000/- for development of play field during 7th plan period and the State Government had given a matching grant of Rs. 25,000/- for the purpose but there is still a balance of Rs. 50,401.55 under this Head. Similarly an amount of Rs. 5,279.10 is still lying unspent from the UGC grant of Rs. 1.25 Lakh

Contd. .. 5/-

received for purchase of books during the 7th plan period. The college should either utilise these grants fully or should refund the amount to the granting authority.

The College has not received any development grant from the State Government since last four years. It is time the government considers giving a grant of Rs. 2.00 lakh or so to the college to meet partially the expenditure on books, equipment, glass ware, chemicals and furniture required for teaching B. Sc. (pass) course.

PRINCIPAL :

The Education Directorate, vide its letter ED-186/96 dated 4.3.96, communicated to the college about the re-employment of the Principal w.e.f. 17th December, 1993 for a period of two years after superannuation. Two years were over on 16. 12. 95. The Principal, it is learnt, is not coming to the college since then. However, the college Governing Body has recently taken a decision to extend his services further and steps have taken to constitute a screening committee for the purpose.

GOVERNING BODY :

The College Governing Body was re-constituted in February, 1996. Shri Adhir Biswas, Chairman, Municipality, is the President of the Governing Body.

WORKING HOURS :

The working hours of the college are from 10.45 am to 4.45 pm. It should be re-scheduled from 10.30 am to 5 pm.

RECOMMENDATIONS :

The College is yet to develop the necessary infrastructure for conducting practicals. The rooms are small and not convenient for holding practical classes for a batch of twenty students. As far as theory classes are concerned, the college is utilising the services of three part time teachers and about 40% syllabi of each of the elective subjects have been covered. A reasonable number of books have also been purchased for B. Sc. (pass) course. After considering these aspects the Inspection team recommends extension of affiliation till 1997-98 academic session. The question of further extension of affiliation could be reviewed after examining the infrastructure raised by the college and assistance provided by the Government. In the meanwhile the college should get in touch with the Government as well as try and mobilise its own resources for compliance of the following :

1. The college, to start with, will require three teachers one each in Physics, Chemistry and Mathematics. The Government should, therefore, consider sanctioning three posts of lecturers immediately. The second posts of teachers in each of these subjects may be provided in due

Contd. ... 6/-

course.

2. The Government should also consider sanctioning two posts of laboratory attendants one for Physics and the other for Chemistry.

3. The Government may also consider giving a development grantof Rs. 2.00 Lakh or so to meet the expenses of books, equipment, glassware and laboratory furniture.

4. The College should take steps immediately to buy a few steel and wooden almirahs to keep equipment, glassware and chemicals.

5. The Science block should be thoroughly renovated and a collapsable gate should be installed at the entrance of the building. The open side of the corrider should be suitably enclosed by wall and grill.

6. A separate room should be carved out by the side of the staircase for installing the gas plant. Care should be taken to cover the staircase for protecting the gas plant from rains and water logging.

7. An overhead water tank is a must for providing uninterrupted water supply to the laboratories.

8. The college should consider shifting its laboratories to bigger rooms in due course to accommodate batches of twenty students at a time.

9. The college authorities should approach the State Farm Colony Higher Secondary School to allow its students to do practicals till the college laboratories become ready for conducting the practicals.

10. Some recent editions of text books should be purchased in all the three subjects viz. Physics, Chemistry and Mathematics. Books relating to Physics and Chemistry practicals are also required.

11. The college library is not maintained well. Necessary steps should be taken to keep the library neat and tidy.

12. The college should not admit more than twenty students in B. Sc. (pass) course for the present.

13. The college should return the equipment meant for honours course to the supplier and the dealer in return may be requested to provide some materials useful for pass course particularly those instruments which have not been purchased in adequate number.

Contd. 7/-

14. The college authorities should take steps to complete the half done class rooms on the first floor.

15. The college building is not in good shape. It is untidy and needs extensive repairs.

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report of Raiganj B. Ed. College.

An Inspection team comprising Dr. Vivekananda Pradhan, Member Undergraduate Council and Inspector of Colleges visited Raiganj B. Ed. College on 22nd December, 1995 for routine inspection as well as to consider further extension of affiliation. The observations and recommendations of the Inspection team are given below for favour of kind perusal of the Vice-Chancellor.

College Building :

The College is functioning from a Government building in the Housing Estate at Karnajora since may 1983 and is paying a monthly rent of Rs. 1270/- to the Government. The college, however, has recently acquired 2.10 acres of vested land from the Government by paying a sum of Rs. 45,150/-. The new site of the college is a little away from its present location and the authorities are contemplating construction of college building after mobilising funds from local resources. The question of permanent affiliation and registration under section 2(f) and 12-B of the UGC Act thereafter cannot be considered unless, interalia, the college has its own building.

Principal :

The College is without Principal since its inception. The post of the Principal was sanctioned in August, q984 but the CSC is yet to recommend a suitable candidate for the post.

Teaching Staff :

The College was sanctioned two posts of lecturers vide G.O. 1466-Edn(CS) dated 27. 8. 81 and the two teachers Shri Nilanjan Chakraborty and Dr. Apurba Datta have joined on 1. 7. 83 and 22. 8. 84 respectively. Since then the Government has not sanctioned any post of teacher though colleges started much later have been sanctioned adequate number of posts of lecturers. The need for full time teachers, however, have been mentioned in the Inspection reports of June, 1983, December 1994, June 1988, May 1990 and 1992 but no cognizance has been taken of the recommendations by the Directorate of Public Instruction yet. The College needs atleast six more teachers to teach compulsory papers like Principles of Education, Educational Psychology and method papers like Bengali, History, English and Mathematics. It is still not clear

Contd. ... 2/-

when the Government will sanction these additional posts of teachers. Moreover, the college cannot be considered for permanent affiliation and will also not be able to receive UGC assistance if Five full time teachers are not on the roll. It is, therefore, high time the Government examines these points and sanctions the requisite number of posts of lecturers. The College, at present is taking help of six part time teachers to cope with the work load.

NON-TEACHING STAFF.

The following is the position of non teaching staff in the college.

1. Accountant	-	1
2. Typist	-	1
3. Library clerk	-	1
4. Peon	-	1

The posts of typist and library clerk were sanctioned vide Government order 33-Edn(CS) dated 17. 1. 95 and the posts were filled in June, 1995. It is strange that some newly started colleges have been sanctioned 11 to 12 non-teaching posts whereas this college, established 14 years ago, has only four sanctioned posts of non-teaching staff. The college is teaching Physical and Life sciences as method subjects which involve doing atleast 12 experiments in Physics and preparation of gases and salt analysis in Chemistry. Besides in Life science there are morphological studies, dissections, histological studies and experiments relating to physiology and biochemistry. These experiments and maintenance of equipments, glassware, specimen, charts etc. cannot be done without the support of laboratory attendants. In absence of attendants the instruments are gathering dust and laboratories are far from tidy. The Government should, therefore, consider sanctioning two posts of laboratory attendants. Further, it is not clear how a college can function without a night watchman (guard) particularly when the Government has poured substantial grants for acquiring furniture, equipment and books. The post of a guard is considered essential. Moreover, the Government has sanctioned only one post of peon for the college. In his absence the college functions without a peon. A second post of peon is necessary. It is high time the Government considers sanctioning atleast the following posts of non-teaching staff.

1. Head clerk	-	1
2. Guard (Night watchman)	-	1
3. Peon	-	1
4. Laboratory attendants	-	2
5. Sweeper	-	1.

ENROLMENT (1995-96)

2. Freshers	59	25	84	8	2	3	1
			110	20	2	3	2

The students' strength of the college is 110. The percentage of SC/ST students is 24.9.

RESULT (1993, 1994):

Year	Candidates appeared	Successful			
		1st	2nd	Total	Percentage
1993-94	104	48	50	98	94.2%
		(1st, 2nd and 9th position went to the students of this college).			
1994-95	97	44	36	80	82.4%

The result of the college is considered quite good particularly for the year 1993-94 notwithstanding the fact that there are only two full time teachers.

LIBRARY :

The college has a fairly good collection of books. The total number of books in the college is around 3,410. The college is also subscribing for the following journals and periodicals.

1. Experiments in Education.
2. Journal of Research in Educational Media.
3. Journal of Indian Education (NCERT).
4. Indian Journal of Mathematics Education.
5. University News.

The library has reading room facilities. The Government has given library grant to the extent of Rs. 1. 42 lakhs since 1982 for purchase of books and library furniture but unfortunately there is only one library clerk to manage the whole library. In view of this and also keeping in view the recent G.O.831-Edn(CS) dated 31.10.95 on rationalisation of pattern of non-teaching staff the Inspection team recommends that the college may be sanctioned the post of Assistant Librarian.

Contd. ..4/-

GOVERNING BODY :

The college has re-constituted its Governing body on 6th November, 1995. Shri Nirmal Mukherjee, Ex-Sabadhipati, Zilla Parisad is the President of the College Governing body.

REGISTRATION UNDER SOCIETY REGISTRATION ACT.

The College should take steps to get itself registered under West Bengal Society Registration Act, 1961. The College cannot be considered for permanent affiliation unless it is a registered body.

GOVERNMENT GRANT :

The College since its inception in July, 1982 has received substantial amount of grants from the State Government for the development of its library, laboratory and also to acauire assests like class room and office furniture. The total amount of grants received by the college for library and furniture & equipment till 1994-95 financial year is mentioned below.

1. Library : Rs. 1,42,000/-
2. Furniture & Equipment : Rs. 1,70,000/-

The maintenance of books and equipment, however, are suffering because adequate number of non-teaching posts have not been sanctioned.

Revenue :

The College is charging a development fee of Rs. 315 from each student. A major amount from this revenue is utilized in paying part time teachers, night watchman and sweeper.

Working hours :

The college functions from 7.25 am to 12.00 noon. It cannot be run during the day time because part time teachers remain busy in their schools/colleges. The morninghours are quite inconvenient during monsoon and winter. Students who come from Kaliyaganj and other distant places are quite inconvenienced in reaching the college in early hours of the morning. The need of full time teachers is therefore, all the more necessary.

Equipment and Furniture :

The college has enough furniture for its office, library and class rooms. Besides, it has a good stock of equipment, models and charts for teaching Physical and Life sciences.

RECOMMENDATIONS :

After considering the various aspects the Inspection team recommends further extension of affiliation to the college till 1997-98 academic session and expects the cCollege/Government to meet the following requirements.

1. The College should take steps to get its own building constructed soon.
2. The college should also take steps to get itself registered under Society Registration Act, 1961 of Government of West Bengal.
3. The Government should consider sanctioning atleast six posts of lecturers as mentioned under the Head : Teaching staff in the report.
4. The Government should sanction the various posts of non-teaching staff as suggested in the Inspection report.
5. The post of an Assistant Librarian is considered essential in view of the number of books and the amount of library grant the Government has given over the years.
6. The amount collected under library fee should be utilized in developing the library.
7. The Inspection team would like to make it quite clear that the following are the prerequisites for permanent affiliation :

   (i) Own building

   (ii) Registration under Society Registration Act.

   (iii) Not less than five full time teachers.

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report regarding extension of affiliation to Dewan Abdul Gani College, Harirampur, South Dinajpur.

An Inspection team comprising Dr. Vivekananda Prodhan, Member, Undergraduate Council and Inspector of Colleges visited Dewan Abdul Gani College on 24th February 1996 to consider further extension of affiliation to the college. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

Inception and Infrastructure :

The University permitted the college to function from 1994-95 academic session and granted affiliation to teach B.A. (Pass) course with Bengali, English, Political Science, History, Philosophy and Geography as elective subjects but the Government did not give permission to teach Geography. As regards development of infrastructure, practically nothing has been done than what the Inspection team had seen during its earlier visit in September 1994. The five class rooms ranging from 510 to 640 square feet look conspicuously empty in view of just a handful of students currently studying in the college. Some wooden and steel furniture have been acquired for the Principal's room, Office and Teachers' Common room. The three rooms in the range of 410 to 620 square feet are still half done mainly because these rooms are not required immediately and also because the Sponsors do not have adequate funds at present for construction. However, they are anticipating a grant of Rs. 9,00 lakhs in phases from the Zilla Parishad. The first instalment of which is likely to be released before 31st March 1996. The College authorities propose to complete the construction of the three unfinished rooms from this grant. In the meanwhile the college authorities should take steps to get permanent electric connection for the college building. Fans will be necessary if the University decides to grant examination Centre to the College.

The college has a fairly large building with thirteen rooms but it does not have much land for future development. The Sponsors of the college were told during inspection in September 1994 to acquire atleast two more acres of land, preferably in contiguity with the college but this has not materialised so far. The Organisers told the inspection team that negotiations with the owners of the sprawling land behind the college were in progress and in all probability they would be able to acquire some land next to the college soon. The paucity of funds, at the moment, was also cited as one of the reasons for not being able to clinch the deal.

Enrolment (1995-96)

Class	Boys	Girls	Total	SC		ST	
				M.	F.	M.	F.

2. B.A. (Pass) 2nd year	33	26	59	6	2	-	-
			78				

The College authorities attributed the low strength to absence of qualified full time teachers and uncertainty regarding University examination Centre at the college. The authorities are hopeful that once full time teachers are appointed and the college is granted the status of University examination Centre the strength will improve considerably.

Teachers :

Initially the Education department vide its G.O. 925-Edn (CS) dated 23-12-94 asked the college to take help of school teachers with Postgraduate qualifications for teaching the B.A. (Pass) Course students. However, five posts of lecturers one each in English, Bengali, History, Political Science and Philosophy were sanctioned by a subsequent G.O. 49-Edn(CS) dated 31-01-95. The College authorities have requested the College Service Commission (CSC) atleast half a dozen times since February 1995 for suggesting the names of suitable candidates but till date CSC has not recommended the appointment of any candidate for any of the posts sanctioned by the Government. The College at present is utilising the services of four school teachers and six unemployed Youths with Post-graduate qualifications. It is more than a year since this arrangement is continuing. The DPI has been approached for reimbursement of the allowances paid to part time teachers. The approval is still awaited.

Non-teaching staff :

The Government vide its G.O. 49-Edn(CS) dated 31-01-95 has sanctioned the following posts of non-teaching staff to the College.

1. Accountant : 1
2. Typist : 1
3. Peon : 1
4. Night Guard : 1
5. Sweeper (Part time) : 1

The Employment exchange has forwarded the names of suitable candidates but the interviews are yet to be conducted.

Contd. ... 3/-

Current position of administration :

The Education Department, Government of West Bengal, Vide its letter 75-Edn(CS) dated 13-02-95 has allowed the Secretary, Organising Committee to manage the administration of the college till appointment of Teacher-in-Charge. The Government has not sanctioned the post of Principal yet.

Library :

The College has purchased a few books. The number of books purchased in each subject are given below :

Subject		Titles		Copies
1. Philosophy	....	13	.....	46
2. History	....	7	.....	63
3. Political Science	....	13	.....	62
4. Bengali texts and novels	....	44	.....	122
5. Economics	....	2	.....	2
6. Geography	....	2	.....	3
7. English	.....	Nil	.....	Nil
				298

The College has not purchased any book to teach English as additional compulsory language. A few books of English grammer, Usages, essays, novels and dictionaries are considered necessary. Besides, college should buy more text and reference books in each subject.

Reserve Fund :

The College has kept intact the Kishan Vikas Patra (KVP) of Rs. 1.5 lakhs it had purchased in June 1994.

Fee structure :

The strength of the college is so low that it is not economically viable at present but this is not the case with this college alone, almost all new colleges initially went through a lean period. The college charges Rs. 10/- as tution fee and only Rs. 2/- per month as development fee. Considering the student strength of seventy odd, the annual revenue of the college at present is around Rs. 10,000/- . The College will have to raise funds from local resources for its development.

Recommendations :

After considering the various aspects, the Inspection team recommends extension of affiliation till 1997-98 to the college and expects the college authorities to comply with the following.

Contd. ..4/-

1. The College should once again take up the question of appointment of teachers with CSC and if necessary the members of the Organising Committee should go and meet the officials of CSC and request them to recommend the names of the suitable candidates expeditiously.
2. The College authorities should expedite the appointment of non-teaching staff.
3. The Sponsors of the college should take steps to acquire two acres of land in contiguity with the college.
4. The College should buy more text and reference books in each subject. Books to teach English as additional compulsory language should be purchased.
5. The College authorities should complete the construction of three half done rooms.
6. The Organising Committee of the college is expected to keep a bank balance of Rs. 1.00 lakh or so to meet the salary requirements of teachers and non-teaching staff particularly when receipt of the pay packet from the Government gets delayed.

Ref. No. 104/8/Insp-96 Dated : 25 April, 1996.

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report regarding continuation of B.A. (Pass) course at Birpara College in Jalpaiguri District and observations relating to developmental activities of the college.

In response to a letter Ed-519/1(1) dated 8. 8. 95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the University has permitted Birpara college to teach B.A. (Pass) course provisionally with Sociology, Economics and Geography, as elective subjects from the academic session 1995-96. The decision of the University was communicated to the college vide letter 2429/R-95(5) dated 14. 8. 95 from the office of the Registrar. Subsequently an inspection team comprising Dr. J. Bose, Member, U.G. Council and Inspector of Colleges visited Birpara College on 3rd April, 1996 to examine the infrastructure and other facilities developed by the college to teach B.A. (Pass) course. Professor J.C. Debnath, Dean, Faculty of Arts and Commerce could not accompany the team due to preoccupation. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

INFRASTRUCTURE AND BACKGROUND INFORMATION ABOUT THE COLLEGE.

The University granted affiliation to the college from 1986-87 academic session and permitted the college to teach B. Com. (Pass) course. The Government also accorded its approval vide G.O. 1936-Edn(CS) dated 21. 11. 86 and sanctioned the posts of Principal, six lecturers and ten non-teaching staff. The college was granted permanent affiliation w.e.f. 1991-92 academic session. In the last one decade the college has made a steady progress in improving its infrastructure and acquiring new assets.

The college owes its main building mainly to the sponsors of Alexander Bestewich and S. P. Roy memorial blocks and also to the Dooars branch of Indian Tea Association (DBITA). The College has constructed four rooms from the funds provided by them. The details of the rooms constructed so far are listed below.

Bestewich Memorial Block.

1. Room (30' x 25') used as library and girls' common room by suitable partitioning.

Contd. ... 2/-

2. Room (40' x 25') being used as class room.

5. Office room (40' x 25')
6. Principal's room (20' x 25')

Students complex

7. Boys' common room
8. Students' Union Office.
9. Canteen

Under construction.

10. One class room (30' x 40')

The College has three well built spacious class rooms and the fourth room is under construction from the fund provided by the local member of Parliament. The college will require four class rooms to accommodate the Pass course students of both B.Com & B.A. from the academic session 1996-97. The college authorities should, therefore, expedite the construction of the fourth class room.

The college needs a spacious room for the library. At present one room, in contiguity with class rooms, has been pertitioned to house the library and Girls' common room. This is not a very happy arrangement. This room should be utilised as class room and two separate rooms should be constructed to provide for library and girls' common room. The UGC had sanctioned Rs. 2.5 lakhs for construction of a library room during the 8th plan period but the amount is still to be received by the college.

The College has raised compound wall on three sides but the back side is yet to be fenced. A deep tubewell has been also installed for adequate supply of drinking water to staff and students. There are separate toilets for boys, girls, office staff, teachers and Principal. The class rooms are furnished with quality furniture and ceiling fans. Periodic cleaning is, however, necessary to keep the walls, corners and ceilings free of cobwebs. The split bamboo walls from the office have been removed and concrete walls have been erected both in office and Principal's room. False ceilings of split bamboo have also been provided in these rooms.

ENROLMENT (1995-96) :

Class	Boys	Girls	Total	SC		ST	
				M	F	M	F
1. B. Com. 1st year	74	19	93	11	3	10	-
2. B. Com. 2nd year	100	10	110	29	1	9	2
3. B.A. 1st year	34	22	56	12	4	2	2
			259	52	8	21	4

The enrolment figure of the college has not increased over the years. In fact it was on decline. In 1991 the strength of the college was 236 and after five years, inspite of introduction of the B.A. (pass) course, the overall strength has increased only marginally to 259. The SC/ST students constitute 32% of the total strength.

PRINCIPAL :

Dr. H.L. Saha (Ph.D. in Chemistry) joined as Principal w.e.f. 24. 1. 94.

REQUIREMENT OF TEACHERS :

The college is teaching B.A. (pass) course with facilities to offer the following elective subjects. The teaching of languages as elective subjects is in accordance with the University circular 194/UG-89 dated 17. 5. 89.

1. Economics.
2. Sociology
3. Geography.
4. English
5. Bengali

The College at present is taking the help of two part-time teachers to teach Sociology and Economics. The elective languages are being taught by two full time teachers of the college. The college has full time teachers to teach Economics and Geography in commerce faculty but as per G. O. 672-Edn(CS) dated 14. 5. 86 they are required to teach these subjects only in the Commerce Faculty. They have, however, agreed to teach these subjects to B.A. (pass) course students till alternative arangements are made. The inspection team is, therefore, of the opinion that the Government should sanction atleast three posts of lecturers immediately to teach Sociology, Geography and Economics in B.A. (Pass) course.

REQUIREMENTS FOR TEACHING
GEOGRAPHY AS ELECTIVE SUBJECT :

The Government has given permission to the college to teach besides Sociology and Economics, Geography also as an elective subject from the

Contd. 4/-

academic session 1995-96. The college has admitted 50 students in elective Geography this year, which is considered too high. The college, henceforth, should not admit more than twenty students to study Geography as elective subject. The admission should be done strictly in order of merit but the first and foremost task of the college is to provide sufficient space for Geography laboratory. This could be easily done by partitioning the S.P. Memorial Hall. The college should drop the idea of partitioning the office for housing the Geography laboratory. It is learnt that Rs. 7,000/- have been spent for buying equipment and Rs. 10,000/- have been invested in making furniture for the laboratory. This is not enough. The college should procure the following equipment and furniture for its Geography laboratory.

	Item.	Quantity.
1.	Globe with graticulex	1
2.	T Squares	5
3.	Scales	12
4.	Set squares	10 sets
5.	Beam compass	2
6.	Chain surveyors	4
7.	Prismatic compass with stand	4
8.	Plumbob	6
9.	Wet bulb thermometer	2
10.	Barometer (Fortin's)	2
11.	Maximum-minimum Thermometer	2
12.	Wind vane	1
13.	Rain Gauze	1
14.	Animometer	1
15.	Rotameter	4
16.	Topographical sheets of different areas of India.	10 sheets each
17.	Geological maps	
18.	Weather maps published by Government of India.	
19.	Drawing pen, ink, stencil writing set, tracing papers, lettering sets, drawing chart paper, graph paper etc.	

(b) Furniture :

1.	Steel Almirah	1
2.	Wooden Almirah	1
3.	Map cabinet	1
4.	Table with cupboards (6' x 2½' x 2½')	10

Contd. .. 5/-

5. Plain tables with stand	2
6. Allidade	2
7. Trough compass	2
8. Tracing table (3' x 4')	4

A sum of Rs. 80,000/- or so will be required to furnish the laboratory and for purchasing necessary equipment.

(c) Field survey :

Geography being a field science is taught through field study meeting. Every year the department is expected to organise a week long field study programme to give the students an opportunity to observe and study closely the physical and human Geography. The Government should, therefore, consider granting a suitable amount towards field work expenses and excursion every year.

(d) Laboratory attendant :

Geography being a laboratory based subject will require the assistance of one laboratory attendant to conduct the practical classes and to keep the instruments in order.

(e) Books :

The college has acquired some books but these are not enough. More text books are required to cover the syllabi of all the three papers. The Government may consider granting suitable book grant to the college.

Library :

The college does not have enough space for library. One of the rooms as stated earlier, has been suitably partitioned to house the library and Girls' common room. The portion used as Girls' common room could have been utilised as reading room. Moreover, the present location of the library is not ideal because it is sandwiched between Girls' common room and a class room. The college is counting on the grant of Rs. 2.5 lakhs it is likely to receive from UGC for constructing a separate room for library. The subjectwise figures of books purchased by the college for B. A. (Pass) course are given below.

