

ACKNOWLEDGEMENT

It is my proud privilege to express my profound gratitude to Prof. D.K.Hazra, Department of Chemistry, North Bengal University, Darjeeling, for his supervision and encouragement throughout the course of this investigation. His valuable guidance, constant inspiration and constructive criticism have been of immense help at every stage of this work.

I am also grateful to Dr. Bijan Das, Reader, Department of Chemistry, North Bengal University, for his assistance during the course of the work.

Thankful acknowledgement is being made to Department of Chemistry, North Bengal University and University authority for providing me the necessary facilities and financial assistance.

I would also like to express my sincere thanks to my parents and family members for their co-operation and encouragement given to me at every step. No word would be enough to pay back their contributions for the success of the present research programme.
