

## ACKNOWLEDGEMENT

---

With immense pleasure, I am happy to express cordial gratitude, deep appreciation and indebtedness to my supervisor Dr. Dipanwita Saha, Assistant Professor, Department of Biotechnology, University of North Bengal, Siliguri, Darjeeling for her inspiration, encouragement and guidance throughout the execution of this work. I would like to utilize this privilege while documenting my research findings in the present form of a thesis; to express my deep sense of gratitude to my revered co supervisor Prof. Sankar Kumar Ghosh, Department of Biotechnology, Assam University, Silchar, Assam for his frequent encouragement, constant guidance and resourceful comments towards fulfillment of this thesis being submitted for achieving the degree of Doctor of Philosophy.

I am also thankful to Dr. Ranadhir Chakraborty, Dr. Shilpi Ghosh and Dr. Anoop Kumar, Department of Biotechnology, Prof. Anirudha Saha, Department of Botany, Prof Pranab Ghosh, Department of Chemistry, University of North Bengal for their valuable advice throughout the course of my work.

I am also equally grateful and extend my heartiest gratitude to Dr. Bishal Dhar and Mr. Sharbadeb Kundu of the Department of Biotechnology, Assam University, Silchar for their continuous support, help and encouragement during my whole research work. I extend my heartiest gratitude to all lab mates, Dr. Pradosh Mahadani, Dr. M. Joyraj Bhattacharjee, Dr. Miranda Devi, Dr. Monika Ahemtham, Dr. Boni Amin Laskar, Dr. Shantanu Kundu, Dr. Jagadish Hansa, Dr. Bijoya Devi of Department of Biotechnology, Assam University, Silchar for helping me in my whole research work. I am really grateful to all my other lab mates, Dr. Gargee Dharpurkayastha, Dr. Ramasish Kumar, Dr. Anusooya Ghosh, Dr. Sima Mondal, Miss Preeti, Miss Snriti, Miss Pinkey of the Department of Biotechnology and Prosenjit Chakraborty, Department of Botany, University of North Bengal for their real support, help and encouragement during my research work. I am indebted to many of my colleagues, Dr. Mrinal Dey, Dr. Pranay Das, Dr. Biplab Pal, Dr. Srinibash Das, Dr. Debdulal Sana, Dr. Sandeep Das and Dr. Amitendu De for supporting me for this research work. My special thanks to departmental and official staff of Department of Biotechnology, University of North Bengal, Siliguri, Darjeeling as well as Department of Biotechnology, Assam University, Silchar, Assam.

I am very much grateful to my parents, wife, sweet daughter, brothers, sister and other family members for supporting and encouraging me for doing the whole research works.

I extend my special gratitude and respect to the Director, Animal Resources and Animal Health, Govt. of West Bengal for providing permission to perform the whole works.

(Prasanta Kumar Bera)