Subject.	Number of books.
1. Bengali	352
2. English	130
3. Geography	56
4. Sociology	57
5. Economics	26
	521

Contd. 6/-

There are only few titles in Geography, Sociology and Economics. More text books and reference books are required in these subjects. Besides, there are around 1500 books relating to B. Com. (pass) course. The number of library books purchased by the college totals to 2059. It is high time the college may think of buying a set of Encyclopaedia. The UGC has sanctioned Rs. 1.5 lakhs to the college for purchase of books and has released the first instalment of Rs. 52,500/- but the college has purchased books of only Rs. 15,500/-. The balance amount of Rs. 37,000/- has been spent along with the equipment grant of Rs. 35,000/- to buy a photocopier costing Rs. 72,000/-. Since Rs. 1.00 lakh has been sanctioned by UGC for equipment, bulk purchase of books will be possible only after receiving the remaining amount of equipment and library grants.

The College has received book grant worth Rs. 50,000 - from the State Government during the period 1991-96. The majority of the books and library furniture have been purchased from the State Government and UGC grants. However, the Government should consider giving additional book grant of Rs. 25,000/- to purchase text books in Sociology, Economics and Geography.

RESULTS OF B. COM. (PASS) COURSE :

Year	Appeared			Successful						Total
				1st		2nd		Pass		
	Male	Female	Total	M	F	M	F	M	F	
1993	56	4	60			9	1	20	1	31
1994	107	12	119	1	1	8	4	29	4	47
1995	53	3	56		1	9	1	17	1	29

The percentage of successful candidates ranges from 38 to 50. The result of 1994 was poor though two students had secured first division. The girls, it is observed, have fared better than boys. The college may seek UGC assistance for remedial coaching and ascertain whether this would be useful in improving the results.

NON-TEACHING STAFF :

The college has been sanctioned ten posts of non-teaching staff vide letter 1936-Edn(GS) dated 21. 11. 86 of Education Department but surprisingly the college was not sanctioned the posts of Night watchman and sweeper. The college needs these posts. Besides, in view of the growing library, the post of an Assistant librarian is also considered essential.

REVENUE :

The college charges development fee and building fee from each student every year Rs. 60/- and Rs. 40/- respectively. This yields an annual revenue of around Rs. 25,000/-. Besides, the tution fee helps the

Contd. .. 7/

college to increase its revenue by another Rs. 30,000/- the college thus collects an annual revenue of Rs. 55,000/- or so from these fee.

GRANTS :

(i) UGC :

Purpose	Sanctioned	Received.
1. Books and Journals	Rs. 1.5 Lakh	Rs. 52,500/-
2. Equipment	Rs. 1.00 Lakh	Rs. 35,000/-
3. Construction of library room.	Rs. 2.5 Lakh	--

(ii) State Government (1991-96) :

Purpose	Amount
1. Furniture	Rs. 45,000/-
2. Library books	Rs. 55,000/-
3. Electric wiring	Rs. 20,000/-
4. Sports goods	Rs. 10,000/-

RESERVE FUND :

The college has deposited Rs. 1.00 Lakh in fixed deposit but only for a period of one year. Such short term deposit is not desirable. The college should deposit this amount in any long term deposit scheme of Nationalised bank/Post Office for a period of five or six years so that the amount gets doubled and the college dürives the benefit of enhanced interest.

GOVERNING BODY :

The Governing body of the college was constitued in August, 1993. Shri Niranjan Paul, Principal, Sukanta Mahavidyalaya, is the President of the Governing body.

RECOMMENDATIONS :

The college, as mentioned earlier, is making steady progress and has enough infrastructure to run B.A. (Pass) Course along with the commerce stream. The college is also receiving State Government and UGC grants for its development. The inspection team, therefore, has no reservation in recommending continuation of B.A. (Pass) course in the college. It is proposed that the college authorities should get in touch with the Government for sanction of posts and grants to run the course and should also take steps to mobilise its own resources to fulfil the following conditions :

1. The college will need three posts of lecturers one each in Sociology, Economics and Geography. The Government should sanction these posts before the commencement of 1996-97 academic session.

Contd. 8/-

2. The college needs a good deal of equipment, furniture and books to teach Geography. The college has invested around Rs. 20,000/- in developing the basic infrastructure but a further a sum of Rs. 60,000/- or so will be required to organise the laboratory. The Government may consider granting this amount to the college.

3. The big hall (S.P. Memorial hall) should be suitably partitioned to house the Geography laboratory.

4. A post of laboratory attendent for Geography is considered essential. The college is yet to conduct practicals in Geography and unless the Government sanctions the post of a laboratry attendant no meaningful work would be possible in the laboratory.

5. The college should not admit more than twenty students in Geography.

6. The college should expedite the construction of the fourth class room otherwise it will be difficult to engage all the four classes of B. Com. and B.A. simultaneously.

7. The college needs an Assistant librarian. The Government should consider sanctioning this post in view of steady increase in the number of books in the library. A proper classification and cataloguing of books have become necessary.

8. The college should give priority to construction of a separate room for the library. The present location of the library is not suitable for academic work.

9. The college needs text and reference books in Sociology, Economics and Geography. The Government may consider giving a suitable amount as book grant.

10. The Government may also consider sanctioning the posts of a night watchman and sweeper to the college.

11. There is scope for improvement of results. Tutorials may be arranged and a proposal for remedial teaching should be sent to UGC through University.

12. The college should invest Rs. 1.00 lakh in any long term deposit scheme so that the amount gets doubled in 5 or 6 years.

13. The college should erect a compound wall on its backside.

14. A cycle stand for students is also considered necessary.

1. To confirm the minutes of the 106th meeting of the Executive Council held on 10.7.96.

Minutes of the 106th meeting of the Executive Council held on 10.7.96 were confirmed subject to the following corrections :

(i) Item No.35 :

The following be added after the word "persons" arising in the last sentence :

"having been sponsored by a funding agency who would bear such cost."

(ii) Item No.44 :

Para 2 of the decision be substituted by the following para :

"Resolved further that the provisions of the Ph.D Ordinance be reviewed in order to specify scope of Interdisciplinary research and avoid any complication relating to such cases."

Matter arising out of Minutes

(i) Item No.35 :

The following sub-committee be constituted for recommending a general policy regarding charges payable by Research Scholars/ Associates who join the Departments/Centres of the University from outside either within the country or abroad for prosecuting Doctoral or Post-Doctoral research in any of the faculties :-

1. Dean, Faculty Council for P.G. Studies in Arts, Commerce and Law
2. Prof. S. Mukherjee
3. Dr. M.M' Ghosh - Convener

2. To confirm the minutes of the adjourned meeting of the Executive Council held on 11.7.96.

Minutes of the adjourned meeting of the Executive Council held on 11.7.96 were confirmed.

Matter arising out of Minutes

(i) Item No.61 :

The words "more than thrice" arising in the agenda be replaced by the words "thrice or more".

(ii) Item No.48 :

The members nominated by the Faculty Council (one each) will also have a tenure of two years w.e.f. the date of 1st meeting of the committee.

Misc.3 :

The decision be held in abeyance.

3. To consider the reply of Prof. K.P. Deb against the show cause notice served on him vide Executive Council decision dt. 1.2.96.

The Dean, Faculty Council for P.G. Studies in Arts, Commerce and Law wanted to raise a point of order on the Enquiry Report which was the basis of the charges brought against Prof. K.P. Deb. The Chairman ruled that the point of order was not valid and disallowed it. The replies of Prof. Deb dt. 10.3.96 and 31.7.96 were placed. The Council resolved that the replies offered by Prof. Deb in response to the statement of charges brought against him were not acceptable. Further, the replies contained several unwarranted and extraneous issues which, along with the manner of presenting them were objectionable. The counter-allegations mentioned in the replies were condemned.

The Council is satisfied that Prof. Deb is guilty of the charges

brought against him. Hence, resolved further that the following punishment provided in Section 10 of the Ordinances relating to the terms and conditions of service of University Teachers be imposed upon him :

1. Censor
2. Withholding of two increments

Dean of the Faculty Council for P.G. Studies in Arts, Commerce and Law recorded the following note of dissent :-

"I like to record my note of dissent on the decision of the Executive Council (107th) dt. 6.8.96 on item No.3 on Prof. K.P. Deb because as per the enquiry Committee report there was preponderance of probabilities regarding deliverance of letters to Miss. Sanyal but "the preponderance of probabilities" leaves room for benefit of doubt which precludes any chargesheet or punishment."

While supporting the decision, Dr. M.K. Sen recorded the following observation :-

"In reply to the show cause notice, Dr. K.P. Deb has probably refuted the charges which leaves room for us to discuss whether the benefit of doubt should go in his favour.

But at the same time, while defending his case, he has unnecessarily brought accusations against his colleagues, which have surpassed all norms of decorum and courtesy. This can not be expected from a person holding the high post of a Professor of a University and I denounce it completely."

While supporting the decision, Prof. S. Mukherjee recorded the following observation :

"The reply of Prof. K.P. Deb to the chargesheet countered some of the charges levelled against him, although his letter contained some accusations against some colleagues which cannot be accepted."

4. To consider absorbtion of Sm. Sita Chhetri in the substantive post (Jr. Peon).

The Council considered its decision dt. 16.7.92 (Item No.40) regarding acquiring literacy by the incumbent and relaxation of the prescribed norms for the Grade IV Post.

Resolved that Dr. A.K. Sinha, Member of the Council be requested to talk to the candidate and submit a report regarding the level of literacy attained by her so that further action may be taken.

5. To consider framing of rules for granting leave to employees of the University for participation in meeting of the Panchayat Samiti etc. as elected members.

The Council felt that a comprehensive rule should be formulated regarding admissibility of leave to the University employees for participation in meetings of various elected/statutory authorities and also to decide the question of granting special leave for assisting in the public activities of such elected/statutory authorities.

Resolved that the following sub-committee be constituted to examine the issues and submit recommendation by 20.9.96 :-

1. Dr. M.M. Ghosh
2. Sri T.K. Bose
3. The Registrar - Convener

6. To consider the Screening Committee report against Sri Nirmal Das, Laboratory Assistant, Deptt. of Zoology for Carcer Advancement.

The report of the Departmental Committee of the Department of Zoology regarding several instances of dereliction and negligence of duties on the part of Sri Nirmal Das over the past few years was considered. Resolved that consideration of his application for Career Advancement be postponed for one year and this decision be communicated to him giving necessary reasons.

7. To consider preparation of fresh panel of Grade III and Grade IV casual daily-wage persons on the basis of earlier decision of the Council dt. 4.12.95, item No.52 and to consider further extension of tenure of the existing panels.

Resolved that the existing panel in Grade III and IV be extended by one year w.e.f. 31.8.96. Resolved further that the earlier decision of the Council dt. 4.12.95 (Item No.52) be held in abeyance and District Employment Exchange, Siliguri be informed that the names sponsored by it are not being considered at present.

8. To consider a recommendation of the Advisory Committee of Raiganj College (University College).

Resolved that the proposal of the Teachers' Council of the college for introduction of the Medicare Fund scheme be approved subject to legal opinion about the provisions, rules and regulations.

9. To consider report of the Sub-Committee for amendment of the Rules relating to leave of the University Employees.

Deferred.

10. To consider UGC letter No.F.1-35/84(NFE-1) dt. 4.7.96 regarding recognition of the Core-staff working in the Deptt. of Adult & Continuing Education as non-vocational Academic Staff.

The Council noted that it was not able to take decision at present due to non-receipt of the concurrence from the State Govt. for maintaining the posts on ceassation of the UGC assistance and the resulting uncertainity about the tenure of the staff. The UGC be informed as such.

11. To consider a note regarding non-compliance of certain requirements on the part of Dr. S.C. Basu, Reader in Economics regarding salary during study leave and report of work done during the period.

It was noted that the concerned teacher was required to refund to the University the amount of leave salary and allowances drawn by him during the period of Study Leave from 1.4.92 to 1.4.94 as per decision of the Council dt. 2.8.95 (Item No. Misc.4) in terms of Clause 14(xiii) of the leave rules. The matter was reconsidered, but the Council did not find any reason to modify its earlier decision. Resolved further that Dr. Basu be asked to submit the report of work done during Study Leave immediately.

12. To consider a letter received from Prof. A.K. Sikdar, Deptt. of Bengali regarding starting of a Departmental Library.

It was reported that proposals for Seminar Library have already been referred to the Faculty Councils.

13. To consider recommendation of the Departmental Committee of Bengali regarding qualifications for the post of Manuscript Reader in Bengali.

Resolved that the Department of Bengali be requested to opine regarding redesignation of the post of Manuscript Reader to that of Lecturer in Bengali subject to the condition that the incumbent to be appointed in that post should have expertise to look after the Manuscript Section, if any, of the Department. The Department may also consider shifting the Manuscripts to the A.K.M. Museum.

14. To consider the evaluation report for Ph.D. theses.

No report was placed.

15. To consider report of the viva-voce for Ph.D. theses.

Name of the candidate.	Name of the Supervisor	Title of the Thesis	Subject
Sri Debasis Dutta.	Prof. P.K. Sengupta, Deptt. of Pol. Science, NBU	"Politics of Reservation Policy and its Impact on the Political Process in India."	Pol. Science.

The Council considered the evaluation reports along with the reports of the viva-voce relating to the thesis submitted by the candidate and resolved that the candidate be admitted to the degree of Ph.D.

The result be published immediately.

16. To consider amendment of Ordinance 32(f)(as amended) relating to vocational courses.

Resolved that section 32(f) of the Ordinances relating to admission and enrolment of students for B.A./B.Sc./B.Com courses be amended in the following manner :

"32(f): A candidate may be allowed to take up Accountancy as Honours subject if he has passed in Trade and Commerce course in vocation stream at the qualifying examination."

17. To consider recommendation of the Undergraduate Council for Medicine and Dentistry dt. 16.4.96 (item No.3(ii) regarding revised rate of examination remuneration.

Resolved that the recommendation be referred to the State Government for approval and actual implementation will await the said approval.

18. To consider letter No.Estt./431/96 dt. 3.7.96 received from the Chairman, Cooch Behar Municipality, regarding revocation of gift land for the University B.T. & Evening College, Cooch Behar.

Resolved that the authorities of the Cooch Behar Municipality be requested to reconsider their decision and allow the college to retain possession of the plot of land for construction of the college building.

19. To consider recommendation of the D.Sc. Committee dt. 13.5.96 regarding application of Dr. J. Jhampati, Lecturer, Jalpaiguri Engineering College.

Resolved that the recommendation of the committee be approved and application for registration be regretted because the existing Ordinances for D.Sc. did not leave any scope to accommodate such a candidate. The Council felt that steps should be initiated to frame new Ordinances or amend the existing D.Sc. Ordinances so that the candidates possessing Ph.D. Degree in Engineering and Technology or in other streams may also be accommodated for registration for the D.Sc. Degree.

20. To consider a prayer from Dr. Amal Datta for prosecuting D.Litt. Research.

Resolved that the candidate be permitted to apply for registration for the D.Litt. Degree.

21. To consider creation of a post of Store-keeper for the Department of Zoology, NBU.

The Council observed the need for formulating a comprehensive policy regarding staffing pattern of teaching departments together with job specification of all the non-teaching staff of the University. Resolved that the following sub-committee be constituted for formulating a policy for consideration of the Council.

1. Dr. A.K. Sinha
2. Sri Manik Raha
3. Deputy Registrar - Convener

22. To consider a letter from the Employment Exchange, Siliguri regarding cancellation of the appointment of Sri Haridas Biswas, Technical Assistant Grade II in view of his past employment and to consider appointment of the selected candidate placed in Sl.No.2 of the approved panel. (Ref. Executive Council meeting dt. 10.7.96.)

A letter dated 19.7.96 received from the Employment Officer, District Employment Exchange, Siliguri was considered. The Employment Exchange directed the University to cancel the name of Sri Haridas Biswas bearing Sl.No.3 of the list of names sponsored by the Employment Exchange on 26.2.96 for the post. The letter confirmed the fact of previous employment on the part of Sri Biswas and also that he admitted guilty before the Employment Officer.

Resolved that the appointment of Sri Haridas Biswas which was approved by the Council on 10.7.96 (Item No.3) be withdrawn and cancelled. Resolved further that Sri Kalyan Roy who was placed in Sl.No.2 of the panel recommended by the Standing Committee and duly approved by the Council on 10.7.96 be appointed in the post of Technical Assistant Grade II in the prescribed scale. He will be on probation for one year. His salary will be fixed by the Executive Council.

23. To consider recommendation of the Advisory Committee meeting of Computer Centre held on 16.7.96.

Resolved that the recommendation be approved.

24. To consider Sl.No.6 of the 'Charter of Demand' submitted by the North Bengal University Employees' Association.

Noted that decision has been taken under item No.21.

MISCELLANEOUS ITEMS

1. Resolved that the recommendations of the Faculty Council for P.G. Studies in Arts, Commerce and Law dt. 1.8.96 be approved.

(Appendix-I)

2. An application of Sri Kalyan Kr. Ghosh, Lecturer (Selection Grade) in Political Science of Raiganj College (University College) for pre-mature retirement due to physical incapacity was considered. This application was recommended by the Advisory Committee of the College on 4.8.96. Resolved that the request of Shri Ghosh for pre-mature retirement be accepted and the same be made effective from 6.8.96.

3. Resolved that the decision of the Council dt. 11.7.96 (Item No. Misc.7) be modified to the following extent. The decision would be effective from 8.30 a.m. to 4.30 p.m. on all working days. For the rest of the period and on non-working days, the following persons (in order of priority) will be authorised to submit request for vehicles for medical attention of the Hostel Boarders at the North Bengal Medical College & Hospital.

1. Medical Officer, N.B.U.
2. Superintendents of Hostels, N.B.U.
3. Officer-in-Charge, Watch & Ward Department, N.B.U.
4. President/General Secretary of the N.B.U.S.A

Resolved also that the scheme will be reviewed after three months.

4. Sri D. Chakraborty mentioned certain unfortunate incidents of misbehaviour on the part of P.G. students to the University teachers during scrutiny of nomination papers and counting of votes for election of the NBU Students' Association and submitted the following note which was approved :-

"The Executive Council expresses its concern over the growing tendency for last one year or so, among some students, to use abusive xxxxxxx languages against teachers and others, including the Vice-Chancellor. The Executive Council in this context strongly condemnes the behaviour of some students who had abused and physically threatened the teachers at the time of scrutiny of nominations and counting of ballots during this year's Students' Association elections."

At this stage, the meeting was adjourned till 11 a.m. of 6.8.96.

Appendix – I

An excerpt from the proceedings of the meeting of the Faculty Council for Postgraduate Studies in Arts, Commerce & Law held on 1.8.96.

Item No. 2. To consider in detail the UGC circular No.11-4/92(pp-II) dated 17.5.96 regarding duration of First Degree Course and appearence of Private Candidates.

When the item came up for discussion, the Chairman put forward two broad ideas that emerged during the meeting of the Faculty Council for Science and Medicine. One point of view was that the present Two Year Pass Course Syllabai be extended to cover three year duration retaining the present Honours courses. The other was that environment studies as stipulated by U.G.C., a compulsory language paper and other vocational courses be introduce to extend the duration of the Graduation degree by one year.

Decision : Members after long deliberation opined in favour of three year under-graduate courses with composite syllabai and suggested restructuring the syllabai incorporating new subjects and droping one subject if needed.

Regarding abolition of private appearence, the members felt that considering social utility the present system of private examination be continued and some alternative avenues suggested by U.G.C. and possibility of introducing correspondence courses under the University be explored. The meeting also recommended setting up of a State Open University.

Item No. 3. To review the minimum qualifications for various teaching posts.

Decision : The members resolved that qualifications prescribed for appointment to the post of Lecturer in the sefvice of the University will not apply to those who were in service before 19.9.91 and are continuing.

However Dr. A.K. Ray, Head, Department of Commerce expressed his dissent (He will submit his note)

Noted.

3. To consider resignation tendered by Dr. Basudeb Basu, Reader in Chemistry from the post of Lecturer in Chemistry w.e.f. 17.7.96.

Resolved that the resignation be accepted.

4. To consider resignation tendered by Dr. B.P. Pradhan from the post of Reader in Chemistry w.e.f. 12.7.96.

Resolved that the resignation be accepted.

5. To consider the report of Type test for the following employees :

1. Sm. Madhumita De Sarkar
2. Sri Biswanath Jha
3. Sri Nipum Saha

It was noted that none of the three employees who are holding a

probationary period could qualify in the type test. They could not achieve even the bare minimum competence in typing.

Resolved that the probationary period of all three employees be extended by six months w.e.f. 4.8.96. Resolved further that if they fail to qualify in typing test with the extended probationary period, the question of further extension of their probationary period will have to be seriously considered.

6. To consider a memorandum from teachers and non-teaching staff, University B.T. & Evening College, Cooch Behar against the Principal of the college.

Several representations and resolutions from the Association of teachers, non-teaching staff and students of the college as well as from the MLA and other senior citizens of Cooch Behar were placed. A report containing 20 instances of irregularities, dereliction of duties, violation of the directives of the Vice-Chancellor, defiance of University authorities, insubordination and inaction on the part of Sri Nanak Bhattacharjee, Principal of the college was placed and considered. Resolved that this statement of charges be considered by the Advisory Committee of the college and, if necessary, the Principal be asked to submit written explanation within 10 days from the date of issue of the letter to him. The Vice-Chancellor be authorised to take further action on receipt of the reply or on expiry of time limit. The Council also considered a letter received from the local MLA regarding apprehension of irregularities over admission in the B.Ed. course for 1996-97 session which should have started from 1.7.96 as in other colleges. The Executive Council expressed its concern over such apprehension and felt that the admission should be made strictly as per norms, failing which stern action should be taken against those guilty.

7. To consider recommendation of the 63rd meeting of the Finance Committee held on 17.7.96.

Resolved that the recommendation be approved.

(Appendix-I)

9. To consider creation of a post of 'Store Keeper' for the Deptt. of Zoology.

The item was withdrawn as a decision was taken on an earlier item.

10. To consider application of 'duty leave' of Dr. Sanjay Kumar Ray, Lecturer (Sr. scale), Deptt. of Sociology & Social Anthropology for a period of 4 weeks w.e.f. 2.9.96 for the visiting fellowship at the centre for a Urban Economic Studies at Calcutta.

Resolved that Special Casual Leave for 20 days and the balance leave of 8 days under Rule-16 be granted.

11. To consider prayer from Dr. Ranju Rani Dhamala, Reader, Centre for Himalayan Studies for lien for two years with effect from Mid-August, 1996.

Resolved that Extra-Ordinary Leave with lien for one year w.e.f. date of release be granted subject to clearance of all dues.

12. To consider recommendation of the Advisory Committee of Raiganj College (University College) regarding promotion of the following teachers :

1.Dr. Samares Chaudhuri,Lecturer(Sr.Scale) to the post of Reader
2.Dr. Prabir Roy, Lecturer(Sr. Scale) to the post of Reader.

Resolved that the recommendation be approved and the teachers concerned be promoted to the post of Reader w.e.f. 19.12.95 and 6.12.95 respectively subject to the approval of State Govt. as required under relevant Govt. Orders. The proposals be sent to the State Govt. for approval.

13. To consider prayer for study leave for a period of three months w.e.f. 7.8.96 of Dr. B.C. Paul, Senior Research Asstt., Deptt. of Physics.

Resolved that the Departmental Committee be requested to give its categorical opinion regarding fulfilment of the basic condition for grant of study leave as provided for in Section 14(i) of the Leave Rules.

In this context, certain reports were placed regarding teaching work and examination assignments being given to some non-teaching employees attached to the academic departments by the Departmental Committee. The Vice-Chancellor was requested to take necessary steps so that these irregular actions and practices are stopped immediately. The Council also observed that in case of any specific problems of the teaching departments the issues may be referred to the Faculty Councils for consideration.

