

## Acknowledgement

---

I express my sincere gratitude to my supervisor, Dr. Sudash Lama, Associate Professor, University of North Bengal, West Bengal who provides scholarly guidance and encouragement at all stages of the completion of research work. I am also thankful to Dr. Gaur Chandra Ghosh, Associate Professor, Islampur College, University of North Bengal, West Bengal, for going through the work and providing valuable and concrete suggestions from time to time whenever required.

My special thanks goes to the staff of Asiatic Society of Bengal and its branch Medcalfe, Archaeological Survey of India, National Museum, Central Library of North Bengal University for extending their all sorts of facilities and cooperation to me. I am also thankful to my father, my wife and my son and others members of the family who continuously encourage me to pursue the research work. It would have not been successful without their heartiest support and cooperation. I also owe to computer concepts for processing the manuscript efficiently and accurately.
