

10th February 2004

Supervisor's Certificate

This is to Certify that Ms. Bina Pradhan, M.Sc. has worked on a Ph.D. Programme entitled "Rearing and Evaluation of Performance of some common Lepidopteran tea pests on Natural and Artificial Diets from the Darjeeling Region" under my supervision and guidance, and that she has fulfilled the requirements related to submission of Ph.D. thesis. She has carried out her work under the Fellow Improvement Programme of the University Grants Commission as a teacher fellow attached to the Department of Zoology, University of North Bengal. Her research work embodies original findings based on a well planned investigation. The dissertation submitted herewith is for the fulfillment of the degree of Doctor of Philosophy in Science (Zoology) of the University of North Bengal, and has not been submitted for any degree whatsoever by her or anyone else. I sincerely wish Ms. Pradhan and her endeavour success.

Ananda Mukhopadhyay, Ph.D.
Professor.