14. To consider a letter from the Head, Deptt. of Physics regarding specialisation for the post of Lecturer in Physics.

Resolved that the recommendation of the Departmental Committee be approved.

15. To consider the recommendations of the P.G. Faculty Councils regarding revision of minimum qualification for the post of lecturers.

Resolved that the recommendations of the Faculty Councils be approved and the decision of the Executive Council dt. 11.5.90 (item No.16) being modified to the following extent :

"On the basis of UGC's Circular No.F.1-11/95(PS) dt. 22.11.95, if a candidate was appointed on the recommendation of a duly constituted Selection Committee as Lecturer before 19.9.91 and is still working, he/she will be eligible to apply for a post of Lecturer without fulfilling the qualifications applicable for others. Further the requirement of 55% at the P.G. level will be relaxed to 50% marks for appointment as Lecturer to the candidates who have cleared the JRF examination conducted by UGC/CSIR only, prior to 1989, when the minimum marks required to appear for such examination were 50%."

16. To report that Dr. Basudeb Basu, Deptt. of Chemistry has joined his duties on 8th July, 1996 before expiry of his study leave.

Noted.

17. To consider nomination of three members on the N.B.U. Consumers' Co-Operative Stores Ltd.

The Council nominated the following persons for two years w.e.f. 6.8.96 :-

1. Prof. J.C. Debnath
2. Officer-in-Charge, Watch & Ward Deptt., NBU
3. Shri M. Raha

The Council also requested the committee which was constituted by it in the meeting dt. 27.1.95 (item No.11) to submit its report within one month.

18. To consider the opinion of the P.G. Faculty Councils regarding UGC's Ordinance on duration of Degree Course and abolition of Private Examination.

Deferred.

19. To formulate a policy regarding payment of honorarium to teachers of the University for taking classes in another subject in another Department.

The Council expressed its opinion that payment of remuneration or honorarium in such cases should be discouraged as a matter of

principle. The Council also noted that the University teachers seldom accepted any such payment for taking classes in other departments within the University in interdisciplinary subjects and that was the right kind of attitude.

20. To consider recommendations of the meeting of the Faculty Council for P.G. Studies in Arts, Commerce and Law held on 12.7.96.

Resolved that the recommendation be accepted.

(Appendix-II)

21. To consider recommendations of the Committee regarding guideline for appointment on compassionate ground for University Employees.

Resolved that the recommendation be accepted.

(Appendix-III)

Shri Bikash Ghosh requested the Vice-Chancellor to clarify the present position regarding representations submitted by some teachers for payment of leave salary to the teachers of affiliated colleges. The Vice-Chancellor stated that the matter was under active consideration of the State Government.

The Council expressed warm felicitation to Sri Sourav Ganguly and Shri Leander Paes for their outstanding performance in Cricket and Tennis respectively, particularly the spectacular performance of Paes at the Olympic Games where he won the Bronze medal in men's Tennis competition.

The meeting ended with a vote of thanks to the Chair.

6. Dr. T.K.Chatterjee, Registrar, N.B.U.
7. Sri P.C. Basu, Finance Officer

Sri P.K.Ghosh, Audit & Accounts Officer, attended the meeting as invitee.

1. To report that the minutes of the 62nd meeting of the Finance Committee held on 18.6.96 have been forwarded to the Executive Council for consideration.

Noted.

It was reported that minutes of the meeting of the Finance Committee held on 18.6.96 were forwarded to the members of the Finance Committee separately.

2. To consider a letter No. 38-Edn(U) dated 3.4.96 from the Joint Secretary, Higher Education Department seeking final decision/replies of the University on certain outstanding audit paragraphs of the A.G., West Bengal. The matter was placed in the Finance Committee meeting dated 18.6.96 which decided to consider it in a separate meeting of the Finance Committee. As desired in the meeting on 18.6.96, the entire file containing all relevant papers was sent to two Deans of the Faculty of Science and Arts, Commerce & Law for their information.

The audit paragraphs mentioned in the letter and earlier replies furnished to the Auditors on queries raised in the course of audit were discussed. It was noted that the Auditors did not amend/deletethe audit queries and did not even discuss the acceptability of the replies during audit and unfortunately reported the queries as audit paragraphs. However, the meeting reqeusted the Audit & Accounts Officer, who was scheduled to visit CAG office for other important and specific purposes, to discuss once again all these audit paragraphs and earlier

replies thereto with the concerned Audit Officer.

3. To consider the fixation of pay of Dr. Sunil Kar. Ojha Ex-Manuscript Reader, Bengali Deptt., N.B.U. in the revised scale of Rs. 1550-1530 w.e.f. 1.1.86 and Rs. 2200-4000 on his placement in the career advancement w.e.f. 1.4.89 on the basis of Registrar's note dated 19.6.96 as per option exercised by Dr. Ojha after a long time on 26.6.96.

The pay of Dr. S.K. Ojha was fixed at Rs. 2790/- as on 1.1.86 in the corresponding revised scale of Rs. 1550-3530 under pay revision of 1986 with DNI on 1.1.87. His pay was again fixed at Rs. 3200/- in the scale of pay of Rs. 2200-4000/- w.e.f. 1.4.89 with DNI on 1.4.90 because of Career Advancement given to him under revision of pay scale.

Confirmed for immediate action.

The meeting terminated with a vote of thanks to the chair.

Item No. 1. To confirm the proceedings of the meeting of the Faculty Council for Postgraduate Studies in Arts, Commerce & Law held on ~~12.7.96~~ 19.1.96

Decision: Confirmed, after correctins and modifications as pointed out by members.

Item No. 2. To consider a request from the Institute of Cost and Works Accountants of India to enroll qualified members of the Institute as a Ph.D. student.

Decision: Members considered different aspects of the ICWAI's request for making necessary provisions in the Rules of our university whereby the qualified members of the Institute may be considered for enrollment for Ph.D. degree. Members were of opinion that the contents of the courses offered by the Institute and

contd,....2/-

that by the Commerce department of this university are different. It was also felt that professional courses with lower entry qualification conducted by the professional bodies should not be equated with University education. Hence the request can not be honoured. Members further resolved to review the earlier decision taken by the university in respect of extending the same faculty to Charted Accountants. To this end the Faculty Council formed a review Committee with the following members:-

1. Dean, Faculty of Arts, Commerce & Law.
2. Prof. M.Desgupta, Department of Economics.
3. Dr. Ajit Ray, Department of Commerce.
4. Secretary, Faculty of Arts, Commerce & Law as Convener.

(Confirmed for immediate action)

Item No. 3. To finalise the admission norms for the ensuing academic session(1995-96) for Arts, Commerce & Law.

Decision: The Faculty Council decided that the sports quota for admission to the M.A./M.Com. courses be abolished and admission be made strictly on the basis of merit. It was decided further that if any department wants to introduce admission test for the students, this would be decided well ahead of the next academic session and be placed before the Faculty Council meeting.

Item No.4. To review the progress of the Long Run Academic Committee.

Decision: Progress of the LRAC was placed and discussed. It was resolved that LRAC would place its report before the Vice-Chancellor by 31st August, 1996.

Item No.5. To consider UGC circular No.11-4/92(pp-II) dated 17.5. regarding duration of first degree course and appearence of the private candidates.

Decision: The Faculty Council resolved that a copy of the UGC circular be made available to the members and the matter be discussed in detail in the next Faculty meeting.

contd.....3/-

Misc.Item No.1. To consider the order of the Supreme Court dt.22.11.91 regarding Environmental Education at P.G.level. 1

Decision: It was decided that syllabus recommended in this context be circulated to the Post-graduate departments under the Faculty, to facilitate discussion on the issues involved, in the next Faculty meeting.

Misc.Item No.2. To consider the amendments of the ordinance relating to Ph.D. degree.

Decision: Faculty Council resolved that a Ph.D. Regulation Review Committee be formed, with the following members, to go into the details of the matter.

1. Dean, Faculty of Arts, Commerce & Law.
2. Professor S.N.Ray, Dept.of Pol.Science.
3. Professor B.P.Misra, Centre for Himalayan Studies as convener

The Committee may also suggest modification of Regulations relating to D.Litt.

(Confirmed for immediate action)

In other miscellaneous items Dr.Ajit Ray, Head of the Department of Commerce raised the problem of accomodation in his department. In this connection, the Vice-Chancellor informed the house that he has already formed a standing committee to look into such problems.

Secretary reported to the Faculty Council that M.Phil. Committee in its meeting decided that M.Phil.examinations be held from 21st August except for Nepali Department. This is noted.

Appendix-III

Comprehensive guidelines for appointment on compassionate ground (applicable to University Employee).

1. Appointment against death in harness can be offered only against existing vacancy, and not by creating new post. The vacancy will be placed in the SC/ST roster as per Act.

2. Such appointment shall not be given normally unless the applicant possesses the minimum qualification prescribed for the relevant post.

3. Appointment on compassionate ground may be considered only if the deceased employee was confirmed in his substantive post in the University before his death.

4. In judging the eligibility of the applicant for such appointment, it has to be ascertained :-

   (a) whether the applicant depended solely on the income of the deceased employee and needs immediate assistance.

   (b) whether the purpose of helping the family of the deceased employee will be fulfilled by giving employment to the applicant.

   (c) whether the applicant has normal family relation with the deceased employee.

5. In case the minimum prescribed qualification is higher than the actual qualifications possessed by the applicant, for grade IV posts only, the case shall be referred to the Executive Council for final decision regarding appointment.

6. Successive appointment on compassionate ground may be considered from among the members of the same family provided the service in the University rendered by the deceased employee, who was employed on compassionate ground on earlier occasion, satisfies Cl.3.

7. Executive Council may allow the applicant to work as daily wage basis (for Class III & IV posts only) pending appointment in substantive post on compassionate ground provided Executive Council is satisfied that the family of the deceased employee is in dire need of some immediate regular financial assistance for its existance.

OFFICE OF THE UNIVERSITY ENGINEER
NORTH BENGAL UNIVERSITY

No. 3648/UE-418 Date 7. 8. 96

PROCEEDINGS OF THE SPECIAL MEETING OF THE BUILDING COMMITTEE HELD IN THE OFFICE OF THE VICE -CHANCELLOR, NORTH BENGAL UNIVERSITY ON 16.7.'96 AT 1.00 P.M.

The following members were present :-

1. Dr. R.G.Mukherjee, Vice-Chancellor, North Bengal University was in the chair.
2. Dr. B. Bhattacherjee, Dean of the +Faculty of Science, N.B. University
3. Dr. T.K.Chatterjee, Registrar, North Bengal University.
4. Sri Bimal Mondal, Executive Engineer, North Bengal Construction Division, P.W.D.
5. Mr. P. N. Basak, University Engineer, North Bengal University, Secretary Building Committee, N. B. University.

Dr. S.L.Dutta, Development Officer, North Bengal University and Sri S. Guha, Secretary, Employees Association, N.B.University and Sri S.C.Das, Secretary, Officers Association attended the meeting as invitees.

Item No. 1.

To consider the report of the expert committee on the incident of breaking down of front shade of the auditorium under construction .

Copies of the report were distributed to the members. Discussion was held on the basis of the statements submitted by the University Engineer on the observations in the report.

A. It is noted that the University Engineer's initial observation, submitted to the Vice-Chancellor on 10.6.96, w that "Main reason for such a failure is due to removal of few important props before the time" has been proved wrong by the report (vide para 4 of the conclusion).

B. Since the experts have opined that the structure failed as the concerned design was unsafe, discussion was made about the origin of the design. It was reported that the design, which was not complete for the purpose of starting construction, was submitted by architects M/s Ghosh Bose & Associates as f r back as 1977. It was also reported that this firm was not formally engaged by the University for this purpose. To the question as to why construction was started without making further reference to the firm, the University Engineer's reply w that there wa

pressure from the authorities to take up the work immediately for timely utilisation of Govt. grant. Some members felt that reference could be made even after commencement of work .

C. Attention was drawn to point 3 under the sub-heading "Documents Received" of the report which shows that "drawing containing the reinforcement details of the cantilever type front shade and side beam of projected slab at the gallery level" was prepared by the Office of the University Engineer. University Engineer explained that drawing under reference were based on the basic dimensions of the front columns, width of the beam and span of cantilever slab as given in drawing No. S_4 and S_6 of M/s Ghosh Bose & Associates. Some of the members were not satisfied with the explanation.

D. The University Engineer mentioned that drawing sheets No. S_4 & S_6 containing the section of columns and details of reinforcements prepared by M/s Ghosh Bose & Associates and handed over to experts by himself on 17.6.96 were not mentioned at all in the report.

E) The detailed reply of the University Engineer on the report of experts, submitted in response to Vice-Chancellor's order was placed in the meeting and was only partly discussed.

Decisions :-

1. The University Engineer be asked to give his reply to the question raised at C above .
2. Construction work of the auditorium should be started again only after getting the design suitably modified by some expert agency to ensure its full safety.

....contd p3

3. The designs prepared by the University Engineer's office, following which two other buildings namely Girls' Hostel for S.C./S.T. students and Extension of Guest House are being constructed, be got examined and certified by some agency.

Item No. 2. Miscellaneous :

Questions were raised about the implementation of certain decision of the earlier meetings of the Building Committee. Explanation and clarification were given by the University Engineer. On the point of a reported crack on the wall of the Hostel Building, University Engineer told that he had no information.

1. To confirm the proceedings of the meeting of the faculty council for P.G. studies in science held on 19/04/96.

   The proceedings were confirmed with the following changes:
   In the decision of item no. 2 the name "Zoology" be introduced. In the decision of item of no. 4(in the last but one line) council be read in stead of meeting.

2. To consider a letter from UGC [No. F.11-4/92 (CPP-II)] dt. 17th May 1996.

   After a long discussion the faculty council expressed two opinions: Some of the members were of the opinion to retain three year Honours course and to frame a separate three year degree course(other than Honours) in which vocational courses, courses on social services etc. could be introduced in the 3rd year. Some other members were of the opinion to introduce a uniform three year degree course in which provisions for taking a/relevant subject at the end of 2nd year) would be there. While discusing about the abolition of private examination, the faculty council felt that the system is very helpful to some sections of examinees. Pending that, private examination should continue. Hence, the faculty council recommended the opening of a State Open University and also introduction of correspondence courses by the University.

To consider report of the Enquiry Committee regarding a theft case in the University Guest House.

Resolved that the recommendation of the Guest House Advisory Committee on the report of the enquiry committee be approved and necessary action as recommended be taken. The Committee was also requested to implement other suggestions of the enquiry committee as far as practicable.

Item No. : 30

To consider amendments of Sec.1(V) and Sec 9 of chapter V of the Financial & Accounts Rules.

Resolved that the Amendments as noted below be approved.

The following paragraph be inserted after para-2:

"Provided further that where a University employee immediately before his promotion or placement or appointment to the higher post is drawing pay including one or more stagnation increments, such pay in the lower post shall be treated as the basic pay for fixation of pay in the higher post in accordance with para-2. Next increment in the new post shall fall due on completion of 12 months qualifying service. In case the pay so fixed exceeds the maximum of the scale, the employee will be deemed to have enjoyed the difference between the pay so fixed and the maximum of the scale as stagnation increment(s). Subsequent staganation increments, if any, shall be allowed subject to the ceiling of such increments as per Govt. Orders."

Section 9 of Chapter V is amended in the following manner :

The sentences in the paragraph except the first sentence be deleted.

Item No. : 31

To consider recommendations of the Faculty Council for P.G. Studies in Science dated 24.7.96.

Resolved that the recommendation be approved.

Item No. : 32

To consider recommendation of the Departmental Committee of Chemistry dated 7.8.96 regarding specialisation for the post of Lecturer in Chemistry vacated by Prof. B.P. Pradhan.

Resolved that the recommendation be approved.

Item No. : 33

To consider recommendation of the Screening Committee regarding Promotion of Non-teaching staff.

Resolved that the recommendation of the Screening Committee be approved and Sri Surajit Mazumder be promoted to the post of Sr.Superintendent in the prescribed pay scale w.e.f. 2.9.96.

At this stage, the meeting was adjourned till 12 noon of 3.9.96.

NORTH BENGAL UNIVERSITY

Minutes of the 65th meeting of the Council for Under-Graduate Studies in Arts, Science, Commerce, & Law held on 9. 8. 1996.

Members present

1. Professor R. G. Mukerjee, Vice-Chancellor (In the Chair)
2. Professor D. J. Bhowmik, North Bengal University.
3. Dr. J. B. Basu, Principal, P.D. Women's College.
4. Sri A. Basu, Principal, Siliguri College.
5. Sri T. K. Basu, Siliguri College of Commerce.
6. Dr. C. Chakravorty, North Bengal University.
7. Sri G. Sarkar, Principal, Siliguri B. Ed. College
8. Sri N. C. Pal, Principal, Sukanta Mahavidyalaya.
9. Sri T. S. Gupta, Balurghat College.
10. Dr. B. Pradhan, Principal, Kalyaganj College.

Inspector of colleges attended the meeting on invitation.

Item No.1. To report minutes of the 64th meeting of the Council held on 3. 7. 1996.

Decision : The minutes were confirmed with the following changes:

(i) In item no. 7 - the sentence starting with the words 'she prayed' be stopped after the words 'examination form' and then from the word 'Admit' a fresh sentence be started.

(ii) In item no. Misc. 8 the following be added between the words 'submit and 'reports'- "within one month".

Matters arising

(i) The Council while examining various aspects of admission to honours courses expressed the view that it would have been better if the scrutiny committee vide, Matters arising (i) dated 3.7.96 could have pointed out those colleges who had violated the horms of the University by way of admitting any number of students they liked to the honours courses. But at the same time it was felt that for undertaking such an exercise,

Contd.....P/2.

the intake capacity of the colleges to various honours courses depending upon their infrastructure should be fixed by the University.

The Council then decided that the Inspector of colleges be requested to submit a working paper on this matter in the next meeting.

(ii) Regarding item no. 3, the Vice-Chancellor reported to the Council that as recommended by the Under-Graduate Council a meeting with the members of the Governing Body of Jalpaiguri Law College took place on 9.7.1996 under the Chairmanship of the Vice-Chancellor. The meeting recommended that the College be allowed to proceed with the admission to Preliminary Law subject to final approval of the Bar Council of India and that the B.C.I. be requested to defer by one year the implementation of its rules. The members of the Governing Body assured that within one year they would be able to appoint required number of full time teachers.

The Executive Council in its meeting dated.11.7.96 approved the recommendation and accordingly the college was allowed to admit students in Preliminary law for the session 1996-97 subject to final approval of the B.C.I. and the B.C.I. was requested to postpone implementation of its rules by one year specially for this college.

The members felt that constant monitoring by the University was necessary so as to ensure that necessary steps were taken as promised by the members of the Governing Body and the crisis was over within the current academic year.

Item No.2.To consider the U.G.C. circular No. F.11-4/92(CPP-II) dated 24. 4. 1996 regarding First Degree Education in Colleges.

According to the U.G.C. Regulations on the minimum standards of instructions for the grant of First Degree through formal and non-formal education, degree course must be of three years duration.

Contd.....P/3.

The Regulations stated further that no private candidate should be permitted to appear for University examination.

Decision: The Council examined all the aspects of the matter and recommended as under :

(i) The conversion from 2 year to 3 year degree course be made effective from 1997-98 academic year.

(ii) There would be two courses simultaneously-Honours and General.

(iii) To facilitate this change, thorough restructuring of the existing syllabi might be necessary. The contents of the present syllabi might be stretched, new components like environmental education might also be incorporated.

The Council at this stage took up the matter under item no. 7 and observed that it would not be wise to compel students of every discipline to study environmental Science since that would only overburden them and would hamper their basic studies. The Council suggested to explore the possibilities to introduce this as non-examination subject.

About private appearance in the University examinations the Council desired that the U.G.C. be requested to rethink on this matter and allow continuation of private examinations keeping the social need and reality in mind.

The members felt that the distance education would be comparatively more expensive. However, they suggested that the real scope for correspondence course should be explored and steps be taken to establish a State Open University.

Item No.3. To consider report of the Sub-Committee constituted by the Under-Graduate Council on 19.12.1994 to prepare a draft Constitution for the Students' Unions of Colleges.

Decision: The Draft as prepared by the Sub-Committee was placed. The Council resolved that the same be recommended to the Executive Council for consideration and further action.

Contd.....P/4.

The Council resolved further that the Executive Council be requested to examine whether the provisions in the Ordinance relating to tenure of studentship should be reviewed in keeping with the required continuity of the Students Union.

Item No.4 To consider an inspection report regarding starting of a degree college in Pharmaceutical Science at Deorali, Gangtok.

Decision: The Council considered the inspection report and resolved that the proposal be considered after a report was received on the fulfilment of conditions laid down in the report.

Item No.5. To consider Interim Report of the Examinations Reforms Sub-Committee formed by the West Bengal State Council of Higher Education.

Decision: The Council while resolving to accept the recommendations observed that although 'on the spot evaluation' was highly desirable to ensure timely publication of results, for execution of such a plan presence of teachers is required to be made compulsory. The scheme also involves considerable expenditure. However, the Council decided to take efforts from the current year to make ** spot evaluation a success.

Item No.6. To consider Interim Report of the Academic Calendar Sub-Committee formed by the West Bengal State Council of Higher Education.

Decision: The Council resolved that the same be accepted with the following observations :

a) Puja vacation be reduced;

b) So far as North Bengal University was concerned, practical examinations of Under-Graduate Honours Course are held in the University and as much there are certain difficulties in adjusting with the proposed accademic calendar in this respect.

Item No.7. To consider introduction of environmental education as a compulsory subject at the Under-Graduate level as per order of the Supreme Court.

Discussed under item no. 2.

Contd...P/5.

Item No.8. To report that as recommended by the Standing Sub-Committee and directed by the Vice-Chancellor permission was granted to Darjeeling Government College and Siliguri College of Commerce to open Computer Centres at their colleges.

Decision: The Council approved the action taken as directed by the Vice-Chancellor.

Item No.9. To report tat as per order of the Vice-Chancellor, Sikkim Government College, Balurghat College, Alipurduar College and P.D.Women's College were accorded approval of the University to start Vocational Courses in Tourism & Travel management, Archaeology & Museology, Computer Application and Tourism & Travel management respectively.

Decision: The Council approved the action taken as per order of the Vice-Chancellor.

Item No.10. To consider recommendation of the Sub-Committee on Physical Education constituted by the West Bengal State Council of Higher Education.

The Sub-Committee on Physical Education recommended that the University and colleges which have qualified and adequate faculty for Physical education and sports should offer physical education/sports as one of the optional subjects which the students can offer at graduate level at par with any other subject.

Decision: The Council resolved that the recommendation be accepted.

Miscellaneous items

Misc.1. Recommendations of the meeting of the Board of Under-Graduate Studies in Physical Education with regard to panel of names of paper-setters, Moderators, Examiners etc. in connection with the B.P.Ed. examination, 1997 were placed.

The Council resolved that the same be approved.

(Confirmed for immediate action)

Contd.....P/6.

Misc. 2. One Smt. Aparajita Sarkar who as stated in her application had appeared in the B.A.pass examination from Siliguri Mahila Mahavidyalaya Centre in 1995. On account of her physical indisposition she failed to appear in the Additional Compulsory Bengali on the scheduled date and later took the said examination with the B. Sc. students from Siliguri College Centre. The University marked her absent in the Additional Compulsory examination and as a result she failed. Now, she prayed for consideration of the examination which she took with the B. Sc. students.

Decision : The Council regretted its inability to grant the prayer.

Misc.3. In response to a letter from the Inspector of Colleges, preliminary information as received from the Organising Committee of the proposed Kamakhyaguri College were placed before the Council.

The Council resolved that the Inspector of Colleges be requested to cause an inspection and report to the Council.

(Confirmed for immediate action)

Misc.4. It was reported to the Council that a proposal has been received for examining feasibility of starting a college at Mekhliganj.

The Council resolved that the Inspector of Colleges be requested to cause an inspection and report.

