

ACKNOWLEDGEMENTS

I wish to express my most sincere gratitude to Dr. B.K. Chaudhuri, for his constant guidance and suggestions throughout the continuation of the research work. In connection with my theoretical work, I am also very much indebted to Dr. T. Matsuo and to Prof. Y. Yamada of Osaka University for many fruitful suggestions.

I also extend my sincere gratitude to Prof. C.K. Majumdar, Head of the Department of Magnetism, Indian Association for the Cultivation of Science, for his interest in this work. My sincere thanks are also conveyed to the authorities of the Indian Association for the Cultivation of Science for providing me the laboratory facilities.

I am also grateful to Dr. A.K. Dutta, Dr. S. Ray, Mrs. S. Banerjee and many other members of the Department of Magnetism for their kind help and co-operation throughout the progress of the work.

Thanks are also conveyed to Mr. T.K. Moulik for his careful typing of the final manuscript, to Mr. M. Saha for xeroxing the figures and to Mr. P. Ghosh for neat drawing of the figures.

Finally, I express my gratefulness to my brother and sister for their constant encouragement which gave me confidence throughout the progress of my research work.
