

ACKNOWLEDGEMENT

The author wishes to express his profound gratitude to his supervisor Prof. S. Karanjai, Department of Mathematics, North Bengal University for his exemplary patience guidance, constant encouragement, inspiration, supervision and good understanding during the research programme.

He also expresses his gratitude to Dr. P .K . Chaudhuri for his encouragement and general help in this endeavour.

He would like to express thanks to University of North Bengal for providing the departmental fellowship and to the teachers and scholars of the Department of Mathematics for their cooperation.

Finally, the author would like to express his deepest respect and gratitude to his beloved parents and other family members for their sacrifices, patience and understanding. The author wishes to express his warm thanks to the relatives and other friends whose constant inspiration and help were a strong impetus toward the completion of his work.