(Confirmed for immediate action)

Misc.5. The Director, National Institute of Educational Planning & Administration in a letter to the Vice-Chancellor requested him to nominate two Principals to participate in the orientation programmes to be organised from 15th September to 4th October, 1996. The Vice-Chancellor placed the matter to the Council.

Decision: The Council suggested the name of Dr. B. Pradhan, Principal, Kaliyaganj College and requested the Vice-Chancellor to nominate another person from amongst the relatively new Principals.

(Confirmed for immediate action)

Misc.6. A note from the Deputy Controller of Examinations containing the following proposals was placed.

(i) Subject statement and enrolment forms from the colleges should reach the office of the Controller of Examinations by January every year.

Decision: The Council while approving the proposal also suggested that at the time of sending the Registration forms, subjects offered by the students would be mentioned and no change would be allowed thereafter.

(ii) Scripts undistributed at the Examiners meeting may be sent to the Chairmen/Co-ordinators for onward distribution among suitable examiners.

Decision: The proposal was approved. Some members suggested that some advance may be paid to such Chairmen/Coordinators for executing the task. The Council accepted the suggestion.

The Council suggested further that the Zonal Coordinators (for organising visiting teams) may be involved in this exercise.

(iii) A Monitoring cell may be set up to help in the evaluation work and to review the progress of evaluation work.

Decision: The Council approved the proposal and constituted a Monitoring cell with the following members:

a) Dr. Chandrasekhar Chakravorty.
b) Sri Gopal Sarkar.
c) Sri Tapas Basu.
d) Dr. J. B. Basu.
e) Sri Tarasankar Gupta
f) Deputy Controller of Examinations (Convener)

(iv) Three year L.L.B. examinations for Jalpaiguri Law College centre scheduled to be held in the month of November may be arranged at Jalpaiguri Law College instead of North Bengal University Campus.

Decision: The Council considered the matter thoroughly and approved the proposal.

(Confirmed for immediate action)

Contd.....P/8.

Misc. 7. A note from the Registrar was placed. It has been stated in the said note that the Bar Council of India Rules Part IV stipulates the course of instruction for Part II of the Study of Law which among other subjects, includes Practical Training in the following manner:

"Six months instruction which shall include court visits, documents, rules of courts, exercise in drafting, pleadings, work at Lawyers' chamber and attendance of professional Ethics Lecture.The student shall be required to pass an examination to be conducted by the University concerned." The Bar Council of India also prescribed the detailed syllabus for the Practical training.

The Registrar requested to place the matter before the Under-Graduate Council for consideration.

Decision: The Council resolved to recommend implementation of the same in North Bengal University Law College and Sikkim Law College from the current academic session.

Misc.8 A letter from Dr. A.P.Das, Chairman Board of Under Graduate Studies in Botany was placed. Dr.Das in his letter drew attention of the Vice-Chancellor to a very awkward situation he has been confronted with due to declining of examinership by three external examiners in connection with B.Sc. (pass) practical Examinations and sought advice and remedial measures.

Decision : The Council resolved that names of those examiners be collected and explanations be sought and then appropriate steps would be thought of.

(Confirmed for immediate action)

Misc.9 A request from the Principal, Malda College for extension of dates of admission to 1st year B.A/B.Sc./ B.Com courses by 15 days was placed.

Decision : The Council expressed regret.

(Confirmed for immediate action)

There being no other business the meeting ended with a vote of thanks to the Chair.

DO No. F. 11-4/92 (CPP-II)

April 24, 1996.
17 May 1996

Dear Sir,

As you are aware, the U.G.C. Regulations on the minimum standards of Instructions for the grant of First Degree through formal and non-formal education in the faculties of Arts, Humanities, Fine Arts, Music, Social Sciences, Commerce and Sciences (copy enclosed) provides that :

FORMAL EDUCATION

"2. Admission / Students

(1) No student shall be eligible for admission to the 1st Degree Course in these faculties unless he has successfully completed 12 years schooling through an examination conducted by a Board/University. The admission shall be made on merit on the basis of criteria notified by the Institutions after taking into account the reservation order issued by the Government from time to time.

(2) Student enrolment shall be in accordance with the number of teachers and physical facilities available.

(3) No student shall be eligible for the award of the first degree unless he has successfully completed a three year course; this degree may be called the B.A./B.Sc./B.Com. (General/Honours/Special) degree as the case may be :

Provided no student shall be eligible to seek admission to the Master's Course in these faculties, who has not successfully pursued the first Degree Course of three years' duration.

Provided further that as a transitory measure where the universities are unable to change over to a three year degree course, they may award a B.A./B.Sc./B.Com. (Pass) degree on successful completion of two year course, but that no student of this stream shall be eligible for admission to the Master's course unless he has undergone a further one year bridge course and passed the same. The three year degree course after 10+2 stage should in no case be termed as B.A./B.Sc./B.Com. (Pass) degree."

NON-FORMAL EDUCATION

" 2. Admission / students

(1) No student shall be eligible for admission to the 1st Degree Course through non-formal / distance education unless he has successfully completed 12 years schooling through an examination conducted by a Board/University. In case there is no previous academic record, he shall be eligible for admission if he has passed an entrance test conducted by the University provided that he is not below the age of 18 years on July 1 of the year of admission.

Contd. ... P/2

(2) No student shall be eligible for the award of the first degree unless he has successfully completed a three year course; this degree may be called the B.A. / B. Sc. / B. Com. (General / Honours / Special) degree as the case may be.

Provided that no student shall be eligible to seek admission to the Master's Course in these faculties, who has not successfully pursued the first Degree Course of three years duration.

Provided further that, as a transistory measure where the universities are unable to change over to a three year degree course, they may award a B.A./ B.Sc. /B.Com. (Pass) degree on successful completion of two year course, but that no student of this stream shall be eligible for admission to the Master's course unless he has undergone a further one year bridge course and passed the same. The three year degree course after 10+2 stage should in no case be termed as B.A./B.S.Sc./B.Com. (Pass) degree."

The matter regarding validity of one-sitting degree course equivalent to three-years degree course has been under the consideration of the Commission, on receipt of number of reference from individuals and other quarters regarding the one-year degree course (one-sitting) being offered by a few universities in the country which is violative of the above regulations.

The Commission in its meeting held on 20th March, 1996 considered the recommendation made by the Committee appointed by it to consider the matter regarding validity of one-year degree course (one-sitting), equivalent to three-years regular course of first degree and decided as under :

1. According to the UGC Regulations of minimum standards, both formal and non-formal degree courses must be of three years duration.
2. The Undergraduate programme has been generally accepted as a three year programme in most of the universities. However, it was noted that in some States, the Universities offer a two-year degree course after + 2. However, such students are not eligible for admission to the Master's degree programme.
3. It was desired that the U.G.C. regulations of minimum standards for formal as well as non-formal education be circulated to the universities for compliance.
4. It was decided that the requirement for a three-year degree course should also be notified.
5. No private candidate should be permitted to appear for an examination.

I shall be grateful if you would kindly ensure that the above decision of the Commission as well as the UGC regulations on the minimum standards of instructions for both formal and non-formal are scrupulously followed by your university and the practice of private appearance of candidates in the degree examination as well as of offering one-sitting examinations are stopped, with immediate effect.

With regards,

Yours sincerely,

OFFICE OF THE INSPECTOR OF COLLEGES
NORTH BENGAL UNIVERSITY

Ref. No. 170/Prop/Insp-96 Dated : 2nd July, '96.

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report regarding starting of a degree college in Pharmaceutical science at Five ways, Deorali, Gangtok.

In response to a request from the Secretary, Rhenock Educational Society, Gangtok vide letter 479/95(ii) dated 21. 9. 95 regarding permission to start a degree college in Pharmaceutical Science at Gangtok from 1996-97 academic session, the Vice-Chancellor permitted an Inspection team comprising Professor (Mrs) Malaya Gupta, Department of Pharmacy, Jadavpur University, Professor Biswanath Bhattacharjee, Dean, Faculty of Science and Inspector of Colleges to visit Gangtok on 29th May 1996 to examine the feasibility of starting a college to teach B. Pharm degree course and also to inspect the infrastructure raised by the society in this regard. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

1. The Rhenock Education Society, which is running a degree college at Gangtok since 1994-95 academic session is also running a diploma course in pharmacy duly approved by pharmacy council of India (PCI) and All India Council for Technical Education (AICTE). The existing pharmacy institute has eight teachers of which only two have M. pharm degree. The rest are only B. pharm graduates. The majority of the students are from Assam, West Bengal and other North-East states. There are hardly two or three sikkimese students in the two year diploma course. The students are required to pay tution fee in the range of Rs. 14,000/- Rs. 15,000/- per annum. The Society had submitted a phasewise developmental scheme for the perusal of Inspection team. The plan, however, has not been worked out well. Priorities and placements have not been shown properly in the construction plan. It will have to be redone by a graduate architect in consultation with a senior pharmacy teacher. The Society, unfortunately does not have a competent person to visualise and plan the course and developmental work associated with it. In view of this the Inspection team is of the opinion that atleast two senior teachers, preferably superannuated or retired, will be required initially to plan the course and develop the college.

Contd. ... 2/-

2. The Society is desirous of admitting sixty students every year. This means in a full fledged four year B. Pharm course the Society proposes to have 240 students. The Society has given an offer to the Government that it will extend free coaching facilities to five Government nominees every year which the Government has accepted.

3. The core subjects of pharmacy degree course are : Pharmaceutics, Pharmacology, Pharmacognosy and Pharmaceutical Chemistry. In case the University permits the starting of a degree college in Pharmaceutical Science, the Society will have to appoint two senior teachers with each having ten years teaching experience in PG & UG level in atleast one of the core subjects mentioned above.

4. The four year B. Pharm course is quite extensive. Besides the core subjects, a student has to study subjects like technical English, Physics, Mathematics and Pharm Engineering. A student is required to appear in 42 theory papers and 18 practical tests in a span of four years. On an average every year an examinee is expected to appear in atleast ten theory papers and 4 practical tests. Moreover in the fourth year each student is required to do dissertation work. Needless to say the planning of such exhaustive course is not an easy task. The college, in a span of four years, will require a minimum of 16 full time teachers with M.Pharm/M.Sc./Ph.D. Degree to do bare justice to the course.

Duly qualified teachers will have to be appointed by constituting a proper selection committee. At present there are two teachers with M.Pharm qualification at the Himalayan Institute of Pharmacy and they are teaching diploma course. These teachers could be allowed to teach B.Pharm course provided the selection committee finds them suitable to do the job. However, senior superannuated or retired teachers from other universities could be appointed as per University rules but for new entrants screening through a selection committee is a must and only candidates possessing first class at M.Pharm level with basic degree in pharmacy should be clled for interview. There is no NET or SLET examination for pharmacy students. They yearly requirement of teachers has been worked out after taking into account the syllabus of each year. The details are given below.

Contd. 3/-

First year :

Qualification	Number of teachers required.
1. M. Pharm with pharmaceutics as special paper.	1
2. M. Pharm with pharm biology as special paper or M. Sc. (Physiology) with NET/SLET	1
3. M. Pharm with pharmaceutical Chemistry as special paper.	1
4. M. Sc. (Mathematics) with NET/SLET qualified.	1
5. M. Sc. (Physics) with NET/SLET.	1
	5

Besides, services of three part time teachers would be required to teach Technical English, Engineering drawing and computer programming. An M.A. in English literature, a Mechanical Engineer will have to be approached to teach these subjects. Since computer programming has been recently introduced at M. Pharm level in different Universities a recently qualified M. Pharm candidate will also be able to teach numerical methods and computer programming. The Secretary of the society was, however, confident that services of a college teacher, Engineers of the State Government and officials of 'Sikkim computers' will be available on request. Might be, but it is a moot point whether such help will be forthcoming without much interruption. Thus in the first year itself services of 5 full time and three part time teachers will be required.

Second year Qualifications :	Number of teachers required.
6. M. Pharm with Pharmaceutical Chemistry as special paper.	1
7. M.Pharm with Pharm Engineering as special paper.	1
8. M. Pharm with pharmaceutics as special paper.	1
	3

The help of an official with MBA degree will be required to teach Industrial management on Part-time bais.

Third year.

Qualification	Number of teachers required.
9. M. Pharm with pharmaceutics as special paper.	1

Contd. ... 4/-

10. M. Pharm with pharmacology as special paper.	1
11. M. Sc. (Bio-Chemistry) with NET/SLET	1
12. M. Pharm with pharmacognosy	1
13. M. Pharm with pharmaceutical Chemistry as special paper.	1

The students are required to be taught Forensic Pharmacy in third year. No separate hand is necessary for this subject. A M. Pharm candidate with pharmaceutics as special paper could do the job.

Fourth year :

Qualifications.	Number of Teachers required.
14. M. Pharm with pharmaceutics as special paper.	1
15. M. Pharm with pharmacognosy as special paper	1
16. M. Pharm with pharmaceutical Chemistry.	1
	3

It is thus seen that 16 full time and 3 part-time teachers will be required to manage the four year B. Pharm course. The number suggested is bare minimum. In fact a teacher is not expected to supervise the dissertation work of more than two students at a time. The Society will be expected to show in position the number of teachers suggested before the commencement of course each year.

5. The teachers will have to be paid AICTE/UGC scales. The senior teachers who would be appointed on contract basis might have to be paid more. The Inspection team learnt that at present facilities of Provident fund is not available to the teachers of Diploma Course. The Society will have to chalk out a clear cut policy on P.F. and retirement benefits.

6. The Society will have to keep an endowment fund of atleast Rs. 10.00 lakh to meet atleast partly the recurring cost of running the course. The amount will have to be kept either in favour of the Society or proposed college, not in the name of any individual. It was seen from records that a sum of Rs. 1.00 Lakh was kept in fixed deposit in the name of Shri H.P. Chhtri in SBI for a period of six months and the same has matured in April, 1996. The Society does not seem to have any endowment fund at present. The Inspection team did not get a clear picture of finance from the records submitted by the Society.

Contd. 5/-

The Secretary, however, told the team that expenses of running B.Pharm course will be met from the revenue it will receive from the students. In other words the Society is proposing a self financing Institution. However, in absence of a reasonable corpus fund the development plan of the Society could receive a jolt. More so, when the project is as ambitious as a full fledged B. Pharm course.

7. The Government of Sikkim has approved the following fee structure for B.Pharm course.

Fee details	1st Year	2nd Year	3rd Year	4th Year
1. Admission, Tution fee etc	Rs. 15,000/-	Rs. 16,000/-	Rs. 17,000/-	Rs.22,000/-
2. Study tour, games and sports.	Rs. 2,500/-	2,500/-	Rs. 2,500/-	Rs. 2,500/-
3. Transport fee	Rs. 1,000/-	Rs. 1,000/-	Rs. 1,000/-	Rs. 1,000/-
4. Caution deposit (Refundable)	Rs. 1,000/-			
	Rs. 19,500/-	Rs. 19,500/-	Rs. 20,500/-	Rs.25,000/-

The Society does not have a transport service of its own, still a sum of Rs. 1,000/- has been shown as transport fee. Moreover, the fee structure approved by the Government is more than the fee schedule prescribed by AICTE for no grant -in-aid institutions in its publication 'Norms and Standards for pharmacy Institutions', October, 1990. The AICTE has prescribed a fee of Rs. 10,000/- per annum. There is no difference in the fee pattern of students of different years. The Government of Sikkim has, however, approved different fee structure for different years. It is not known whether the fee structure has been revised by the AICTE subsequently. In order to run the courses smoothly accommodation of the students in the college hostels (girls and boys) of its own is a prerequisite for approval of the course. Depending on the location of the college and Hostels the requirement for the transport facilities may be taken into account before the approval is granted.

8. After making concession for free coaching to twenty Government nominees and considering the fee structure approved by the Government the full fledged pharmaceutical degree college is expected to earn an annual revenue of Rs. 46.75 Lakh from 240 students against which the expenditure in the fourth year is not likely to be more than 26.26 lakh. The break up of expenditure as submitted by the Secretary of the Society is given below.

Contd. ... 6/-

Item of expenditure	Anticipated annual expenditure
1. Salaries, allowance, benefits etc. of teaching staff.	Rs. 20,96,000/-
2. Salaries of technical supporting staff.	Rs. 1,80,000/-
3. Salaries of non-teaching staff.	Rs. 1,50,000/-
4. Training cost	Rs. 25,000/-
5. Maintenance of equipment and buildings.	Rs. 50,000/-
6. Library	Rs. 50,000/-
7. Miscellaneous contingencies	Rs. 30,000/-
8. Others	Rs. 25,000/-
	Rs. 26,26 Lakh.

The problem, however, will be in the initial stages. During the first year the proposed college will not earn more than Rs. 10,72,500/- and the entire amount, as per expenditure schedule submitted by the Society, is likely to be utilised in payment of salaries, development of library and other contingent expenditure. It is, therefore, not clear how the proposed college is going to meet the cost of construction of new building and laboratories although the Society has shown construction expenditure of Rs. 10.00 Lakh every year for a period of four years from the date of commencement of the course. The situation might be a little better in second year when the Society would be in a position to divert some money for construction. However, all this is based on the assumption that the college would get sixty students every year. Incidentally, the expectation of the Society regarding enrolment did not come true in case of the Degree College

9. The State Bank of Sikkim vide its letter dated 19. 1. 96 has given a certificate that Rhenock Education Society has a sound financial position to meet the establishment expenses of degree college in Pharmaceutical Sciences but it has not mentioned the actual balance or fixed deposits available with the bank. The Inspection team is not in a postion to make any positive recommendation on such certificate.

10. The Society proposes to utilise the infrastructure of the existing diploma course for the first two years. The present building is already housing the diploma course in pharmacy, Degree college and even National open school. The authorities might be in a position to squeeze in the first year class of B. Pharm course by adjusting the timings of different classes but from second year onwards the B. Pharm classes will have to be conducted in a new building. The existing laboratories are small and are not in a position to accommodate thirty students at a time for practicals. As per norms the

Contd. ...7/-

practical batches of Pharmacy course should be of thirty students. Small batches would increase the workload. The Society will have to provide a well illuminated hall with accommodation for thirty students to conduct practical classes of Engineering drawing. Besides, the authorities will have to provide tables, drawing boards of standard size and T squares. The existing building where diploma course is taught does not have any such facility. The students will need the help of a Mechanical Engineer experienced in Machine Drawing.

11. The Instruments are adequate to start the course. Most of them are, however, lying unused. More equipment would be needed in future as per demand of the syllabi. The details of such instruments would be provided in due course. The Society will have to think of buying a gas plant. Cylinders are no substitute for Gas Plant.

12. The students of B.Pharm degree are required to take training atleast for a period of eight weeks in a Pharmaceutical Industry. The Society has neither identified nor signed any MoU with any such Industry/Factory. The training Centres will have to be selected carefully in consultation with some senior teachers.

13. The Society has submitted a certificate from Additional District Collector, Gangtok that it is in possession of two pieces of land at sixth mile stone, Tadong. The Certificate does not mention area and plot number. The sale deed documents are also not enclosed. It is, therefore, not clear whether the two pieces of land mentioned in the certificate are the same which have been cited as site for D.S.Degree College.

14. The books relating to Diploma in Pharmacy course are kept in a small room. There are not many titles. Some of these books are useful for degree course also but the library is not well equipped. The Society will have to provide a spacious room for library in the very first year. Text books of different core subjects, Physics, Mathematics and English will have to be purchased and a sum of Rs. 1.00 lakh will be quite a modest amount as initial investment. The sponsors should know that dissertation is an important component of Pharmacy Education and the library should be in a position to provide update information. A few standard Journals and current contents on Diskettes with abstracts (CCoD) in Life Science section (J-1200) will be needed to keep the library upto date.

Contd. .. 8/-

The present in-charge of the library is not a qualified librarian. The Society will have to appoint a qualified librarian if the University permits them to introduce B.Pharm Course.

15. There are four laboratory assistants and two laboratory technicians to assist the practical classes of existing Diploma course. The number of laboratory staff required in a particular laboratory will have to be in accordance with the norms fixed by AICTE. Generally for each laboratory one lab. Assistant and one lab. attendant will be necessary but in Pharmaceutics and pharmaceutical chemistry a second post of attendant is desirable. Duly qualified technicians will be needed mainly in microbiology and Biochemistry laboratories. The technicians will be required in connection with running, maintenance and upkeep of equipment and instruments. The choice of proper technician is therefore, very important and interviews for the posts of technicians should be held in presence of a person who is well conversant with the working of the instruments.

16. The Society, however, would be able to manage the official work of the proposed Pharmacy College with the help of existing office staff of the Diploma Course. A clear pattern on office staff could be worked out later.

17. Since the University does not have a Pharmacy Faculty of its own, the Board of Studies of Pharmaceutical Science will have to be constituted mostly by teachers of other Institutions/ Universities. The proposed college would be required to follow the syllabus that will be framed by the affiliating University till a uniform syllabus of AICTE for B.Pharm course is brought out.

18. In some Universities the Pharmacy course has a separate Faculty and in some it is clubbed with Engineering Faculty. Since it is the AICTE which monitors the course at National level it would be perhaps appropriate if the course is grouped with the Engineering Faculty.

19. The AICTE has given a model constitution of the Governing body for Private Technical Institutions. The Proposed college will have to constitute a G.B. in conformity with the pettern suggested by AICTE.

20. To sum up, the Rhenock Education Society, Gangtok is desirous of starting a degree college in Pharmaceutical Science but it does not have expert guidance to plan the course at the moment. The developmental plan submitted by the Society

Contd. ... 9/-

needs thorough revision. The Inspection team is of the opinion that it would be difficult to plan a degree course in Pharmacy without any expert guidance. Moreover, the Society does not have the requisite capital and enough land at present to implement its plans. The Society expects to meet its developmental expenditure from the revenue it is likely to receive on commencement of the course. This is not a very sound approach atleast from the academic point of view. It will retard the pace of the development. There could be teaching problem in the mid-session and shortage of funds could even lead to delay in payment of salary of the teaching and non-teaching staff of the proposed college. The slow progress of the affairs of D.S. Degree College is a case in point. In view of all this it is proposed that the University may consider the request of the Society on compliance of the following conditions.

i) A revised plan for phase wise development should be prepared by a graduate architect in consultation with a senior teacher of Pharmacy. The plan should be submitted to the University for scrutiny.

ii) The details of the area, plot number etc. of the land that would be utilised exclusively for development of the college should be communicated.

iii) The funds for initial phase of construction and an endowment fund of atleast Rs. 10.00 lakh should be at the disposal of the Society before the commencement of the course.

iv) The inspection team was not in a position to assess correctly the financial position of the Society and its monthly disbursement on salaries and other recurring expenditure in running the Diploma Course. This, if the Society agrees, could be looked into by a different team.

v) The present infrastructure of the Diploma course is just not adequate to accommodate the laboratory/ engineering drawing classes for the first year of B. Pharm degree course.

vi) The process of selection of two senior and three junior teachers should be over before the commencement of the course.

Contd. 10/-

(vii) A qualified librarian with minimum B.Lib. degree would be needed to manage the library. A sum of Rs. 1.00 lakh should be earmarked for development of the library.

(viii) The Society should frame the service rules for its staff and spell out clearly the service benefits it would like to offer to its staff. A copy of the same may be forwarded to the University for perusal and suggestions.

(ix) The approval of the AICTE to run the course.

Interim Report of the Examination Reform Sub-Committee

The Examination Reform Sub-Committee was formed by the W.B. State Council of Higher Education in its meeting held on 8. 3. 96. The Sub-Committee consists of :

(a) Vice-Chancellors/Director of Universities/Deemed Universities of West Bengal.
(b) Teachers/Officers nominated by the Vice-Chancellors
(c) Prof. Prasanta Kr. Ghosh
(d) Dr. N. Saha
(e) Prof. Anil Bhattacharya (nominee of WBCUTA).
(f) President, W.B. Council of H.S. Education
(g) Secretary, Higher Education and DPI Govt. of W.B.
(h) Prof. P.R. Ghosh
(i) Nominee of Secy., WBCUTA.

