April 5, 2000

This is to certify that Ms Shraboni Datta has carried out her research work under my supervision. Her thesis entitled "Studies on the biology of brown blight disease of tea, *Camellia sinensis* (L.)O.Kuntze with special reference to the factors affecting its incidence", is based on her original work and is being submitted for the award of Doctor of Philosophy (Science) degree in Botany in accordance with the rules and regulations of the University of North Bengal.
