

C O N T E N T S

	Page
Objectives ..	I
Summary ..	V
PART I	
<u>CHAPTER I</u>	
Review on Carbene Reactions	1
<u>CHAPTER II</u>	
Cleavage of Cyclopropane	53-77
A. Scope of the Study	53
B. Results and Discussion	54
C. Experimental	65
<u>CHAPTER III</u>	
Decomposition of α -Diazotetralone	78-94
A. Scope of the investigation	78
B. U.V. Spectral studies of α -diazotetralone ..	79
C. Discussions and Conclusion	82
D. Experimental ..	88
PART II	
<u>CHAPTER I</u>	
A Short Review on Diazomethane addition to olefin ..	95-106

CHAPTER II

Reactions of diazomethane with some olefins ..	107-126
A. Scope of the study	107
B. Results and Discussions	110
C. Experimental ..	120

PART III

CHAPTER I

A Short Review on Ketene Reactions	127
------------------------------------	-----

CHAPTER II

Reactions of Ketenes	145-155
A. Scope of the present study	145
B. Results and Discussions	146
C. Experimental	147
REFERENCES (PART I & II) ..	156
REFERENCES (PART III) ..	174
REVIEW REFERENCES ..	179