The Sub-Committee has met twice, on 22.4.96 and 10.6.96.

In addition, Member-Secretary held a meeting with representatives of All Bengal Principals' Council, whose opinion, submitted in writing, has been considered by the Sub-Committee. The Sub-Committee has also considered a report prepared at an 'Examination Refrom Workshop' conducted by W.B.College and University Teachers' Association. The Sub-Committee makes the following recommendations :

(a) Ensuring proper record of students' attendance and communicating actual figures to university authorities. The universities should also be alerted in this regard.

(b) In order to integrate examinations with the teaching - learning process, questions should be set from entire syllabi, without discarding topics on which questions were set in the previous year.

(c) The time-schedule of holding examinations and evaluation of scripts should be shortened by eliminating or reducing unreasonable time-gaps.

(d) Bio-data of all college teachers should be collected and subjectwise panels of examiners should be prepared.

(e) The collection and distribution of answer-scripts should be decentralised and conducted from zonal centres. However, scripts from different zones must be interchanged before distribution. This recommendation applies to Calcutta, Burdwan and North Bengal Universities.

Contd. P/2

(f) Efforts should be made to avoid home centres for all U.G. examinations except Pass Practicals. The Sub-Committee further recommends that Pass Practical Examinations, as they are held now, should be discontinued. Marks should be awarded on the basis of college Test Examination, Sessional Work and on oral examination where an External Examiner will be appointed by the University.

(g) Duties as examiners and head-examiners should be made more attractive and less inconvenient by (i) regular and timely payment of remunerations. (ii) enhancing rates of remuneration, if possible. (iii) delivering answer-scripts at, and collecting them from examiners' residence, (iv) collecting answer-scripts from head-examiners/ co-ordinators six months after publication of results. Examination regulations should be modified accordingly.

(h) Syllabi of different subjects should be reviewed, revised and updated at regular intervals.

(i) Question Banks should be prepared for all subjects, on the basis of questions collected from all teachers. The question banks should be taken as supplements of the existing system of paper-setting. Question papers of university examinations may be framed by moderators by selecting questions from several papers set independently by teachers within and outside the concerned university.

(j) The system of 'on the spot evaluation' of answer-scripts which has been successfully introduced at Vidyasagar University for undergraduate Pt. I Hons. examination, should be introduced at other affiliating universities also. It may be initially tried for undergraduate Pt. II Hons. examination and may later be introduced for undergraduate Pt. I Hons. and Pass examinations. The answerscripts should be randomly coded with the help of computers before they are handed over to examiners.

The above recommendations of the Examination Reform Sub-Committee, if approved by the State Council of Higher Education should be forwarded to Calcutta, Burdwan, Vidyasagar, North Bengal, Rabindra Bharati, Jadavpur and Kalyani Universities for implementation. The CSub-Committee will be glad to receive opinions from these universities. The Sub - Committee will meet again to consider someother topics related to Examination Reform and will make further recommendations in due course.

Interim Report of the Academic Calendar Sub-Committee.

The Academic Calendar Sub-Committee was formed by the W.B. State Council of Higher Education in its meeting held on 8. 3. 96.

The Sub-Committee consisting of (i) all Vice-Chancellors or their nominees, (ii) nominee of General Secretary, WBCUTA, (iii) one teacher of Presidency College, (iv) Prof. Anil Kumar Das, (v) Principal Pratip Kumar Chatterjee, (vi) Dr. Pravat Ranjan Ghosh and (vii) nominee of W.B. Govt. College Teachers' Association, met on 22. 4. 96 and 10. 6. 96. The Sub-Committee has deliberated on the academic calendars presently followed in Stat Universities, difficulties faced due to delays in admission, holding of examinations and publication of results thereof and has considered ways of overall improvement. The Sub-Committee likes to place a set of suggestions before the Council for approval and subsequent recommendation to Universities for implementation within a stipulated time-frame. The suggestions are as follows :-

1. The Academic Calendars of the Universities of Calcutta, Burdwan, North Bengal, Vidyasagar, Jadavpur, Rabindra-Bharati, Kalyani and Visva-Bharati should be uniform in respect of under-graduate and post-graduate admission, holding of examinations and publication of results. The Academic Calendars should be in conformity with the all-India pattern and time-schedules of admission to outside universities like JNU, BHY, etc.

2. The targetted programmes of examination should be uniform.

The suggested pattern is :-

Session commencement dates	Examination dates: Theory	Practical	Publication of results
1. BA/BSc/B.Com 1st Year (Pass & Hons.)- 1st Aug.	BA/B.Sc/B.Com Pt I (Hons. & Pass)-3rd wk. May-2nd wk. June(15/5 to 14/6)	4th wk. June to 1st wk. July (22/6 to 7/7)	By 15th Aug.
2. BA/BSc/B.Com 3rd yr. (Hons.) - 15th July	BA/BSc/B.Com Pt II (Hons.) 4th wk. April -1st wk. May (22/4 to 7/5)	3rd wk. May to 2nd wk. June (15/5 to 14/6)	By 15th July.
3. MA/MSc/M.Com -Mid August	Pt I (if any) Pt II/Final	July - August July - August	November-December

Contd. ... 2/-

3. Every effort should be made to achieve 180 contact days per year as recommended by UGC. The following steps may be taken in this regard.

(a) The admission procedure for undergraduate classes should be completed as early as possible, preferably within 15 days of publication of H.S. results. First year undergraduate colasses should be started immediately after.

(b) The winter recess (26th to 31st Dec.), where it exists, should be abolished. The summer recess should preferably be 2nd May to 15th June (since monsoon arrives in W.Bengal by 15th June). Other holidays should be as per University statues for affiliated colleges.

(c) All University examinations should be held within the summer recess as far as possible. Examination schedules should be compressed by reduction of study leaves and gaps between examination days.

4. Universities should be requested to examine the suggestions and the feasibility of their implementation and communicate their views to the Council within a period of one month. The Sub-Committee would meet again to consider the views expressed by University authorities.

COMMON PAPER FOR ALL UNDER-GRADUATE COURSES

Model Syllabus for the Proposed Course on Environment

Paper : 100 Marks

I. INTRODUCTION

Fundamental Principles - Earth as the only suitable habitat for man - Basic concepts on changes in the environment caused by man and his styles of living. Quality factors for environmental protection - population growth trend and resource use - First level effects on health, Second level effects on comforts, convenience and aesthetics, Third level effects in Eco-systems and nature's balance - Quality of environment and resource management.

II. NATURAL PROCESS

Physical processes - Solar system - Geological cycle - water cycle - Wind ice-land forms. Biological processes - Origin of life and its evolution - Life's effects on bio-geo chemical cycles - Ecology of population interactions. Eco-systems and communities - Ecological principles - Nature's balances - Nature of eco-systems, forest, pond, sea - Energy in eco-systems - Eco-system stability - Species diversity - Ecological succession - Major biotic communities.

III. PUBLIC HEALTH

Epidemiology - Definitions - water-borne diseases - Air-borne diseases - Vector borne diseases - Food-borne diseases - Diseases from animals to man - Sanitation measures to prevent and control and spread of infectious diseases. Vector control - vectors - Mechanism of transmission of diseases - Use of insecticides and pesticides - Eradication of mosquitoes through chemical, biological and environmental management methods - control of other insects and rodents.

IV. WATER RESOURCES

Hydrological cycle - Water sanitation - Sources of water - Springs, Wells, rivers and lakes - Water quality - Raw-water characteristics - Water purification - Drinking water standard contamination of drinking water - protection of drinking water. Water pollution - Nature and magnitude of water pollution due to municipal and industrial sources and control - Water management - Water reuse - Desalination.

Contd. ... 2/-

V. AIR RESOURCES

Pollution Air Pollution - Sources and magnitude of air pollution - History, account of of air pollution - Meteorology and air pollution - Air quality standards - Air pollution and its control.

VI. ENERGY

Bio-gas, bio-mass, solar coal, mini-hydel and major hydro-power projects,

Nuclear power - Environmental impacts.

VII. MISCELLANEOUS TOPICS

Green-house effect - Ozone holes - deforestation - wildline - Weather and modification - soil pollution due to fertilisers, pesticides - waste disposal in rural and urban settlements - sewerless sanitation - Radiological health - Noise pollution.

VIII. ENVIRONMENTAL MANAGEMENT AND PUBLIC PARTICIPATION

Environmental Management - Environmental ethics - Conservation - Biological control in agriculture - Environmental protection laws.

PROJECT WORK : 50 Marks

The Project Work should be based on local problems of immediate concern in the neighbourhood, such as surveys on the quality of water in rivers, tanks, industrial pollution, deforestation, identification and monitoring of flora and fauna, sanitation and public health survey, impact of industrialisation, transportation and urbanisation on the environment and quality of life

UNIVERSITY OF NORTH BENGAL.

Minutes of the 66 th meeting of the Council for Under-Graduate Studies in Arts, Science, Commerce & Law held on 24.8.96.

Members Present.

1. Professor R. G. Mukerjee, Vice-Chancellor (in the Chair)
2. Prof. B. Bhattacharyya, Dean, Science & Medicine.
3. Sri Gopal Sarkar, Principal, Siliguri B. Ed. College.
4. Dr. J. B. Basu, Principal, P. D. Women's College.
5. Dr. S. K. Saha, North Bengal University.
6. Dr. B. Pradhan, Principal, Kaliyaganj College.
7. Sri N. C. Paul, Principal Sukanta Mahavidyalaya.
8. Sri A. Basu, Principal, Siliguri College.
9. Sri T. K. Basu, Siliguri College of Commerce.
10. Sri S. D. Mukerjee, A. C. College.
11. Sri T. S. Gupta, Balurghat College.
12. Sri N. Bhattacharyya, Principal,University B.T & Evening College.

Inspector of Colleges attended the meeting on invitation.

At the outset the Vice-Chancellor pointed out that on 13, 8. 96 when he had asked to convene a meeting of the U.G.Council on 24. 8. 96, he did not mean an emergency meeting, but it was inadvertently titled that way. The Vice-Chancellor also said that he did not think that an emergency meeting should remain confined within one item only rather according to him so many items which were urgent in nature could be considered in an emergency meeting. With these words the members were suggested not to treat the meeting as an one item meeting. The members agreed.

Item No. 1.

To consider G.O.No. ED-433/96 dated 31. 7. 1996 received from the Director of Public Instruction, Government of West Bengal regarding provisional affiliation in various subjects from 1996 - 97 academic session at 19 colleges.

In the said order it was stated that the Government was agreeable to introduce in the Colleges(list annexed) subject/ subjects/Stream from 1996-97 academic session. Staff etc. where necessary would be provided soon. As it would take some time to finalise the requirement of staff etc. and as admission in different

Contd.....P/2.

Colleges was to start soon the University was requested to consider provisional extension of affiliation at an early date.

The Vice-Chancellor placed the matter and dealt with various aspects associated with this move including availability of teachers and other infrastructure facilities. Although the Council welcomed the desire of the Government to expand education, it felt that it would be better if the University was given some more time to consider the case.

The Vice-Chancellor reported that the matter was taken up at the Higher Education Council where it was reported that the Govt. had caused inspection through its own machinery before taking the decision. It was decided at the meeting of the Higher Education Council that henceforth such plans would be finalised only on the basis of recommendation of the University to the Council.

The Council then resolved to recommend as under :-

i) Extension of provisional affiliation as per the Govt.memo subject to subsequent inspection by the University and fulfilment of conditions to be laid down thereat.

ii) For Honours courses Colleges be allowed to admit not more than 25 students in non laboratory based subjects and not more than 10 students in laboratory based subjects and for laboratory based pass courses they be allowed to take a maximum of 20 students.

iii) Last date of admission to these subjects be extended up to 21 st September without fine.

The Council also suggested immediate action subject to reporting to the Executive Council.

It was also reported to the Council that a Govt.Order dated 21.8.96 suggesting to grant provisional affiliation in physics(p), Math(P) and Computer Science (p) at Sukanta Mahavidyalaya was received. The Council noted the matter and observed that some last minute changes in the original Govt. memo might be communicated to the University and for such occasions, the Council authorised the Vice-Chancellor to take necessary steps.

At this stage the Council further resolved that henceforth if a proposal for extension of affiliation to a new college or subject was received, instead of referring the matter to the Govt., the University would cause an inspection and send the report to the Govt.

Contd.....P/3

Item No. 2

To confirm minutes of the 65 th meeting ofthe Council held on 9. 8. 96.

Decision :- The minutes were confirmed.

Matters arising out of confirmation

i) With regard to item no. Misc. 3 the Inspector of colleges and other members of the inspection team narrated in details their experience during visit at Kamakhyaguri. After examining all the aspects including the infrastructural facilities now available, the Council recommended establishment of the proposed college from 1996-97 academic session with the following subjects provided permission from the State Government is received immediately.

Subjects : Bengali, English, Elective Bengali, Elective English, Political Science, Geography and History.

ii) With regard to item no. Misc. 4 the Council resolved that the Vice-Chancellor be authorised to take necessary action on the basis of the report of inspection to be held on 29. 8. 96.

Miscellaneous items.

Misc.1. Letters received from the Principals of Alipurduar College, Vivekananda College and Raiganj (University) College were placed. In view of disturbances at Falakata and Raiganj, admission to 1st year classes at the above named colleges were disrupted and as such they have requested to extend the last date of admission without fine till 15 th september.

Decision:- The Council accepted the requests as very special case.

(Confirmed for immediate action)

Misc. 2.

Panel of names of paper-setters, Moderators, Examiners etc. as recommended by the Boards of Studies in History and Sociology in connection with the 1997 U. G. examinations were placed.

Decision : The Council resolved that the same be approved. The Council further resolved that hereforth the Vice-Chancellor be authorised to take appropriate action in this regard.

(Confirmed for immediate action)

Contd.....P/4.

Misc. 3.

As Chairman, Board of U. G. Studies in Education, Sri Gopal Sarkar, a member of the Council drew attention of the Council to the fact that it has become very difficult for the Board to prepare a panel of examiners in the absence of requisite number of full time teachers at the B. Ed. Colleges affiliated to North Bengal University. As per rule part time teachers can not be appointed as examiners.

The Vice-Chancellor also reported a recommendation of the Board of U. G. Studies in Sociology to the effect that spot evaluation be arranged where part time teachers will act under the supervision of senior teachers.

Decision.- The Council observed that there were certain cases where appointment of part time teachers become unavoidable and resolved that in compelling conditions part time teachers be given assignments from this year and steps be taken to amend the relevant Regulations suitably.

(Confirmed for immediate action)

Misc. 4.

The Dean, Science pointed out the need to send inspection team at the colleges where the University has allowed to open Computer Centres.

Decision :- The Council approved the suggestion.

There being no other business the meeting ended with a vote of thanks to the Chair.

Ref. No. 259/Prop/Insp-96. Dated. 29,August'96

NOTE TO THE VICE-CHANCELLOR

Subject : Inspection report regarding starting of the proposed Saheed Kshudiram College at Kamakshyaguri in Jalpaiguri District.

In response to a letter 188-Edn(CS) dated 9. 2. 96 from the Deputy Secretary, Government of West Bengal, on the above subject an Inspection team comprising Shri Saktidas Mukherjee, Dr. Jahanabi Bose, members, U.G.Council and Inspector of Colleges visited Kamakshyaguri on 22nd August, 1996 to examine the prospects of establishing a college at Kamakshyaguri. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

1. Kamakshyaguri is located 35 kms away from Alipurduar near Assam border. It was a long journey to a remote tribal place. Besides two Higher Secondary schools at Kamakshyaguri there are three more class XII schools at Mahakalguri, Barobisha and Singimari, all within the distance of 10 kms. from Kamakshyaguri. There will be thus five feeder schools for the proposed college.

2. On an average about 200 students come out successfully in class XII examination every year from these schools of which 50% are from the two Higher Secondary schools situated at Kamakshyaguri proper. The proposed college, to start with, may get a little more than 100 students.

3. The region is inhabited predominantly by SC/ST population which constitutes more than 60% of the total inhabitants of the area.

4. The Inspection team was surprised to see a huge crowd at the office of the proposed college and also at the site of the college which speaks volumes about the enthusiasm and involvement of local people in setting up of a college at kamakshyaguri. The local residents have contributed handsomely for the establishment of a college.

Contd.....P/2.

5. The Sponsors have acquired 6.77 acres of tribal land on the payment ofabout Rs. 9.5 lakh. Since the land belonged to the tribals it took some time for the Sponsors to complete the formalities to take possession of the land. The land is about half a kilometer away from the road leading to Kamadshyaguri but the Organisers in a short time have made an approach road to the site of the proposed college by bringing about 300 truck loads of sand and boulders which is considered quite commendable. The local Panchayat proposes to macadamize it within a year.

6. The Sponsors of the college will take some time to construct the building for the college. They propose to start the college in one of the blocks of the local Kamakshyaguri Higher Secondary school. The school authorities have given an undertaking that they will allow the college to use all the seven rooms and toilets attached to the block till college constructs its own building. The measurements of the rooms spared by the school are mentioned below :

Concrete structure.

(i)	Principal's room	- 20' x 10' - 200 sq.ft.
(ii)	Office and Staff room (suitably partitioned)	- 35' x 20' - 700 sq.ft.
(iii)	Class room (proposed to be used as Geography laboratory)	- 35' x 20' - 700 sq.ft.

Structure with tin roof.

(iv)	Class rooms (2)	- 30' x 18' - 1080 sq.ft.
(v)	Boys' common room	- 30' x 18' - 540 sq.ft.
(vi)	Girls' common room	- 25' x 18' - 450 sq.ft.
		3670 sq.ft.

There is a tube well to provide drinking water. The accommodation is considered more than enough to start the college. The Sponsors have also acquired the necessary class room and office furniture.

Contd.....P/3.

7. The Organisers propose to introduce B.A. (Pass) course with English, Bengali, Geography, Political Science and History as elective subjects. They propose to takethe help of local school teachers and teachers of Alipurduar College till full time teachers are appointed. The local students and guardians were keen that the proposed college should be allowed to introduce Geography as an elective subject.

8. The college besides Principal will need five teachers initially, one each in English, Bengali, Geography, Political Science and History.

9. The proposed college will be entitled to have the following non-teaching staff as per Government Circular relating to rationalisation of non-teaching staff pattern.

Head Clerk	- 1
Accountant	- 1
Cashier	- 1
Clerk	- 1
Typist	- 1
Peon	- 2
Guard	- 3
Sweeper (part-time)	- 1

10. The Sponsors have purchased eighty books costing about Rs. 3,000/- in different subjects which they propose to introduce in the proposed college.

11. The Sponsors of the college have kept Rs. 1.5 lakh as Reserve Fund in fixed deposit at Alipurduar Co-operative Agriculture & Rural Development Bank. The amount will mature on 14. 12. 1996. The University would expect the Organisers to reinvest the resulting amount in any long term deposit scheme, preferably, of a nationalised bank.

12. The Sponsors also had Rs. 1,37,180/- in the Savings Account (A/c No. 357) of the proposed college at Alipurduar Co-operative & Rural Development Bank on the day of the visit of the Inspection team. The Organisers are confident of raising more fund for construction of the college building.

Contd.....,P/4.

The plus points in favour of establishing a college at Kamakshyaguri are : its secluded out-of-the-way location, predominance of SC/ST population, moderate feed for the college, temporary accommodation to house the college, enough land, some newly purchased books, reserve fund, a fair amount of bank balance to initiate construction of college building and above all the involvement and high degree of expectation of the local people to have a college in their own locality. The only lacuna is, the Sponsors are yet to construct the building for the college. The Sponsors have attributed the delay in construction of the college building to the procedural delay in acquiring the tribal land. Normally the Government as well as the University insists that Sponsors of new colleges should have their own building but a little flexibility in this regard may be thought of in the larger interest of the people of Kamakshyaguri and the Sponsors may be permitted to start the college and introduce B. A. (Pass) Course with English, Bengali, Geography, Political Science and History as elective subjects from the academic session 1996-97 on the following terms and conditions :-

1. The Sponsors will construct the college building and shift the college to its own building before the commencement of 1997-98 academic session. The Class rooms of the college building should be spacious enough to accommodate 150 students comfortably.

2. Besides the post of Principal, the Government should sanction five posts of lecturers initially, one each in English, Bengali, Geography, Political Science and History.

3. The Government should also sanction the various posts of non-teaching staff admissible to colleges having student strength of less than 500 as prescribed in the G. O. 831 - Edn (CS) dated 31. 10. 95.

Contd.....P/5.

4. The Government may also consider sanctioning a suitable laboratory grant for purchasing equipment and furniture for Geography laboratory. The post of a laboratory attendant may also be sanctioned.

5. The College should invest atleast Rs. 10,000/- for purchasing text books in different subjects. Atleast 3-4 copies of each title will be required.

6. In a laboratory based subject like Geography not more than twenty students should be admitted.

A compliance report should be sent by the college authorities by April, 1997.

APPENDIX - LX

Amendments of Study Leave

Section 14 of the Revised Leave Rules be substituted by the following for grant of Study Leave :

i. Study leave may be granted to a permanent whole-time employee with not less than three years continuous service, to pursue a special line of study or research directly related to his work in the University Service giving full plan of work.

ii. Study leave shall be granted on the recommendation of the Advisory Committee for a period not exceeding two years at the first instance except for such cases where the terms and conditions of the fellowship/ scholarship require otherwise. The Study leave may be extended by one more year on production of satisfactory progress report duly considered by the Executive Council. The Study leave shall not be granted for more than three years, save in very exceptional cases in which the Executive Council is satisfied that such extension is unavoidable on academic grounds and necessary in the interest of the University.

The composition of the Advisory Committee shall be the same as provided for in Rule 14(c) (3)(iii) of the Revised Leave Rules, 1975.

The period of Study leave shall, in no case, exceed four years.

iii. Study leave shall not be granted to an employee who is due to retire within two years of the date on which he is expected to return to duty after the expiry of Study leave.

iv. Study leave shall be granted more than once provided that the employee concerned completes his obligatory period of service for double the period of study leave subject to a maximum of three years as stipulated in clause 14(xii).

v. No employee who has been granted study leave shall be permitted to alter substantially the course of study or the programme of research without the permission of the Executive Council. When the course of study falls short of study leave sanctioned, the employee shall resume duty on the conclusion of the Course of study unless the previous approval of the Executive Council to treat the period of short-fall as Extra-Ordinary leave has been obtained.

vi. The employee granted study leave would be entitled to continue to draw his total emoluments for the duration of the study leave. The necessary increment will also be sanctioned as and when due. However, the amount of emoluments payable to the employees on study leave shall be reduced subject to the provisions of Sub-Clause (vii) and (viii) below.

vii. The amount of Scholarship/Fellowship or other financial assistance that an employee granted study leave has been awarded, will not preclude his being granted study leave with pay and allowances but the scholarship etc. so received shall be taken into account in determining the pay and allowance on which the study leave may be granted.

The following guidelines shall apply while determining the admissibility of pay and allowance where financial assistance is received by an employee :

a) if he has not obtained any financial aid or scholarship from any source, his total salary as it stood on the day preceding that on which his leave commenced ;

b) if he obtained any financial aid or scholarship from any source, his total salary as it stood on the day immediately preceding that on which his leave commenced up to a period of one year of such study leave, and half such salary thereafter.

..... 2

c) The Executive Council may relax any of the above-mentioned conditi in clause (vii) (b), if the terms of financial aid or scholarship so required, in cases of such scholarships etc. as are granted by the U.G.C. or any government/quasi-government department or funding agency within the over-all ceiling of study leave period as prescribed in clause 14(ii).

viii. If an employee, who is granted study leave, is permitted to receive and retain any remuneration in respect of part-time employment during the period of study leave, he shall ordinarily not be granted any study leave salary, but in cases, where the amount of remuneration received in respect of part-time employment is not considered adequate, the Executive Council may determine the study leave salary payable in each case.

