

## PREFACE

The subject of this Thesis was suggested by Dr. N.C. Sinha, Professor and Head of the Department of Civil Engineering, Jalpaiguri Government Engineering College, and it was under his supervision that this work was completed. The writer wishes to express sincere appreciation for his constant help, valuable advice and able guidance.

The writer is grateful to Dr. B. Sen, Principal, whose constant encouragement and help has made earlier completion and submission of this Thesis possible .

Thanks are also extended to his colleagues and friends for their advice and suggestions given while conducting this study.

Acknowledgements are also due to Sri Anrita Goswami for typing the Thesis and to Sri Birbal Addya for drawing the figures of this Thesis.

The financial assistance for this research was obtained from the University Grants Commissions, India, which is gratefully acknowledged.
