Shri Amlan Majumder had been working on his Ph.D. dissertation entitled “ Economics of Health Care Utilisation: A Study of Perceived Morbidity and Health Seeking Patterns in Cooch Behar and Jalpaiguri districts of North Bengal”, under our joint supervision. I have been in constant touch with the progress of his work. His thesis which is ready for submission is his original contribution to the research subject and may be considered for submission and evaluation.

Shri Amlan Majumder had been working on his Ph.D. dissertation entitled "Economics of Health Care Utilisation: A Study of Perceived Morbidity and Health Seeking Patterns in Cooch Behar and Jalpaiguri districts of North Bengal", under our joint supervision. I have been closely acquainted with his work during the period of his research. This thesis represents original research on this subject and is now being submitted for evaluation.