Note : It shall be the duty of the employee granted study leave to communicate immediately to the University the amount of financial assistance in any form received by him during the course of study leave from any person or Institution whatsoever.

ix. Subject to the maximum period of absence from duty on leave not exceeding three years or such extended period as may be granted, study leave may be combined with earned leave, half-pay leave, extra-ordinary leave or vacation. When study leave is taken in continuation of vacation, the period of study leave shall be deemed to begin to run on the expiry of the vacation.

x. The period of study leave shall count as service for the purpose of leave, Promotion, Seniority and Retirement benefits, provided that the employee rejoins the University on the expiry of his study leave, and serve for the period for which the ~~Bond~~ undertaking has been executed.

xi. Study leave granted to an employee shall be deemed to be cancelled in case it is not availed of within 6 months of its sanction.

xii. Provided that where study leave granted has been so cancelled, the employee may apply again for such leave.

An employee availing of study leave, shall undertake that he shall serve the University continuously for double the period of study leave subject to a maximum of three years from the date of his resuming duty after expiry of the study leave.

xiii. An employee -

a) Who is unable to complete his studies within the period of study leave granted to him, or

b) Who fails to rejoin the service of the University on the expiry of his study leave, or

c) Who rejoins the service of the University but leaves the service without completing the prescribed period of service after rejoining the service, or

d) Who within the said period is dismissed or removed from the service by the University.

Shall be liable to refund to the University, the amount of leave salary and allowances and other expenses, incurred on the employee or paid to him or on his behalf in connection with the course of study.

Provided that if an employee had served in the University for a period of not less than half the period of service on return from study leave, he shall refund to the University half of the mount calculated as above.

EXPLANATION :

If an employee asks for extension of study leave and is not granted the extension but does not rejoin duty on the expiry of the leave originally sanctioned, he will be deemed to have failed to rejoin the service on the expiry of his leave for the purpose of recovery of dues under these rules.

e) Notwithstanding the above, the Executive Council may order that nothing in these rules shall apply to an employee who within three years of return to duty from study leave is permitted to retire from service on medical grounds, provided further that the Executive Council may, in any other exceptional case, waive or reduce, for reasons to be recorded, the mount refundable by an employee under these rules.

xiv. After the leave has been sanctioned, the employee shall, before availing of the leave, execute an Undertaking to serve the University for not less than double the period of study leave subject to a maximum period of three years.

xv. The employee shall submit to the Registrar six monthly reports of progress in his studies from his Supervisor or Head of the Institution. This report shall reach the Registrar within one month of the expiry of every twelve months of the study leave. If the report does not reach the Registrar within the time specified, the payment of salary may be deferred till the receipt of such report. Within one month of resumption of duty on expiry/cancellation of study leave, a final report of work done during the entire period of study leave shall be submitted to the Registrar for consideration of the Executive Council.

xvi. The Application Form for grant of the Study leave shall be prescribed by the Executive Council.

Annexure-II

Amendment of the Statute relating to terms and conditions of service of Teachers of affiliated colleges other than Govt. colleges.

1. Statute 39 be renamed as Statute 40.

2. A new section named as Statute 39 be inserted after Statute 39 :

"A teacher shall be paid cash equivalent of leave salary in respect of xxxxxxxxxxxxx earned leave at his credit at the time of retirement on superannuation provided :-

i) The payment of cash equivalent of leave salary shall be limited to a maximum of 180 days of ~~privilege~~ earned leave.

ii) The cash equivalent of leave salary thus admissible will become payable on retirement and will be paid in one lump sum as a one time settlement.

iii) The payment of cash under these Statute shall be equal to leave salary as admissible for ~~privilege~~ earned leave and dearness allowance admissible on the leave salary at the rates in force on the date of retirement. No compensatory allowance, hill allowance and/or house rent allowance shall be taken into account for such cash payment.

iv) The authority competent to grant ~~privilege~~ earned leave shall Suo-motoissue order granting cash equivalent of ~~privilege~~ earned leave at credit on the date of retirement.

Provided, however, if a teacher is compulsorily retired as a measure of punishment under the disciplinary rules he shall not be entitled to cash payment as mentioned in the above Statute.

Provided further that a teacher whose service has been extended beyond the date of his compulsory retirement or completion of the term of his employment in college, shall continue to earn leave during the extended period at the rates admissible to him under the Statute.

Leave encashment would also mean such encashment by the heir provided the same is permitted under the Rules of the State Govt."

Annexure-III

Amendment of Rules relating to Leave of University Employees

In Clause 7, the following paragraph be inserted after Clause 7(2):

7(3): Special Casual Leave may also be granted to an employee for the following purpose:

(a) attending meetings of statutory authorities as elected members upto a maximum of four days in a month.

(b) assisting tournaments organised by National/State-level bodies or Central/State Govt. Departments on receipt of official requests for deputing the employee(s) made to the employer.

(c) Assisting the Sports Board of the University in its activities on receipt of official request for deputing the employee(s).

and (d) participating in any national/international Sports and Cultural event.

Provided that in each of the above cases, documents relating to attendance or participation in the meeting or activities shall have to be submitted to qualify for grant of the leave.

1. To finalise the date of commencement of P.G. classes for the session 1995-96.

   Decision: The faculty council resolved that the Post-Graduate part one classes for the session 1995-96 might commence from 10/12/96.

   (confirmed for immediate action)

2. To consider the report of the fact finding committee(constituted by the faculty council on 26/03/96).

   Decision: The faculty council accepted the report of the fact finding committee with the following changes:

   In the suggestion of despatch of scripts:

   2.(d) Be read as: A panel of three names of external examiners should be drawn(with their official & residential addresses) so that the delay caused by non-receipt of consent of the examiners might be avoided by contacting them, one after another.

Contd. 2

The faculty council opined that the suggestion regarding remuneration of external examiners ("D") should be discussed in an appropriate forum.

Noted and approved.

11. To consider recommendation of the Committee for revision of fees for various Courses of Studies and other miscellaneous charges.

The Council resolved in principle that the existing fees of the University except the tuition fees should be enhanced by 30% subject to rounding off to the nearest rupee. The fees should be reviewed for further enhancements every two years. The short percentage condonation fee be enhanced to Rs. 100/- per candidate.

However, the Council was informed that the Higher Education Council was already seized of the matter and a uniform policy regarding fee structure in the Universities/Colleges throughout the State is under formulation. To this end the above decision of the Council be referred to the Higher Education Council for consideration. The University would expect the final decision of the Higher Education Council within December, 1996 so that the revised fee structure can be implemented from the next year.

12. To consider recommendation of the Committee for amendment of the Rules relating to N.B.U. Students' Association.

Consideration of the recommendations of the committee was deferred for the time being. Resolved that status-quo be maintained till the next election provided that in case election to the NBU Students' Association for the session 1994-95 could not be held due to an abnormal situation before results of the students of the 1993-94 session were published, the Rector will assume charge of the Association and he will make over the charge to the office-bearers of the next session as and when elected.

32. To consider a proposal from the N.B.U. Consumers Co-operative Stores Ltd. for installation of a Xerox machine by inviting tenders.

The Council was apprised of the background behind the proposal to install a Xerox machine on behalf of the Consumers Co-operative Stores. It was revealed that a Xerox machine was installed by a private person for a few weeks without any permission from the competent authority. The Council took serious view of the matter and resolved that the matter i.e. how and under what circumstances the Xerox machine was installed and subsequently closed down be enquired into by a one-man Enquiry Committee consisting of Sri T.K. Bose, Member of the Council. Resolved further that the Consumers Co-operative Stores be asked to issue notice to the concerned person for taking away the Xerox machine which has been seized from him, failing which legal measures be initiated against the person.

MISCELLANEOUS ITEMS

1. Resolved that SCL for 15 days from 14.11.96 to 28.11.96 be sanctioned to Dr. S.K. Sengupta, Head, USIC for some academic programmes to be performed in the USA.

University of North Bengal

Adjourned meeting of the Executive Council of the University of North Bengal held on Thursday, the 10th October, 1996 at 11.30 a.m. in the Conference Hall of the Administrative Buildings.

Members present :

1. Prof. R.G. Mukherjee, Vice-Chancellor (in the Chair)
2. Prof. J.C. Debnath, Dean, Faculty Council for P.G. Studies in Arts, Commerce and Law
3. Prof. B. Bhattacharjee, Dean, Faculty Council for P.G. Studies in Science and Medicine
4. Dr. Malay Kr. Sen
5. Sri Dyutis Chakraborty
6. Sri Nikhil Ranjan Guha
7. Sri Tapas Kanti Basu
8. Sri Manik Raha

SUPPLEMENTARY ITEMS :

1. To consider the terms and conditions for Sericulture Plantation in collaboration with the Central Silk Board, Govt. of India.

Resolved that the proposal of Sericulture Plantation on the Campus on a suitable plot of land measuring 2-3 acres in collaboration with the Central Silk Board, Govt. of India through its Regional Sericulture Research Station in Kalimpong be approved. The Vice-Chancellor was authorised to finalise the terms and conditions and constitute a committee to overses the work.

2. To consider a letter received from the Dean, Science regarding modification of the procedure for re-employment of University Teachers.

Resolved that the Bio-data be obtained only once at the time of application for re-employment for the 1st term. For subsequent terms, the teachers concerned will be required to submit application for the re-employment enclosing medical sertificate in support of physical fitness and mental alertness. Such applications for re-employment after the 1st term will be processed by a Screening Committee consisting of the Vice-Chancellor, Dean of the concerned Faculty and Head of the concerned Department and on recommendation of the committee, the re-employment may be granted by the Executive Council.

3. To consider the recommendations of the Screening Committees for re-employment for one year of the following teachers.

Name	w.e.f.
a) Prof. N. Choudhuri (last term) Deptt. of Physics.	30.11.96
b) Prof. G.S.S. Murthi (2nd term) Deptt. of Chemistry.	30.11.96
c) Prof. S.N. Roy (2nd term) Deptt. of Pol. Science	1.11.96

Resolved that the recommendations be approved and re-employments be granted for the period mentioned against each.

4. To consider a note regarding opening of Computerised reservation counter on the Campus.

The notes of the office and another from the Rly. Authority regarding the meeting dt. 18.9.96 held in the office of the Vice-Chancellor were considered. The Council regretted that the University will not be able to provide security to the establishment and vehicles for the purpose mentioned in the note. A plot of land for construction of the reservation office may be alloted subject to terms and conditions to be prescribed in this behalf. As an alternative, the possibility of allotment of a quota of berths for various trains by the Railway Authority in the model of the Visva Bharati University also be explored.

5. To consider a note regarding resumption of the construction of Auditorium.

Resolved that the proposal prepared by the Development Officer dt. 26.9.96 for technical support of the Civil Engineering Department, Jalpaiguri Government Engineering College for (a) fresh design of the Auditorium building and (b) Safety aspects of other construction projects (on-going and those already completed) be approved and necessary steps be taken as per terms and conditions mentioned by the Engineering College.

6. To consider minutes of the 64th meeting of the Finance Committee held on 10.9.96.

Resolved that the minutes be approved. (Appendix-I)

7. To consider the prayer of Sri Ajit Kumar Mukhuti, Jr. Electrician relating to Special Leave from 15.8.96 to 9.10.96 due to severe injury during discharging of duties on 14.8.96.

Resolved that Special Leave under Rule-16 be sanctioned for the period.

8. To consider a letter from the Jt. Secretary, Deptt. of Higher Education regarding promotional channel of the Statistical Assistant and allied matters.

It was noted that the suggestion indicated in Sl.No.2 of the letter regarding clubbing of the post of Statistical Assistants in the scale of Rs. 1300-2835/- with other technical posts borne in the same scale was desirable.

However, the matter be finalised in consultation with the N.B.U. Employees' Association and the Higher Education Deptt. be intimated.

9. To consider prosecution of B.Ed. Course and Ph.D. Course by four JRF's and the replies received from them in response to explanation notice.

It is noted that show cause notices were issued on 21.9.96 to the

JRFs, three of whom were GATE-qua-lified (UGC) and one University JRF, and their replies were received.

Regarding JRF of the Department of Political Science, Smt. Minakshi Barman, whose reply was not satisfactory, it was resolved that her appointment as JRF be cancelled for having prosecuted both Ph.D. and B.Ed. courses (1995-96 session) simultaneously without permission of the authority.

The appointment letters and joining reports of JRFs, viz. Sri S. Haque, (Phys), Sri T.K. Das (Chemistry) and Sri R.K. Dey (Physics) together with their replies were considered. The Council was of the opinion that the authority should have asked these three JRFs to discontinue and withdraw from the B.Ed. course being prosecuted by them in the 1995-96 session. However, considering all aspects the B.Ed. course already completed by them was validated.

Dr. M.K. Sen observed that the decision to exonerate the three JRF's of the Physics and Chemistry Departments were taken on the basis of verbal statements of the Dean, Faculty of Science and Development Officer that there was verbal permission of the previous Vice-Chancellor in support of their simultaneous prosecution of two courses of studies. Dr. Sen also observed that the authority should have brought these cases to the Executive Council, ~~immediately after their joining as JRF on 14.11.95~~. Sri D. Chakraborty made the following observation .

"I feel that some measures should also be taken against the other three JRFs because there is no evidence of any formal permission for continuing Ph.D. and B.Ed. courses simultaneously. There is no such application either, seeking permission. On the previous occasions, the University did not allow simultaneous prosecution of more than one course of study without formal permission of the Faculty Councils/ Executive Council."

The Chairman ruled that acceptance of this observation would be subject to citing specific identical cases.

10. To consider a note regarding amendment of Leave Rules for granting of Quarantine Leaves.

Resolved that the leave rules be amended to incorporate the list of infectious diseases as provide in the W.B.S.R.

11. To consider the minutes of the Malpractice Enquiry Committee for the B.Ed. Examination, 1996.

Resolved that the minutes and recommendations be approved.

(Appendix-II)

12. To consider a note regarding special leave for conjunctivities and to review the decision of the Executive Council dt. 25.6.71 in this regard.

Resolved that the leave Rules be amended after taking opinion of the Principal NBMC to provide for Special Leave for deseases like conjunctivities.

13. To consider the panel of experts as recommended by the following Departmental Committees.

i) Centre for Himalayan Studies
ii) Bengali.

Resolved that the recommendations be approved.

14. To consider granting Special Leave to Prof. R.K. Bhadra and Dr. Raghunath Ghosh for visiting Italy and Natherlands under C.E.P. of UGC from 27.9.96 to 16.10.96 and 1.10.96 to 17.10.96 respectively.

Resolved that Special Leave under Rule-16 be approved for both the cases.

Resolved further that the application of Prof. Bhadra for SCL from 9.9.96 to 13.9.96 be regretted.

15. To consider a prayer from Sri Sandip Das, Deptt. of Computer Science & Applications regarding Special Casual Leave or appropriate leave from 16.11.96 to 16.12.96.

Resolved that SCL for 20 days and Special Leave under Rule-16 for the balance period be sanctioned to Sri Das for visiting for ICTP in Italy.

In this connection, an application of the Academic Co-ordinator of Diploma in Cultural Tourism and Management for grant of Special Leave to Mr. Ali Mehedi of University Law College for 13 days from 26.9.96 was considered and approved.

16. To review the decision of the Executive Council dt. 4.12.95 (Item No.Suppl.16) regarding leave of Prof. B.P. Misra.

Resolved that the earlier decision be modified and special leave be granted to Prof. Misra for the period for which P.L. was granted.

17. To consider the modification of the decision of the Executive Council dt. 4.12.95 (Item No.54) regarding Study Leave of Dr. Ananda Mukhopadhyay.

Resolved that the earlier decision be modified and Study Leave for 3 months w.e.f. 1.7.94 be granted to Dr. Mukhopadhayay so that the entire period from 1.7.94 to 31.3.95 (nine months) be treated as Study Leave.

18. To report that the Vice-Chancellor has constituted the Campus Planning and Land Utilisation Committee, in terms of the Executive Council's earlier decision dt. 10.7.96.

Noted and approved.

19. To report a note from the Vice-Chancellor regarding decision of the Council dt. 3.9.96 (Item Suppl.16).

Noted and approved.

20. To consider report of the Inspector of Colleges regarding level of literacy of Smt. Sita Chhetri, Jr. Peon (Temporary).

The report was noted and approved. The tenure of appointment was extended till 31.12.96.

21. To consider further extension of the tenure of Panel of Jr. Electricians (for casual appointments) w.e.f. 1.12.96.

Resolved that the tenure of the panel be extended for another 6 (six) months w.e.f. 1.12.96.

22. To consider installation of a telephone line at the residance of Sri Samar Chakraborty of the Calcutta Camp Office for the purpose of officoal communication.

The need for a telephone line for official use beyond working hours for the Calcutta Camp office was appreciated.

Resolved that as a very special case and without creating a precedent, one STD - barred telephone line be installed in the name of the University at the residence of Sri Chakraborty. "

23. To consider recommendation of the 67th meeting of the Council for U.G. Studies in Arts, Science, Commerce & Law held on 25.9.96.

Resolved that the recommendations be approved.

(Appendix-III)

24. To consider sanctioning of seven days Special Casual Leave to some Teachers & Staff of the Deptt. of History for Departmental Study Tour (field work).

Resolved that the period of absence of the concerned teachers be treated as leave on duty.

25. To review the decision of the Executive Council meeting dt. 3.9.96 regarding Special Casual Leave of Dr. Swapan Kr. Ghosal for his visit to Imperial College, London.

Resolved that the decision dt. 3.9.96 be modified and SCL for 14 days and Special Leave under Rule-16 for 4 days be sanctioned to Dr. Ghosal for absence from 3.9.96 to 20.9.96.

26. To consider recovery of scholarship from a JRF who have resigned before 2 years since joining.

Deferred.

The matter be brought in the next meeting as a general case.

The meeting ended with a vote of thanks to the Chair.

2. Prof. Pradip Kumar Sengupta.
   Deptt. of Political Science,
   North Bengal University.

Shri Shanti Kumar Mondal, Asstt. Controller of Examinations was present in the meeting and assisted the members with necessary papers. On the basis of the reports from the Principals/Chairman the Candidates were asked to appear before the Malpractices Enquiry Committee for defending the charges framed against them.(Except Dar F 116, the candidate did not turn up). They were given reasonable opportunity to spell out their cases in defence including personal hearing and submission of written statements. Members of the Committee after an indepth scrutiny of all the papers and statements given in writing took into consideration, the revised guidelines to deal with Malpractices cases and recommended as under :-

1. Complaints against candidates bearing Roll. Dar No. 9 , 48 , F-116 and Roll Sili. F No. 25 alleging them for using incriminating documents during the period of examination hours have, however, been denied by the candidates. The Committee, from the circumstantial evidences verfied and found correct, the allegations levelled against the candidates and resolved that the examinations of the candidates of 1996 be cancelled and they also be debarred from appearing in the (1997) examination as per rule 1(d).

2. Charges against the candidates Roll Dar No. 59, F-50, F-128 found to have committed offences by keeping written/printed sheets of papers in their possession but evidently those were not used by them. The Committee, recommended their examinations be cancelled for the current(1996) year as per rule.1(f).

3. On a careful scrutiny of the script of the candidates bearing Roll Rai F No. 1 accused of having inserted a previously written loose sheet with her original script (reported by the Chairman Paper -III) could not be conclusively proved or established; the Committee, therefore, recommended exoneration, giving her the benefit of doubt accordingly.

9. Sri T. K. Basu, Siliguri College of commerce.
10. Sri N. C. Paul, Principal, Sukanta Mahavidyalaya.
11. Sri T. Gupta, Balurghat College.

Inspector of Colleges and the Deputy Controller of Examinations attended the meeting on invitation.

Item No.1. To report that the recommendations of the Council dated 24.8.1996 were accepted by the Executive Council and actions were taken as directed by the Vice-Chancellor.

Decision : Actions were reported and the Council noted the same.

Item No.2. To report that necessary action was taken as recommended by the Under-Graduate Council vide item no. 2(i), (ii) dated 24. 8. 1996 regarding establishment of colleges at Kamakhyaguri and Mekhliganj.

Decision : Actions were reported and with regard to Shaheed Kshudiram College at Kamakhyaguri it was further informed that the approval from the State Government was received and finally a letter from the University granting affiliation to the College was also issued.

At this stage the following matters were also placed before the Council :

i) As per decision (Misc. 10) of the meeting dated 3. 7. 1996 colleges were requested to inform whether annual examinations were held at their colleges as per academic calendar.

26 colleges complied with the request. The replies were by and large satisfactory. The Council suggested that a reminder be issued to defaulting colleges.

Contd.....P/2.

ii) The Vice-Chancellor reported that requests came from some colleges for extension of last date of admission. In most of the cases the reasons for delay were not convincing. Some colleges also took unusually long time in distributing and processing the admission forms. However, after examining the letters supported by G. B. resolutions the Vice-Chancellor had granted extension to a few cases.

The Council endorsed the action of the Vice-Chancellor and decided to examine whether the colleges could have avoided this delay. A few colleges would be identified and a team comprising members of the Under-Graduate Council would scrutinise the procedure adopted by these colleges. The Council also decided to be more realistic in fixing the last date from next time.

At this stage the Vice-Chancellor placed the case of Alipurduar college. It was reported that admission process was hampered since the Principal was under gherao and under such situation extension of last date of admission was requested.

The Council very reluctantly resolved that the last date with fine be extended till 30th September. The Council resolved further that the reasons for delay as stated by the College were not convincing and the Principal be requested to come to the University with necessary papers after the admission was over.

iii) Letters received from the Deputy Secretary, Government of West Bengal requesting the University to grant provisional affiliation in Geography honours to Alipurduar College and A. C. College and honours in History and Political Science to Vivekananda College were placed.

The Council resolved to recommend affiliation, and observed that the Government has to be informed not to send anymore cases this year since classes would then suffer.

The Council suggested that since last date for admission was over, the students already admitted be given option for these newly permitted honours courses.

In this context it was also pointed out that A.C.College where honours in Geography is introduced has been running the Geography Pass course with part time teachers.

Contd.....P/3.

iv) The Vice-Chancellor reported that a request from A. C. College to start Sericulture as an Elective subject was referred to the West Bengal State Council for Higher Education which has requested the University to send a feasibility report.

The Council resolved that an inspection be caused and the report be placed before the Council for consideration.

v) Registrar's letter to the Principal, Jalpaiguri Law College as per decision of the Council dated 9. 8. 1996 (matters arising - ii) was placed. The Registrar in his letter reminded the college authorities that in their meeting with the Vice-Chancellor on 9.7.1996 the members of the Governing Body assured the University that they would take urgent measures to appoint whole-time Principal and four other teachers very soon which are the conditions prescribed by the Bar Council of India to hold good its approval of a college imparting legal education.

The Council suggested that a copy of such letters also be communicated to the University nominee to the Governing Body.

The Council resolved further that the Registrar be requested to send a reminder to the Bar Council of India.

Item No.3.

(i) To consider inspection report on continuation of honours courses in English, History and Bengali at Kalivagani College.

Decision: The Council considered the report and resolved to recommend that the college be allowed to continue honours courses in English, History and Bengali initially till 1997-98 academic session. The question regarding further extension of affiliation would be reviewed after examining the infrastructure raised by the college and assistance provided by the Government.

(ii) Continuation in honours course in Nepali and Statistics as one of the Elective subjects at Siliguri College.

Decision : The Council considered the report and resolved to recommend that the college be allowed to continue honours course in Nepali and Statistics as one of the Elective subjects initially till 1997-98 academic session. The question of

Contd.....P/4.

f further extension of affiliation would be reviewed after examining the infrastructure raised by the college and assistance provided by the Government.

(iii) Continuation in honours course in English, B.Sc. Pass course in Bio-Science and Elective Geography at Kurseong College.

Decision : The Council considered the report and resolved to recommend that the College be allowed to continue honours course in English, B. Sc. Pass Course in Bio-Science and Elective Geography initially till 1997-98 academic session. The question of further extension of affiliation would be reviewed after examining the infrastructure raised by the college and assistance provided by the Government.

(iv) Continuation of honours course in English and Political Science at Siliguri Mahila Mahavidyalaya.

