List of Tables	
Abbreviations used in the Thesis	
Chapter 1: An Introduction to this Study	1-17
1.1 Definitions of the Scope of Financial Management	1
1.2 The Maritime Geography of India	2
1.3 Major, Intermediate and Minor Ports	3
1.4 Major Ports of India & their Historical Background	3
1.5 Major Ports over the Planning Period	5
1.6 Administration & Management in Port Undertakings	6
1.7 The Administrative Frame	7
1.7.1 The Board of Trustees	7
1.7.2 Organisation	8
1.8 A Review of the Literature	9
1.8.1 Literature on Financial Management	9
1.8.2 Literature on Ports & Harbours *	12
1.8.3 Literature on the Economic Role of Ports	14
1.9 The Present Study	14
Chapter 2: The Finance Function	18-38
2.1 Definitions of the Finance Function	18
2.2 Classification of the Finance Function	19
2.2.1 Executive Finance Function	19
2.2.2 Incidental Finance Function	21
2.2.3 Area of the Finance Function	21
2.3 Financial Objectives	22
2.4.1 The Finance Function in Calcutta Port	24
2.4.2 Financial Divisions of the Calcutta Port Trust	26
2.4.3 Financial Divisions of the Haldia Dock Complex	28
2.5 Accounting and Budgeting Procedures	29
2.5.1 The Budgetary Function	30
2.5.2 Classification of the Budget	30
2.5.3 Management Accounting	32
2.6 Financial Management for Major Ports	36
Chapter 3: The Major Port System of Calcutta & Haldia	39-72
3.1 The Calcutta Dock System	39
3.1.1 Location	39
3.1.2 A Brief History of Calcutta Port	40
3.1.3 Berthing Facilities at Calcutta Port	40
3.1.4 Port Estates at Calcutta Port	40
3.1.5 Dock Facilities under CDS	43

3.1.6 Dry-docking Facilities at Calcutta Port	43
3.1.7 Other Port Facilities	44
3.1.8 The Transportation Linkages	44
3.2 <i>The Haldia Dock Complex</i>	45
3.2.1 Location of HDC	45
3.2.2 History of HDC	45
3.2.3 Berthing Facilities at HDC	46
3.2.4 Port Estates of HDC	47
3.2.5 Port Facilities at HDC	48
3.3C. <i>CDS & HDC : Common Features</i>	49
3.3.1 Port Hinterland	49
3.3.2 Navigational Problems of Calcutta Port	49
3.3.3 Dredging Requirements	51
3.3.4 Upriver Pilotage Requirements	52
3.4 Traffic Trends at Calcutta-Haldia Port	54
3.5 The Financial Position of Calcutta-Haldia Port	63
3.6 Manpower at Calcutta-Haldia Port	68
3.7 Problems & Prospects For the Port at Calcutta	70
Chapter 4: Analysis of Sources & Applications of Port Funds	73-91
4.1 The Meaning of 'Funds'	73
4.2 The Funds Flow Statement	73
4.3 The Funds Flow Statement for Calcutta Port	74
4.4 Port Capital at Calcutta Port	78
4.4.1 Capital Assets	78
4.4.2 Capital Investments	80
4.5 Capital Structure	80
4.6 Sources of Port Capital	83
4.6.1 Internal Sources	83
4.6.2 Loans from Government	86
4.7 The Ownership of Port Capital	87
4.8 The Analysis of Port Funds	89
Chapter 5: Analysis of Cost & Revenue Trends at Calcutta-Haldia Port	92-115
5.1 Introduction	92
5.2 The Structure of Costs	93
5.2.1 Operating Costs	95
5.2.2 Non-operating Cost	103
5.3 Introduction (Analysis of Revenue Receipts & Trends)	103
5.3.1 Revenue Structure: Operating & Non-Operating Categories	105
5.4 The Analysis of Trends	114
Chapter 6: Cost-Revenue Relationships within Port Activities	116-132
6.1 Introduction	116
6.2 Operating Items	116
6.2.1 Cargo Handling and Storage	118

6.2.2 Port and Dock Services	121
6.2.3 Port Railways	124
6.2.4 Estate Rentals	127
6.3 Non-Operating Items	129
6.4 Trends of Port Costs & Revenues	131
Chapter 7: Operational Performance & Profitability at Calcutta-Haldia Port	133-152
7.1 Port Operations & Returns	133
7.2 Financial Performance	133
7.2.1 Financial Result	134
7.2.2 Operational Performance	136
7.2.3 Non-Operational Performance	138
7.2.4 Operating Ratios	140
7.2.5 Return on Capital Employed	141
7.2.6 Net Surplus Margin	142
7.2.7 Turnover on Capital Employed	143
7.2.8 Turnover on Fixed Assets	143
7.3 Physical Performance	145
7.3.1 Number of Vessels Sailing	145
7.3.2 Average Pre-berthing Detention	146
7.3.3 Average Turn-Round Time	148
7.3.4 Rates of Idle-time to Time at Working Berth	150
7.3.5 Output per Ship Berth-Day	151
7.4 A Review of the Evidence	151
Chapter 8: The Conclusions from the Study	153-167
8.1.1 The Objects of Financial Management	153
8.1.2 Financial Management for Port-Undertakings	154
8.1.3 The Calcutta-Haldia Port	155
8.1.4 The Analysis of Capital Structures	157
8.1.5 Cost Trends	158
8.1.6 Cost-Revenue Relationships	158
8.1.7 Ratio Analysis	159
8.2 Findings from the Study	160
8.2.1 Capital Needs & Planning	160
8.2.2 Sources of Capital	161
8.2.3 Capital Assets & Utilisation	162
8.2.4 Operating Costs	163
8.2.5. Financial Performance	164
8.2.6 Physical Performance	165
8.3 Financial Management for the Future	165
8.4 The Privatisation Issue	166
