

### ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude and sincere thanks to Prof. S.K.Chatterjee, Director of Cinchona and Other Medicinal Plants, Govt. of West Bengal and formerly Head of the Department of Botany and Dean of the Faculty of Science, University of Burdwan, Burdwan for his guidance and encouragement throughout the period of investigation and permitting me to carryout the research work at the Research Laboratory, Directorate of Cinchona and Other Medicinal Plants, Himgpoo, Darjeeling.

I owe special thanks to Dr. P.K.Basu, Acting Director, Centre for Life Science, University of North Bengal, Co-Investigator of this investigation for his comments, corrections and suggestions during research period.

I am particularly grateful to Prof. B.Nandi, Head of the Department of Botany, University of Burdwan for his valuable suggestions and for his willingness to take time on numerous occasions to discuss with me special problems on some experiments.

I acknowledge with gratitude the help rendered by Mr. A. Johnston, Director and Dr. C. Booth, Asstt. Director of Commonwealth Mycological Institute, Kew, England for their help in the identification of the species.

Grateful thanks are due to Dr. N. Chakraborty, Research Officer, Seed Farm, Kalimpong for his constant encouragement and help throughout the period of research work.

I would like to record my sincere thanks to all my colleagues in the Research Laboratory, Mungpoo for extending their never failing help and cooperation whenever I was in difficulties.

I offer my sincere thanks to C.S.I.R., New Delhi for awarding me a Junior Research Fellowship and later a Senior Fellowship during the period of my research work.

I am grateful to Mr. D.L.Hai for typing the thesis and wish to express my appreciation to Mr. N. Roy who printed the graphs and owe special thanks to M/s Das Studio, Darjeeling who furnished me with glossy prints of photographs.

Lastly I acknowledge my deep regards to my mother and elder brother Dr. Pranjit Sarma, Reader, Department of Botany, University of Bardwan for their help, encouragement and patience.