Decision : The Council considered the report and resolved to recommend that the College be allowed to continue honours course in English and Political Science initially till 1997-98 academic session. The Question of further extension of affiliation would be reviewed after examining the infrastructure raised by the college and assistance provided by the Government.

(Confirmed for immediate action)

Item No.4. To Consider the recommendations of the Board of Under-Graduate Studies in Education dated 6. 8. 1996.

The Board of Under-Graduate Studies made the following recommendations :

i) That the revised syllabus for the honours course in Education as prepared by the Board be made effective.

ii) that minor changes made by the Board in the existing syllabus for the B. Ed. course be made effective.

Decision : The Council resolved that the changes both in the Education (Honours) as well as B. Ed. syllabi be given effect to from the 1997 - 98 academic session.

(Confirmed for immediate action)

Item No.5. To consider minor changes in the existing Pass & Honours syllabus in Geography as recommended by the Board of Under-Graduate Studies in Geography on 22. 7. 1996.

Contd.....P/5.

Decision : In view of the prospect of introducing new pattern of degree course the Council resolved that consideration of the above recommendations be deferred for the time being.

Item No.6. To consider a representation received from the students of Jalpaiguri Law College.

Some students of Jalpaiguri Law College prayed that the 3 year L.L.B. examinations of their college centre be held at the University campus at least for another year.

Decision : The Council while expressing its inability to grant the prayer resolved that the District Magistrate would be requested to extend necessary help to run the examination smoothly as well as fairly. On being informed that the present D. M. was likely to get transferred, the Council suggested that under such situation he be requested to convince his successor about the importance of this issue.

(Confirmed for immediate action)

Item No.7. To consider letters from the Principal, Malda Women's College regarding admission to 1st year classes at the College.

The Inspector of Colleges in a circular requested the Principals to ensure that admission in all courses were made strictly on the basis of merit. On receipt of the same the Principal informed her inability to follow the norms of the University since according to her this has been the practice there to give preference to their own students. Subsequently in another letter supported by G. B. resolution she had requested to approve their decision at least for this academic session.

Decision : The Council took a serious view of the fact and resolved that the Principal be asked to send subjectwise list of candidates deprived and other particulars to ascertain the exact number of candidates left out from the lowest in merit.

(Confirmed for immediate action)

Contd. .....P/6.

Item No.8. To consider forming of 3 committees to work out modalities for holding of examinations in Tourism & Travel management, Computer applications and Archaeology & Museology as introduced as Vocational subjects at four colleges from 1996-97 academic session.

Decision : The Council resolved that the Vice-Chancellor be authorised to do the needful in this regard.

(Confirmed for immediate action)

Item No.9. To consider a letter from the Lecturer-In-Charge, Raiganj B. Ed. College.

On receipt of a letter communicating the desire of the University that the college be run during day time from the current academic session the Lecturer-In-Charge in his letter explained their difficulties to comply with the request cfthe University at least in the current session. He has also enclosed resolutions of the Governing Body where inter alia it has been stated that the College has only two permanent teachers and as such depends very much upon the services rendered by six part time teachers. If the college is shifted to day time, the services of the part time teachers will not be available.

Decision : The Council considered the matter thoroughly and resolved to recommend that the decision of the University relating to Raiganj B. Ed. College be held in abeyance. The Council resolved further that the attention of tha State Government be drawn for urgent appointment of permanent teachers.

(Confirmed for immediate action)

Item No.10. To consider fixing of dates for filling in the forms and holding of Under-Graduate Examinations in 1997.

With regard to holding of various Under-Graduate Examinations in 1997 and filling in the forms for the same the Council fixed the following dates :

Contd.....P/7.

(1) B.Ed.

Commencement of Examinations - 2nd May, 1997

(3) B.A./B.Sc./B.Com.

Part II (Honours)

Commencement of Examinations - 16. 8. 1997

Filling the forms

(i) From students to colleges - 20. 5. 1997 without fine
27. 5. 1997 with fine.

(ii) From colleges to University - 3. 6. 1997

The Council also decided that efforts would be made to reduce the time span for holding of Pass practical examinations.

(Confirmed for immediate action)

Item No.11. To, consider a note from the Inspector of Colleges regarding extension of affiliation to following Colleges :

(i) Siliguri B.Ed.College

(ii) Government College of Physical Education for Women, Dinhata.

Decision : The Council considered the note of the Inspector of Colleges and also took into account the letter from National Council For Teacher Education asking the B.Ed./ B.P.Ed. Colleges to provide evidence of up-to date

Contd.....P/8.

affiliation by the University and resolved that affiliation be extended to Siliguri B.Ed. College and Government College of Physical Education for women, Dinhata till 1996-97 academic session.

(Confirmed for immediate action)

At this stage the members wanted to know about the progress of publication of 1996 Under-Graduate results.

The Deputy Controller of Examinations reported that B.Com, B.Sc. Part I and B. Ed. rusults were likely to be published very soon.

The members expressed happiness.

Miscellaneous items.

Misc. 1. A letter from the Principal, Islampur College and a representation from the students of Vivekananda College, both requesting for increase of seats for admission to honours subjects were placed.

Decision: The Council expressed regret.

Misc.2. The Deputy Controller of Examinations placed a case of Sri Jahar Sarkar who appeared from Alipurduar College in 1995. As per report of the invigilator on duty on that day of examination, the candidate left the examination hall on 27.6.1995 without submitting his answerscript in Additional Bengali. The report of the invigilator was duly endorsed by the Principal of the College. The matter was also reported to the local police.

The matter was placed before the Malpractice Enquiry Committee. The Committee decided to exonerate the candidate but did not take any decision about the awarding of marks. Incidentally the candidate passed in all the other subjects.

Decision: The Council resolved to recommend awarding of pro-rata marks in Additional Bengali.

(Confirmed for immediate action)

Misc.3 The Deputy Controller of Examination placed a case of one Smt. Purnima Biswas of Balurghat Mahila Mahavidyalaya who appeared in English Honours Part I Examination in 1995 and got 103 i.e. 'QP' in Honours subject. She applied for reassessment in paper I & paper II. After reassessment her marks in Paper I were decreased by 7 and marks in [illegible]

Contd.....P/9.

paper II remained the same and as a rusult she was declared 'Pass' in her revised marksheet. Although the college authority was informed on 3.9.1996 of her results, the original marksheet was not yet returned. The Part II Honours examinations was started on 9.9.1996 and as reported by the college, revised result reached the college in the late hours of 9.9.1996. They thought it prudent not to disturb her and consequently she completed her Part II examination for which she lacked eligibility.

Decision : The Council resolved that her Part II examination be cancelled and she be awarded 'Pass' marksheet.

The Council resolved further that enquiry be made to find out the reasons for delay in communicating the revised results.

(Confirmed for immediate action)

Misc.4. The Results of 14 candidates of B.A.Pass Examination, 1995 are still lying incomplete due to non-receipt of marks from the concerned Chairmen.

The above 14 scripts of different subjects and papers and of various examination centers could not be traced out. According to attendance sheets and top sheets the candidates were present in the examinations. Examiners and Chairmen were intimated several times but they also failed to trace out the scripts. Results of B.A.Pass examinations were published in the month of February, 1996. The concerned candidates were pressing hard for their results since the evidence available from the colleges clearly proved that the candidates had appeared at the examinations, the results needed to be finalised.

Decision : The Council expressed concern and resolved that pro-rata marks be awarded to the candidates.

The Council resolved further that explanations be sought within a reasonable time from the concerned examiners as to why they had failed to identify the discripancy if any while making physical varification of the scripts with the top sheets and report the same to the University.

(Confirmed for immediate action)

Contd.....P/10

Misc.5. A case of one Sri Ujjal Adhikary who appeared at the B.Sc. Examination, 1995 from A.B.N. Seal College was placed.

The candidate failed in Mathematics and Chemistry and applied for reassessment for which he was not eligible. But the College authority forwarded the case without scrutiny and the University also did mistake sending the script for reassessment. The fault was detected by the Tabulators during final comparison. Meanwhile revised marksheet was sent to the college showing passed in Mathematics but failed in Chemistry. Final result was also declared as 'P' inadvertently by the Tabulators. The candidate came and showed the mistake. Letter was then issued to the college accordingly.

As the candidate was informed of the revised result late, he could not appear at the examination in 1996.

Decision: The Council expressed unhappiness since this was an unusual case where mistakes had occured at all the stages from college to the University and resolved that the candidate be given an extra chance if needed to appear at the said examination. Also resolved that an inquiry be made to find out the reasons of such lapses at the University's end.

(Confirmed for immediate action)

Misc.6. A case of Sri Utpal Adhikary seeking admission to B.Ed. course at University B.T. & Evening College was placed. The Council examined all the aspects including the observation of the D.D.P.I. and recommended that Sri Adhikary be allowed to take admission and considering that he was duly selected for admission and went to the college for this purpose before expiry of the last date the Council resolved that the question of last date for admission would not be applicable here.

The Council resolved further that this decision would also apply to other cases, if any, where candidates were duly selected and came to the college for admission before the last date but were somehow not allowed.

(Confirmed for immediate action)

There being no other item the meeting ended with a vote of thanks to the Chair.

OFFICE OF THE INSPECTOR OF COLLEGES
NORTH BENGAL UNIVERSITY.

Ref.No. 239/38/Insp-96. Dated. 22. 8. 96.

NOTE TO THE VICE-CHANCELLOR.

Subject: Inspection report regarding continuation of honours course in Nepali, and Statistics as one of the elective subjects at Siliguri College.

In response to a letter Ed-519 dated 8.8.95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the Executive Council of the University permitted the college to introduce honours course in Nepali and Statistics as one of the elective subjects provisionally from the academic session 1995-96. The decision of the University was communicated to the college vide letter 2463/R-95 dated 17.8.95 from the office of the Registrar. Subsequently an Inspection team comprising Shri B. K. Upadhyaya, Head, Department of Nepali, NBU, Professor S.P.Pal,Department of Mathematics, NBU and Inspector of Colleges visited Siliguri College on 13th August, 1996 to examine the facilities available in the college to teach these courses. Professor Biswanath Bhattacharjee, Dean, Faculty of Science could not accompany the team due to preoccupation. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

HONOURS COURSE IN NEPALI :

Enrolment.

Last year (1995-96) only three students took admission in Nepali honours perhaps this year the admission in 1st year honours will be encouraging.

WORKLOAD :

The weekly workload of the Department from Higher Secondary to Part II honours is tabulated below.

Higher Secondary	Group A language	Group B language	Total
XI th	5	4	9
XIIth	5	4	9
			18

Contd.....P/2.

	PASS COURSE	PERIODS PER WEEK
1.	Elective Nepali 1st year	6
2.	Elective Nepali 2nd year	6
3.	Ad. Comp. Nepali B. A. 1st year	2
4.	Ad. Comp. Nepali B. A. 2nd year	2
5.	Ad. Comp. Nepali B. Sc. 1st year	2
6.	Ad. Comp. Nepali B. Sc. 2nd year	2
		20

	HONOURS	PERIODS PER WEEK.
1.	1st year honours	12 (18)*
2.	2nd year honours	12 (18)*
3.	Part II (Honours)	20 (30)*
		66

Total workload per week : 18 + 20 + 66 = 104

* Honours classes converted into pass periods.

It is seen that on commencement of Part II Classes the total workload of the Department will be 108 periods per week. Right now the workload is 74. The weekly workload of a full fledged honours course corresponds to the need of four full time teachers whereas the college has only one full time teacher at present. The Government should, therefore, consider sanctioning two posts of lecturers in 1996-97 academic session to take care of the existing workload and one more post should be sanctioned on commencement of Part II (Hons.) Classes from 1997-98 academic session. The Inspection team is of the opinion that four teachers are absolutely essential to teach Pass and Honours classes.

BOOKS :

The Nepali books in the college library totals to 465. More books are, however, needed to cover the honours syllabus especially that of Part II. Subscription to few periodicals like Diyalo, Srasta, Prakriya, Garima, Prajna etc. will help the staff and students to keep in touch with present trends in Nepali literature. The library staff are not quite conversant with Nepali language. The college may think of having a Nepali speaking group 'C' staff as and when a vacancy is caused or an additional post is sanctioned by the Government. The Government may

Contd.....P/3.

consider granting a sum of Rs. 10,000/- to enrich the Nepali section of the library.

STATISTICS AS AN ELECTIVE SUBJECT :

Enrolment (1996-97).

Class	Male	Female	Total.
B. Sc. 1st year	-	-	-
B. Sc. 2nd year	19	9	28

The number of students who opted for statistics last year (1995-96) is quite encouraging. The admission to first year B. Sc. was in progress when the Inspection team visited the college hence it was not possible to ascertain how many students would opt for Statistics this year.

WORKLOAD AND TEACHERS :

A student of Pass course is required to appear in two theory papers and one practical examination at the end of second year. The weekly workload of the subject would be as follows :

Class	Theory	Practicals.
B. Sc. 1st year	6	4
B. Sc. 2nd year	6	4

The workload for a group of 20-25 students may not exceed 20 periods per week but if the strength goes up to 40 and above the number of batches for practicals will increase and the workload will rise proportionately. A batch of twenty students is required to do practicals in two turns of two periods each every week. Considering the initial response in the subject, the strength and therefore the workload in the subject is likely to increase. The college does not have a full time teacher in Statistics at the moment. A part time teacher is teaching both theory and practicals at present but considering the fact that Paper I deals purely in theory and Paper II covers mostly the application of statistics it will not be possible for one teacher to do justice to the syllabus. The Inspection team is, therefore, of the opinion that it will be only proper for the Government to sanction two posts of lecturers straightway during 1996-97 academic session. The presence of two teachers will also help in tackling the practical classes more effectively. However, pending appointment of full time teachers the college should engage one more part time teacher to tackle the workload.

Contd.....P/4.

BOOKS :

The college has so far acquired just 25 titles in the subject. There are only one or two copies of each title which is considered very inadequate compared to the number of students offering the subject. The college should, therefore, purchase atleast five copies of each title. Besides, a wider selection covering both theoritical aspects and applications of statitics is desired. The Government may consider giving a book grant of Rs. 10,000/- or so for purchase ofbooks. The books of statistics will be useful for students of Economics and Mathematics also.

PHYSIOLOGY :

Though the Inspection team visited the college mainly to examine the facilities available for teaching Nepali honours and statistics, the Principal drew the attention of the team towards the problems the college is facing in teaching physiology as elective subject. There are about 240 students studying Physiology at B.Sc.(Pass) level. The strength corresponds to 12 batches of practicals and this alone accounts for a work-load of 72 periods per week.Together with theory periods the weekly workload in Physiology comes to 84 periods. This corresponds to the workload of four teachers whereas the college has only one full time teacher. The Government should, therefore, consider sanctioning two posts of lecturers during 1996-97 academic session and one more post from 1997-98 session. If the college fails to receive sanction for any additional post from Government it may have to curtail the strength to 40 from 1997-98 session. The college should inform the University about the position of teachers in Physiology in April, 1997 for reviewing the issue.

PRINCIPAL :

Shri Arabinda Basu after serving the college for more than ten years as Principal is due to retire in January, 1997.

OFFICE :

The College is constructing a separate block for office from its own fund. The construction, which is being done by Engineers' Co-operative, is progressing well.

Contd.....P/5.

AUDITORIUM :

The Siliguri corporation is constructing a spacious hall (3100 sq.ft.)for the college near library building. The college has allowed the corporation to construct a water storage tank on its campus and in return the corporation has agreed to construct the Hall. The roof of the Hall will be on a level with the roof of the library to enable the college to extend its library in future without much difficulty. The library with more than 25,000 books needs more space. The installation of water tank on the college campus will ensure smooth supply of water to the college for 24 hours. The laboratories will be greatly benefitted by this arrangement. The college also proposes to construct a big class room on the terrace over the Physics laboratory. A good deal of development work have been initiated by the college.

GOVERNMENT GRANT :

The college has a student strength of around 3,000 of which 1000 belong to higher secondary and are not required to pay any tution fee. Surprisingly the only Government grant (other than pay packet) the college got in last three years was a modest sum of Rs. 10,000/- (1995) for sports equipment. A big college like this should be considered for more liberal grants particularly when some of the small colleges were given grants which were three times more to what has been given to Siliguri college in an equivalent period.

UGC GRANT :

The college has not received any UGC grant during 8th plan period except Rs. 1.25 lakh for purchase of a computer.

REVENUE :

The main source of income for the college is from the following fee.

1. Development fee @ Rs. 108/- per student per annum.
2. Library fee @ Rs. 15/- per student,only once
3. Laboratory fee @ Rs. 45/- per student per annum.

The college collects a tidy sum of Rs.3.5 lakh per annum from the fee structure referred above but being a large multi faculty college its expenses are also high and varied.

Contd.....P/6.

HOSTEL :

The college has a hostel for boys. The intake capacity of the hostel is 65. The Government has sanctioned four posts of mess employees - one cook and three helpers. The Government may consider giving a modest grant to renovate the hostel building.

RECOMMENDATIONS :

The Inspection team recommends continuation of teaching of Nepali honours and statistics as an elective subject and expects the college to approach the Government for compliance of the following recommendations :

1. The Government should consider sanctioning of two posts of lecturers in Nepali during 1996-97 and one post on commencement of Part II classes in 1997-98.
2. The Government should also consider sanctioning two posts of lecturers in Statistics during 1996-97.
3. The Inspection team expects the Government to give a book grant of Rs. 20,000/- to purchase books of Nepali and Statistics.
4. The college is facing problems in teaching Physiology as an elective subject for want of teachers. The Government should consider sanctioning two posts of lecturers in Physiology during the academic session 1996-97 to tackle the workload.
5. The Government may consider giving a suitable grant for renovation of the hostel building.

The Inspection team would like the college to send a compliance report by April, 1997.

OFFICE OF THE INSPECTOR OF COLLEGES
NORTH BENGAL UNIVERSITY.

Ref.No...../Insp-96 Dated. Sept.'96.

NOTE TO THE VICE-CHANCELLOR.

Subject : Inspection report regarding continuation of B.Sc.(Pass) course in Bio-Science.elective Geography and English honours at Kurseong college in Darjeeling District.

In response to a letter Ed/519/1(1) dated 8.8.95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the Executive Council of the University permitted the college to introduce B.Sc. (Pass) course in Bio-science, elective Geography and honours course in English from the academic session 1995-96. The decision of the University was communicated to the college vide letter 2455/R-95 dated 17. 8. 95 from the office of the Registrar. Subsequently an Inspection team comprising Dr. A. K. Mukherjee, Head, Department of Zoology, Dr. Abhay Das, Reader, Department of Botany and Inspector of Colleges visited Kurseong College on 5th September, 1996 to examine the facilities available in the college to teach these courses. Professor Banerjee, Head, Department of English, could not accompany the team due to preoccupation. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

Honours Course in English.

Enrolment (1996-97)

Class	Boys	Girls	Total
1st year honours	4	8	12
2nd Year honours	3	5	8
Part II (Honours)	Yet to start.		

The college has a modest strength in English honours. The girls outnumber the boys. However, care should be taken to restrict the strength to 25.

Workload and Teachers :

The weekly workload of the Department for Pass and honours courses is tabulated below.

Pass Course.	Periods per week
Additional compulsory language in B.A./B.Com./ B.Sc. pass courses in first and second year with two turns for each class per week.	12
Elective English 1st year	6

Contd.....P/2.

Pass Course.	Periods per week.
Elective English 2nd year.	6
HONOURS	
1. 1st year honours	12 (18)*
2. 2nd year honours	12 (18)*
3. Part II (Honours)	24 (36)*
Weekly workload	96

* Honours classes converted into pass periods.

It is seen that on commencement of Part II classes the total workload of the Department will be 96 periods per week which corresponds to the need of four full time teachers. The college has two sanctioned posts of lecturers but one post is lying vacant since December, 1991. Repeated requests to College Service Commission has failed to yield any result. The college in fact has only one full time teacher at present. Right now, the workload of the Department is 60 hence the college is in need of three full time teachers in 1996-97 academic session. Considering that the vacant post will be filled, the Government should sanction one post of lecturer during 1996-97 and another on commencement of Part II classes in 1997-98.

The college, for the present, has appoinyed two part time teachers to tackle the workload.

BOOKS :

The college has a modest collection of books pertaining to the syllabus of elective English. For honours level more advanced books covering different aspects of the subject are required. The Department has already prepared a list of books which are required and the college should purchase these books immediately. The college will also have to purchase books pertaining to Part II syllabus. The Government may consider giving a book grant of Rs. 10,000/- to purchase books of honours level.

GEOGRAPHY AS ELECTIVE SUBJECT :

Enrolment (1996-97) :

Class.	Boys	Girls	Total
1st year	4	7	11
2nd year	27	16	43

The college had admitted 43 students last year (1995-96) without realising that Geography is a laboratory based subject and more than one batch in practicals will increase the workload.

Contd.....P/3.

The college was not expected to admit so many students in the very first year without making any arrangements for the laboratory. The authorities were advised not to admit more than twenty students for the present.

WORKOAD AND TEACHERS :

The weekly workload of elective Geography for 20 students will be as follows.

Class.	Theory.	Practical.
1st year	6	6
end year	6	6

The weekly workload for elective Geography will not exceed 24 periods per week provided the student strength is restricted to twenty. A batch of twenty students is required to do practicals in two turns of three periods each every week. The University expects that the Government would sanction two posts of lecturers for all elective subjects more so for a practical based subject. The syllabi of Physical, Economic and Social Geography and practicals can not be effectively covered by a single teacher hence the Government should straightway sanction two posts of lecturers from 1996-97 academic session.

The college has engaged two part time teachers to cover the syllabus of elective Geography. The two teachers are first class postgraduates and have appeared in the NET examinations recently. They have covered most of the portions of Physical and Economic Geography, only the topics of Social Geography remains to be covered. The practical Classes are however yet to start.

LABORATORY :

A room measuring 21' x 24' has been spared on the top floor of science block for Geography Laboratory. The furniture and equipment are yet to be purchased. The College should have thought twice before starting such laboratory based subjects particularly when it did not have even some nominal amount to spare for furnishing and equipping laboratories. The college was asked to spare some amount from its current and savings accounts for equipping the laboratories atleast with bare essentials so that students get opportunity to do practicals before puja vacation. The Government will have to sanction immediately atleast Rs. 75,000/- for setting up the Geography laboratory and also to purchase the following equipments and furniture.

Contd.....P/4.

B.SC.(PASS)COURSE IN BIO-SCIENCE.

ENROLMENT (1996-97)

Class	Boys	Girls	Total.
B.Sc. 1st Year	15	7	22
B.Sc.2nd year	15	8	23

The Inspection team is of the opinion that the college should not admit more than twenty students in B.Sc. Bio-Science.

WORKLOAD AND TEACHERS :

The weekly workload for both Botany and Zoology in pass course for twenty students will be as follows :

Class	Theory	Practical.
B. Sc. 1st year	6	6
B. Sc. 2nd Year	6	6

The workload in both Botany and Zoology will not exceed 24 periods per week provided the student strength does not exceed twenty. The Practical classes for each batch will be of two turns of three periods each every week. As stated earlier for each elective subject two teachers are necessary hence the Government should sanction four posts of lecturers straightway, two each for Botany and Zoology.

The college has engaged three part time teachers for Zoology one of them is a first class postgraduate and has appeared in SLET examination.It was learnt that portions relating to chordates, non-chordates, ecology and genetics are almost over, only topics pertaining to economic Zoology are yet to be taught. In Botany, the college had appointed two part time teachers but one of them has recently left for better prospects the other who is a first class postgraduate is shouldering the entire load of the Department. The Inspection team was told that topics relating to cryptograms, Physiology, cytogenetics and pharmacognosy were nearing completion only taxonomy portions were yet to be covered. The theory portions in both the subjects are likely to be covered. The theory portions in both the subjects are likely to be covered by mid October but the practical classes are yet to begin. The college authorities may take the help of staff of Rangers'college for effective teaching as well as to lighten the workload of the only part time teacher in Botany.

