CHAPTER-I : INTRODUCTION

1-14

I Statement of the Problem.

II Review of Literature

III Objective of the study

IV Methodology and the scope of the study

V Limitation of the study

VI The Schematic Arrangement

VII A glimpse of Uttar Banga Kshetriya Gramin Bank (UBKGB)  
and its operational area

CHAPTER-II UBKGB AND THE PROBLEMS OF  
RESOURCE MOBILISATION

15-36

Introduction

Capital Funds of RRBs

Refinance, borrowings and deposits

Deposit Mobilisation

Factors of Growth of Deposits

Growth and Performances

Deposits per Account, per Branch and per staff

District -wise performance

Composition of Deposits

Ownership Pattern of Deposits

Achievement under Development Action Plan (DAP)

Summary

CHAPTER III : UBKGB, CREDIT DEPLOYMENT  
AND ITS IMPACT.

37-61

Introduction

Growth of Credit of UBKGB, : a comparative assessment

Credit Per Staff, Per Account and Per Branch

Purpose - wise distribution of credit

District - wise distribution of credit and their respective  
growth

Credit - Deposit Ratio (C/D Ratio)

Performance in the distribution of credit under District credit plan (DCP)

Performance under Special Scheme of the Govt

Performance under Development Action Plan

Credit Management

Impact of Credit

Finding of the previous study

Summary

#### CHAPTER-IV : RECOVERY PERFORMANCE AND THE PROBLEMS OF OVERDUES..

62-102

Introduction

Methodology

Recovery performance

Purpose-wise recovery position

District-wise performance

Recovery to Credit disbursement Ratio

Recovery and Refinance relationship

Loan amount and Overdue relationship

Overdue size and its relationship with the respective size of land, family, educational status, caste, age and the level of income of the borrowers

Defaulters and Non-Defaulters : Relationship with their respective size of Land, income, family, age group, educational status and caste

Causes of defaults : Field survey observation

A comparative assesment with the previous study

The quality of Lending

Impact of Overdues

The Credit delivery system : Lessons from two successful rural banks.

Summary

#### CHAPTER-V : FINANCIAL VIABILITY AND PROFITABILITY PROBLEMS.

103-133

Introduction

The concept of viability and Profitability

Methodology adopted

The interest margin and Spread Ratio

Low interest margin/spread :

Cost Side factors

Income side factors.

Non-fund based/non-interest income  
Burden Ratio  
The operating cost effectiveness  
Income-Advance (I/A) and Expenditure-Deposit (E/D) Ratio  
Operating Ratios  
Productivity and Profitability Ratios  
Summary

**CHAPTER-VI : PERFORMANCE OF  
THE SAMPLE BRANCHES**

134-162

Introduction  
Methodology.  
Growth of Deposits  
Composition of Deposits  
Growth of Credit  
Credit-Deposit (C/D) Ratio  
Recovery Performance  
Financial Performance  
Productivity and profitability Ratios  
Trend of Income and Expenditure  
Factors of Viability  
Summary

**CHAPTER-VII : MANAGEMENT PLANNING  
AND CONTROL SYSTEM - With particular attention  
to performance budgeting and monitoring system**

163-183

Introduction  
Objective and Methodology  
Defination of Terminology  
Performance Budgeting System.  
Performance Budgeting in RRBs vis-a-vis UBKGB  
The formulation and settlement of the branch budget  
Performance evaluation system  
Variance analysis  
Steps taken by the Management for non-compliance of the norms  
Reward and punishment system  
Operational Planning and Control system  
Summary

**CHAPTER-VIII : SUMMARY AND CONCLUSIONS**

184-201

**BIBLIOGRAPHY  
APPENDICES**

202-205  
206-218
