Synopsis	1 - 11
Part I	
MORPHOLOGY AND SYSTEMATIC POSITION	
OF NEW GREGARINE PARASITES.	
1. Introduction	1 - 2
2. Review of Literature	3 - 8
3. Observations	
i. <u>Monocystis</u> n.sp.(a)	9
ii. <u>Nematocystis</u> n.sp.(a)	14
iii. <u>Nematocystis</u> n.sp.(b).....	20
iv. <u>Nematocystis</u> n.sp.(c).....	24
v. <u>Nematocystis</u> n.sp.(d).....	28
vi. <u>Nematocystis</u> n.sp.(e).....	33
vii. <u>Zygocystis</u> n.sp.(a).....	38
Life History	41
viii. <u>Apolocystis</u> n.sp.(a).....	47
Life History	50
ix. <u>Apolocystis</u> n.sp.(b).....	55
x. <u>Apolocystis</u> n.sp.(c).....	60
xi. <u>Apolocystis</u> n.sp.(d).....	63
xii. <u>Stomatophora</u> n.sp. (a).....	68

xiii.	<u>Stomatophora</u> n.sp.(b)	73
	Life History	74
xiv.	<u>Stomatophora</u> n.sp.(c)	78
xv.	<u>A(a)</u> n.gen.,n.sp.....	81
xvi.	<u>B(a)</u> n.gen.,n.sp.....	88
xvii.	<u>B(b)</u> n.gen.,n.sp.....	93
4.	New Host Record.	98
5.	Review and checklist of acephaline gregarines found in the terrestrial Oligochaetes (earthworms) in India.....	101
6.	Unpublished work on Gregarines of Indian earthworms.....	106

PART II

CYTOCHEMICAL STUDIES OF THE GREGARINES

STUDIED IN PART I.

1.	Introduction	107
2.	Material and Methods.....	109

PER-IODIC ACID/SCHIFF REACTION IN

SOME OF THE GREGARINES STUDIED IN

PART I	111
i.	Discussion.....	117
ii.	Summary	123

THE STUDY OF NUCLEIC ACIDS IN
SOME OF THE GREGARINES STUDIED

IN PART I	124
i. Discussion	133
ii. Summary	140

PART III

HYPERPARASITES IN GREGARINES
OF EARTH-WORMS.

1. Introduction	141
2. Observations	147
3. Discussion	152

PART IV

A NOTE ON THE HARMFUL EFFECTS
OF THE GREGARINES ON THE

HOST EARTH-WORM.....	157
