

## *Acknowledgement*

This research has been undertaken by North Bengal University as a university fellowship. I am indeed thankful to North Bengal University for offering me junior research fellowship to bring the work to a successful completion.

In preparing this thesis, I offer my bottomless and sincere gratitude and respect to my supervisor, Dr. Sushma Rohatgi, Reader of Department of Geography & Applied Geography of North Bengal University. It is her keen interest, valuable guidance, suggestions and constant encouragement which made it possible for me to complete this work.

I owe a heartfelt gratitude to my teacher, Prof Asish Sarkar, the Head of the Department Geography of Presidency College, Prof Sandipan Chatterjee Reader of the Department of Geography of Presidency College for their suggestions and encouragement.

I am extremely grateful to Mr. Debasish Chatterjee, Technical Officer of Indian Statistical Institute, Kolkata for providing me important knowledge about some important software to perform the computational work.

I am thankful to Mr. Pranab, Miss Piyali, Miss Manjusha and Miss Jayeeta for assisting me in field survey.

I am thankful to the staff of the District Statistical Officers of six districts of North Bengal Region, the staff of eight selected blocks of Darjiling, Jalpaiguri, Koch Bihar, Uttar Dinajpur, Dakshin Dinajpur and Maldah districts, the staff of the Bureau of Applied Economics and Statistics, Kolkata; the staff of the Census Library, Kolkata; the staff of the Census Library, Kolkata; the staff of the Library of Indian Statistical Institute, Kolkata; the staff of the Library of Writer's Building, Kolkata and the staff of the Library of Muzaffar Ahamed Bhaban, Kolkata for providing me with important data and records.

A word of grateful thanks is also due to Mrs. Jostna Baidya of Kolkata for Computational and Cartographic assistance. Thanks are due to Dhar Brothers, Kolkata; for helping me with printing and binding the thesis.

I am grateful to Mr. Jairam Suresh, present Principal, Gyan Jyoti College, Siliguri; for giving me inspiration to complete the work.

I am extremely indebted to Mr. Suman Ghosh for assisting me during the period of field work and his deep interest, precious guidance, support and continuous encouragement which made it possible for me to complete this work. I am thankful to Mr. Kartick Chandra Ghosh for assisting me in field survey.

Lastly, my grateful thanks are due to the inhabitants of Siliguri Municipal Corporation, Jalpaiguri Municipality, Koch Bihar Municipality, Raiganj Municipality and Maldah Municipality contacts and warmth with whom have give me such first hand acquaintance with a real picture of socio-economic situations which is far more enlightening than mere recorded information of the respected area.
