TO WHOM IT MAY CONCERN

This is to certify that the thesis entitled, "Molecular detection, diversity analysis and management of some RNA viruses infecting crops in north-east Indian plains" submitted by Mr. Prosenjit Chakraborty for the award of the degree of Doctor of Philosophy in Botany is based on the results of experiments carried out by him. He has worked under my supervision at Department of Botany, University of North Bengal and under the co-supervision of Dr. Dipanwita Saha, Department of Biotechnology, University of North Bengal. I am forwarding his thesis for the Ph. D. degree (Science) in Botany of the University of North Bengal. He has fulfilled all requirements according to the rules of the University of North Bengal regarding the works embodied in his thesis. This thesis or any part thereof has not been submitted for any other degree/Diploma either to this or other University.
