

## A C K N O W L E D G E M E N T

I express my deep gratitude and best regards to Dr. D.C. Deb, Reader in the Department of Zoology, University of North Bengal for his invaluable guidance throughout the course of this thesis.

I am grateful to the Member Secretary, Central Silk Board, Ministry of Textiles, Govt. of India for giving me permission to undertake the work and granting me study leave for the purpose. Equally I am grateful to Dr. G. Subba Rao and Dr. T. Pavan Kumar, the Directors, Central Sericultural Research and Training Institute, Berhampore, West Bengal for their kind permission to avail of the library and laboratory facilities of the Institute.

My best regards to the Head of the Department of Zoology, University of North Bengal and to all the teachers of the Department for the laboratory facilities and help on different occasions.

I am really indebted to Mr. B.P. Nair and Mr. N. Das, the Assistant Directors in the Division of Statistics and Computer Applications, Central Sericultural Research & Training Institute, Berhampore, West Bengal for their assistance in statistical analysis.

The regular encouragement of Dr. A. Mukhopadhyay, Reader, Department of Zoology, University of North Bengal is thanfully appreciated.
