

## ACKNOWLEDGEMENTS

It is with a deep sense of gratitude that I express my indebtedness to my research guide, Dr. P.K. Basu, Professor of Botany, Centre for Life Sciences, University of North Bengal, Darjeeling for suggesting me the problem and for his constant suggestion and guidance, useful discussions, and for providing all the necessary facilities during the course of my present study.

I am indebted to B.S.I. Gangtok and Curator, Llyod Botanical Garden, Darjeeling, West Bengal, for the necessary facilities provided during consultation of the herbaria. Thanks are also due to L.K. Rai, Technician and Dr. Eklabya Sharma, Senior Scientist, G.S. Pant Institute, Tadong, Sikkim for helping me during floristic investigation of the region under study.

I am also thankful to my friends in the Centre, Bharat, Ishani, Khawas, Simon, Robin, Jyoti, Subhendu, Apurba and Ram, Rajen, Anita, Tashu, Radhika, Ira, G.B. Das, Sanjay, Prem for helping me in different ways in the Centre and in the field.

I shall always remain grateful to my friends Dorjee, Annole, Preym, Anedi and Kalyan for their constant encouragement during this study.

Thanks are also due to Diwaker, Binod, Bhanu, Lalit Golay, Arun, N.P. Rai, Sampurna Rai, G.S. Nepal for being the source of inspiration during the present study.

My special thanks are due to Dr. Tenka B. Subba, who was available at all hours to sort out difficulties of various kinds.

Last but not the least, I express my gratitude to the 'Eco-Development Project for Sikkim' sponsored by the Department of Environment for financial help made available in the form of Junior Research fellow without which the present study could not have been undertaken.
