

INDEX OF HABITAT

On Monocotyledonous plants

Gramineae

Arundinaria intermedia Kuro.

Puccinia arundinariae Schw.

Darluca filum (Biv.) Cast.

Cyperaceae

Carex cruciata Wall.

Puccinia caricis (Schum.) Robert.

Cyperus rotundus Linn.

Puccinia romagnoliana Maire & Sacc.

Liliaceae

Chlorophytum sp.

Puccinia chlorophytas sp. nov.

Smilacina fusca, Wall.

Puccinia smilacinae H. & P. Syd.

Zingiberaceae

Cantlora lutes Royle.

Glozza Hookeri Clarke

Hedychium acuminatum Roscoe

Puccinia roseoasa Barclay

Orchidaceae

Habenaria densa Wall

Hemiphus angustifolium Benth

Satyrium nepalense Don Prodr

Anthozonium gracili Lindl

Coleosporium blotiae Diet.

On Dicotyledonous plants

Urticaceae

Elatostema sp.

Heliola thomasi Sacc.

Polygonaceae

Fagopyrum dihotrys (D. Don) Hara

Puccinia fagopyri Barclay

Lauraceae

Cinnamomum caudatum, Nees

Puccinia lauricola Cummins

Rosaceae

Rubus lasiocarpus, Sm

Phragmotelium mysorensis Thirum. and Hunder

Rubus niveus Wall.

Phragmidium barclayi Diet.

Rubus roseifolius Smith

Phragmidium octolaculare Barclay

Leguminosae

Phaseolus vulgaris Linn.

Colletotrichum lindemuthianum (Sacc. and  
Magn.) Br. and Cav.

Uromyces appendiculatus (Wens.) Unger

Trifolium repens L.

Uromyces trifolii (Hed. f.) Lev.

Geraniaceae

Geranium nepalense Sw.

Puccinia geranii-sylvatici Karst.

**Rutaceae**

Citrus sp.

Helicla citricola Syd.

**Rhamnaceae**

Rivabna sp.

Isariopsis indica

**Hypericaceae**

Hypericum hookerianum, W. & A.

Melampsora hypericorum (DC.) Shroet.

**Violaceae**

Viola serpens, Wall.

Ascidium violae Schum.

**Umbelliferae**

Oenanthe sp.

Puccinia oenanthos

**Labiatae**

Calamintha nabrosa Benth.

Puccinia menthae Pers.

Plectranthus sp.

Coleosporium plectranthi Barclay

Notochaeta sp.

Puccinia notochaetae sp. Nov.

**Rubiaceae**

Rubia cordifolia Linn.

Pseudopeziza rubiae Ramkr. T.S. and K.

**Campanulaceae**

Campanula colorata Wallich.

Coleosporium campanulae (Pers.) Lev

Compositae

Myriactis neoleucis Less.

Colosporium myriactidis Syd.

Asiella ataracta, D.C.

Puccinia ainslieae Syd.

Senecia scandens, Wall.

Accidium flavescens Barclay

On dead plant parts

Eudoniella acicularis