LABORATORIES :

Two rooms measuring 22' x 21' have been spared on the top floor of Science block for Botany and Zoology laboratories. The rooms are empty, the furniture and equipment are yet to be purchased. The rooms provided for laboratories have two small adjoining cubicles for use as staff and store rooms. One separate room (24'x21') adjacent to biology laboratories has been provided to display specimen and skeletons (museum). The President of the Governing body was told about the urgency

Contd.....P/6.

to start practicals soon and was urged to provide some fund from the college to organise the laboratories. The Government will have to sanction immediately atleast Rs. 3.00 lakh for setting up the Botany and Zoology laboratories and also to purchase the following equipments.

(a) Zoology

Items.	Specification	Quantity
1. Laboratory table	quality wood L 10' x W 2' x H 2½'	4

(1 per student plus two more during examinations).

BOOKS :

The college does not have any book in Botany or Zoology. Standard text books will have to be purchased both in Botany and Zoology. The Government may consider giving a book grant of Rs.30,000/- to buy books of degree standard in these two subjects.

Contd.....P/8.

LABORATORY ATTENDANT :

The college will require one laboratory attendant for each subject. It will be of advantage to have attendants who have passed either higher secondary or class Xth. examination.

BOTANICAL GARDEN :

There is a small open space enclosed from all sides in the Science block. It can be converted into a botanical garden or green house. If for some reason this is not possible the college may think of an alternate site within the college premises for the garden.

EXCURSION :

The students of Bio-science will have to undertake an educational excursion once during their tenure of study to collect specimen and get acquainted with flora and fauna of different regions. The first batch of students of B.Sc. (Pass) course will miss this trip because of absence of full time teachers.

SCIENCE BLOCK :

The Science block of the college is a three storied building built at a cost of Rs. 45.00 lakh or so but the quality of construction is very poor. The Physics laboratory and corridors are leaking and the walls at many places are damp. The floor of the top storey where Botany, Zoology and Geography laboratories will be set up is in a bad shape. The plasters are peeling out from the floor of all the rooms even before they have been put to any use. The college has been given Rs. 2.00 lakh from Hill development fund for further extension of the Science block. A part of this amount, if permissible, may be utilised in renovating the building. The gallery where science classes are held needs a big glass board.

PHYSICS :

The Department has three sanctioned posts of lecturers but two posts are lying vacant since long time. The CSC is yet to recommend suitable candidates for these vacancies despite reminders. The workload of the Department is being tackled by only one teacher, Dr. M. Karanjai. The laboratory is leaking and is in a very bad shape. It needs immediate repairs to prevent further damage of the instruments. A bigger dark room is needed to perform the experiments relating to optics. The Department is required to set up around 36 experiments of which it is in a position to set up only 12 for want of equipment and space. The college authorities will have to think about this and consider giving better accommodation to the Department. The college may also consider appointing atleast one part time teacher to tackle the workload.

Contd.....P/9.

CHEMISTRY :

There are three sanctioned posts of lecturers in Chemistry but one post is still lying vacant. Moreover, there are just two experiment tables which can accommodate just eight students at a time whereas in B.Sc. Bio-science alone there are 45 students. The college should arrange for atleast three more experiment tables so that twenty students would be in a position to work at a time. The college does not have a gas plant, the Department is using just two cylinders to meet the requirement of gas but the cylinders may not be able to provide effective supply of gas for a group of twenty students.

MATHEMATICS :

The Government has sanctioned two posts of lecturers in Mathematics but here also one post is lying vacant.

COMMERCE :

In commerce there are four sanctioned posts but two posts are lying vacant, one from may 1989 and another from January,1994.

It is surprising that as many as seven posts of lecturers are lying vacant in different subjects since long time and as a consequence students are suffering.

PRINCIPAL :

The Principal of the college is on long leave and is perhaps due for retirement in 1997. The college administration is suffering in absence of the Principal.

FUND POSITION :

The college had Rs. 55,000/- in the savings account and Rs. 57,000/- in current account. The college authorities should consider whether they can spare Rs. 75,000/- or so for purchase of some equipment for the laboratories.

GRANTS :

The college has received the following grants since 1993-94.

Year.	Purpose	UGC	State Government.
1993	i) Purchase of Computer	Rs. 1,25,000/-	-
	ii) Books and Journals	Rs. 35,000/-	-
	iii) Equipment	Rs. 70,000/-	-
1994-95	- Sports equipment	-	Rs. 10,000/-
1995-96		Nil	Nil.

The college has utilised these grants and a computer has also been purchased.

Contd.....P/10.

FEE :

The college besides tution fee is also charging the follow6ng fee from students.

i)	Development fee	Rs. 150/- per annum.
ii)	Library fee	Rs. 180/- per annum.
iii)	Laboratory fee	Rs. 240/- per annum.

RECOMMENDATIONS :

The college is in a very difficult situation as far as the three laboratory based subjects are concerned. The college is yet to purchase equipments and books in these subjects and the practical classes in these subjects have not been started yet. The Inspection team has no option but to recommend continuation of B. Sc. (Pass) course in Bio-science, honours course in English and teaching of Geopgraphy as an elective subject till 1997-98 academic session. However, the college authorities should intimate the University the position of teachers in each of these subjects and the extent of progress made in setting up the laboratories by April, 1997 positively. The other recommendations of the Inspection team are :

1. For teaching honours course in English the Government should sanction one post of lecturer in 1996-97 session and another during 1997-98 academic session. Four posts of lecturers are considered essential for teaching of honours courses.

2. In Geography the Government should sanction two posts of lecturers during 1996-97 itself.

3. The Government should sanction two posts of lecturers in Botany and also two posts of lecturers in Zoology during 1996-97 academic session.

4. The Government should also consider sactioning Rs.4.50 lakh not only for setting up the laboratories in Botany, Zoology and Geography but also for meeting the demands of Physics and Chemistry laboratories. The amount suggested for sanction is quite modest considering the fact that the college will have to set up three laboratories and equip the two laboratories (Physics & Chemistry) better.

5. The Government will have to sanction atleast a sum of Rs. 50,000/- to purchase books in Botany, Zoology, Geography and English.

Contd.....P/11

5.

and Geography.

Contd.....P/11.

6. The Government will also have to sanction three posts of laboratory attendants, one each for Botany, Zoology and Geography.

7. The Science block is in bad shape. The college will have to get it repaired so that leaking and peeling stops. The Government may consider giving a suitable grant for repairs.

8. The College should spare some amount immediately from college fund for purchase of equipments for the three laboratories.

9. The Government may consider reimbursing the allowance of part time teachers who have been appointed in absence of full time teachers since last one year.

10. The College authorities will have to approach CSC more frequently to get the seven vacant posts of lecturers filled.

11. The college authorities should approach the Hill Council as well as the local Member of Parliament for more funds.

12. The college should immediately arrange for more experiment tables for Chemistry laboratory and Physics should be given more space to set up additional experiments.

13. The college should take the help of staff of Rangers' college to teach Botany till the appointment of full time teachers.

14. The college should not admit more than twenty students in laboratory based subjects and admission in English honours should not exceed twenty five.

15. The college has a responsibility to ensure that second year students of Bio-science and Geography finish their experiments by May, 1997. The college authorities may think of conducting practicals during the winter vacation with the help of part time teachers.

As stated above the college should send a compliance report to the above recommendations by April, 1997.

OFFICE OF THE INSPECTOR OF COLLEGES
NORTH BENGAL UNIVERSITY.

Ref.No. 236/21/Insp-96 Dated: 21.August '96

NOTE TO THE VICE-CHANCELLOR.

Subject : Inspection report regarding continuation of honours courses in English, History and Bengali at Kaliyaganj College in North Dinajpur District.

In response to a letter Ed-477/95 dated 28.7.95 from the Director of Public Instruction, Government of West Bengal, on the above subject, the Executive Council of the University in its meeting held on 2. 8. 95 resolved to permit the college to introduce honours courses in English, History and Bengali provisionally from the academic session 1995-96. The decision of the University was communicated to the college vide letter 2451/R-95(5) dated 17.8.95 from the office of the Registrar. Subsequently an Inspection team comprising Professor A. Banerjee, Head, Department of English, Dr. A. G. Ghosh, Head, Department of History and Inspector of Colleges visited Kaliyaganj College on 25th July, 1996 to examine the facilities available in the college to teach these courses. Shri Saktidas Mukherjee, Member, U. G. Council could not accompany the team due to pre-occupation. As regards Bengali (Honours) the list of books and departmental workload was collected from the college and based on available resources the recommendations have been made in consultation with Teachers of the P. G. Department of Bengali. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

HONOURS COURSE IN ENGLISH :

Enrolment (1996-97)

Class	Male	Female	Total
1st year honours	-	-	-
2nd year honours	28	08	36
Part II (Honours)		Yet to start.	

The admission to first year honours for the current accademic session was yet to start. The College should not enrol more than 25 students in honours course.

Contd.....P/2.

WORKLOAD :

The weekly workload of the Department from Higher Secondary to Part II honours is tabulated below.

	Higher Secondary	Periods per week
1.	XI th Arts	3
2.	XI th Commerce	3
3.	XII th Arts	3
4.	XII th Commerce.	3

8.	2nd year B. Sc. Additional compulsory		- 2
			24

HONOURS		PERIODS PER WEEK.
1.	1st year Honours	12 (18) *
2.	2nd year Honours	12 (18) *
3.	Part II (Honours)	24 (36) *
		72

Total weekly workload : 12 + 24 + 72 = 108

* Honours classes converted into pass periods.

It is seen that on commencement of Part II Classes the total workload of the Department will be 108 periods per week. Right now, the workload is 72. The weekly workload of a full fledged honours course corresponds to the need of five full time teachers whereas the college has only two full time teachers at present. The Government should, therefore, consider sanctioning one post of Lecturer from 1996-97 academic session to take care of the workload for the current academic session and two more posts should be sanctioned on commencement of Part II(Honours) classes from 1997-98 academic session. The Inspection team feels that four teachers are absolutely essential to teach pass and honours classes. The fifth post of lecturer has become essential

Contd.....P/3.

to tackle the workload of Higher Secondary Classes. In fact XIIth class has 375 students and there is only one section. Normally the XII th class should have been split into two sections. This if done will further increase the workload of the Department.

The two teachers of the department are fairly senior. Shri S. C. Chakraborty has done Ph.D., a two weeks' refresher course in Linguistic at CIEFL, Shillong and a six weeks' summer institute in Linguistic at Guahati University. The other teacher Shri S. K. Bhattacharjee has also done a two week course in Linguistic at CIEFL, Shillong. The college authorities, it is felt, should seek the help of teachers of Raiganj University College t. till additional posts are sanctioned and appointments are made.

BOOKS :

The College has a fairly good collection of books in English literature. There are about 1200 books covering English texts and novels. However, the enclosed list of books provided by Professor Ashutosh Banerjee is considered essential to facilitate honours level teaching. The classification and cataloguing systems of the library needs improvement.

HONOURS COURSE IN HISTORY :

Enrolment (1996-97):

Class	Male	Female	Total
1st year Honours	-	-	-
2nd year Honours	15	15	30

The admission to first year honours for the current academic session was yet to start. The college will do well to restrict the admission to 25.

WORKLOAD :

The full fledged History department of the college along with honours, elective history at B. A. (pass) and higher secondary level will have the following workload.

	Class	Periods per week.
1.	XI th	3
2.	XII th	3
3.	B. A. (Pass) 1st year	6
4.	B. A. (Pass) 2nd year	6
5.	1st year honours	12 (18)*
6.	2nd year honours	12 (18)*
7.	Part II (Honours)	24 (36)*

* Honours classes converted into pass periods.

Contd.....P/4.

The total workload of the History department will not be less than 90 periods per week. The weekly workload corresponds to the need of four full time teachers whereas the college has only two full time teachers at present. The Government should, therefore, consider sanctioning one post of lecturer during 1996-97 academic session to take care of the workload of current academic session and one more post should be sanctioned on commencement of Part II (Honours) Classes from 1997-98 academic session. Considering the diversity of thesubject and the need to teach five papers in Part II (Honours) which includes British History and International relations the Inspection team considers the need of four teachers absolutely essential.

BOOKS :

The college has enough books to teach upto Part I honours level. Books pertaining to Part II(Honours) syllabus of history need to be purchased. The college may buy books of honours standard from West Bengal State Book Board Corporation.

HONOURS COURSE IN BENGALI :

Enrolment (1996-97)

Class	Male	Female	Total
1st year honours	-	-	-
2nd year Honours	28	9	37.
Part II (Honours)		Yet to start.	

The admission to first year honours course for the current academic year was yet to begin. The college should restrict admission to 25 students at honours level.

Honours	Periods per week.
1st year	12 (18)*
2nd year	12 (18)*
Part II	20 (30)*
3rd year	66

Total weekly workload 12 + 24 + 66 = 102

* Honours classes converted into pass periods.

It is seen that on commencement of Part II Classes the total workload of the department will be 102 periods per week which corresponds to the workload of four full time teachers . Though the college has two sanctioned posts of lecturers, one is vacant and as per roster it has to be filled by a ST candidate and the incumbent of the other post has been elected MLA in the recently held elections. In view of this the department is virtually not receiving any attention. A part time teacher has been appointed against the current weekly workload of 72 periods. Hence it is proposed that the Government should straightway sanction two more posts of lecturers during the current academic session (1996-97). If the college fails to have three full time teachers besides the teacher who has been elected to the legeslative assembly it should stop admission in Bengali honours from 1997-98 academic session. The college should inform the University by April, 1997 the position relating to teachers of the department and should consider admitting students in Part I honours only after receiving clearance from the University.

BOOKS :

The college has a good number of books in the subject but more copies of texts and books pertaining to honours syllabus are required. A sum of Rs. 10,000/- is considered essential to equip the library well.

Contd.....P/6.

Principal :

Dr. B. Pradhan joined the college as Principal on 15.9.95.

GOVERNMENT GRANTS (1995-96):

The Zilla parishad has granted Rs.2.5 Lakh(1996) from its development fund to the college for construction of rooms. The college has constructed a spacious room to house the library in accordance with its Master plan from this grant. The two rooms which the library is currently occupying is likely to be converted into class rooms. Besides, the State Government has sanctioned the following grants to the college.

(i)	Sports grant	- Rs. 10,000/-
(ii)	Repairs of furniture	- Rs. 15,000/-
(iii)	Book grant	- Rs. 15,000/-

UGC GRANT (1995) :

The college has received Rs. 1.25 Lakh from UGC to purchasese a computer. The college has purchased a computer(ETNT). A room is being prepared to install the computer.

DEVELOPMENT FEE :

The college collects development fee @ Rs. 2/- p.m. from each student. The college has Rs. 30,000/- under this Head at present.

RESERVE FUND :

The college has only Rs. 30,000/- under the Head Reserve Fund. The college should invest more amount under this head and the amount should be deposited in any long term scheme of a nationalised bank.

HOSTEL :

The college hostel is in a bad shape. The roof is leaking and the kitchen and bathroom needs repair. The Government should consider giving some grants for the repair of the hostel building. There is only one Cook in the hostel and the day he abstains the boarders either go without food or cook themselves. The college is entitled to get the posts of helpers. The Government may consider sanctioning two posts of helpers.

Contd.....P/7.

RECOMMENDATIONS :

The Inspection team recommends continuation of honours courses in English and History but as far as Bengali honours is concerned, the college authorities should seek fresh permission of the University in April, 1997 duly intimating the position of teachers. The other recommendations of the Inspection team are :

1. For teaching honours course in English the Government should sanction one post of lecturer in 1996-97 academic session and two more posts of lecturers should be sanctioned during 1997-98 academic session.
2. In History, the Government should sanction one post of lecturer in 1996-97 session and another post in 1997-98.
3. In case of Bengali the Government should sanction straightway two posts of lecturers in 1996-97 academic session.
4. Further, the Government should also consider sanctioning atleast Rs.30,000/- for purchase of books of honours standard in English, Bengali and History.
5. The college hostel is in a bad shape. The Government may consider giving some grant for renovation of the hostel building.
6. There is only one cook in the hostel. The Government should consider sanctioning two posts of helpers.
7. The college should invest some money in reserve fund and deposit the amount in any long term scheme of a nationalised bank.

NORTH BENGAL UNIVERSITY

Ref. No 297/40 /Insp-96. Dated: 18. 9. 96.

NOTE TO THE VICE-CHANCELLOR.

Subject : Inspection report regarding continuation of honours courses in English and Political Science at Siliguri Mahila Mahavidyalaya.

The Director of Public Instruction, Government of West Bengal, vide his letters Ed-477/95 dated 28.7.95 and Ed/519/1(1) dated 8.8.95 requested the University to extend affiliation in honours courses in English and Political Science respectively to Siliguri Maliha Mahavidyalaya. The University permitted the college to teach these courses provisionally form the session 1995-96 subject to inspection. The decision of the University was communicated to the college vide letter 2450/R-95 dated 17. 8. 95 from the office of the Registrar. Subsequently, an Inspection team comprising Sri Arabinda Basu, Member U. G. Council, Dr. Anup Datta, Reader, Department of Political Science, N.B.U and Inspector of Colleges visited Siliguri Mahila Mahavidyalaya on 20th August, 1996 to examine the facilities available in the college to teach these courses. The observations and recommendations of the Inspection team are given below for favour of perusal of the Vice-Chancellor.

HONOURS COURSE IN ENGLISH :

Enrolment (1996-97) :

Class	Girls.
1st year honours	
2nd year honours	21
Part II (Honours)	Yet to start.

The admission to first year honours for the current academic session was in progress during the visit of the Inspection team hence the actual figure of students admitted could not be ascertained. The college was, however instructed not to admit more than 25 students.

WORKLOAD AND TEACHERS :

The weekly workload of the Department for Pass and Honours courses is given below.

Pass course.	Periods per week
1st year Elective English	6
1st year Additional compulsory language.	2
2nd year Elective English	6
2nd year Additional Compulsory language.	2

Contd.....P/2.

Honours course.	Periods per week.
1st year honours	12(18)*
2nd year honours	12(18)*
Part II (Honours)	24(36)*
	88

* Honours Classes converted into pass periods.

It is seen that on commencement of Part II Classes the total workload of the Department will be 88 periods per week which corresponds to the need of four full time teachers whereas the college has only one full time teacher at present. The Government did not sanction the second post despite recommendations in the Inspection reports in the past. Considering the present situation, the Government should sanction one post of lecturer in 1996-97 session and two more posts should be sanctioned on commencement of Part II (Honours) Classes from 1997-98 academic session. Four teachers are considered absolutely essential to teach pass and honours courses. The college has appointed one part time teacher to share the workload.

BOOKS :

The college has a modest collection of books pertaining to the syllabus of elective English. For honours level more advanced books covering different aspects of the subject are required. Moreover, the college will also have to purchase books relating to Part II syllabus. The Government might consider giving a book grant of Rs. 10,000/- to purchase books of honours level.

HONOURS COURSE IN POLITICAL SCIENCE :

Enrolment (1996-97) :

Class.	Girls.
1st year honours	
2nd year honours	17
Part II (Honours)	Yet to start.

The admission in first year honours was in progress hence the Inspection team could not get the actual figures of students admitted. However, the college was instructed not to admit more than twenty five students.

WORLOAD AND TEACHERS :

The weekly workload of the Department for Pass and Honours courses is tabulated below.

Contd. 3/-

Class.	Periods per week.
B. A. (Pass) :	
1st year	6
2nd year	6
Honours :	
1st year honours	12(18)*
2nd year honours	12(18)*
Part II (Honours)	20(30)*
	78

* Honours classes converted into pass periods.

The weekly workload of a full fledged honours course corresponds to the need of more than three full time teachers. There is a residual workload of six periods. The college has only one full time teacher at present. However, considering the diversity of the subject and the need to teach five papers in Part II (Honours) which includes History of Western Political thought, Internaltional relations, Public administration, Political Sociology and elements of social research four posts of lecturers are considered essential. It is, therefore, proposed that the Government should consider sanctioning three more posts of lecturers. One post may be provided in 1996-97 and two more posts may be sactioned on commencement of Part II classes in 1997-98. The college while sending the requisition for the posts of lecturers to CSC should ensure that area of specialization of the new teachers are different than that of the existing teacher. A part time teacher is helping the college in tackling the present workload of the Department.

BOOKS :

The books available in the college library are adequate only for Pass course students. More advanced books need to be purchased for honours level teaching particularly in the sphere of International relations, Public administration, Statistics, Sociology and Freedom movement. The Government is requested to sanction atleast Rs. 10,000/- for purchase of books of honours standard.

PRINCIPAL

The college was without Principal since April, 1989. Smt. Purnima Bhattacharyya joined as Principal on 1st June, 1995.

ACCOMMODATION :

The college has one hall measuring 40' x 26' on the ground floor and two rooms measuring 21' x 17'. These are the only three rooms where classes are held. The condition of the newly constructed hall is not good. Plastering of the outer wall and adjoining corridor is yet to be

Contd. ... 4/-

done. It is lying unplastered since January, 1995. The college was supposed to construct another hall on first floor just above the existing hall but nothing has materialised so far. The hall is without electricity even after a lapse of two years since its construction. The Principal told the Inspection team that a small room (17' x 10') adjacent to the library will be made available for honours students but the condition of this room is also not good. It is damp and needs repair. The college will somehow manage ? Part I honours classes with the present accommodation but Part II classes of English and Political Science cannot be held without construction of additional rooms. The college should give top priority in constructing a hall on the roof of the existing hall. The Siliguri Mahakuma Parishad and the local Member of Parliament may be approached for funds.

OWNERSHIP OF THE LAND :

The UGC has sanctioned Rs. 2.5 Lakh for extension of the present building but unless the college authorities submit a plan along with duly vetted estimate and a certificate that the college is in undisputed possession of the land the grants might not be released. The college in fact is yet to get the possession of the land. It is high time the college should get the issue of ownership of the land settled either with Siliguri college of Commerce or with the State Government, failing there is a possibility the college may not get any major grant for construction either from UGC or from any other source. The issue of land and accommodation should be placed in the meeting of the college Governing body and the problem should be resolved forthwith. The University feels concerned that a Working Women's hostel is coming up just beside the building where college is housed and even encroachment was seen on one corner of the land. The college should not allow the issue to remain unresolved for long.

VACANCY :

The post of lecturer in Education is lying vancant since April, 1992.

GRANT :

Year	Purpose	UGC	State Government.
1993-94		-	-
1994-95	Furniture and Books.	-	Rs. 30,000/-
1995-96		-	-

The college had also received the first instalment of Rs. 52,500/- from UGC during 1992-93 as library grant. The amount has been fully utilized but the sum of Rs. 35,000/- received from UGC during the same year for purchase of equipment has not been utilized yet. The college should take steps to utilize this amount by purchasing suitable equipments.

Contd. ... 5/-

The college has, however, not received the balance amount of library grant from UGC against the total sanction of Rs. 1.05 Lakh. A book grant of atleast Rs. 20,000/- is, therefore, essential from the State Government.

FUND POSITION :

The college, it is learnt, has around Rs. 80,000/- under Development fee. This amount could be utilized to construct the hall on the first floor.

RECOMMENDATIONS :

The Inspection team recommends the continuation of honours courses in English and Political Science though the college has accute accommodation problem. The college should intimate the progress of construction for providing additional class rooms latest by April, 1997 to the University so that things could be reviewed before the commencement of Part II classes. The other recommendations of the Inspection team are :

1. The Government should sanction one post of lecturer in English in 1996-97 session and two more posts of lecturers should be sanctioned during 1997-98 academic session.
2. In Political Science, the Government should sanction one post of lecturer in 1996-97 session and two more posts in 1997-98.
3. Further, the Government should sanction atleast Rs. 20,000/- for purchase of books of honours standard in English and Political Science.
4. The Principal should discuss the issue of ownership of land in the college Governing body and the issue of possession of the land should be resolved at the earliest.
5. All efforts should be made to construct a hall on the 1st floor before the commencement of Part II classes.
6. The college should keep its reserve fund intact in any long term deposit scheme.
