

ACKNOWLEDGEMENTS

I am greatly indebted to my teacher Dr. S.K. Dey, Assistant Professor, Post Graduate Department of Zoology, Darjeeling Government College, Darjeeling, for suggesting the problem and providing constant guidance throughout the course of my investigation in his laboratory.

I am grateful to Prof. B. Dasgupta, Principal, Darjeeling Government College and Head, Department of Zoology, for rendering the departmental facilities for the work.

Grateful acknowledgements are made to all the laboratory staffs, especially to Mr. M.K. Thapa and Mr. Jiten Halder, for helping me in various ways.

Sincere thanks are also due to Drs. M.S.K. Ghauri and M.R. Wilson of C.A.B. International Institute of Entomology, London; for identification of the heteropteran insects.

Lastly, I express my gratitude to the Council of Scientific and Industrial Research, New Delhi, for providing me financial assistance by awarding Junior and Senior Research Fellowships for carrying out the work.
