

## Acknowledgements

I take this opportunity to express my gratitude to my Supervisors Dr. D. P. Datta and Dr. A. Bhadra, without their guidance it would be impossible to reach at the end of the thesis.

I wish to thank Professor K.K.Nandi of Department of Mathematics, NBU for research collaboration, helpful advice and inspiration.

Also, I would like to thank the Faculty members and the Research Scholars of the Department of Mathematics, University of North Bengal for their helpful cooperation. I would also wish to thank the Scientists and other staff of the High Energy Cosmic ray Research Centre, University of North Bengal for extending support.

I also like to take this opportunity to thank Ms.Sonali Sarkar of the Department of Mathematics for support in official work. I am also thankful to Raja and Rehana of Department of Mathematics, NBU for their co-operation. I acknowledge the support received from the Central Library, NBU.

I like to thank the Faculty Members of the Department of Mathematics of SMIT for their cooperation.

I feel happy to mention my friends B.Kunwar and Mrs. Kunwar who inspired me at the tired and depressed moment.

I am glad to mention here about the constant encouragement from my family members.

Finally, I express my sincere gratefulness to the authorities of the University of North Bengal for providing me necessary permission to carry out the present work.

Place: University of North Bengal

Date: 19. 11. 2007
