This is to certify that Ms Sreejata De Sarker, MSc. worked under our guidance and preceptorship for her dissertation on the topic entitled "**Study of the role of histocompatibility antigens for immunomodulating the host immune responsiveness during pulmonary tuberculosis**" for fulfilment of the requirement of the degree of Doctor of Philosophy of the University of North Bengal.

She is conversant with the techniques and literature cited in the dissertation and carried out the work thoroughly. It seems that the thesis is fit for submission for PhD and she is worthy for award of the degree.
