

## ACKNOWLEDGEMENTS

*The present study has been completed under the supervision of Dr. Kanak Kanti Bagchi, Reader in Economics, North Bengal University, to whom I express my deep sense of gratitude. Really speaking, the present work could not have been completed, without inspiring and learned guidance of Dr. Bagchi. He always extended his valuable advice and suggestions in completing my study. His towering personality and scholarship worked as a beacon for me. As his research scholar, I have found him a constant source of inspiration for academic pursuits. I also express my gratitude to Mrs. Janusri Bagchi, wife of my supervisor, for her hospitality, affection, inspiration and tolerance during the long course of preparation of this research work.*

*I also take this opportunity to express my heartfelt gratitude to Dr. Anil Bhumali, Head of the Department of Economics, North Bengal University and Dr. Hillol Kumar Chakrabarty, Professor of Economics, North Bengal University for their valuable suggestions.*

*I feel obliged to other teachers and staff at the Department of Economics, North Bengal University for their assistance at the time of my need. I also express my gratitude to Ms. Gauri Sen in the Ph. D. cell of North Bengal University for her kind assistance in the process of my Ph. D. registration and submission. I also appreciate the help provided by the library staff of North Bengal University.*

*My thanks are due to the library staff of Central Library of Tribhuvan University Nepal; Post Graduate Campus, Biratnagar; Nepal Rastra Bank; Nepal Bank Limited,*

Central office Kathmandu; Rastriya Banijya Bank, kath.mandu and Agricultural Development Bank of Nepal, Central Office Kathmandu, Nepal.

A also express my sincere gratitude to my friends Dr. Yadav Raj koirala, Dr. Shyam Katuwal, Dr. Vedraj Acharya, and Dr. Deepak Prasad Rijal for their kind help and encouragement.

No words are perhaps adequate enough to express my debts to my wife Sonila Adhikari, who looked after the family when I remained busy with my research work. I am also indebted to my children Romila, Ronam and Romin who had silently accepted non-availability of teaching guidance of any form from their father. I also express my gratitude to all my relatives who constantly encouraged me to complete this work. I also express my wholehearted regards to my mother.

Last but not the least I also thank Mr. Sudhangshu Kr. Das of the Computer Link, Shivmandir for his valuable help in computer typing and setting of this research work.
